Company Scrip Code: 542851

Dear Sir/Madam,

Sub.: Gensol clinches deals worth over 70 Crores for building solar power projects of around 24 MWp cumulative capacity in the states of Madhya Pradesh and Punjab

Ref: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), we would like to inform you that the Company has, in the last 7 days, in normal course of business, received purchase orders from reputed clients for the development of solar power projects aggregating to a capacity of around 24 MWp in the states of Punjab and Madhya Pradesh. The cumulative order value of these projects is pegged at over Rs. 70,00,00,000.00 (Indian Rupees Seventy Crores Only) exclusive of taxes. Out of the total ordered capacity, 17 MWp will be installed over metal-based roofs of the factories of the clients, while around 7 MWp will be raised over ground within the premises of the clients.

We request you to take the above information on your records and disseminate the same on your respective websites.

Investor Release

Gensol Engineering Limited Secures Purchase Orders to develop Grid-Connected Ground-mount and Rooftop Solar Power Generation Systems cumulating to 24 MWp.

Gensol Engineering Limited ("The Company") has in the last 7 (Seven) days in normal course of business, received purchase orders from our reputed clients for the development of solar power projects aggregating to a capacity of **around 24 MWp in the states of Punjab and Madhya Pradesh**. The cumulative price of these projects **is pegged at over Rs. 70,00,00,000.00 (Indian Rupees Seventy Crores Only)** exclusive of taxes.

All these projects are for captive use of the clients and, thus, will cut down their dependence upon grid and are expected to reduce emissions of 32928 Mt CO2 annually. All these projects are slated for commissioning during the next six months.

About Gensol Engineering Limited;

Incorporated in 2012, Gensol Engineering Limited is a part of Gensol group of companies, which offer **EPC and solar advisory services**. The company is engaged in providing technical due diligence, detailed engineering, quality control, construction supervision, and other consulting services for solar projects across many countries, including India. Being a **one-stop solution** for a value chain of the solar industry, it provides advisory services to leading project developers, leading institutions, solar EPC companies, and **government policymaker**. Under EPC business, the company manages turnkey engineering, construction and procurement contracts, internationally, **with a team of 180+ engineers**. Collectively, Gensol has erected solar power plants of **over 297 MW capacity on ground and rooftops** so far. With international reach, it provides consulting
