### **Auditor's Responsibilities for the Audit of the Financial Results**

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Financial Results of the Company to express an opinion on the Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Financial Results include the results for the quarter ended 31<sup>st</sup> march 2024 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

<b>II.</b>	<b><u>Audit Qualification (each audit qualification separately):</u></b>			
	<p><b>a. Details of Audit Qualification:</b></p> <p>1. In Accordance with the National Company Law Tribunal (NCLT) order, (as per page 115 dated 11<sup>th</sup> February 2020) the Company has to provide the interest on the outstanding amount payable to the financial creditor, but the Company has not provided the interest on the outstanding amount payable to the financial creditor namely Union Bank of India (erstwhile Corporation Bank) and JMF Asset Reconstruction Company</p> <p><i>Management Response:</i></p> <p>Although the resolution plan envisaged interest, immediately post completion of payment of first tranche payment, the onset of global pandemic has derailed the terms of the implementation of the resolution for which modifications/ reliefs were sought and granted by Hon'ble NCLT and NCLAT at various junctures.</p> <p>It was agreed by the creditors once in July'2022 that interest shall be settled at the time of their respective final tranche of principal repayment as revival of factory had to be prioritized.</p> <p>The company as a matter of policy take a stand to pay the interest at the time of final payment made to the both financial and operational creditors henceforth there is no provision for the interest made in the books including this financial year 2023-2024</p> <p>2. In accordance with the National Company Law Appellate Tribunal (NCLAT) order (as per para 15 dated 19.01.2024), the Company has to pay entire amount due to Union Bank of India on or before 31.03.2024 and has to pay Rs. 10 Cr. to JM Financial Asset Reconstruction Company Limited on or before 19.04.2024 and the remaining amount due under the resolution plan shall be paid in three equal quarterly installments i.e., on or before 19.01.2025. The NCLAT Order held that, in case of any deviation in payment terms, the financial creditor are allowed to approach the Adjudicating Authority, seeking "Order for Liquidation". But the Company has not paid the amount due to financial creditor, as per the NCLAT Order. These conditions indicate the existence of material uncertainty that may cast a significant doubt on the Company's ability to continue as going concern.</p>			

*Management Response:*

An SLP against the NCLAT Order dated 19.01.2024 is being pursued by the company in the Hon'ble Supreme Court vide Diary number 22958 of 2024 seeking modification of the said payment terms which is still awaiting adjudication where sufficient bonafides are submitted by the company to the Apex Court indicating a comprehensive closure of the entire resolution plan and its implementation.

As per the NCLAT order the payment to the Union bank of India on or before 31st march 2024 , this payment is due and company is making arrangements to pay along with the interest for delayed period and rest of the payments fallen in due in the coming financial year 2024-2025. Company as a going concern making all arrangements to pay the stipulated amounts as per the orders and complying the orders of NCLT and NCLAT . The sum and substance of the NCLAT order , rightly understand by the company and it is clear on the part of the order that in the event of failure to pay the scheduled payments which are fallen due on 31-03-2024 , 19-01-2025 it is a remedial option for the financial creditors and others to approach the NCLT seeking order for liquidation. In this given circumstance there is no material uncertainty about the companies financial capability , company is confidently as a going concern in making all arrangements to mitigate all financial exigencies in due course of time.
