5. The management of the Company is also responsible for ensuring that the Company complies with all the relevant requirements of the Regulations and for providing all relevant information to the Company's Debenture Trustee as prescribed in the respective Debenture Trust Deed entered into between the Company and its Debenture Trustee in respect of its 9,250 Listed, Secured, Non-convertible debentures of the face value of Rs. 10 Lakhs each, aggregating to Rs. 925 Crores.

## Auditor's Responsibility

6. Pursuant to the requirements of the Regulations, it is our responsibility to obtain limited assurance and form a conclusion as to whether the book values of the assets of the Company contained in Columns A to J of the Statement of Security Cover, and Statement of Compliance with Financial Covenants have been accurately extracted and ascertained from the unaudited books of account and other relevant records and documents maintained by the Company, and whether the Company maintained the security cover and complied with the financial covenants as per the Debenture Trust Deed. Our responsibility does not include the evaluation of adherence by the Company with all the applicable Regulations.
7. For the purposes of this report, we have relied on the unaudited books of account of the Company for the nine months ended December 31, 2023 and information and documents as made available to us by the Company.
8. A limited assurance engagement involves making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. The procedures performed vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.
9. Accordingly, we have performed the following procedures:
  - i) In relation to the Statement of Security Cover:
    - a) Obtained and read the Debenture Trust Deed entered into between the Company and its Debenture Trustee and noted that as per Clause 6 of this deed, the Company is required to maintain a security cover percentage of at least 1.5 times (including the valuation of the Brand) in respect of such debentures as indicated in the Statement of Security Cover (based on book values).
    - b) Traced and agreed the principal amount and the interest on borrowings outstanding in respect of debt securities and assets available for debt securities as at December 31, 2023 to the unaudited books of account maintained by the Company as at December 31, 2023.
    - c) Obtained and read the list of security cover in respect of debentures outstanding as per the Statement of Security Cover and traced the value of assets from the Statement to the unaudited books of account of the Company and correlated to the books of account and other records of the Company as at December 31, 2023.

# MSKA & Associates

Chartered Accountants

- d) Understood the nature of charge (viz pari-passu charge) on the asset of the Company by obtaining the list and value of assets placed under lien or encumbrance for the purpose of obtaining any other loan and determined that such assets are not included in the calculation of Security Cover in respect of secured Listed, Secured, Non-convertible debt security.
  - e) Examined and verified the arithmetical accuracy of the computation of security cover ratio (based on book values) mentioned in the accompanying Statement of Security Cover.
  - f) Compared the Security Cover with requirement as per Debenture Trust Deed.
  - g) Obtained the workings of assets and liabilities presented in the respective columns in the Statement of Security Cover and verified the same from the unaudited books of account and relevant records and documents underlying the unaudited financial results as at and nine months ended December 31, 2023.
- ii) In relation to Statement of Compliance with Financial Covenants:
- a) Traced the numbers used in computation of 'Gross Debt / EBIDTA' and 'Interest Coverage Ratio' from the unaudited financial statements as at and nine months ended December 31, 2023.
  - b) Verified the compliance with financial covenants laid down in the Debenture Trust Deed for the period from April 01, 2023 to December 31, 2023.
- iii) In relation to both statements, performed inquiries with the management and obtained necessary representations.
10. We conducted our examination of the Statements in accordance with the 'Guidance Note on Reports or Certificates for Special Purposes' ("the Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
11. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

## Conclusion

12. Based on the procedures performed as referred to in paragraph 9 above and according to the information, explanations and representations provided to us by the management of the Company, nothing has come to our attention that causes us to believe that the book values of the assets of the Company contained in Columns A to J of the Statement of Security Cover, and Statement of Compliance with Financial Covenants are not in agreement with the unaudited books of account as at and for the nine months ended December 31, 2023 and other relevant records and documents maintained by the Company and that the Company has not complied with financial covenants of the debentures as per the Debenture Trust Deed.
