**IMPORTANT COMMUNICATION TO MEMBERS**

Dear Shareholders,

The Ministry of Corporate Affairs (MCA) has taken a "Green Initiative in Corporate Governance" by allowing paperless compliances by the Companies through electronic mode. In accordance with the circulars issued by the MCA during April and May 2011, companies can now send notices and documents, including Annual Reports and postal ballots to its shareholders through electronic mode to the registered e-mail addresses of the Shareholders.

It is a welcome move for the society at large, as this will reduce paper consumption to a great extent and allow shareholder as well as the companies to contribute towards a Greener Environment.

Your Company also proposes to participate in this Green initiative by opting for e-mailing all the future shareholder communications henceforth including notices of Annual General Meetings and Annual Reports of the Company to those shareholders opting to receive the same in electronic mode.

To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holding with the Depository through their concerned Depository Participants.

Members who holds shares in physical form are requested to furnish their e-mail id to the following e-mail id viz. [investors@ankitonline.com](mailto:investors@ankitonline.com) quoting your folio number, name, PAN, mobile number. We would be mailing all the future shareholder communication to the e-mail id furnished to us.

Please note that as a member of the Company, you will always be entitled to receive all such communication in physical form, upon request.

**Forward-looking statement**

This Annual Report contains statements about expected future events and financial and operating results of Shricon Industries, which may be classified as forward-looking. By their nature, forward-looking statements require the Company to make assumptions and are subject to inherent risks and uncertainties. There is high possibility that the assumptions, predictions and other forward-looking statements will not prove to be accurate. Further, certain key performance indicators mentioned in the Annual Report are based on classifications made by the Company. Do not place undue reliance on forward-looking statements as a number of factors could cause assumptions and actual future results or events to differ materially from those expressed in these forward-looking statements.

## **EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ('Act'), given hereunder sets out all material facts relating to the special business mentioned at Item Nos. 3 to 7 of the accompanying Notice dated May 29, 2024.

### **Item No. 3:**

M/s. Kalani & Company, Chartered Accountants (ICAI Firm Registration No. 000722C), was appointed as Statutory Auditor of the Company by the members at their AGM held on 24th September, 2022 for a period of 5 years to hold office from the conclusion of the said AGM until the conclusion of the AGM of the Company to be held in calendar year 2027. M/s. Kalani & Company, Chartered Accountants has resigned on 12th August, 2023 before completion of its term, from the position of Statutory Auditors due to inadequate amount of Audit Fees. The Audit Committee and Board of Directors of the Company aligned with the reasons stated in the resignation letter received from the Auditors. The resignation of M/s. Kalani & Company, before completion of its term as auditor caused a casual vacancy in the office of Statutory Auditors as per the provisions of section 139(8) of the Companies Act, 2013 and casual vacancy so caused by the resignation of auditors can only be filled up by the Company after taking consent of the members. The Board, on the basis of recommendation of Audit Committee, proposes that M/s. R S Dani & Co., Chartered Accountants (ICAI Firm Registration No. 000243C), be appointed as the Statutory Auditors of the Company w.e.f. December 9th, 2023 to hold office up to the conclusion of 42<sup>nd</sup> Annual General Meeting of the Company to be held in year 2028 to fill the casual vacancy caused by the resignation of said M/s. Kalani & Company, Chartered Accountants (ICAI Firm Registration No. 000722C), have conveyed their consent to be appointed as the Statutory Auditors of the Company along with a confirmation that, their appointment, if approved and made by the members, would be within the limits prescribed under the Companies Act, 2013. M/s. R S Dani & Co., Chartered Accountants (ICAI Firm Registration No. 000243C) have experience in various types of audits including Statutory Audits, Internal Audits, Stock Audits, Due Diligence and Investigation audits. They have experience in auditing different kinds of entities including Large Corporates, Small and medium sized entities, Multi locational entities etc. The Audit Firm has valid Peer Review certificate. The Board proposes and recommends the aforesaid resolution for your approval.

None of the Directors / Key Managerial Personnel and their relatives is in any way, concerned or interested in the said resolution.

### **Item No. 4:**

Based on the recommendation of the Nomination and Remuneration Committee ('NRC'), the Board appointed Mr. Rahul Rohira (DIN: 10555348) as an Additional Director of the Company and also as an Independent Director not liable to retire by rotation, for a term of five years, i.e., from March 30, 2024 upto March 29, 2029 (both days inclusive), subject to approval by the Members.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **Indian economic overview**

Indian real estate 2024 trends are characterized by innovation, sustainability and affordability. As developers, it is pivotal to seize emerging opportunities and adapt to changing consumer preferences and technological advancements.

### **Opportunities & Threats**

Real estate means that the investment of capital and resources to improve the land, buildings, roads, utility system, fixtures, and structures. Some of the main 4 types of real estate are land, commercial, industrial, and residential.

When we say the real estate business, then it has to perform various functions like; brokerage, management, marketing, development, sales, professional services, and lending. It provides many career and job opportunities in the following categories; sale agent, real estate attorney, analyst, appraiser, home and building inspector, commercial broker, loan underwriter, and mortgage specialist.

The SWOT analysis of the real estate business would help us to see things from different angles like strengths, weaknesses, opportunities, and threats that this industry has to face.

Here it follows;

### **Strengths of Real Estate Business**

Some of the **core strengths** of real estate business are as follows;

#### **Value Multiplies Overtime**

The investment in the real estate property is one such asset, where the value of your investment increases with time. If a new housing society, main road, or a railway line is connected with your property, then its value multiplies much time more.

#### **Less Risky Investment**

Unlike investment in the bonds and shares; where you lose almost all of your money if the stock doesn't go up in the market. On the other hand, investment in real estate property is one of the safest investments. Its value doesn't fall from the sky and you would lose everything.

Even its value does fall, and then you can use your property for other purposes like rents, crops, buildings, etc. In that case, you won't go bankrupt just like it happens with the investment of bonds and shares.

#### **Authority over the Use of Land**

Once you have ownership of your property, then you can do whatever you want to do with your land. Whether you want to cultivate some crops or fields, drill down the land for the oil and gas, or establish some building for the rent or other purposes. You would have complete authority over the use of the land. No other asset would provide you such autonomy over its use.

## **Inflation Hedge**

An inflation hedge is an economic term and it means when the currency of a country starts getting devaluing either because of the macro-economic factors or inflation. Then you invest your capital to protect inflation and investors' interests. Assets like real estate property, gold, or silver fall in the category of good inflation hedge that would not only save the country from inflation but also the investor as well.

## **Used as Collateral**

When you apply for a loan from the financial institution, then the bank would require real estate property to issue you the loan. Even the land isn't providing much value in the open market, but you can still use it as a security to buy a loan from the bank or any other private business owner.

## **Traded in the Open Market**

Just like a stock market for bonds and shares, banking industry, or the livestock market for the animals. But you won't see a specific market for the real estate business. Some brokers and agents work in this industry, and their target market is almost everyone.

It doesn't matter whatever your background or field is, you could invest or buy the real estate property. As long as you have enough capital and something valuable to trade with, then you are the target market.

## **Weaknesses of Real Estate Business**

Some of the [internal weaknesses](#) of real estate business are as follows;

### **Difficult to Transfer Ownership**

When it comes to transferring the ownership of a real estate property, then it involves so many people and other institutions. Sometimes it takes years to transfer the ownership from one generation to next. The more family members and relatives are involved, the longer it would take because you would have to bring everyone on the same page.

### **Not Liquid Asset**

The cash is a liquid asset that you can buy anything from anyone anywhere. The real estate property isn't a liquid asset; it means that you have to sell it to make it liquid in order to make purchases that you like.

Sometimes, when it comes to liquefying your real estate asset, the market doesn't provide you the rate that you want. You have to sell your asset at a lower rate in case of an emergency.

### **Huge Capital Required**

When it comes to owning a real estate property, then it is not easy. It requires huge capital and something very valuable to buy the land. Sometimes people work their entire lives and they can't build one house of their dreams.

## **Limited Supply**

The supply of land in a country or a region is limited; you can't stretch it out for more people. If the land becomes less for you in a country, then you can move out to other countries. The laws and regulations of other countries don't allow you to own a property easily. You have overcome many hurdles to own land if you're an ordinary person.

## **Opportunities for Real Estate Business**

Some of the **external opportunities** that the real estate business could use to its advantage are as follows;

### **Global Demand**

If it wasn't for the land, then no country in the world would have invaded other countries. The fertile beautiful landscape is in great demand across the world because you can use it for production and tourism as well.

### **Rapidly Growing**

The way technology and the mechanical industry is inventing new tools and machinery, the growth and productivity of the fertile land are increasing rapidly. People didn't much care for the land in the past, but now it means profit. Therefore, everyone is in the race of getting a piece of it.

### **New Areas have Great Potential**

The construction machinery and material have made all kinds of architects and real estate designs possible. However, modern buildings have a great scope of attracting new investors and businesses into your country.

## **Threats to Real Estate Business**

Some of the external threats that are out of the control of real estate business are as follows;

### **Economic Recession**

When the economy of the country is in recession, then people start spending less. When people spend less, then it affects badly the overall sale of businesses. As a result, no one would be willing to spend in the real estate property because of the uncertain environments. Economic recession is out of the control of anyone, it takes a lot of time for a country to get out of it.

### **Competition with other Assets**

Real estate is not only a solid asset in the market. There are other assets as well that are even more valuable than real estate. Like gold, silver, oil and gas, wheat, and etc. The most important advantage of such assets is that they are moveable, and you can liquefy it in a market where they're in great demand. Growth in the other asset means that people won't take real estate assets seriously.

### **Price Falls due to Less Demand**

The market of the real estate business is very uncertain. When more people are interested in the property, then its value increases. When people stop showing interest, then its value falls from the sky. For instance, if you need cash instantly and the real estate market is down, therefore, you have to sell it at a very price in such circumstances.

## **Conclusion: SWOT Analysis of Real Estate Business**

After studying the swot analysis, we have concluded that the real estate business is a great profitable industry. But it depends on many other external factors. Therefore, it is very important to be familiar with all other variable factors before making any purchase decision.

### **Company Overview**

Shricon Industries Limited was incorporated as Bharwaney Builders and Leasing Limited on February 24, 1984 under the Companies Act, 1956 as Public Limited Company in the State of Rajasthan. The name of Company was changed to Shricon Industries Limited on January 31, 1995. The company is engaged in the business of civil work. The Company has leveraged its rich family legacy and business experience to service the real estate needs of mid and lower-income segment of the society.

### **Risk management**

Economic risk: Slowdown in the global or national economy due to the second and third wave of the pandemic could decelerate the Company's growth.

Mitigation: The pandemic has forced people to stay in their homes during lockdown, leading to the demand for larger homes. The company is optimistic of being able to leverage this reality and increase the carpet area sold, a growth opportunity.

Competition risk: Growing competition could cannibalise the Company's market share.

Accessibility risk: Projects beyond centralized locations could hinder sales as customers prefer centralized location.

Cost risk: Significant variations in land acquisition cost, approvals cost and raw material prices might lead to considerable losses.

Mitigation: The company has a systematic approach to acquire large land tracts at reasonable rates.

Mitigation: The company has a planned approach to strategies its operations and project development plans through exploring economically beneficial Joint Ventures to fund its projects and mitigate the cash flow mismatches.

### **Financial performance**

Shricon Industries followed the accrual basis of accounting under the historical cost convention. Its accounts were prepared on the basis of Ind AS as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules 2014.

### Independent Auditor's Report on the audit of the Standalone financial statements

#### The Board of Directors

Shricon Industries Limited

#### Opinion

1. We have audited the accompanying the standalone financial statements of Shricon Industries Limited ("the Company"), which comprise the standalone balance sheet as at March 31, 2024, and the standalone statement of Profit and Loss (including Other Comprehensive Income), the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date. (here in after referred to as "the standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

3. We conducted our audit of the standalone Financial Statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Financial Statements.

#### Emphasis of Matter

4. We don't find any matter required Attention under Emphasis of Matter.

#### **Key audit matters**

5. Key audit matters (KAM) are those matters that, in our professional judgment, were of most significance in our audit of the standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the standalone Financial Statements as a whole, and in forming our opinion thereon;

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. On the basis of the results of our audit procedures, including the procedures performed to address these matters, we do not provide a separate opinion on these matters.

#### **Other Information**

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the standalone Financial Statements and our auditor's report thereon.

#### **Auditor's Report**

7. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Responsibilities of management and those charged with governance for the standalone financial statements**

9. The Company's Board of Director is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting

principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

10. In preparing the standalone Financial Statements, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors are responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

12. Our objectives are to obtain reasonable assurance about whether the standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards of Auditing (SA's) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Statements.

13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are

also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Materiality is the magnitude of misstatements in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone Financial Statements.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Financial Statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter

should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on other Legal and Regulatory Requirements**

17. With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 read with Schedule V to the Act.

18. As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
19. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
20. As required by Section 143(3) of the Act, based on our audit we report that:
- a We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c The standalone Balance Sheet, the Statement of standalone Profit and Loss including Other Comprehensive Income, standalone Statement of Changes in Equity and the standalone Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
  - d In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- i The Company has disclosed that there are no pending litigations impacting its financial position in its standalone Financial Statements.
  - ii The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii The company is not required to be transferred any amount, to the Investor Education and Protection Fund.
  - iv (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
  
(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note 51 to the standalone financial statements); and  
  
(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

21. The company has not declared and paid any dividend during the year by the Company therefore reporting of compliance with Section 123 of the Act. Is not applicable.
22. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

**“Annexure A” to Independent Auditor’s Report**

Annexure referred to in paragraph 18 of the Independent Auditors’ Report of even date to the members of Shricon Industries Limited on the standalone financial statements as of and for the year ended March 31, 2024

- (i) (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
- (B) The Company is maintaining proper records showing full particulars of Intangible Assets.
- (b) The Property, Plant and Equipment are physically verified by the Management according to a phased program designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of all the immovable properties, (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company;
- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment or intangible assets does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on (or) are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder.
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets, accordingly, the requirements under clause 3 (ii) (a) of the Order are not applicable to the Company and hence not commented upon.

iii. (a) During the year, the company has not made investments, provided security and granted loans or advances in the nature of secured and unsecured loans, to companies, firms, Limited Liability Partnerships or any other parties

(b) According to the information and explanations given by the management and audit procedure performed by us, the Company has not granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.

iv. In our opinion and according to the information and explanations given to us, the Company has not granted any loans, made investments or provided guarantees in contravention of the provisions of sections 185 and 186(1) of the Act, the other provision of the section 186 of the Act are not applicable to the Company.

v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public during the year in terms of directives issued by the Reserve Bank of India or the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, provisions of clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government has not prescribed the maintenance of cost records under the sub-section (1) of Section 148 of the Act for any of the services rendered by the Company. Accordingly, the provision of clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion and according to the information and explanations given to us, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues have generally been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, Goods and Services Tax, duty of customs, cess and other material statutory dues were in arrears as at 31 March 2024 for a period of more than six months from the date they became payable.

**Annexure B to the Independent Auditor's Report**

Referred to in paragraph 19 of the Independent Auditors' Report of even date to the members of Shricon Industries Limited on the standalone financial statements as of and for the year ended March 31, 2024. Report on the Internal Financial Controls with reference to the standalone Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to the standalone Financial Statements of Shricon Industries Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the standalone Financial

Statements and their operating effectiveness. Our audit of internal financial controls with reference to the standalone Financial Statements included obtaining an understanding of internal financial controls with reference to the standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Financial Statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the standalone Financial Statements.

**Meaning of Internal Financial Controls with reference to the standalone Financial Statements**

6. A company's internal financial controls with reference to the standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Financial Statements.

**Inherent Limitations of Internal Financial Controls with reference to the standalone Financial Statements**

7. Because of the inherent limitations of internal financial controls with reference to the standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the standalone

Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the standalone Financial Statements and such internal financial controls with reference to the standalone Financial Statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Notes to the Standalone Financial Statements

For the year ended 31<sup>st</sup> March, 2024

## MATERIAL ACCOUNTING POLICIES AND OTHER DISCLOSURES ON FINANCIAL STATEMENTS

These are hereunder given summary of Material accounting policies and other disclosures on the consolidated financial statements.

### 1. CORPORATE INFORMATION

Shricon Industries Limited (The Company), is a public limited Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is situated at 112B, First Floor, Shakti Nagar, Kota, Rajasthan-324009, INDIA.

### 2. MATERIAL ACCOUNTING POLICIES

This note provides a list of the Material accounting policies adopted in the preparation of these standalone financial statements.

#### 2.1 Basis of preparation and presentation

- (i) These standalone financial statements have been prepared under the historical cost convention and on an accrual basis except in case of assets for which provision for impairment is made and revaluation is carried out. The accounting policies have been consistently applied. The financial statements are presented in Indian rupees rounded off to the nearest rupees.

#### (ii) Compliance with Ind AS

The standalone financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

#### Recent accounting pronouncements New and amended standards adopted by the Company

The Ministry of Corporate Affairs had vide notification dated 23 March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amended certain accounting standards, and are effective 1 April 2022. These amendments did not have any impact on the amounts recognised in prior periods and are not expected to materially affect the current or future periods.

#### New and amended standards issued but not effective

The Ministry of Corporate Affairs has vide notification dated 31 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective 1 April 2024. The Rules predominantly amend Ind AS 12, Income taxes, and Ind AS 1, Presentation of financial statements. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications. These amendments are not expected to have a material impact on the company in the current or future reporting periods and

on foreseeable future transactions. Specifically, no changes would be necessary as a consequence of amendments made to Ind AS 12 as the company's accounting policy already complies with the now mandatory treatment.

### 2.2 Basis of Measurement

The standalone financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value: • certain financial assets and liabilities, • defined benefit plans – plan assets measured at fair value.

The standalone financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all amounts are rounded to the nearest lakhs (₹ 00,000) and two decimals thereof, except as stated otherwise

### 2.3 Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years.

### 2.4 Summary of Material Accounting Policies:

#### (a). Property, Plant and Equipment

Property, Plant and Equipment are stated at cost or as revalued, less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets, if material, are also included in cost to the extent they relate to the period till such assets are ready to be put to use.

Depreciation on Property, Plant and Equipment is provided on useful life of the assets on Written down Value method as specified in Schedule II to the Companies Act, 2013.

#### Impairment of Assets

A Property, Plant and Equipment is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit & loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

#### (b) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises purchase/acquisition price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

assets ready for use. The other expenditure on R&D is charged to profit & loss account in the period in which it is incurred.

(i) **Prior period adjustments**

Earlier year items, adjustment/Claims, arisen / settled / noted during the year are, if material in nature, are debited / credited to the prior period Expenses/Income or respective heads of account if not material in the nature, if material charged to other equity and carried to Balance Sheet.

(j) **Investments**

Investments that are readily realizable and intended to be held for not more than a year classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value. Long-term investments are stated at cost. Provision for diminution in the value of investments is made, if it is other than temporary.

(k) **Finance Cost**

Borrowing costs that are attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset. A qualifying asset is one that necessarily takes a substantial period of time to get ready for intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

(l) **Tax Expenses**

The Tax expense for the period comprise Current and Deferred Tax. Tax is recognized in Statement of Profit and Loss except to the extent that it related to the items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

(i) **Current Tax**

Provision for Current Tax is made after considering benefits, exemptions and deductions available under the Income Tax Act,1961.

(ii) **Deferred tax**

Deferred Tax is recognized subject to consideration of prudence, on timing differences, representing the difference between the taxable income/(loss) and accounting income/(loss) that originated in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

(m) **Leases**

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased assets: Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present

value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

(n) **Provisions, Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are not recognized but are disclosed in notes.

Contingent assets are neither recognised nor disclosed in the financial statements.

(o) **Segment Reporting**

The accounting policies adopted by the company for segment reporting are in line with the Ind AS 108 .

**Business Segment:** The Company's operating business is engineering goods only and accordingly there is only one business segment.

**Currency Segment:** The analysis of currency segment is based on the basis of currency. The currency segments considered for disclosure are as follows:

(a) Sales in Indian Currency

(b) Sales in foreign currency

Segment Assets denotes for assets in Local Currency and in foreign currency.

(p) **Earning Per Share**

Basic earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted Earning per Share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of Shares

outstanding during the period are adjusted for the effects of all dilutive potential Equity Shares.

- (q) **Financial Instruments**  
(i) **Financial Assets**

### A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

### B. Subsequent measurement

#### (i) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### (ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### (iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

### C. Investment in subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost, if any.

### D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

### E. Impairment of financial assets

In accordance with Ind AS 109, the Company evaluate impairment of financial assets at fair value through profit and loss (FVTPL).

- (ii) **Financial liabilities**

# Shricon Industries Limited

Notes to the Standalone Financial Statements

For the year ended 31<sup>st</sup> March, 2024

## A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

## B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payable maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

### (iii) Derivative and Financial Instrument and Hedge Accounting

The Company uses derivative financial instruments such as currency swaps and forwards contracts to mitigate the risk of changes in exchange rates. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

**Hedges that meet the criteria for hedge accounting are accounted for as follows:**

#### a) Cash flow hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted

## Notes to the Standalone Financial Statements

For the year ended 31<sup>st</sup> March, 2024

transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

### b) Fair Value Hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in foreign exchange rates.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used and is amortised to Statement of Profit and Loss over the period of maturity.

### (r) Government Grants:

Government grants with a condition to purchase, construct or otherwise acquire long-term assets are initially measured based on grant receivable under the scheme. Such grants are recognised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset. Amount of benefits receivable in excess of grant income accrued based on usage of the assets is accounted as Government grant received in advance. Changes in estimates are recognised prospectively over the remaining life of the assets. The company has option to present the government grant related to fixed assets by deducting the grant from the carrying value of the asset and to present the non-monetary grant at a nominal amount. The company has not availed this option in current financial year. Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all attached condition.

### (s) Current versus non-current classification

The Company presents assets and liabilities in balance sheet based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

#### (i) An asset is classified

as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

**(ii) A liability is classified**

as current when it is:

- a) Expected to be settled in normal operating cycle.
- b) Held primarily for the purpose of trading,
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents

### 3. CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS, JUDGEMENT AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of company's financial statements in conformity with Ind AS require management to make judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying value of the assets or liabilities affected in future period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized. The management believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

#### 3.1 Depreciation / Amortisation and useful lives of Property, Plant and Equipment / Intangible Assets

##### Tangible Assets

Depreciation on Property, Plant and Equipment is provided on useful life of the assets which is taken as specified in Schedule II to the Companies Act, 2013 and depreciation is charged on Written Down Value method after taking into residual value of the assets in order to determine the amount of depreciation / amortization to be recorded during reporting period.

##### Intangible Assets

The intangible asset is amortized over a period of estimated useful life of asset, taking into account of anticipated technological changes. The depreciation / amortization for the future period is revised if there are Material changes from previous estimates.

#### 3.2 Recoverability of trade receivable and advances

Judgements are required in assessing the recoverability of overdue trade receivables and advances and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

#### 3.3 Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and

For the year ended 31<sup>st</sup> March, 2024

quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

### 3.4 Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to Material adjustment to the amounts reported in the standalone financial statements.

### 3.5 Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Notes to the Standalone Financial Statements

For the year ended 31<sup>st</sup> March, 2024

The Company manages market risk through top management executives, which evaluates and exercises control over the entire process of market risk management. The decisions which are approved by Senior Management. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

## (ii) Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk. The company uses normally Fixed Deposit route to park the surplus funds. For borrowing which reduces to Nil some time, company uses Bank borrowings at the prevailing rate of the Bank, after bargain by the senior management.

## (iii) Market Risk- Foreign currency risk.

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

## 39. Capital risk management

### (i) Risk Management

The Company aim to manage its capital efficiently so as to safeguard its ability o continue as a going concern and to optimize returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

## 40. Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of

financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a Material increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a Material increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected Material adverse changes in business.
- ii) Actual or expected Material changes in the operating results of the counter-party,
- iii) Financial or economic conditions that are expected to cause a Material change to the counter-party's ability to meet its obligations,
- iv) Material increase in credit risk on other financial instruments of the same counter-party,
- v) Material changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as an income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

#### 41. Trade Receivables and provision for expected credit losses (ECL)

The Company extends credit to customers as per the contractual obligation and internal credit policy. Any deviation are approved by appropriate authorities, after due consideration of the customers credentials and financial capacity, trade practices and prevailing business and economic conditions. The Company's historical experience of collecting receivables and the level of default indicate that credit risk is low and generally uniform across markets; consequently, trade receivables and contract assets are considered to be a single class of financial assets. All overdue customer balances are evaluated taking into account the age of the dues, specific credit circumstances, the track record of the customers etc. Loss allowances and impairment is recognised as per the Company policy. The ageing of trade receivables are as follows:

#### 43. Risk Management

##### (a) Credit risk arises from cash and cash equivalents:

Contractual cash flows of debt investments carried at amortised cost, deposited with banks, credit exposures from customers including outstanding receivables and other financial instruments. Trade receivables and contract assets. The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The Company has obtained advances and security deposits from its customers & distributors, which mitigate the credit risk to an extent.

##### (b) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

## 47. Fair value of financial assets and liabilities

**Fair valuation techniques:** The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant available data.

The fair values of the financial assets and liabilities represents the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

1) Fair value of cash, bank and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

2) Long-term fixed-rate and variable-rate loans/ borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowings, fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the Company's borrowings rate. Risk of nonperformance for the company is considered to be immaterial in valuation.

3) The fair values of derivatives, if any, are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters basis contractual terms, period to maturity, and market parameters such as interest rates, foreign exchange rates, and volatility. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgement, and inputs thereto are readily observable from actively quoted market prices. Management evaluates the credit and non-performance risks associated with its derivative counterparties and believe them to be immaterial and not warranting a credit adjustment.
