Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Future Consumer Limited

Report on the audit of the Standalone Financial Results**Qualified Opinion**

We have audited the accompanying statement of quarterly and year to date standalone financial results of Future Consumer Limited (the "Company") for the quarter ended March 31, 2023 and for the year ended March 31, 2023 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the "Basis for Qualified Opinion" section of our report, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2023 and for the year ended March 31, 2023.

Basis for Qualified Opinion

As described in Note 5 to the Statement, due to non-availability of financial information and ongoing dispute with the JV partner, the Company is unable to determine the fair value of Company's investments in Aussee Oats Milling Private Limited (joint venture) and Aussee Oats India Private Limited (step down joint venture) as at March 31, 2023. In absence of sufficient and appropriate evidence, we are unable to comment on the carrying value of above investments (including investments, loans and other assets) amounting to Rs. 9,164.90 lakhs and the consequent impact thereof.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Future Consumer Limited**Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended****Material Uncertainty Related to Going Concern**

We refer to Note 8 to the Statement, the Company has incurred a loss before taxes of Rs. 16,664.46 lakhs and Rs. 54,770.40 lakhs (including exceptional items) for the quarter and year ended March 31, 2023 respectively and has a net capital deficiency of Rs. 13,234.74 lakhs as at March 31, 2023. The Company has also suffered consistent downgrades in its credit ratings, as a result of which the Company's ability to raise funds has been significantly impaired, with normal business operations being substantially curtailed. In addition, the Company has defaulted in repayment of loans and interest thereon to banks and consequently the lenders have classified the Company's account as Non performing asset. The Company has been unable to conclude re-negotiations or obtain replacement financing or monetise its assets as agreed with the lenders. These conditions, along with other matters, set forth in said note, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. As explained in aforesaid note, management is of the view that the appropriateness of Going concern assumption is dependent upon Company's ability to arrange sufficient liquidity by monetisation of its assets and other strategic initiatives including fresh investment to meet its obligations. Our opinion is not modified with respect to this matter.

Emphasis of Matter

We draw attention to Note 6 to the Statement, which more fully describes certain forensic audits that have been initiated on the Company, by SEBI and by lenders, which are currently in progress. Our conclusion is not modified in respect of the above matter.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Future Consumer Limited

Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes:

- 8 The Company is currently facing significant liquidity crunch which has impacted the operations of the Company during the year ended March 31, 2023. The Company has incurred loss before tax during the quarter and year ended March 31, 2023 amounting to Rs. 16,664.46 lakhs & Rs. 54,770.40 lakhs respectively (including exceptional items, refer note 7 above) primarily owing to the exceptional items, lower volumes, finance costs and depreciation and also has accumulated losses as at March 31, 2023 of Rs. 1,72,999.35 lakhs. Company's current liabilities exceeded its current assets by Rs. 49,455.55 lakhs as at the year end. The Company has also suffered consistent downgrades in its credit ratings, as a result of which the Company's ability to raise funds has been substantially impaired, with normal business operations being substantially curtailed. Further, the Company has defaulted on payment of interest/repayment of principal amount on loans from banks/financial institution and unlisted debts securities as on March 31, 2023 amounting to Rs. 45,342.89 lakhs. During the year ended March 31, 2023, the banks have classified the loans given to the Company as non-performing assets (NPA). Due to default in borrowings, non-current borrowings including interest accrued thereof aggregating to Rs. 8,938.60 lakhs have been reclassified to current borrowings and other financial liabilities. Accordingly, the Company has total debt servicing obligations due aggregating to Rs. 45,342.89 lakhs as at 31 March 2023.

Further, the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") has pronounced an order dated July 20, 2022 admitting application under Section 7 of the Insolvency and Bankruptcy Code, 2016 against one of the major customer of the Company, Future Retail Limited. The Company has significant amount of receivables from the said customer amounting to Rs. 37,819.43 lakhs and had recorded an expected credit loss on the entirety of the receivable from the said customer in earlier year(s).

Due to reduction in business operations and decrease in expected realisable value of assets, the Company has recorded an impairment loss of Rs. 14,723.84 lakhs and Rs. 48,774.64 lakhs during the quarter and year ended March 31 2023, respectively.

The Company has also discussed the Asset Monetisation Plan with the lenders of the Company in a Joint-lender's meeting (JLM) held on July 06, 2022. Considering the Asset Monetisation Plan, the lenders allowed the Company to repay its borrowings till January 31, 2023. However, the Company was unable to conclude re-negotiations or obtain replacement financing or monetise its assets as agreed with the lenders during the said period. On February 9, 2023 and March 21, 2023, the Company held meetings with JLM and updated them about the status and likely timelines for assets monetisation and /or fresh investments, besides few proposals parallelly in pipeline on individual business verticals, and in either case the Company being able to settle the loans amicably with the lenders. JLM has agreed to continue holding on operation (HOO) till May 31, 2023. JLM has also indicated initiation of legal action for recovery of dues.

These events/conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as going concern. The financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that might result from the outcome of this uncertainty.

To address the liquidity crunch and to maintain the sufficient working capital, the Company has adopted several measures including sales to other customers, cost optimisation, discussion with banks for restructuring / one time settlement of loans, other strategic initiatives for fresh investments, monetisation of identified assets, etc. The expected proceeds from monetisation of these assets which includes property plant and equipment, investments and other assets and/or fresh investments will be utilised to repay the borrowings (including interest) and manage the working capital requirements. These identified assets for monetisation have been classified as assets held for sale in accordance with Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' at lower of their carrying value and fair value less costs to sell. Accordingly, the Company has recognised impairment loss on the said assets and disclosed the same under 'exceptional items' (refer note 7 above). The management has initiated the plan to locate the prospective buyers of these assets.

The success of the above measures adopted by the Company is dependent on the effective implementation of its operating plans and timely closure with the potential buyers for monetisation of its assets and / or fresh investments into the Company which is dependent on many internal / external factors. The management is confident that they will be able to arrange sufficient liquidity by either monetization and /or fresh investments, increase in operations and other strategic initiatives. Accordingly, the financial results / statements are prepared on a going concern basis.

- 9 On July 20, 2022, the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") has ordered commencement of the corporate insolvency resolution process of Future Retail Limited, one of the major customer of the Company (Corporate Debtor) in terms of the provisions of Insolvency and Bankruptcy Code, 2016 (the 'Code').

During May 2023, an interlocutory application has been filed against the Company in Hon'ble National Company Law Tribunal (NCLT) wherein the resolution professional being Applicant has prayed to declare payments made by the Corporate Debtor to the Company during FY 2020-21 and FY 2021-22 towards supply of goods to be preferential in nature and accordingly direct the Company to refund monies to the tune of Rs. 83,918 lakhs to the Corporate Debtor, in accordance with Section 44 of the Code.

The Company is of the view that all payments received from Future Retail Limited were in the ordinary course of business and there were no preferential payments received. The Company is in the process of filing response in this regard.

Independent Auditor's Report on the Quarterly and Year to Date Consolidated Financial Results of the Company, Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Future Consumer Limited

Report on the audit of the Consolidated Financial Results**Qualified Opinion**

We have audited the accompanying statement of quarterly and year to date consolidated financial results of Future Consumer Limited ("Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associate and joint ventures for the quarter and year ended March 31, 2023 ("Statement"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate audited financial statements/ financial results/financial information of the subsidiaries / associate / joint ventures, except for the possible effect of the matters described in the Basis for Qualified Opinion section of our report, the Statement:

- i. includes the results of the following entities (Annexure 1);
- ii. are presented in accordance with the requirements of the Listing Regulations in this regard; and
- iii. gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of the consolidated net loss and other comprehensive income and other financial information of the Group for the quarter and year ended March 31, 2023.

Basis for Qualified Opinion

As described in Note 8 to the Statement as regards non-availability of financial information and ongoing dispute with Joint Venture partner of 2 Joint Venture companies, which are not considered for consolidation in the attached Statement, which is a non-compliance of IND AS 27 and Listing Regulations. Consequently, we are unable to determine the impact of such non-compliance on the loss, earnings per share for the quarter and year ended March 31, 2023 and investment in joint venture, other equity as of March 31, 2023.

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group, its associate and joint ventures in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Future Consumer Limited**Independent Auditor's Report on the Quarterly and Year to Date Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended****Material Uncertainty Related to Going Concern**

We refer to Note 6 to the Statement, the Group has incurred a loss before taxes of Rs. 5,474.09 lakhs and Rs. 32,893.97 lakhs (including exceptional items) for the quarter and year ended March 31, 2023 and has a net capital deficiency of Rs. 18,435.78 lakhs as at March 31, 2023. The Holding Company has also suffered consistent downgrades in its credit ratings, as a result of which the Group's ability to raise funds has been significantly impaired, with normal business operations being substantially curtailed. In addition, the Holding Company has defaulted in repayment of loans and interest thereon to banks and consequently the lenders have classified the Holding Company's account as Non performing asset. The Holding Company has been unable to conclude re-negotiations or obtain replacement financing or monetise its assets as agreed with the lenders. These conditions, along with other matters, set forth in that note, indicate the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern. As explained in aforesaid note, management is of the view that the appropriateness of Going concern assumption is dependent upon Group's ability to arrange sufficient liquidity by monetisation of its assets and other strategic initiatives including fresh investment to meet its obligations. Our opinion is not modified with respect to this matter.

Emphasis of Matter paragraph

We draw attention to Note 9 of the Statement, which more fully describes certain forensic audits that have been initiated on the Holding Company, by SEBI and by lenders, which are currently in progress. Our conclusion is not modified in respect of the above matter.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net loss and other comprehensive income and other financial information of the Group including its associate and joint ventures in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group, its associate and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group, its associate and joint ventures are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Future Consumer Limited

Independent Auditor's Report on the Quarterly and Year to Date Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group, its associate and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, its associate and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group, its associate and joint ventures of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

- 6 The Group is currently facing significant liquidity crunch which has impacted the operations of the Group during the year ended March 31, 2023. The Group has incurred loss before tax during the quarter and year ended March 31, 2023 amounting to Rs. 5,474.09 lakhs & Rs. 32,893.97 lakhs respectively (including exceptional items, refer note 10 below) primarily owing to the exceptional items, lower volumes, finance costs and depreciation and also has accumulated losses as at March 31, 2023 of Rs. 1,77,915.81 lakhs. Group's current liabilities exceeded its current assets by Rs. 32,526.56 lakhs as at the year end. The Holding Company has also suffered consistent downgrades in its credit ratings, as a result of which the Group's ability to raise funds has been substantially impaired, with normal business operations being substantially curtailed. Further, the Holding Company has defaulted on payment of interest/repayment of principal amount on loans from banks/financial institution and unlisted debts securities as on March 31, 2023 amounting to Rs. 45,342.89 lakhs. During the year ended March 31, 2023, the banks have classified the loans given to the Holding Company as non-performing assets (NPA). Due to default in borrowings, non-current borrowings including interest accrued thereof aggregating to Rs. 8,938.60 lakhs have been reclassified to current borrowings and other financial liabilities. Accordingly, the Group has total debt servicing obligations due (including interest accrued) aggregating to Rs. 45,469.02 lakhs as at 31 March 2023.

Further, the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") has pronounced an order dated July 20, 2022 admitting application under Section 7 of the Insolvency and Bankruptcy Code, 2016 against one of the major customer of the Group, Future Retail Limited. The Group has significant amount of receivables from the said customer amounting to Rs. 39,082.75 lakhs and had recorded an expected credit loss on the entirety of the receivable from the said customer in earlier year(s).

Due to reduction in business operations and decrease in expected realisable value of assets, the Group has recorded an impairment loss of Rs. 3,216.39 lakhs and Rs. 22,432.98 lakhs during the quarter and year ended March 31 2023, respectively.

The Group has also discussed the Asset Monetisation Plan with the lenders of the Holding Company in a Joint-lender's meeting (JLM) held on July 06, 2022. Considering the Asset Monetisation Plan, the lenders allowed the Holding Company to repay its borrowings till January 31, 2023. However, the Holding Company was unable to conclude re-negotiations or obtain replacement financing or monetise its assets as agreed with the lenders during the said period. On February 9, 2023 and March 21, 2023, the Holding Company held meetings with JLM and updated them about the status and likely timelines for assets monetisation and /or fresh investments, besides few proposals parallelly in pipeline on individual business verticals, and in either case the Holding Company being able to settle the loans amicably with the lenders. JLM has agreed to continue holding on operation (HOO) till May 31, 2023. JLM has also indicated initiation of legal action for recovery of dues.

Notes:

These events/conditions indicate the existence of material uncertainty that may cast significant doubt about the Group's ability to continue as going concern. The financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that might result from the outcome of this uncertainty.

To address the liquidity crunch and to maintain the sufficient working capital, the Group has adopted several measures including sales to other customers, cost optimisation, discussion with banks for restructuring / one time settlement of loans, other strategic initiatives for fresh investments, monetisation of identified assets, etc. The expected proceeds from monetisation of these assets which includes property, plant and equipment, investments and other assets and/or fresh investments will be utilised to repay the borrowings (including interest) and manage the working capital requirements. These identified assets for monetisation have been classified as assets held for sale in accordance with Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' at lower of their carrying value and fair value less costs to sell. Accordingly, the Group has recognised impairment loss on the said assets and disclosed the same under 'exceptional items' (refer note 10 below). The management has initiated the plan to locate the prospective buyers of these assets.

The success of the above measures adopted by the Group is dependent on the effective implementation of its operating plans and timely closure with the potential buyers for monetisation of its assets and / or fresh investments into the Group which is dependent on many internal / external factors. The management is confident that they will be able to arrange sufficient liquidity by either monetization and /or fresh investments, increase in operations and other strategic initiatives. Accordingly, the financial results / statements are prepared on a going concern basis.

- 7 On July 20, 2022, the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") has ordered commencement of the corporate insolvency resolution process of Future Retail Limited, one of the major customer of the Group (Corporate Debtor) in terms of the provisions of Insolvency and Bankruptcy Code, 2016 (the 'Code').

During May 2023, an interlocutory application has been filed against the Holding Company and certain subsidiaries in Hon'ble National Company Law Tribunal (NCLT) wherein the resolution professional being Applicant has prayed to declare payments made by the Corporate Debtor to the Group during FY 2020-21 and FY 2021-22 towards supply of goods to be preferential in nature and accordingly direct the said companies to refund monies to the tune of Rs. 83,918 lakhs to the Corporate Debtor, in accordance with Section 44 of the Code.

The Group is of the view that all payments received from Future Retail Limited were in the ordinary course of business and there were no preferential payments received. The Group is in the process of filing response in this regard.

8 Note on Qualification in Audit Report

The Group has investments in Joint Ventures Aussee Oats Milling Private Limited and Aussee Oats India Private Limited (together referred to as 'JV') of Rs. 6,545.04 lakhs including investments, loans, and other assets (As on March 31, 2022 Rs. 6,650.53 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter and year ended March 31, 2023, as a consequence of non-cooperation of the said JV partners which is a direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at March 31, 2023 and consequent impact thereof on the results. However, the Management believe that it will not have a material impact on the consolidated financial results for the quarter and year ended March 31, 2023.

There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter and year ended March 31, 2023 pursuant to non-cooperation of the said JV partners in direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at March 31, 2023 and consequent impact thereof on the quarterly and annual results.
