**Anand Desai, Managing Director of Anupam Rasayan, commented, "I am pleased to announce that we have delivered a robust year registering a total revenue growth of 29%, mostly driven by a healthy volume ramp-up. With new LOIs getting signed and older ones getting converted into long-term contracts, the visibility for top-line growth in the years to come becomes clearer."**

*"Further, our foray into Fluorination chemistries, which will drive our next phase of growth has been strengthened by our successful acquisition of Tanfac's 26% stake. By the means of this acquisition, we look forward to backward integrate our supply chains in this vertical and focus on production of high value -high margin molecules that have application in varied industries which will give us impetus to enhance our margin profile."*
