We are focused on basic products that remain in fashion for long period of time and does not carry outdateding of fashion risk. The company lays emphasis on affordable cost of product without compromising on the quality of the product.

The company has adequate stock of different types of fabrics that will be used in manufacturing of masks and help the country socially and economically. Further, we would like to inform you that all the norms decided by MoHA is strictly being followed by the company. Definitely we are seeing the silver lining in dark clouds amidst the prevailing gloomy environment.

Commenting on the same, Mr Prem Aggarwal, Chairman and MD, said, "As an organization that stands for the principles of business with a human approach, we are trying to give as much as work to local homeworkers to earn their livelihood from mask stitching and other related works to help the entire ecosystem around our organization survive this crisis. We are also reaching out to different organizations to offer all possible help with our manufactured masks and available fabric for mask manufacturing."

"In these tough and uncertain times, with various measures announced, we are ensuring that we continue to support our dealer channel and the temporary workforce at this time of need. All payments are being released on time to them. We are especially proud of our workers and who are working under very difficult conditions to ensure that mask will reach to common citizens and masses everywhere and we can stop the spread of this deadly COVID-19 Virus at the earliest.

This is for your information and record.

Thanking you,
Yours faithfully,
For Garment Mantra Lifestyle Limited
