## NCLAT seeks status report on Supertech

PRESS TRUST OF INDIA  
New Delhi, May 25

**THE NATIONAL COMPANY** Law Appellate Tribunal (NCLAT) on Wednesday directed the interim resolution professional of Supertech to submit a "status report" regarding claims received on the next date of the hearing on June 1. The appellate tribunal also said its interim order staying the constitution of the committee of creditors (CoC) would continue.

"List this appeal on 01.06.2022. Let IRP also file status report by the next date. In the meantime, interim order to continue," said a three-member NCLAT bench, headed by chairperson justice Ashok Bhushan.

Meanwhile, the NCLAT also asked the association of homebuyers of Supertech to serve a copy of their application to the IRP and petitioner Ram Kishor Arora, director of the sus-

pending board of Supertech. Supertech is facing insolvency as the Delhi bench of the NCLT on March 25 admitted a plea by its financial creditor Union Bank of India for non-payment of dues of around ₹432 crore.

However, this was challenged by Arora before the appellate tribunal. The NCLAT stayed the formation of the committee of creditors under the insolvency proceedings after the realty firm requested for time to enable it to approach the bank for negotiations. The default pertains to the loan given by Union Bank of India to Eco Village II project at Greater Noida (West) in Uttar Pradesh, which was being developed at a cost of ₹1,106.45 crore.

During the last hearing, the counsel representing Supertech had informed the NCLAT that the realty firm had several rounds of discussions with Union Bank of India.

## PhonePe launches SIP for investment in gold

Terence Lucien, head of investments at PhonePe

FE BUREAU  
Bengaluru, May 25

**FLIPKART-OWNED PHONEPE** on Wednesday announced the launch of a systematic investment plan (SIP) to invest in gold. Users can now invest in 24k gold, the metal in its highest purity, for a specific amount every month and accumulate their asset.

These investments will be insured in bank-grade lockers maintained by PhonePe's partners MMTC-PAMP and Safe-Gold. Investors will have complete control of their gold and can sell it at any time to get a direct credit to their bank accounts. Should they choose to redeem this investment in the form of coins and bars, it will be delivered to their doorsteps, the company said in a statement.

The advantage of starting a gold SIP on PhonePe is the convenience of unified payments interface (UPI). Setting up a gold SIP is a one-time, hassle-free process and all subsequent investments are completely automated.

"PhonePe's vision is to build products and offerings that cater to the varied investment needs of its 380 million users. As Indians look at finding smart ways to buy gold, we are happy to provide our users the option of setting up a gold SIP through UPI. PhonePe's gold SIP will help users build their long-term gold investments in a hassle-free way by allowing them to buy the purest 24K gold through small and regular monthly investments," said Terence Lucien, head of investments at PhonePe.

Users can start investing with as little as ₹100 per month.
