Mumbai, June 07, 2021: Vakrangee Ltd entered into partnership with NSDL Payments Bank Ltd to provide Banking Business Correspondent (BC) services on a Pan India basis through its network of Nextgen Vakrangee Kendra's.

Through digital banking the physical barrier of a Bank Branch has been removed which makes this model highly scalable. The existing platform through which Vakrangee is providing other services at the Kendra will be utilized for providing Banking services using APIs, thus ensuring quick rollout and easy customization services across India.

Nextgen Vakrangee Kendra is a standardized format outlet exclusively offering a comprehensive range of products and services across banking, insurance, ATM, e-Commerce, e-Governance and logistics. With 70% of these Nextgen Vakrangee Kendra outlets in Tier-5 and 6 towns, Vakrangee will make available banking services to its customers in the most remote and hitherto unserved/underserved parts of the country.
