Dear Sirs,

Sub: Climate Action Report

JSW Steel Limited is pleased to announce the release of its first "Climate Action Report" marking a significant progress towards bringing transparency in its climate action strategy. Through this report the Company aims to provide an honest and comprehensive overview of its progress in reducing its CO₂ emissions and the Company's role in contributing to global climate change mitigation efforts.

Key highlights of the report include:

1. The Company's Commitment to reduce CO₂ emissions and achieve net neutral in carbon emissions for all operations under our direct control by 2050.
2. Detailed insights into the Company's transition pathways towards achieving its commitment, highlighting technologies and solutions that are being worked upon.
3. Description of climate related risks and opportunities including the scenario analysis aligned with the recommendations of the Task Force on Climate-related Financial Disclosures (TCFD).

The detailed report can be accessed at the following link -
