Our Mission

To consistently provide world-class cuisine and experience at an affordable price. To create a dining experience whose uniqueness lies in elegance and refinement, brought alive by care and personalized service in a warm, vibrant environment, that makes everybody feel special.

Curtain Raiser

After an unprecedented year of hardships and extraordinary challenges we started the new financial year all over again with a new zeal, resolve and determination. There was renewed focus to beat all odds and consolidate first to put the house in order and then try and outperform ourselves as compared to the last few years.

But that was not to be. The financial year 2021-22 started with turbulence due to resurgence of a newer and deadlier variant of the COVID 19 pandemic (Delta) inflicting severe casualty and disruption of business. However, your company fared comparatively better this time around taking quick decisions and decisive steps to save precious lives and minimising the impact with lessons learnt from the earlier period.

The government also took decisive steps and the wave was largely brought under control in three months, after achieving its peak, through localised containment and extensive vaccination coverage. During the lockdown period, unlike the previous year, the staff showed resilience and stayed back which helped your company to aggressively promote and sustain with online deliveries from almost all its outlets during this period.

This also helped to kick start dine-in operations at the outlets immediately, as and when lockdown restrictions started easing, thus giving a competitive advantage. The results were visible as we experienced a sharp turn around in the business and reported profitability in the year 2021-22. This could be attributed to some of the hard decisions that we took in the previous year of operating with a lean staff strength coupled with new dimensions added to the business like operating 'kitchen-within-kitchens' and independent 'Cloud kitchens'. Food delivery through online ordering and take-aways became the new norm as well as people rediscovering appetite for dine-out at restaurants with a vengeance to makeup for the lost period having been confined at home for long. The Cloud Kitchens are operating on a 'plug & play' model with low investments and low manpower costs, low wastages due to support from central base kitchens, low rental and maintenance charges and on the other hand increased the reach of our brands in hitherto unrepresented markets.

Speciality Restaurants Limited is one of the largest chain of restaurants in the fine dining sector with restaurants across India, UAE (Dubai), Qatar (Doha), Tanzania (Dar e salam) and in UK (London). Our flagship brand Mainland China continues to serve authentic Chinese cuisine with some new items on the Menu while it's offshoot i.e. Asia Kitchen by Mainland China serves pan-Asian cuisine in a semi-casual dining format. Haka has been a recent addition to our Cloud Kitchen format in the same genre ie. haka style chinese cuisine and which has shown good results in terms of revenue at a lower pricepoint and holds promise for dine-in formats at a later stage. It will help the company to scale its operations at lower costs to target the mid-market segment.

The group's other brands include Oh! Calcutta serving authentic 300-year-old unexplored flavours of Calcutta, Sigree Global Grill with live grillers on each table offering unlimited grills of the world while Sweet Bengal serves authentic Bengali sweets made with pure cow's milk by artisans from Bengal. The wet led formats like Episode One, BARishh and Hoppipola offers innovative mixes with added attraction of good nibbles.

Your Company's most awaited first London restaurant 'Chourangi' was launched during the second half of the year to create new milestone for the company.

Chairman & Managing Director's Perspective

Anjan Chatterjee
Chairman & Managing Director

Dear Shareholders,

I'm delighted to welcome you to the 23rd Annual General Meeting, with the good tidings that your company has achieved an excellent performance.

After a turbulent two years, the COVID-19 virus appears to have been tamed. Experts believe it may have reached the endemic stage. But there are many who have faced the brunt of this unprecedented virus and the chaos it caused. We stand with them in solidarity. It was arguably, one of the most difficult challenges the world had to face, but with fortitude and resilience, the world is now cautiously optimistic that the worst is behind us.

It has been acknowledged that the Food & Beverage sector worldwide was one of the worst hit by the pandemic. India was no exception.

Overcoming challenges successfully

While your Company, Speciality Restaurants Limited also encountered several challenges during this period, I am happy to inform you that your Company has not only overcome every challenge but has also quickly bounced back and is on course for further growth. The critical period taught us a few lessons the hard way. But those lessons were well learnt, and we are focused now on ensuring that we put into practice those disciplines that the pandemic forced upon us. I am confident that our efforts will continue to bring in sustained growth and profitability in the coming years.

In the year under review, your company achieved a turnover of over ₹ 266.6 crores, registering a growth of 59.8% as against the previous year. This was despite unfavorable macro-economic factors such as a resurgence of waves of new variants of the COVID-19 virus, geopolitical escalations across the world and increase in oil prices by headwinds of broad-based inflation. At ₹ 56.1 crore, the EBIDTA registered a growth of 269.1% as against the previous year.

The Profit after Tax was ₹ 13.5 crore registering a growth of 146% as against the previous year. This increase in revenue and profit was mainly due to the bold strategic decisions taken during the pandemic, the focus on financial prudence and innovative strategic initiatives.

A Strategic Focus

The critical two-pronged strategy included the closing of unprofitable outlets, and a tight control on costs with a greater focus on profitability.

The rationalization of manpower at both at outlet levels and at the backend office was one of the biggest achievements that contributed to a leaner and more efficient processes. This was made possible through a continued people focus. While also ensuring their wellbeing, we were able to make the workforce more efficient by helping them develop multi-skilling and multi-tasking abilities.

Additionally, better negotiations with vendors led to a reduction in cost of procurement. Tighter negotiations with real estate owners helped in the reduction of rental costs. This, together with financial prudence, tighter control of wastage and overhead costs were the major contributors that enabled a significant improvement in bottom lines. These strategies have borne fruit with the encouraging performance of almost all the brands and formats under the Speciality umbrella. Almost all the outlets, including the newer ones like Episode One, Riyasat and BARishh, have now turned the corner and are on the path of growth.

Chourangi – an exciting impact in London

Your Company's first London restaurant Chourangi was launched during the second half of the year. Despite this period being fraught with the specter of Covid-19 in the UK, the response from all quarters – from food critiques to connoisseurs to the public at large - have been overwhelming. The food, the ambience and the service have all been lauded, and there is a palpable impact in terms of increasing footfalls and enhanced brand equity.

Food delivery – a new paradigm

The pandemic, while throwing up immense challenges, has also created new opportunities. In the area of food, it is the concept of cloud kitchens that has opened new avenues of business growth. Keeping an ear to the ground, your company has been quick to seize the moment and pivoted our model to the hybrid model of cloud kitchens along with dine-in restaurants. Through the last year, we have successfully launched nine cloud kitchens that have exponentially expanded our reach. With strategic tie ups with delivery partners, we have been able to provide customers with an ‘at home’ dining experience, providing the cuisine that best lends itself to this format. Cloud kitchens is opening up an opportunity to scale up our online business, without the level of investment that offline restaurants demand. Recognizing that this is trend that is here to stay, your company is on course to build a very strong presence in this area as well. Further building upon the concept of cloud kitchens, your company has also innovated the idea of ‘Kitchen within Kitchen’ i.e., multi-brand virtual kitchen format. This concept was explored by your company with a view to enable sweating of assets from existing restaurant kitchens to meet the requirements of online delivery services. This was facilitated by third party delivery apps. This model has increased business exponentially with minimum additional investment.

A trajectory of growth

Opportunities in food and beverage sector in India continue to remain attractive. ‘The 58 billion USD (INR 4.2T) Indian Food Service Industry (FSI) is expected to grow by 9% CAGR over FY20-25. According to the Economic Survey Of India 2019-20, 62% of India’s population is in the 15-60 year age bracket, with 30% under the age of 15 years. India is poised to enjoy the benefits of a substantial working age population for a long period of time.’ (Source: Food Service Industry Report of Motilal Oswal December 2021).

Secular trends of a young population, growing affluence, rising urbanisation, increase in disposable income, growth of organised retail and burgeoning digital connectivity are all driving consumption. Your Company's strong and versatile portfolio of brands, cuisines, personalized service and understanding of guest experience has enabled us to deliver the current performance and build an enduring presence in the minds of your customers. Your Company firmly believes that the turbulence of the past few years is behind us. We have countered the headwinds better with innovation and resilience and remain optimistic about the future and confident about harnessing newer growth opportunities in food services industry that will enable your Company to continually move towards sustainable growth and profitability to stay ahead of the curve.

Your Company continues to place their mission at the heart of the business as they believe that brands with purpose grow; companies with purpose last; and people with purpose thrive.

I would like to take this opportunity to thank each and every person who has reposed their faith in us - employees, partners, customers and all stakeholders - for their commitment and support to Speciality Restaurants. I would also like to thank the Board of Directors for their unstinted support.

Above all, I would like to thank you, shareholders, for your overwhelming trust, support and confidence in Speciality Restaurants Limited. I wish you all the very best and look forward to your continuing support in the years to come.

Warm Regards,

Anjan Chatterjee
(Chairman and Managing Director)

Powered By Our Brands

Every brand of ours has created its own niche. They operate and constitute an important aspect of our strategic roadmap over the next several years and in this pandemic the exponential growth of our delivery business has reinforced our belief in the power of our brands. Our standard SOP's have allowed a smooth run for all the franchisee's and continuing this trend will inch us closer to near and long-term goals and success.

Flagship Brands

IF IT'S CHINESE, IT'S
**MAINLAND
CHINA**

If it's Chinese, It's Mainland China. Mainland China, flagship brand of Speciality Restaurants has acquired great reviews, acclaim, top of the mind recall and a loyalty among gourmets for over 25 years. Its offerings have the subtle blending of spices, perfect balance of Ying Yang flavours, the toss of the wok or the tempering of the sauces lend a unique flavour to its dishes brings harmony and contrasting aspects of Chinese cuisine. To its credit it has remained one of the most favoured and popular Chinese fine dining restaurant chain catering to the Indian taste buds.

Our Chefs at Mainland China excel at preparing authentic dishes that delight the taste buds. The crunchiness of the garlic pepper chicken, the spicy hot crab chilli, the crispy dim sums, the fish cooked in a light sauce tempered in spices that cool the palate, the gently tossed noodles, glistening with a rich sauce, the light fluffy fried rice, the piping hot soup ideal to whet your appetite will tempt you to sit back and enjoy a meal that takes you on a culinary journey from Sichuan to Jiangsu, to the bustling streets of Beijing.

Over the years it has won almost all the top awards in the country and has repeated it again winning the ‘Best Chinese Restaurant’ – Times Food and Nightlife Awards 2021. Today, with the change in dining trends we are in the process of revitalizing the brand by adding a young, fresh look, disrupting from age old traditional look. There’s much more coming on the way for our discerning guests to discover!

ASIA KITCHEN
by
MAINLAND CHINA

Welcome to a culinary journey through the food streets of Asia! Experience the ambient set up and the ‘open live kitchen view’, a first of its kind, where our Master Chefs braise, blend, toss, temper and whip up signature delicacies inspired from regions of Asia and beyond. The open live kitchen is one of the most intriguing aspects of this brand, where you can experience first-hand the magic that the chefs create which can equal any work of art promising a gastronomic adventure into the streets of Asia and beyond.

Riding on the tremendous response, appreciation and popularity from its first outlet in Dubai at BurJuman Mall, we have now opened our second outlet in Dubai’s prestigious destination, The Mall of the Emirates, which has already started garnering rave reviews for its décor and food.

Over the recent times it has also been the recipient to some prestigious awards, Times Food and Nightlife Awards 2021 in the category of ‘Best Oriental Restaurant-Casual Dining’.

Core Brands

Oh! Calcutta

— Unexplored Flavours —

The challenge of Oh! Calcutta's cuisine was to recreate the lost taste of the 300 year old recipes of traditional dishes. Our master chefs researched and unearthed those authentic recipes and recreated them for the modern generation. Since then, Oh! Calcutta has been one of the most talked about traditional fine dine restaurants.

With a rare cuisine that celebrates Calcutta's melting pot of cultures, Oh! Calcutta's appeal reaches out to food connoisseurs far beyond Bengali's looking for their home flavours. It's a resurrection of 300-year-old recipes well researched to give a contemporary expression in the form of grilled and steamed specialties, deftly balancing the traditional flavours with amalgamation of authentic ingredients and spices to appeal to a global audience. Keeping the elegance and creativity of the cuisine at heart, the brand is constantly pushing the envelope for the newer experiences of traditional flavours.

It has again won 'Best Bengali Restaurant' – Times Food and Nightlife Awards 2021.

sigree
GLOBAL GRILL

Sigree Global Grill has emerged as a popular brand, offering unlimited helpings of a variety of grills and kebabs it brings to you a varied array of multi-cuisines inspired from the Mediterranean, European, Mexican and Indian regions, enough to tempt the strictest of weight watchers to indulge in a pure orgy of flavours. The buffets with live grills on the table have become an extremely popular motivation for diners to take the family out for a sumptuous meal.

It has won the Times Food and Nightlife Awards 2021 for ‘Best Buffet Restaurant’.

Power Brands

Hoppipola offers a fun filled experience to the young target audience who constitute the majority of a growing market of young and independent diners.

Hoppipola offers ample Mediterranean and contemporary Indian flavours in the form of finger food, thin crust Pizza’s and bar nibbles. Innovative mocktails at the lively Bar also add to the funky menu sprinkled with some innovative games it creates a different experience altogether.

CAFÉ
MEZZUNA
ALL DAY RESTO BAR

Café Mezzuna, explores the world of Mediterranean, Italian, Spanish and French flavours. The restaurant has a plush laid-back setting perfect for lazy dinners and extended lunches where the conversation flows in no particular sequence as does the food chosen and served. It will remind you of the trattorias of Italy, and the lazy afternoons by the blue Mediterranean! It's thin crust Pizza's, cocktail Burgers and Grills are some of the most talked about in town.

It has won 'Best Global-Premium Dining' – Times Food and Nightlife Awards 2021.

RIYASAT

Royalty Inspired Indian Dining

Riyasat is usually an Arabic word which means “Estate” or “Empire”. Infused with a ‘contemporary’ Indian cuisine – Riyasat is a story woven through royal celebrations and victories and is inspired from the stately homes of the royal families of the 19th century. The cuisine is inspired from the North-western frontiers that is vibrant, robust and encompasses the healthier culinary techniques and dining experiences to blend in with the changing time and trends. Though it has just one operating outlet currently in India it was tried in Doha and the food was liked so much that the brand was franchised and has been a raging success out there at St. Regis Hotel.

It has won 'Best North Indian - Premium Dining' – Times Food and Nightlife Awards 2021.

Sweet Bengal

Heavenly sweets

Created by Bengal's finest master craftsmen, Sweet Bengal's legacy dates back in 1995. Since then, every sweet delicacy created here has brought in a special and unique taste along with the heritage of Calcutta's historic nuances.

It has been a satisfying and soulful journey in making your moments sweet and special. After receiving tremendous response in Mumbai, the Company has started expanding and spreading its sweetness in Pune.

It has won the Times Food and Nightlife Awards 2021 for 'Best Mithai-Casual Dining'.

Other Brands

GONG has been a very successful innovation and addition to our brand basket offering some outstanding Asian fusion dishes like Asian Crab Ravioli, Asparagus Crisp Rolls or the Chilean Sea Bass in Tamari Soy. It is intriguing with its tantalizing tastes and completely nouveau recipes!

The interiors are pure Japanese style architecture and design with dynamic lighting and intense quiet dining spaces that have soft luxuriant seating arrangements.

EPISODE ONE

Fusing a legacy that has been around for three decades with innovation & all things new, a one-of-a-kind resto-bar serving delectable food from all over the world along with some beautifully crafted tap tails. Episode One is defined by everything it isn't. Not snobbish, not stiff, not inaccessible. We talk the language of Gymkhanas or the British Club and we turned it on its head.

Where the old school meets contemporary. The effort is to build a creative community of like-minded individuals from all walks of life including art, music, fashion, films, media, technology and more. The main attraction is the state-of-the-art bar brewing delicious Taptails (cocktails on tap) all day long! Episode is divided into 4 experiences – each one serving a different purpose and can be enjoyed by everyone alike. It has won 'Best Global Restaurant-Casual Dining' and 'Best Bar for Beer' – Times Food and Nightlife Awards 2021.

B A R i s h h

It is one of the youngest brand in our basket is for all day, any mood – a place that is vibrant and chic, with stunning decor, a splash of pop colours that spell youthful exuberance and comes with a breath of fresh air... sip on some house-special gin concoctions and celebrate all things millennial with a touch of "ishh".

This 120-seater makes use of elements like soothing green and quirky writings on the wall. The restaurant has recently gone through a new 'soul shuffle' in terms of décor and ambiance. While the food menu is derived out of Indian ingredients with western touches, there has been a further refresh added to it giving it a global feel in presentation. So, from a Nacho Papdi Chaat to a Calcutta Beetroot Chop or Thandai Panna Cotta with a modern- 'ish' touch there is surprise in each item on the menu.

While Gin has been one of the ruling roosters for the brand for its innovation concoctions, we have made a few more additions to our bar menu created by international mixologists. One needs to taste the Juniper drink, a focal point of the tippie menu with not just cocktails but innovative gin infusions featuring on it.

HAKA

Tasty Tasty Chinese

Haka offers you exactly what your fast-paced city life and the crunched leisure time permits. Currently there are just two dine-in outlets in Kolkata but we have tasted success with a brand extension pan India as only a delivery model from our Cloud Kitchens.

True to its name Haka is famous for its haka style south-eastern Chinese cuisine in a mouth-watering array of choices. The décor is simple but stylish just for Gen X. Its minimalistic look is complemented by the décor on the walls, reminiscent of contemporary art styles prevalent in China. The service is really fast and the music is foot tapping. Most importantly it's affordable and gives you a value for money feel at the end of your meal.

Flame & grill

Flame and Grill offers that unique experience that brings the very tandoor to your table sizzling and hot, ready to be sampled with the array of sauces pre-served on your table.

It's an unlimited fixed price buffet offering an exciting array of veg and non-veg options which will leave you with. The attractive décor reflects the Spiceland of India with soft lighting and comfortable seating and with a lot of vibrancy, just perfect for a relaxed meal with your loved ones.

The recipes are passionately created by the chefs with inspiration from the royal kitchen recipe manuals coupled with their own innovations on the same.

sigree

At the uniqueness of Sigree lies in its menu items which are cooked over slow charcoal fire with a melange of flavours from North Western India using fresh and pure ingredients.

The subtle lighting suited with the ambient decor will definitely transport you to the era of the Nawabs and Sultans, where the sound of the ghungroo, table and the Sarangi will reverberate in unison to glory.

Experience the dining in wild. Be it a break from the mundane routine of everyday life or experiencing an adventure of a lifetime, we give you an opportunity to take a trip to the animal kingdom eventually foraging into a tropical paradise.

JUNGLE SAFARI

WILD DINING

Flickering of lights that turn into mimic lighting as you step into the restaurant. Furnished with a thick foliated wall and tree trunks nicely quipped with a green canopy overhead provides the look and feel of the space. In short providing a JUNGLE SAFARI with a wild dining experience.

DARIOLE

Bakery & Confectionery

It's a chain of Confectionery from the house of Speciality Restaurants, with offerings from our master bakers in the state-of-the art bakery creating little masterpieces with flours and ingredients sourced locally.

Dariole is a cosy and affectionate neighbourhood confectionary and café, where the city's best croissants, buns, puffs, wraps, cakes, cookies, pastries and breads are born every day. In our recent endeavour we have been able to add a few more outlets and as the brand has been accepted due to its newest bakery innovations, we plan to expand this further.

New Brand

CHOURANGI

Chourangi which has been the first venture of Speciality Restaurants through its subsidiary, in the city of London has been garnering rave reviews from London's discerning food lovers to the unexplored flavours of India, especially inspired by the heritage city of Calcutta.

The décor has also been carefully thought out and designed to capture the diversity of the city over centuries with the iconic 'Indian Coffee House' feel of the Howrah Bridge Wall as the gate way to the city, the iconic Tolly Club and Bengal Club or the Royal Turf Club' settings, louvre walls with a mix of jazz and Bengali light instrumentals in the background to set the mood for discerning diners to soak up the experience.

The food offering is a culinary mix of street food and the heritage cuisine of the Sahib's /Mughals, with subtle influences of the Armenians, Portuguese, French and British. The cuisine features adventurous new ingredients, flavours and cooking methods interwoven with 300 years of colourful history and stories giving the people of London an experiential taste of India.

In the last one year, Chourangi has not only become a household name to the Londoners but very recently has also been awarded The Open Table Diner's Choice. Recently, the brand showcased it's cuisine as the official restaurant partner for two prestigious events in London, Jaipur Literature Festival The British Film Institute (BFI) and is also going to be a part of the forthcoming Satyajit Ray Film Festival organised by the BFI.

That's Chourangi's cuisine. Subtle, yet utterly unprecedented and unexplored.

NOTICE

Notice is hereby given that the Twenty Third (23rd) Annual General Meeting (the “AGM”) of the members of **SPECIALITY RESTAURANTS LIMITED** (the “Members” and such Company, the “Company”) will be held on Thursday, August 25, 2022 at 3.00 p.m. (IST), through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”) facility to transact the businesses as set out hereunder:-

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements of the Company for the financial year ended March 31, 2022, together with the Report of the Board of Directors of the Company (the “Board”) and the Auditor’s Report thereon.
2. To receive, consider and adopt the Audited Consolidated Financial Statements of the Company for the financial year ended March 31, 2022, together with the Auditor’s Report thereon.
3. To appoint a Director in place of Mrs. Suchhanda Chatterjee (DIN: 00226893), who retires by rotation and being eligible, has offered herself for re-appointment.

SPECIAL BUSINESS:

4. Re-appointment of Mr. Indranil Chatterjee (DIN: 00200577) as a Deputy Managing Director of the Company:

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

“RESOLVED THAT pursuant to the provisions of Sections 196, 197, 198, 203 and other applicable provisions, if any, of the Companies Act, 2013, (including any statutory modification(s) or re-enactment thereof for the time being in force) (the “Companies Act”) read with Schedule V and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended from time to time, the Articles of Association of the Company and subject to the approval of the Central Government as may be required and in respect of whom the Company has received a notice in writing under Section 160(1) of the Companies Act from a Member, proposing his candidature for the office of Director, the Company hereby approves the re-appointment of Mr. Indranil Chatterjee (DIN: 00200577) as the Deputy Managing Director (Whole-time Director), liable to retire by rotation, for a period of five years with effect from February 3, 2023 upto February 2, 2028 (both days inclusive), on the following remuneration, perquisites and benefits as approved by the Nomination and Remuneration Committee (hereinafter called “NRC”) and the Board of Directors (the “Board”) at each of their Meeting held on May 27, 2022 respectively on such other terms and conditions as set out in the explanatory statement:

Remuneration:

(i) Basic Salary:

In the range of ₹ 50,000/- to ₹ 3,00,000/- per month. In the first year, the Basic Salary shall be ₹ 1,50,000/- per month. Thereafter, the Board of Directors shall fix annual increments every year within the above ceiling in compliance with the Companies Act. The first increment shall be due from April 1, 2024.

(ii) Allowances:

- (a) House Rent Allowance ₹ 75,000/- per month.
- (b) Additional Allowance ₹ 75,000/- per month.

The above allowances together with such other allowances as and when decided with such increments as may be fixed by the Board shall not exceed 100 percent of the basic salary mentioned in (i) above.

(iii) Perquisites:

In addition to the aforesaid basic salary and allowances, Mr. Indranil Chatterjee shall be entitled to gratuity, mediclaim policy for self and family, personal accident insurance for self and other benefits in accordance with the rules of the Company. The monetary value of the perquisites shall be valued as per the provisions of the Income Tax Act, 1961, as amended and the Rules made thereunder wherever applicable and in the absence of any such provision, perquisites shall be valued at actual cost.

(iv) Incentive Remuneration:

Such incentive remuneration not exceeding 100% of Basic Salary to be paid at the discretion of the Board annually, based on certain performance criteria and such other parameters as may be considered appropriate from time to time.

(v) Commission:

- The Ministry of Corporate Affairs (**‘MCA’**) issued General Circular Nos. 14/2020, 17/2020, 20/2020, 02/2021, 19/2021 and 21/2021 dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021 and December 14, 2021, respectively and by General Circular No. 02/2022 dated May 5, 2022 (collectively referred to as “**MCA Circulars**”) has permitted the holding of the annual general meeting through Video Conferencing (“**VC**”) or through other audio-visual means (“**OAVM**”), without the physical presence of the Members at a common venue. Securities and Exchange Board of India (‘SEBI’) vide its circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Circular Nos. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 (collectively referred to as ‘SEBI Circulars’) permitted the holding of the Annual General Meeting (‘AGM’/‘the Meeting’) through VC/ OAVM, without the physical presence of the Members at a common venue.

In compliance with the provisions of the Companies Act, 2013 (the “**Companies Act**”), Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “**Listing Regulations**”), MCA Circulars, SEBI Circulars, Secretarial Standard – II on General Meetings (“**SS-II**”) issued by the Institute of the Company Secretaries of India and other applicable laws, if any, the 23rd Annual General Meeting (“**Meeting**” or “**AGM**”) of the Company on Thursday, August 25, 2022 at 3.00 p.m. (IST) is being held through VC / OAVM facility, which does not require physical presence of members at a common venue.

- The proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company at Uniworth House, 3A, Gurusaday Road, Kolkata 700 019, which shall be the deemed venue of the AGM.

3. As per the provisions of Clause 3.A.II of the General Circular No. 20/2020 dated May 5, 2020, the matters of Special Business as appearing at Item Nos. 4, 5 and 6 of the accompanying Notice, are considered to be unavoidable by the Board and hence, form part of this Notice.
4. The Explanatory Statement setting out the material facts in respect of the business under item nos. 4, 5 and 6 to be transacted at the AGM, as set out in this Notice is annexed hereto and forms part of this Notice.
5. Pursuant to the provisions of Sections 112 and 113 of the Companies Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM will be held pursuant to the MCA circulars through VC or OAVM, the requirement of physical attendance of Members has been dispensed with. Accordingly, in terms of the MCA circulars and the SEBI circular, the facility for appointment of proxies by the Members will not be available for this AGM and hence the proxy form, attendance slip and route map of AGM are not annexed to this Notice.
6. Members attending the Meeting through VC or OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act.
7. The Members can join the AGM in the VC or OAVM mode 30 minutes before and 15 minutes after the scheduled time of the commencement of the AGM by following the procedure mentioned in this Notice. The Members will be able to view the proceedings on National Securities Depository Limited's ("NSDL") e-voting website at www.evoting.nsdl.com. The facility of participation at the AGM through VC or OAVM will be made available to at least 1,000 Members on a first come first served basis as per the MCA Circulars. The large shareholders (i.e. shareholders holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, auditors, etc. can attend the 23rd AGM without any restriction on account of first-come-first-served principle.
8. Institutional or Corporate Shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send a scanned copy (.pdf or .jpg Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC or OAVM on its behalf and to vote through e-voting. The said Resolution or Authorization shall be sent to Scrutinizer by e-mail through its registered email address to tchatterjeeassociates@gmail.com with a copy marked to evoting@nsdl.co.in and investor@speciality.co.in.
9. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act and all other documents referred to in the Notice will be available for inspection in electronic mode. Members can inspect the same by sending an email to investor@speciality.co.in.
10. Members can also write to the Company on or before August 24, 2022 for obtaining relevant documents through e-mail on investor@speciality.co.in. The same will be suitably replied to by the Company.
11. The Register of Members and the Share Transfer Books of the Company shall remain closed from Friday, August 19, 2022 to Thursday, August 25, 2022 (both days inclusive).
12. Members are requested to address all correspondence including dividend matters, to the Company's Registrar and Share Transfer Agent, Link Intime India Private Limited, C 101, 247 Park, L.B.S. Marg, Vikhroli West, Mumbai - 400 083 (the "Registrar" or "Transfer Agent").
13. Members holding shares in dematerialized form are requested to intimate any change in their address or email address or bank mandate to their respective Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their address or email address or bank mandates to the Registrar of the Company.
14. Unclaimed dividend for the financial year 2014-15 is held in separate bank accounts and members who have not received the dividend/ or encashed the warrants are advised to claim such amount from the Company or Registrar. Members are requested to note that dividend not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account and the shares on which such dividend remained unclaimed or unpaid will be transferred to Investor Education and Protection Fund ("IEPF") established by the Central Government as per Section 124 of the Companies Act.
15. Following is the detail of unpaid dividend due for transfer to IEPF:

Financial Year	Date of Declaration of Dividend	Last date to claim unclaimed dividend
2014-15	26-08-2015	14-09-2022

The Registrar of the Company has already written to the shareholders whose dividend is unclaimed or unpaid informing them about the due date of transfer to IEPF for the payment, attention of the shareholders is again drawn to this matter through this Annual Report.

16. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the IEPF. The shares in respect of such unclaimed dividend are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividend from the Company, within the stipulated timeline. The Members, whose unclaimed dividend/shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in.

17. Pursuant to the provisions of Section 124 of the Companies Act, Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (“**IEPF Rules**”) read with the relevant circulars and amendments thereto, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the IEPF, constituted by the Central Government. The Company had, accordingly, transferred ₹ 61,000/- being the unpaid and unclaimed dividend amount pertaining to Dividend of Financial Year 2012-13 during the year 2020 and ₹ 40,592/- being the unpaid and unclaimed dividend amount pertaining to Dividend of Financial Year 2013-14 during the year 2021, to the IEPF.
18. The Company has been sending reminders to Members having unpaid/ unclaimed dividends before transfer of such dividend(s) to IEPF. Details of the unpaid/unclaimed dividend are also uploaded on the website of the Company at www.speciality.co.in. Members who have not encashed dividend of Financial Year 2014-15 declared by the Company, are advised to write to the Company immediately.
19. Pursuant to the provisions of IEPF Rules, all shares in respect of which dividend has not been paid or claimed for seven consecutive years shall be transferred by the Company to the designated Demat Account of the IEPF Authority (“**IEPF Account**”) within a period of thirty days of such shares becoming due to be transferred to the IEPF Account. Accordingly, 1,634 and 1,191 Equity Shares of ₹10/- each on which the dividend remained unpaid or unclaimed for seven consecutive years, were transferred in the year 2020 and 2021 respectively, to the IEPF Account, after following the prescribed procedure. Further, Members who have not claimed / encashed their dividend for financial year 2014-15 are advised to claim the same. In case valid claim is not received, the Company will proceed to transfer the respective shares to the IEPF Account in accordance with the procedure prescribed under the IEPF Rules.
20. In compliance with the aforesaid MCA Circulars and SEBI Circulars Notice of the AGM along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose email addresses are registered with the Company or the Depositories. Members may note that the Notice and Annual Report 2021-22 will also be available on the Company’s website www.speciality.co.in, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of NSDL at <https://www.evoting.nsdl.com>.
21. At the twentieth annual general meeting of the Company held on August 23, 2019, the Members approved appointment of M/s. Singhi & Co., Chartered Accountants (Firm Registration No. 302049E) as the Statutory Auditors of the Company to hold office for a period of five years from the conclusion of that annual general meeting till the conclusion of the twenty fifth annual general meeting to be held in the year 2024, subject to ratification of their appointment by the Members at every annual general meeting, if so required under the Companies Act. The requirement to place the matter relating to appointment of auditors for ratification by Members at every annual general meeting has been done away by the Companies (Amendment) Act, 2017 with effect from May 7, 2018. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at the twenty-third AGM.
22. Documents for inspection will be available electronically, without any fee, from the date of circulation of this Notice up to the date of the AGM. Members seeking to inspect such documents can send an e-mail to investor@speciality.co.in stating their DP ID and Client ID or Folio No.
23. **Voting through electronic means:**
 - (i) In compliance with Section 108 of the Companies Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended from time to time and Regulation 44 of the Listing Regulations, the Company is pleased to provide its Members facility of remote e-voting (to cast their vote electronically from a place other than the venue of the AGM) through e-voting services provided by National Securities Depositories Limited (NSDL) on all resolutions specified in this Notice.
 - (ii) The Remote e-voting commences on Monday, August 22, 2022 (from 09:00 a.m. Indian Standard Time, “**IST**”) and ends on Wednesday, August 24, 2022 (at 5.00 p.m. IST). E-voting shall not be allowed after the aforesaid date and time. During this period Members of the Company, holding shares either in physical form or in dematerialised form, as on the cut-off date, being Thursday, August 18, 2022 may cast their vote electronically. The remote e-voting module shall be disabled by NSDL thereafter.
 - (iii) Members will be provided with the facility for voting through electronic voting during the video conferencing proceedings during the AGM and Members participating during the AGM, who have not already cast their vote by remote e-Voting, will be eligible to exercise their right to vote during such proceedings of the AGM. Members who have cast their vote by remote e-voting prior to the AGM will also be eligible to participate at the AGM but shall not be entitled to cast their vote again on such resolution(s) for which the member has already cast the vote through remote e-voting.
 - (iv) A person whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting before the AGM as well as e-voting during the AGM. The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting, by use of e-voting for all those Members who are present during the AGM through VC or OAVM, but have not cast their votes by availing the e-voting facility. The e-voting module shall be disabled by NSDL for voting 15 minutes after the conclusion of the AGM.

18. The Board recommends the resolution as set out under Item No. 5 of the accompanying Notice for approval of the Members to be passed as an Ordinary Resolution.

Item No. 6: Re-appointment of Mr. Rakesh Pandey (DIN: 00113227) as an Independent Director of the Company:

19. Mr. Rakesh Pandey (DIN: 00113227) was appointed as an Independent Director of the Company with effect from November 29, 2017 for a period of five (5) years up to November 28, 2022. The Members of the Company approved Ordinary Resolution vide Postal Ballot Notice dated February 14, 2018, appointment of Mr. Rakesh Pandey as an Independent Director of the Company for a term of five years with effect from November 29, 2017 upto November 28, 2022 ("**First Term**"), not liable to retire by rotation.
20. The term of office of Mr. Rakesh Pandey as an Independent Director is up to November 28, 2022. The Nomination and Remuneration Committee, on the basis of the report of performance evaluation, has recommended re-appointment of Mr. Rakesh Pandey as an Independent Director of the Company for a second term of five (5) consecutive years on the Board of the Company.
21. The Board, based on the performance evaluation and as per the recommendation of the Nomination and Remuneration Committee, considered that, given Mr. Pandey's background and rich experience and contributions made by him during his first term, the continued association of Mr. Rakesh Pandey would be beneficial to the Company and it is desirable to continue to avail his services as an Independent Director.
22. Mr. Rakesh Pandey is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act and has given his consent to act as a Director. He is not debarred from holding the office of Director by virtue of any SEBI Order or any other authority.
23. The Company has also received declaration from Mr. Rakesh Pandey that he meets the criteria of Independence as prescribed under Section 149(6) of the Companies Act and under the Listing Regulations.
24. The Company has received Notice in writing from a Member under Section 160 of the Companies Act, proposing the candidature of Mr. Rakesh Pandey, for the office of Director of the Company.
25. The Board of Directors of the Company at their meeting held on May 27, 2022, on the recommendation of Nomination and Remuneration Committee of the Company, re-appointed Mr. Rakesh Pandey (DIN: 00113227) as an Independent Director of the Company for second term of five (5) consecutive years commencing from November 29, 2022 up to November 28, 2027 (both days inclusive), subject to approval of the Members of the Company.

26. Accordingly, it is recommended to the Members of the Company to re-appoint Mr. Rakesh Pandey as an Independent Director of the Company, not liable to retire by rotation, for a second term of five (5) consecutive years commencing from November 29, 2022 up to November 28, 2027 (both days inclusive) on the Board of the Company.
27. Details of Mr. Rakesh Pandey, seeking re-appointment as an Independent Director of the Company, as required under Regulations 26(4) and 36(3) of the Listing Regulations and Secretarial Standard (SS-2) on General Meetings issued by the Institute of Company Secretaries of India are provided in the "Annexure" to the Notice.
28. Mr. Rakesh Pandey shall be paid remuneration by way of fee for attending meetings of the Board or Committees thereof or for any other purpose whatsoever as may be decided by the Board, reimbursement of expenses for participating in the Board and other meetings and profit related commission.
29. The terms and conditions of the re-appointment and copy of draft letter of re-appointment of Mr. Rakesh Pandey shall be open for inspection without any fee by the Members of the Company during normal business hours on any working day of the Company up to the date of the AGM.
30. In the opinion of the Board, Mr. Rakesh Pandey fulfils the conditions specified in the Companies Act and the rules made thereunder for re-appointment as an Independent Director and is independent of the management of the Company.
31. Save and except Mr. Rakesh Pandey and his relatives to the extent of their shareholding interest, if any, in the Company, none of the Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested financially or otherwise in the Resolution set out under Item No. 6 of the Notice.
32. The Board recommends the Resolution set out under Item No. 6 of the accompanying Notice for approval of Members as a Special Resolution.

2. Financial Performance and the state of Company's affairs

After financial year 2020-21 turned out to be one of the most eventful year with changing market trends and business dynamics due to the pandemic, financial year 2021-22 was all about staging resilient recovery. The eruptions of new waves and variants of the virus necessitated restrictions and lockdowns, not only posed health challenges impacting business as well. Maintaining the COVID-19 safety protocols throughout the year and to remain profitable through disciplined management of fixed costs continued to be the Company's top priority.

While the second wave of pandemic-induced disruptions impacted business in the first quarter of Financial Year 2021-22, we astutely remodeled our strategy to address the dynamic operating environment with speed and agility. All our efforts were to cater to the evolving customer needs and to maintain position.

As we worked remotely given the surge in COVID-19 cases during the second wave, the safety and health of our team members were of paramount importance. Even in these trying times, we ensured seamless operations and timely deliveries, while maintaining highest standards.

We grew stronger as a team by supporting each other whole-heartedly through the financial year 2021-22. We announced various COVID-19 benefits, such as vaccination support, medical care through a dedicated coverage service, employee assistance programme, among others.

Your Company has committed itself to the fight against COVID-19 and confronted the uncertainties by focusing on 'safeguarding the health and well-being of its people' and ensuring business continuity to meet consumer needs.

You Company continued with aggressive cost control measures to neutralize the impact of reduction in revenue and stringent exercise of rationalization of restaurant operations including change in service design, contactless ordering as well as manpower requirements.

Your Company's performance on a standalone basis for the financial year 2021-22 is not comparable with the previous year due to closure of restaurant dining operations for a part of the year, as well as social distancing norms and timing restrictions due to the second wave of COVID-19 pandemic and closure of unviable restaurants. The same needs to be analysed in the context of the above economic and operating environment as under:

- (i) The total income of your Company for the year under review was ₹ 2,529.3 million, as against the previous year's total income of ₹ 1,501.4 million increased by 68.5%.

- (ii) The earnings before Depreciation, Interest, Tax and Amortization (EBDITA), which amounted to ₹ 560.8 million (21.04% of the revenue) as against ₹ 152.2 million (9.12% of the revenue) in the previous year increased by 268.64%.
- (iii) Exceptional Item for the year under review was ₹ (6.6) million as against ₹ 43.6 million in the previous year.
- (iv) Total profit after tax for the year under review was ₹ 135.2 million as against loss of ₹ (293.4) million in the previous year.

Given the unprecedented circumstances on account of COVID-19 related developments, the results for the year under review were not comparable with the previous year.

During the year under review, your Company opened six Cloud Kitchens. At the end of financial year ended March 31, 2022, your Company has 68 restaurants (including 17 franchisees), 11 Cloud Kitchens and 38 confectionaries.

The detailed analysis on financial performance is included under the Management Discussion and Analysis Report.

3. Dividend on Equity Shares

The Board of Directors of your Company (the “**Board**”), after considering the financial performance during the year under review and in order to conserve the capital for future growth, has decided not to recommend dividend for the year under review (previous year-Nil).

4. Transfer to Reserves

The Board has decided to retain the profits for the Financial Year 2021-22 in the profit and loss account, no amount has been transferred to Reserves.

5. Audited Financial Statements

As per Regulation 34(2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the “**Listing Regulations**”), Audited Financial Statements (Standalone and Consolidated) for the financial year ended March 31, 2022 i.e. Balance Sheet, Statement of Profit and Loss and Cash Flow Statement are appended hereto.

There have been no material changes and commitments, which affect the financial position of the Company subsequent to the close of the financial year ended March 31, 2022 and till the date of this report.

6. Subsidiary

The Company has two wholly owned subsidiaries and two step-down subsidiaries as on March 31, 2022. There has been no material change in the nature of the business of the subsidiaries.

(i) Wholly Owned Subsidiaries:

- a. Speciality Hospitality UK Limited was incorporated as a private limited company, limited by shares (bearing company number 10927982) on August 22, 2017, registered with The Registrar of Companies for England and Wales, having its registered office at 134 Buckingham Palace Road, London, SW1W 9SA, United Kingdom.
- b. Speciality Hospitality US, Inc. (bearing company number 803423900) was incorporated on September 19, 2019, which is registered with Office of the Secretary of State of Texas, having its registered office at 6161 Savoy Drive, Suite 1000, Houston TX 77036.

(ii) Step Down Subsidiaries:

- a. Caterland Hospitality Ltd. was incorporated on July 18, 2019, as a private limited company, limited by shares (bearing company number 12109778) registered with The Registrar of Companies for England and Wales, having its registered office at 134 Buckingham Palace Road, London, SW1W 9SA, United Kingdom.

A Joint Venture Agreement dated July 24, 2019 was entered into between Speciality Hospitality UK Limited, a wholly owned subsidiary (“**WOS**”) of the Company and Homage Ventures LLP, to setup, own and operate restaurant in London, United Kingdom under Caterland Hospitality Ltd.

The Company had launched “**CHOURANGI**” restaurant at 3 Old Quebec St, London W1H 7AF on October 7, 2021. Chourangi is the first venture of Speciality Restaurants through it’s subsidiary, in the city of London. It promises to introduce London’s discerning food lovers to the unexplored cuisine of Calcutta – three centuries old and still evolving, bursting with taste and flavours that have never before been encountered in this city. Turnover of Caterland Hospitality Ltd. for the year ended March 31, 2022 was GBP 718,538. Total comprehensive loss for the year was GBP (883,896) due to operational for part of the year and administrative expenditure mainly represents pre-operating expenses incurred for setting of restaurant.

For further analysis on the consolidated performance, attention is invited to the section on Management Discussion and Analysis, notes to the consolidated financial statements and Form No. AOC - 1.

- b. Foodland Ventures, LLC was incorporated on October 7, 2019, (bearing company number 803436901) which is registered with Office of the Secretary of State of Texas, having its registered office at 9894 Bissonnet Street, Suit 638, Houston TX 77036.

A Joint Venture Agreement dated January 10, 2020 was entered into between Speciality Hospitality US, Inc., a wholly owned subsidiary (“**WOS**”) of the Company and Associated Hospitality & Developers LLC, to setup, own and operate restaurants in United States of America under Foodland Ventures LLC.

Due to impact of COVID-19, JV partners of Foodland Ventures LLC decided not to take up the project and terminated lease agreement with the lessor. Exceptional item in the standalone financial statements as on March 31, 2022 includes ₹ 6.6 million provision for impairment of investment in Speciality Hospitality US, Inc.

The Consolidated Financial Statements of your Company, its joint venture, WOS and step-down subsidiaries, prepared in accordance with the relevant accounting standards of the Institute of Chartered Accountants of India, duly audited by the Statutory Auditors, form a part of the Annual Report and are reflected in the consolidated accounts.

Pursuant to the provisions of Section 129(3) of the Companies Act, a statement containing salient features of the financial statements of WOS and step-down subsidiaries in Form AOC-1 is attached to the Financial Statements of your Company.

MANAGEMENT DISCUSSION AND ANALYSIS

Economic Overview

The beginning of the Financial year 2021-22 was beset with severe challenges just as the global economy had started picking up threads on its path of recovery, due to the resurgence of a deadlier wave inflicted by the new Delta variant of the COVID-19 virus. It dealt a major blow and heavily impacted the first 2 quarters of the year. Though a second wave was on the cards the government machinery did neither anticipate that the epicenter would be India nor the intensity of this new variant which caused havoc in the first three months from April to June with a very high rate of casualty. However, unlike the previous year they acted swiftly to contain the surge with prompt enforcement of appropriate pandemic protocols, improvements in healthcare infrastructure, increased coverage of testing and widespread vaccination drives while resorting to localised containment measures.

However, with better preparedness the country bounced back quickly and the economic recovery was supported by continuing liberal fiscal policies globally. The recovery was supported by a consumption boost which partly offset geopolitical escalations across the world with increase in oil prices, instability caused by the Russia Ukraine war, inflation trends and specially food inflation which continued impacting the growth. We envisage further tightening of monetary policies by various central banks worldwide by further raising bank rates to cool down inflation. These developments may lead to curtailment of demand in coming times.

India's economic growth during the financial year 2021-22 was the highest among large economies, reflecting a strong recovery led by favourable monetary and fiscal policy, mass vaccinations and significant progress on structural reforms. The year witnessed strong growth momentum in exports and improvement in credit uptake driven by agricultural and industrial sectors. However, India also has been witnessing significant inflationary pressures similar to the global economy which has been precipitated by the war in Europe and effect of climate changes. Indian economy is resilient and expected to fare better benefitting from the recovery in consumption supported by increasing normalisation of activity, higher rural income and the continued emphasis on investment in infrastructure by the government.

Your Company's performance for the financial year 2021-22 was also impacted due to Covid-19 waves (Delta variant in Q1 and Q2 and then Omicron variant in Q4) and needs to be analysed in the context of the aforesaid economic and operating environment.

Food and Beverages Service Industry Overview

One of the key segments of the Indian economy is Food and Beverages industry which contributes to employment generation, skill development, growth in the allied industries and entrepreneurship to create experiences.

The financial year 2021-22 has been a year of sustained recovery in the food and beverage industry and in particular the hotel and restaurant industry. After a turbulent start to the financial year due to the impact of the second wave (Delta variant) and there were eminent signs of a quick turnaround in Q3 before a relatively less virulent third wave (Omicron variant) dented the pace of growth again in the last quarter of the financial year. The trends in the food and beverages industry are encouraging even though the food and labour costs are on the rise.

Speedy adaptability of technology, direct online and third-party ordering, wide use of various apps has paved the way for recovery and growth in the year 2022. By the end of year 2022, the food industry expects to reach \$899 billion in sales. Food delivery / logistic services became immensely important with its unique challenges. Trust of the food handling process, delivery methods, and demand for contactless transactions have become critical factors for consumers as home delivery of food from restaurants gained significance.

The food and beverages services sector continues to consolidate its position and is also attracting new investment from domestic as well as international players as the sector continues to have high growth potential led by domestic consumption.

Food and beverages market in India has evolved from unorganized home grown, standalone, family run business ventures into organized structure with priorities on transparency, corporatisation with formation of chain of restaurants, international partnerships with multipolar and integrated business models and cloud kitchens.

Industry Trends

Food and Beverage Trends

- Food presentation plays a bigger role due to the growth of social media influence.
- Increase in the share of deliveries and takeaways and convenience continue to reign.
- Healthy food to boost immunity.
- Interest in foraging is on the rise.
- Wholesome small eats are most preferable.
- Sugar-free food or food with less sugar.
- High-protein, grab-and-go options that are both nutritious and convenient, such as nutritious puffed snacks, dry fruits, prunes and protein bars.
- Alternative diets such as gluten-free, dairy-free, vegan and keto options.

Eating Out

Profile of Indian Consumers', their behaviour and spending patterns have evolved with the changing economic, social and demographic landscape. The exposure to new cuisines and the increased propensity of eating out, along with the home delivery of food and take-aways have led to the growth of the food and beverages market. Eating out is now seen as a need for change in palate and as an alternate to home

cooking and looking out for new cuisines each of which have become an occasion in itself rather than specific occasions such as business meetings, celebrations of any kind or periodical family outing. Consumers have now embraced the mid-week break as against weekend offs. Eating out on weekdays is a new trend as against only being restricted to weekend to avoid crowds. Consumer is also conscious of dining at high profile outlets across socio-economic segments and more brand conscious also. India has the youngest population in the world and the food and beverages industry is benefitting from it with a young, dynamic and diverse food-loving consumer with a high disposable income. The growing participation of women in the workforce and double-income nuclear families, preference for eating out or ready- to-eat meals have created new opportunities in the industry.

Eating out as an experience

Hospitality industry provides an enriching dining experience where guest expectations are anticipated and met with consistency in food quality, wide varieties, innovative presentation, unique food concepts coupled with exceptional service. Consumers always look forward to the hospitality industry for unique experiences for the 'feel good' factor. Eating out has emerged as a prominent avenue for relaxing and spending quality time with the family or with friends.

Social Media / Digital Marketing

Social media has become an integral part of the India's young population lifestyle. Indian food and beverages operators are using social media for digital marketing, to communicate offers, incentives, product information and promotions. The key trends that continue to influence and shape the Indian food and beverages service industry are rise of online food aggregators, enhanced penetration of internet, use of technology to improve consumer experience and social media for consumer engagement.

Focus on consumer engagement using technology

The restaurant industry continues to focus on consumer engagement by use of technology. Technology has helped the consumer to express their views and opinions, compare and evaluate choices and share feedback. The consumers are now using technology to make table reservations, ordering food either online or through a phone call and use mobile / wallets for payment. Application based online food aggregators and development of third party logistics service providers has brought in a whole new dimension to food service business.

Food Discovery/Restaurant Search: Online food aggregators as well as third party applications provide food guides and eating out directories of restaurants with third party reviews, opinions and vital information to its users with food discovery or restaurant search and ordering of food at just a few clicks away.

Table Reservation: Table reservation facility is beneficial to a customer as it guarantee one's table at the designated time and place with the personalised service at the restaurant. Fine dine restaurants offer table reservation service to their guests to manage demand more efficiently.

Online ordering: In today's time busy customers prefer to order food of their choice from favorite restaurant to save time on travelling and enjoy their choicest food while at work or at leisure.

Market Segments

The Indian market segment of the organized food service industry is led by Quick Service Restaurants followed by Casual Dine-in formats followed by Cafe chains, Frozen Desserts, Ice-creams and then followed by Fine dining. The rest of the market is shared by Pubs, Bars, Clubs and Lounges. QSR and Casual Dine-in are popular with working professionals while Fine dining is family get together and more occasion driven.

Evolving Customer Preferences

Food and beverages industry is driven by consumer preferences. Key players in the industry are continuously monitoring such patterns and accordingly offering innovative and new products. Customization of products and services have become the key success driver in today's industry. Eating out has evolved the lifestyle of today's young Indians, who are willing to experiment different cuisines and beverages.

Experimenting with Cuisines

Consumers are experimenting with regional as well as international cuisines. The urbanisation and cosmopolitan culture of major metros of India has helped the food and beverages industry to cater the taste buds by serving a variety of cuisines from across the world over and above the Indian and regional cuisines.

Emerging retail formats

Food courts in malls and new retail avenues such as airports, amusement parks are driving consumers towards food. In shopping Malls fine dining / semi-casual dining restaurants in a controlled atmosphere lends variety to the food retail space with paid parking facility, which is a very essential factor to any retailing establishment's success. Mall developers consider fine-dining restaurants very important to their overall tenant/product mix as they help the establishment to attain a degree of exclusiveness and give customers a more holistic experience. Malls are one of the most popular retail formats, as it gives a holistic experience to the buyer and satisfies his various shopping and entertainment needs under one roof – a choice ranging from costumes, accessories, salons and spa's to cinemas, gaming zones, super markets and of course dedicated food courts. It's a destination for a whole day engagement.

Dine-in v/s Take-away/Deliveries

Restaurants are providing option to consumers for ordering food at home/office. The share of deliveries and takeaways for the Company increased from 8% pre Covid period to 34% during the year under review. The Company has tie-up's with online food aggregators to capitalize on the rising online delivery segment.

Cloud Kitchen

A Cloud kitchen is also referred to as a “dark kitchen” or “virtual kitchen”, utilizing a commercial kitchen for the purpose of preparing food for delivery or takeaways only, with no dine-in facility for customers. Cloud kitchens enable restaurateurs to expand an existing restaurant or start a virtual brand at minimal cost. Cloud kitchen format has emerged as an alternative as it can be setup with a very low capital expenditure as compared to a Restaurant or Cafe and helps in increasing the delivery revenues of the restaurant chain with cost benefits.

It can also act as a Commissary base kitchen delivering raw materials, sauces, all basic ingredients and food in portions to multiple restaurants of a chain. This format is helping the industry to reduce the high rental cost and also cost of labour and also helping in faster turnaround over and above standardization of quality.

Kitchen within Kitchen

It is a multi-brand virtual kitchen within existing restaurant kitchen of a restaurant. It is dedicated to meet the requirements of online delivery services, facilitated by the third party delivery apps. It is easy to setup multiple brands using the existing infrastructure with a very low capital expenditure as compared to a Cloud Kitchen and helps in the operation of a chain of restaurants with sweating of assets at the existing restaurant. Multi-brand virtual kitchen is a boon for the industry and a trend that has revolutionized the whole segment.

International Opportunities

There’s global demand for Indian cuisine as its popularity caters to the diaspora and popular Indian restaurant chains are leveraging that with financial and management bandwidth and harnessing this opportunity. Indian cuisines are also being accepted and gaining popularity in international markets which is a very healthy sign for the growth of the industry.

With a vision to tap this opportunity, many established Indian food and beverage operators including your Company have entered key markets such as Middle East and United Kingdom for profitable growth due to attractive growth potential, ease of doing business, fewer regulatory issues and higher returns on investment than in India.

Opportunities and Challenges

The success of your Company depends on its ability to identify strengths & opportunities and leverage them while mitigating the risks that arise while conducting its business. The strength of your restaurants lie in the brands that we have created over the years and mastered what we do best viz. serving delicious food, offering quality service and providing an unforgettable dining experience which is the key to our success

Opportunities for the Company are -

- Millennial centric brands.
- Optimizing share of delivery and take-away formats, with focus on convenience and assurance of hygiene standards.
- Strengthening our delivery business with new product innovations, like Meal-in-a-box
- Experimentation with new formats, themes and menus;
- Setting-up of Cloud Kitchen’s / Commissary, and also Kitchen within Kitchen through sweating of assets (converting all our existing kitchens into multi brand kitchens)
- International expansion.
- Strategic / differential pricing for the buffet format for weekday and weekend.
- Riding on the technology wave with tech savvy consumers and online food aggregators.

Your Company’s success depends on the value and relevance of its brands and products to consumers and on our ability to bring in changes, innovate and remaining competitive and ahead of time. Consumer tastes, preferences and behaviours are subject to change from time to time. Your Company’s ability to identify and respond to these changes is vital to its business success. We continue to work on creating innovative products with the objective that those continue to meet the needs of consumers.

Challenges

The Company’s prospects depends on economic factors such as changes in regulatory environment i.e. food inflation triggered by increasing fuel prices, licensing regulations, competition, operational challenges including high real estate cost, availability of skilled manpower, supply chain management, people management and all that it entails.

Competitive Advantage

Your Company continues to be at the top of the mind of consumers in the Fine Dining and Casual Dining formats as well as in Cloud Kitchen segment enjoying leadership position in the Fine-dining segment. The key to this has been the continuous and well-paced focus on innovation, endeavour on improvement and building on existing strengths and pragmatic expansions.

During the year under review, your Company opened six (6) Cloud Kitchens. At the end of financial year ended March 31, 2022, your Company has 68 restaurants (including 17 franchisees), 11 Cloud Kitchens and 38 confectionaries.

Mainland China, flagship brand, focuses on serving Chinese cuisine with contrasting flavours and spices. 12.17 Dealing with securities which have remained unclaimed and disclosure with respect to unclaimed suspense account

In terms of Regulation 39(4) read with schedule VI of the Listing Regulations, the Company has delegated procedural requirements to Link Intime India Private Limited, the Share Transfer Agent (STA) of the Company. The STA has confirmed that they do not have any shares of the Company lying with them unclaimed and they were not required to follow the procedure for dealing with unclaimed shares, which required disclosure of the status of unclaimed suspense account in this annual report.

12.18 Unpaid and Unclaimed Dividends

Pursuant to the provisions of Investor Education and Protection Fund (Uploading of information regarding unpaid and unclaimed amounts lying with companies) Rules, 2012, the Company has uploaded the details of unpaid and unclaimed dividend amount lying with the Company as on March 31, 2022 on the Company's website www.speciality.co.in and on the website of the Ministry of Corporate Affairs.

Pursuant to the provisions of Section 124(6) of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, including the statutory modification(s) or re-enactment(s) thereof, for the time being in force ("IEPF Rules, 2016"), the Company is required to transfer not only all unclaimed / unpaid dividend but also the equity shares in respect of which dividends are not claimed for the continuous period of seven years from the date they first became due for payment, by any shareholder, to the Depository Account of the IEPF.

Given below is the last date by which the Members can claim the unpaid / unclaimed dividend before transfer to the IEPF by the Company.

Financial Year	Date of Declaration of Dividend	Last date to claim unclaimed dividend
2014-15	26-08-2015	14-09-2022

The Company had sent notices to all such members to claim the unclaimed amount(s) on or before September 14, 2022.

While the Company has already written to the shareholders informing them about the due date of transfer to IEPF, attention of the shareholders is again drawn to this matter through the Annual Report.

Pursuant to the provisions of Section 124 of the Companies Act, Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") read with the relevant circulars and amendments thereto, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund ("IEPF"), constituted by the Central Government. The Company had, accordingly, transferred ₹ 61,000/- being the unpaid and unclaimed dividend amount pertaining to Dividend of Financial Year 2012-13 during the year 2020 and ₹ 40,592 being the unpaid and unclaimed dividend amount pertaining to Dividend of Financial Year 2013-14 during the year 2021, to the IEPF.

The Company had transferred 1,634 and 1,191 Equity Shares of ₹ 10/- each of the Company on which the dividend remained unpaid or unclaimed for seven consecutive years, during the year 2020 and 2021 respectively, to the IEPF Account, after following the prescribed procedure.

The shares and unclaimed dividend transferred to the IEPF can however be claimed back by the concerned shareholders from IEPF Authority after complying with the procedure prescribed under the IEPF Rules. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in along with requisite fees as decided by the IEPF Authority from time to time.

INDEPENDENT AUDITOR'S REPORT

To

The Members of
 Speciality Restaurants Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Speciality Restaurants Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2022, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flows and the Standalone Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit and other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of matter

We draw attention to Note 39 to the standalone financial statements, which describes the possible effect of uncertainties relating to COVID-19 pandemic on the Company's financial performance and impact on the carrying value of its assets as at March 31, 2022, as assessed by the management.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the Key audit matter
Revenue recognition - Refer Note 19 to the standalone financial statements	
<p>The Company recognizes revenue when the control of goods being sold is transferred to the customer.</p> <p>The Company's revenue relates to restaurant and confectionary sales and services to customers.</p> <p>Due to high level of transaction across various units, situated across India, there exists a risk of misstatement of the timing and amount of revenue recognized to achieve specific performance targets or expectations.</p> <p>The Company also has franchisee arrangements and revenue share arrangements for royalty/ fee based on sales.</p> <p>The Company and its external stakeholders focus on revenue as a key performance indicator, which could lead to recognition of revenue without meeting the revenue recognition criterion.</p> <p>In view of the above we have identified revenue recognition as a key audit matter.</p>	<p>We have carried out following audit procedure:</p> <ul style="list-style-type: none"> Assessed the appropriateness of the accounting policy for revenue recognition as per the relevant accounting standards. Evaluated the design and implementation of key internal financial controls and their operating effectiveness with respect to revenue recognition transactions selected on a sample basis. Performed substantive testing of sales by selecting samples of sales made at certain restaurants using statistical sampling and tested the underlying documentation including kitchen order tickets (KoT). Reviewed the reconciliation of revenue recorded for the year with collections through cash, credit card and aggregators, as applicable to confirm that revenue recorded is supported by collections. Perused selected samples of key contracts with aggregators and franchisees to understand the terms and conditions particularly relating to revenue share, royalty & fee payments. Evaluated whether the disclosures included in the notes to the standalone Ind AS financial statements are in conformity with the applicable standard.

Ind AS 116 Leases (Refer Note 4b and Note 29 to standalone financial statements)	
<p>Ind AS 116 has had a significant impact on the reported assets, liabilities and the income statement of the Company. Impact of the Ind AS 116 transition is reliant upon a number of key estimates, determining the appropriate discount rates and determination of Short-Term Leases or Leases with variable terms, which are not considered.</p> <p>There is a risk that the lease data which is used in the calculation of Ind AS 116 transition calculation is incomplete or inaccurate.</p> <p>The Company has terminated certain Lease arrangement either on completion of lease terms, or unviability of the restaurant due to COVID-19 or otherwise.</p> <p>Reversal of ROU and Lease liability for such leases should be accurate and in compliance with relevant accounting standard.</p> <p>In view of the above, this is considered as a key audit matter.</p>	<p>We have carried out following audit procedure</p> <ul style="list-style-type: none"> • Assessed the design and implementation of the key controls relating to the determination of the Ind AS 116 transition impact disclosure. • We read a sample of contracts to assess whether leases have been appropriately identified agreed the inputs used in the quantification to the lease agreements the discount rate applied and performed computation checks. • Assessed the accuracy of the lease data by testing the lease data captured by Management for a sample of leases through the inspection of lease documentations. • Tested the completeness of the lease data by reconciling the Company's existing lease commitments to the lease data used in the Ind AS 116. • Verification of the data for recognition of lease liability, right of use assets, depreciation and interest. • Evaluated whether the disclosures included in the notes to the Standalone financial statements are in conformity with the applicable standard.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements, the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management and Board of Director's Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of sub section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The standalone balance sheet, the standalone statement of profit and loss (including Other Comprehensive Income), the standalone statement of cash flows and standalone statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid / provided by the Company to its directors during year is in accordance with the provisions of Section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2022 on its financial position in its standalone financial statements – Refer Note 26 to the standalone financial statements.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There have been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (A) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries (Refer Note 38 to standalone financial statements).
- (B) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries (Refer Note 38 to standalone financial statements).
- (C) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material mis-statement.
- v. The Company has neither declared nor paid any dividend during the year. Provisions of section 123 of the Act is not applicable.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

According to the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right-of-use Assets.
According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has maintained proper records showing full particulars of Intangible Assets.
- b) As per information and explanations given to us the Property, Plant and Equipment and Right-of-Use Assets have been physically verified by the management at reasonable intervals under a phased programmed of verification. In our opinion, the frequency of verification is reasonable having regard to the size of the operations of the Company and on the basis of explanations received no material discrepancies were noticed during the verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties included in Property, Plant and Equipment are held in the name of the Company.
- d) According to the information and explanations given to us, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year.
- e) According to the information and explanations given to us, no proceedings have been initiated or is pending against the Company during the year for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) a) The inventories have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- b) The Company has been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, from banks or financial institutions on the basis of security of current assets but it has not been utilized at any points of time during the year, and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made investments in the shares of and provided loans to the Companies. It has not provided guarantee or security to companies, firms, limited liability partnerships or any other parties during the year.
 - (A) The principal and interest amount of loans amounting Rs. 76.73 Million and Rs. 7.34 Million respectively are outstanding to the joint venture as at the balance sheet date. No loan was granted during the year. No loans or advances are outstanding from subsidiaries. The Company has no associates.
 - (B) No loans or advances, guarantees and securities are outstanding from parties other than subsidiaries, joint ventures and associates;
- b) In our opinion, the terms and conditions of the grant of all loans and advances in the nature of loans, prima facia, were not prejudicial to the Company’s interest at the time of grant of loan;
- c) In respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest was stipulated. However, the repayments or receipts are not regular;
- d) The principal and interest amount of loans amounting Rs. 76.73 Million and Rs. 7.34 Million respectively are outstanding for more than 90 days. As explained to us, reasonable steps were taken to recover the amount of over dues. Since, no amount is realized, the Company has applied for write off of the loan with RBI;
- e) No loan or advance in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties;
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has complied with the provision of Section 185 and 186 of the Act, in respect of grant of loans and investments made. The Company has not provided any guarantee and securities.

- (c) According to the information and explanations given to us and basis on our examination of records, the Company has not taken any loans or borrowings from financial institutions and government. Accordingly, paragraph (ix)(c) of the order is not applicable to the Company.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to information and explanation given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to information and explanation given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under paragraph 3 (x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence reporting under paragraph 3 (x)(b) of the Order is not applicable to the Company.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.

- (b) According to the information and explanations given to us and to the best of our knowledge, no report under sub-section (12) of section 143 of the Act has been filed in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditor's) Rules, 2014 with the Central Government, during the year and upto the date of this Report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi company and hence reporting under paragraph 3 (xii)(a)(b) and (c) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and Section 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by applicable Ind AS.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have taken into consideration, the internal audit reports for the period under audit issued to the Company till the date while determining the nature, timing and extent of audit procedures.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with them as referred to in section 192 of the Act. Thus, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
(b) As the company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934, hence reporting under paragraph 3 (xvi)(b) of the Order is not applicable to the Company.
(c) As the Company is not a Core Investment Company (CIC) as defined in the regulation made by the Reserve Bank of India and hence reporting under paragraph 3 (xvi)(c) of the Order is not applicable to the Company.
(d) According to the information and explanations given by the management, there are no CICs in the Group of the Company.
- (xvii) According to the information and explanations given to us and on an overall examination of the financial statements of the company, the Company has not incurred the cash losses in the current financial year and incurred cash loss amounting to Rs 111.22 million in the immediately preceding financial year.
- (xviii) According to the information and explanations given to us, there has been no resignation of the Statutory Auditor and hence reporting under paragraph 3 (xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Ind AS financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company has incurred loss in the immediately preceding three financial years. Hence the Company is not required to spend towards Corporate Social Responsibility (CSR) under Section 135 of the said Act. Accordingly, reporting under paragraph 3(xx)(a) and (b) of the Order is not applicable to the Company.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the Internal Financial Controls Over Financial Reporting of Speciality Restaurants Limited (the “Company”) as at March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls Over Financial Reporting

The Company’s management and the Board of Directors is responsible for establishing and maintaining Internal Financial Controls based on the Internal Financial Controls Over Financial Reporting with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s Internal Financial Controls Over Financial Reporting with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with reference to standalone financial statements

A company’s Internal Financial Controls Over Financial Reporting with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls Over Financial Reporting with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls Over Financial Reporting with reference to standalone financial statements and such Internal Financial Controls Over Financial Reporting were operating effectively as at March 31, 2022, based on the internal standalone financial controls over financial reporting with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

NOTES TO THE FINANCIAL STATEMENTS

1 COMPANY BACKGROUND

Speciality Restaurants Limited ("The Company") is a Public Limited Company incorporated in India. The Company was incorporated on 1 December, 1999. The Company is primarily engaged in the business of operating restaurant outlets / sweet shops.

2 SIGNIFICANT ACCOUNTING POLICIES:

a) Basis of Preparation

(i) Compliance with Ind AS

The financial statements have been prepared on the accrual basis of accounting and in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Act. The Accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period and defined benefit plan assets measured at fair value, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given at the date of the transaction, in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

(iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current based on the Company's normal operating cycle for each of its businesses, as per the criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest millions as per the requirement of Schedule III, unless otherwise stated.

b) Property, plant and equipment

All items of Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The carrying values of Property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. The cost of an item of Property, plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The cost includes the purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use, cost of replacing part of the Property, plant and equipment.

Freehold land has an unlimited useful life and therefore it is not depreciated.

Leasehold land is amortised over the duration of the lease.

Leasehold improvements are depreciated over the lower of the lease period and the management's estimate of the useful life of the Asset. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation has been provided as per Written Down Value (WDV) Method for all classes of assets except leasehold improvements wherein Straight Line Method (SLM) has been followed. The estimated useful life which is in line with Schedule II to the Act is set out herein below.

Asset	Useful life
Computers	3 - 6 years
Plant and Equipment	5 - 15 years
Vehicles	8 - 10 years

The Company has assessed the estimated useful life of furniture and fixtures as 10 years based on past experience and technical evaluation.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

c) Intangible assets

Intangible assets are stated at their cost of acquisition, less accumulated amortization and impairment losses. An intangible asset is recognised, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. The amortizable amount of intangible assets is allocated over the best estimate of its useful life on a straight-line basis.

The Company capitalizes software costs where it is reasonably estimated that the software has an enduring useful life. Software is amortised over the management's estimate of its useful life of five years.

Patents and Trademarks are amortised uniformly over a period of five years.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in Statement of Profit or Loss when the asset is derecognised.

d) Capital work-in-progress:

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost.

e) Impairment of assets:

An asset is considered as impaired in accordance with Ind AS 36 on Impairment of Assets when at the balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in Statement of Profit & Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in Statement of Profit or Loss.

f) Revenue Recognition:

Revenue is recognised when the Company transfers control of the promised services to the customer. The Company measures revenue, for the consideration to which the Company is expected to be entitled in exchange for transferring promised services.

Revenue from restaurant and sweet shop sales (food and beverages) is recognised at the time of underlying sale to the customer. Sales are net of discounts and indirect taxes. Customer purchases of gift cards are recognized as sales upon redemption of gift card or upon expiry.

Royalty and management fee charged to franchisees for use of the trademarks is calculated as a percentage of monthly sales of the restaurant and accrued for in line with franchisee sales.

g) Other income:

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Dividend income is accounted for when the right to receive it is established.

h) Inventories:

Inventories are measured at the lower of cost and net realizable value.

Cost of inventory is determined by the first-in-first-out (FIFO) method. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

i) Employee Benefits:

Compensation to employees for services rendered is measured and accounted for in accordance with Ind AS 19 on Employee Benefits.

Defined Contribution Plans:

Employee Benefits such as salaries, allowances, non-monetary benefits and employee benefits under defined contribution plans such as provident and other funds, which fall due for payment within a period of twelve months after rendering service, are charged as expense to Statement of Profit & Loss in the period in which the service is rendered.

Defined Benefit Plans:

Employee Benefits under defined benefit plans such as gratuity which fall due for payment after completion of employment are measured by the projected unit credit method, on the basis of actuarial valuations carried out by third party actuaries at each balance sheet date. The Company's obligation recognised in the balance sheet represents the present value of obligations as reduced by the fair value of plan assets.

Actuarial Gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest) are recognised immediately in other comprehensive income. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to Statement of Profit or Loss. Past service cost is recognised in Statement of Profit or Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Company presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item 'Employee benefits expense'.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans.

j) Foreign currency transactions:

The functional currency of the Company is the Indian Rupee. The treatment of foreign currency transactions are as under:

Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or using rates that closely approximate the rate at the date of the transaction.

Measurement at the balance sheet date

Foreign currency monetary items of the Company, outstanding at the Balance Sheet date are translated at the rates prevailing on the reporting date.

Non monetary items measured at historical cost/fair value, are translated using the exchange rate prevailing on the date of transaction/fair value measurement respectively.

Treatment of exchange differences

Exchange differences arising on transactions / translation of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

k) Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in Statement of Profit or Loss in the period in which they are incurred.

l) Taxation:

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with income tax laws) and deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the year).

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit or Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using applicable tax rates that have been enacted or subsequently enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that the assets can be realized in future; however when there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and Deferred Tax for the year

Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

m) Earnings Per Share:

The Company reports basic and diluted Earnings per Share (EPS) in accordance with Ind AS 33 on Earnings per Share. Basic EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

n) Leases:

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as Lessee:

Right-of-Use (ROU) assets are recognised at inception of a contract or arrangement for significant lease components at cost less lease incentives, if any. ROU assets are subsequently measured at cost less accumulated depreciation and impairment losses, if any. The cost of ROU assets includes the amount of lease liabilities recognised, initial direct cost incurred and lease payments made at or before the lease commencement date. ROU assets are generally depreciated over the shorter of the lease term and estimated useful lives of the underlying assets on a straight line basis. The Company applies Ind AS 36 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as described in the 'Property, Plant and Equipment' policy.

Lease term is determined based on consideration of facts and circumstances that create an economic incentive to exercise an extension option, or not to exercise a termination option. Lease payments associated with short-term leases and low value leases are recognised as expense in the periods in which they are incurred. The Company recognises lease liabilities measured at the present value of lease payments to be made on the date of recognition of the lease. Such lease liabilities do not include variable lease payments (that do not depend on an index or a rate), which are recognised as expense in the periods in which they are incurred. Interest on lease liability is recognised using the effective interest method. Lease liabilities are subsequently increased to reflect the accretion of interest and reduced for the lease payments made. The carrying amount of lease liabilities is also remeasured upon modification of lease arrangement or upon change in the assessment of the lease term. The effect of such remeasurement is adjusted to the value of the ROU assets.

Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the Company is a lessor under an operating lease, the asset is capitalised within property, plant and equipment or investment property and depreciated over its useful economic life. Payments received under operating leases are recognised in the Statement of Profit and Loss on a straight line basis over the term of the lease.

o) Cash Flow Statement:

The Cash Flow Statement is prepared by the indirect method set out in Ind AS 7 on Cash Flow Statements and presents the cash flows from operating, investing and financing activities of the Company.

Cash and Cash equivalents presented in the Cash Flow Statement consist of cash on hand and unencumbered bank balances.

p) Provisions and contingencies:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

In the normal course of business, contingent liabilities may arise from litigations and other claims against the company. There are certain obligations which management have concluded based on all available facts and circumstances that are not probable of payment and such obligations are treated as contingent liabilities and disclosed in the notes (unless the probability of payment is remote) but are not provided for in the financial statements.

A contingent asset is neither recognised nor disclosed in the financial statements.

q) Employee share based payments:

Equity settled share based payments to employees are measured at the fair value of the equity instruments at the grant date. The fair value determined at the grant date of Equity settled share based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

At the end of each reporting period, the Company revises its estimate of the equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the Equity settled employee benefits reserve.

r) Financial instruments:

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit or Loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

Classification of financial assets:

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Effective interest method:

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL.

Interest income is recognised in Statement of Profit or Loss and is included in the "Other income" line item.

Financial assets at FVTPL:

Financial assets that do not meet the amortised cost criteria or Fair value through other comprehensive income (FVTOCI) criteria are measured at FVTPL. In addition, financial assets that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in Statement of Profit or Loss. The net gain or loss recognized in Statement of Profit or Loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Investment in Joint venture and subsidiaries:

Investment in joint venture and subsidiaries is carried at cost in the financial statements.

Impairment of financial assets:

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Financial liabilities and equity instruments

Classification as debt or equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial instruments:

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid/payable is recognised in the Statement of Profit and Loss.

3 Significant accounting judgments, estimates and assumptions

In application of the Company's accounting policies, which are described in note 2, the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

3.1 Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

3.1.1 Useful lives of property, plant and equipment:

The Company reviews the estimated useful lives of property, plant and equipment and intangible assets at the end of each reporting period. During financial years ended 31 March 2022 and 2021, there were no changes in useful lives of property plant and equipment and intangible assets.

3.1.2 Impairment of property, plant and equipment:

The Company at the end of each reporting period, based on external and internal sources of information, assesses indicators and mitigating factors of whether a restaurant (cash generating unit) may have suffered an impairment loss. If it is determined that an impairment loss has been suffered, it is recognised in the Statement of Profit and Loss.

3.1.3 Impairment of trade receivables:

The Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer status, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

3.1.4 Defined benefit plans:

The cost and present obligation of Defined Benefit Gratuity Plan are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are made at each reporting date.

3.1.5 Fair Value measurement of Financial Instruments:

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs for these valuations are taken from observable sources where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of various inputs including liquidity risk, credit risk, volatility, etc. Changes in assumptions/judgements about these factors could affect the reported fair value of financial instruments.

3.1.6 Deferred tax asset:

The Company reviews the carrying value of deferred tax asset (DTA) at the end of each reporting period. The company has not recognised deferred tax assets arising from the carry forward of unused tax losses and tax credits since the Company does not have sufficient taxable temporary differences as well as convincing other evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the Company.

3.1.7 Contingencies:

In the normal course of business, contingent liabilities may arise from litigations and other claims against the company. There are certain obligations which management have concluded based on all available facts and circumstances that are not probable of payment and such obligations are treated as contingent liabilities and disclosed in the notes (unless the probability of payment is remote) but are not provided for in the financial statements.

Note 29
Leases
Company as Lessee

The Company has entered into certain arrangements in the form of leases for its retail business. As per terms, the Company's obligation could be fixed or purely variable or variable with minimum guarantee payment for use of property.

During the year the Company has paid fixed lease rent of Rs. 258.47 Millions which has been considered in the calculation of lease liabilities and right of use assets as per Ind AS 116. In addition to fixed rent the Company has paid variable lease rentals (primarily w.r.t properties), rentals relating to lease of low value assets & certain services which are short term in nature amounting to Rs. 392.02 Millions which has not been considered in calculation right of use asset and lease liabilities under Ind AS 116.

Impact on Profit and Loss Statement : In the Statement of Profit & Loss, the nature of expense for operating leases has changed from lease rent in the previous year to depreciation cost for the ROU assets and finance cost for interest accrued on lease liabilities. The net effect of Ind AS 116 on the standalone profit before tax for year is an adverse impact rent of Rs. 27.63 Millions .

Impact on the Cash flow statement: Instead of fixed operating lease expenses, Rs. 258.15 Millions payment of lease liability has been shown as financing activities have shown significant impacted by this revised approach required by the standard.

Impact on Financial ratios: Interest on lease liabilities is included in finance cost and lease liabilities is included in borrowings. Consequently, financial ratios like debt equity ratio, interest coverage ratio, debt services coverage ratio etc. have been significantly impacted following the adoption of Ind AS 116.

Note 30
Employee benefit plans
30.1 Defined contribution plans:

The Company is required to contribute a specified percentage of payroll cost to the retirement benefit schemes to fund the benefits. The only obligation of the Company with respect to the retirement benefit plan is to make the specified contribution. The total expense recognised in the Statement of Profit and Loss represents contributions payable to these plans by the company at rates specified in the rules of the plans.

The Company has recognised the following amounts as expense in the Statement of Profit and Loss:

Particulars	For the year ended 31 March, 2022	For the year ended 31 March, 2021
Contribution to provident fund	16.43	12.76
Contribution to employees' state insurance corporation	7.07	4.94
Contribution to labour welfare fund	0.08	0.07
Total	23.58	17.77

30.2 Defined benefit plans:

The gratuity scheme is a defined benefit plan that provides for a lump sum payment to the employees on exit either by way of retirement, death, disability or voluntary withdrawal. Under the scheme, the employees are entitled to a lump sum amount aggregating to 15 days final basic salary for each year of completed service payable at the time of retirement/resignation, provided the employee has completed 5 years of continuous service. The defined benefit plan is administered by a third-party insurer. The third-party insurer is responsible for the investment policy with regards to the assets of the plan.

30.3 The plan exposes the Company to actuarial risks such as: investment risk, interest rate risk and salary risk.

Investment risk:	The return on investments will impact the position of the defined benefit plan liability. If the return falls, net benefit obligation will increase the value of the liability.
Interest rate risk:	The defined benefit obligation calculated uses a discount rate based on government bonds. All other aspects remaining same, if bond yields fall, the defined benefit obligation will increase the value of the liability.
Salary Inflation risk:	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary in higher proportion of the plan participants will increase the plan's liability.

30.4 The disclosure as required under Ind AS 19 as per actuarial valuation regarding Employee Retirement Benefits Plan for Gratuity is as follows:

(a) The principal assumptions used for the purposes of the actuarial valuations were as follows.

Particulars	Valuation as at	
	For the year ended 31 March, 2022	For the year ended 31 March, 2021
Discount rate(s)	6.75%	6.30%
Expected rate(s) of salary increase	4.50%	4.50%

Discount Rate:

The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Salary Escalation Rate

The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

(b) Amounts recognised in the Statement of Profit and Loss in respect of these defined benefit plans are as follows.

The Company expects to make a contribution of Rs. 32.34 Million (as at 31 March, 2021: Rs. 50.54 Million) to the defined benefit plans during the next financial year.

- (g) Sensitivity Analysis

Method used for sensitivity analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are the discount rate and the future salary escalation rate. The following table summarizes the impact on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

Discount Rate

Particulars	For the year ended 31 March, 2022	For the year ended 31 March, 2021
Discount Rate		
Impact of increase in 50 bps on defined benefit obligation	(3.77)	(4.02)
Impact of decrease in 50 bps on defined benefit obligation	4.07	4.35

Salary escalation rate

Particulars	For the year ended 31 March, 2022	For the year ended 31 March, 2021
Salary escalation rate		
Impact of increase in 50 bps on defined benefit obligation	4.14	4.40
Impact of decrease in 50 bps on defined benefit obligation	(3.87)	(4.11)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior years in preparing the sensitivity analysis.

32.3 Financial risk management objectives

The Company's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to support its operations. The Company's principal financial assets include trade and other receivables and cash and short-term deposits that are derived directly from its operations. Current investments are optimal deployment of excess funds.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk, market risk (including foreign currency risk). The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimize potential adverse effects of such risks on the company's operational and financial performance.

32.3.1 Credit risk

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company. The credit risk for the Company primarily arises from credit exposures to trade receivables (mainly franchisees), deposits with landlords for restaurant properties taken on lease and other receivables.

Trade and other receivables: The Company's business is predominantly through cash and credit card collections. The credit risk on credit card collections is minimal, since they are primarily owned by customers' card issuing banks. The Company has adopted a policy of dealing with only credit worthy counterparties in case of franchisees/aggregators and the credit risk exposure for them is managed by the Company by credit worthiness checks. The Company also carries credit risk on lease deposits with landlords for restaurant properties taken on leases, for which agreements are signed and property possessions timely taken for restaurant operations. The risk relating to refunds after vacating or restaurant shut down is minimal since the possession of the premises is retained till the refund is collected or there are liabilities outstanding against which the asset can be adjusted.

32.3.2 Liquidity risk management

The Company's principal sources of liquidity are cash and cash equivalents, cash flow generated from operations and by churning of current investments. The Company does not have any borrowing outstanding as at the year end. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

Liquidity risk tables

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The table has been drawn up based on the undiscounted cash flows of the financial liabilities based on the earliest date on which the Company can be required to pay.

32.3.3 Market Risk

The Company is exposed to market risks associated with foreign currency rates and commodity prices.

Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies. Consequently, exposures to exchange rate fluctuations arise. The exchange gains or losses are recognised in Statement of Profit or Loss on the date of settlement and restatement at quarterly intervals.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Particulars	As at 31 March, 2022		As at 31 March, 2021	
	₹ In Millions	In foreign currency	₹ In Millions	In foreign currency
Amounts receivable in foreign currency on account of the following:				
Royalty and Management fees receivable	2.30	USD 30,326	1.72	USD 23,381

Reimbursement of Expenses	9.48	GBP 95,245	3.87	GBP 38,357

Amounts payable in foreign currency on account of the following:				
Professional fees	0.16	USD 2,153	0.62	USD 8,418
Total	0.16		0.62	

The Company's exchange risk arises from its foreign currency revenues and expenses.

As a result, if the value of the Indian Rupee appreciates relative to these foreign currencies, the Company's revenues measured in Indian Rupees will decrease. The exchange rate between the Indian Rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future. Due to lesser quantum of revenue and expenses from foreign currencies, the Company is not significantly exposed to foreign currency risk.

Commodity Price Risk:

The Company purchases certain products, including meat, cheese, vegetables and other commodities which are subject to price volatility that is caused by weather, market conditions and other factors that are not considered predictable or within the Company's control. The Company's supplies and raw materials are available from several sources, and not dependent upon any single source for these items. If any existing suppliers fail or are unable to deliver in quantities required by the Company, the Company believes that there are sufficient other quality suppliers in the marketplace such that the Company sources of supply can be replaced as necessary.

Foreign Currency Sensitivity:

The following tables demonstrates the sensitivity to a 5% increase/decrease in foreign currencies exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives and embedded derivatives. The Company's exposure to foreign currency changes for all other currencies is not material.

32.4 Fair value measurements

This note provides information about how the Company determines fair values of various financial assets and financial liabilities.

Fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

32.4.1 Fair value of the Company's financial assets and financial liabilities that are measured at fair value on a recurring basis.

Some of the Company's financial assets are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of these financial assets are determined (in particular, the valuation technique(s) and inputs used).

₹ In Millions

3	Investment in units of trust	111.47	-	Level 1

32.4.2 Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

The directors are of the belief that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair values.

Note 33

Segment information

The principal business of the Company is operating food outlets/ sweet shops. All other activities of the Company revolve around its principal business. The Chairman & Managing Director (CMD) of the Company, has been identified as the Chief Operating Decision Maker (CODM). The CODM evaluates the Company's performance, allocates resources based on analysis of the various performance indicators of the Company as a single unit. Therefore, directors have concluded that there is only one operating reportable segment as defined by Ind AS 108 - Operating Segments. The Company predominantly operates in one geography i.e. India.

The Members of
 Speciality Restaurants Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Speciality Restaurants Limited (the "Holding Company") and its subsidiaries, (Holding Company and its subsidiaries together referred to as the "Group"), its joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of Separate financial information of the subsidiaries and joint ventures of the Group certified by the management, referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its joint ventures as at March 31, 2022, and their consolidated loss and other comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit* of the Consolidated Financial Statements section of our report. We are independent of the Group and its joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with these ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of matter

We draw attention to Note 39 to the consolidated financial statements, which describes the possible effect of uncertainties relating to COVID-19 pandemic on the Group's financial performance and impact on the carrying value of its assets as at March 31, 2022, as assessed by the management.

Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the Key audit matter
Revenue recognition - Refer Note 19 to the consolidated Ind AS financial statements	
<p>The Group recognizes revenue when the control of goods being sold is transferred to the customer.</p> <p>The Group's revenue relates to restaurant and confectionary sales and services to customers.</p> <p>Due to high level of transaction across various units, situated across India and outside, there exists a risk of misstatement of the timing and amount of revenue recognized to achieve specific performance targets or expectations.</p> <p>The Group also has franchisee arrangements and revenue share arrangements for royalty/ fee based on sales.</p> <p>The Group and its external stakeholders focus on revenue as a key performance indicator, which could lead to recognition of revenue without meeting the revenue recognition criterion.</p> <p>In view of the above we have identified revenue recognition as a key audit matter.</p>	<p>We have carried out following audit procedure:</p> <ul style="list-style-type: none"> Assessed the appropriateness of the accounting policy for revenue recognition as per the relevant accounting standards. Evaluated the design and implementation of key internal financial controls and their operating effectiveness with respect to revenue recognition transactions selected on a sample basis. Performed substantive testing of sales by selecting samples of sales made at certain restaurants using statistical sampling and tested the underlying documentation including kitchen order tickets (KoT). Reviewed the reconciliation of revenue recorded for the year with collections through cash, credit card and aggregators, as applicable to confirm that revenue recorded is supported by collections. Perused selected samples of key contracts with aggregators and franchisees to understand the terms and conditions particularly relating to revenue share, royalty & fee payments. Evaluated whether the disclosures included in the notes to the consolidated financial statements are in conformity with the applicable standard.

Ind AS 116 Leases (Refer Note 4b and Note 29 to the Consolidated Financial Statements)	
<p>Ind AS 116 has had a significant impact on the reported assets, liabilities and the income statement of the Group. Impact of the Ind AS 116 transition is reliant upon a number of key estimates, determining the appropriate discount rates and determination of Short-Term Leases or Leases with variable terms, which are not considered.</p> <p>There is a risk that the lease data which is used in the calculation of Ind AS 116 transition calculation is incomplete or inaccurate.</p> <p>The Group has terminated certain Lease arrangement either on completion of lease terms, or unviability of the restaurant due to COVID-19 or otherwise.</p> <p>Reversal of ROU and Lease liability for such leases should be accurate and in compliance with relevant accounting standard.</p> <p>In view of the above, this is considered as a key audit matter.</p>	<p>We have carried out following audit procedure</p> <ul style="list-style-type: none"> • Assessed the design and implementation of the key controls relating to the determination of the Ind AS 116 transition impact disclosure. • We read a sample of contracts to assess whether leases have been appropriately identified agreed the inputs used in the quantification to the lease agreements the discount rate applied and performed computation checks. • Assessed the accuracy of the lease data by testing the lease data captured by Management for a sample of leases through the inspection of lease documentations. • Tested the completeness of the lease data by reconciling the Group's existing lease commitments to the lease data used in the Ind AS 116. • Verification of the data for recognition of lease liability, right of use assets, depreciation and interest. • Evaluated whether the disclosures included in the notes to the consolidated financial statements are in conformity with the applicable standard.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information compare with the financial information of the joint venture and subsidiary companies certified by the management, to the extent it relates to these entities and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed and based on the work/financial information provided by the management, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its joint ventures in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Act and other accounting principles generally accepted in India. The respective Management and Board of Directors of the companies included in the Group and its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group and its joint ventures are responsible for assessing the ability of the Group and its joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its joint ventures are also responsible for overseeing the financial reporting process of the Group and its joint ventures.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditor. The financial information of other entities, included in the Consolidated Financial Results have not been audited and these unaudited financial statements have been approved and furnished by the Management. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statement for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statement includes the unaudited financial statements of two subsidiaries which have not been reviewed / audited whose financial statements/ financial information reflects Group's share of total assets of Rs. 68.99 million as at March 31, 2022 and total revenues of Nil, total comprehensive loss (comprising of loss and other comprehensive loss) of Rs 0.64 million, and net cash inflow of Rs 5.45 million for the year ended March 31, 2022, before giving effect to the consolidation adjustments, as considered in the consolidated financial statement. The consolidated financial statement also includes the Group's share of net loss after tax of Rs. 59.63 million and total comprehensive loss of Rs. 59.63 million for the year ended March 31, 2022, in respect of 3 joint venture companies of the Holding Company / wholly owned subsidiaries located outside India, based on its financial statement/ financial information which have not been reviewed / audited. This financial information is unaudited and have been approved and furnished to us by the Management and our opinion on the consolidated financial statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures is based solely on such unaudited financial information. This financial information is not material to the Group.

Our opinion on the consolidated financial statements, and our Report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to the financial statements and other financial information certified by the management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we report that, the financial statements of the subsidiaries and joint ventures were not audited hence matters specified in paragraphs 3 and 4 of the Order, is not applicable.

(Referred to in paragraph (A) (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls over financial reporting of Speciality Restaurants Limited (the “Company”) as at March 31, 2022 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Holding Company’s management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls with reference to consolidated financial statements of the Holding Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal financial controls over financial reporting and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls over financial reporting with reference to consolidated financial statements

A Holding Company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Holding company’s internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Holding company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Holding company are being made only in accordance with authorisations of management and directors of the Holding company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Holding company’s assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In conjunction with our audit of the consolidated financial statements of the Holding Company as at and for the year ended March 31, 2022, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company.

In our opinion, the Holding company have, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal consolidated financial controls over financial reporting with reference to consolidated financial statements criteria established by such Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1 COMPANY BACKGROUND

Speciality Restaurants Limited ("The Company") is a Public Limited Company incorporated in India. The Company and its subsidiary (hereinafter referred to as "the Group") and its joint venture company is primarily engaged in the business of operating restaurant outlets / sweet shops.

2 SIGNIFICANT ACCOUNTING POLICIES:

a) Basis of Preparation

(i) Compliance with Ind AS

The consolidated financial statements have been prepared on the accrual basis of accounting and in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Act.

The Accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period and defined benefit plan assets measured at fair value, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given at the date of the transaction, in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

(iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current based on the Company's normal operating cycle for each of its businesses, as per the criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest millions as per the requirement of Schedule III, unless otherwise stated.

b) Consolidation of financial statements

The consolidated financial statements incorporate the financial statements of the Company and the entity controlled by the Company. Control is achieved when the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Company reassess whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expense of a subsidiary acquired or disposed of during the year are included in the consolidated Statement of Profit and Loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

The financial statements of the Group and the joint venture Company used in the consolidation are drawn upto the same reporting date as that of the Company i.e., 31 March, 2022. When necessary, adjustments are made to the financial statements of the subsidiary and the joint venture company to bring their accounting policies into line with the Group's accounting policies. The financial statements of the Group Companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation.

Investment in joint venture

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Group's investment in a joint venture is accounted for by the Equity Method. On initial recognition the investment is recorded at cost, and the carrying amount is increased or decreased to recognize the Group's share of profit or loss and other comprehensive income of the joint venture after the date of acquisition. Distributions received from the joint venture reduce the carrying amount of the investment. When the Group's share of losses of a joint venture exceeds the Group's interest in that joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in that joint venture), the Group discontinues recognising its share of further losses. Additional losses are however recognised to the extent that the Group has incurred legal or constructive obligations on behalf of that joint venture. The carrying amount of the investment is tested for impairment at each reporting date.

Following entities have been considered in the preparation of the consolidated financial statements:

Name of the entity	Relationship	Country of incorporation	% of Holding power either directly or indirectly	
			As at 31 March, 2022	As at 31 March, 2021
Speciality Hospitality UK Limited	Subsidiary	United Kingdom	100%	100%
Speciality Hospitality US, INC.	Subsidiary	United States of America	100%	100%
Mainland China & Indigrill Restaurant LLC	Joint venture	Qatar	49%	49%
Caterland Hospitality Ltd	Joint Venture of wholly owned subsidiaries	United Kingdom	51%	51%
Foodland Ventures LLC	Joint Venture of wholly owned subsidiaries	United States of America	50.5%	50.5%

c) Property, plant and equipment

All items of Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The carrying values of Property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. The cost of an item of Property, plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The cost includes the purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use, cost of replacing part of the Property, plant and equipment.

Freehold land has an unlimited useful life and therefore it is not depreciated.

Leasehold land is amortised over the duration of the lease.

Leasehold improvements are depreciated over the lower of the lease period and the Group's estimate of the useful life of the Asset. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation has been provided as per Written Down Value (WDV) Method for all classes of assets except leasehold improvements wherein Straight Line Method (SLM) has been followed. The estimated useful life which is in line with Schedule II to the Act is set out herein below.

Asset	Useful life
Computers	3 - 6 years
Plant and Equipment	5 - 15 years
Vehicles	8 - 10 years

The Group has assessed the estimated useful life of furniture and fixtures as 10 years based on past experience and technical evaluation.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

d) Intangible assets

Intangible assets are stated at their cost of acquisition, less accumulated amortization and impairment losses. An intangible asset is recognised, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. The amortizable amount of intangible assets is allocated over the best estimate of its useful life on a straight-line basis.

The Group capitalizes software costs where it is reasonably estimated that the software has an enduring useful life. Software is amortised over the management's estimate of its useful life of five years.

Patents and Trademarks are amortised uniformly over a period of five years.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in Statement of Profit or Loss when the asset is derecognised.

e) Capital work-in-progress:

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost.

f) Impairment of assets:

An asset is considered as impaired in accordance with Ind AS 36 on Impairment of Assets when at the balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in Statement of Profit & Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in Statement of Profit or Loss.

g) Revenue Recognition:

Revenue is recognised when the Group transfers control of the promised services to the customer. The Group measures revenue, for the consideration to which the Group is expected to be entitled in exchange for transferring promised services.

Revenue from restaurant and sweet shop sales (food and beverages) is recognized at the time of underlying sale to the customer. Sales are net of discounts and indirect taxes. Customer purchases of gift cards are recognized as sales upon redemption of gift card or upon expiry.

Royalty and management fee charged to franchisees for use of the trademarks is calculated as a percentage of monthly sales of the restaurant and accrued for in line with franchisee sales.

h) Other income:

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition Dividend income is accounted for when the right to receive it is established.

i) Inventories:

Inventories are measured at the lower of cost and net realizable value.

Cost of inventories is determined by the first-in-first-out (FIFO) method. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

j) Employee Benefits:

Compensation to employees for services rendered is measured and accounted for in accordance with Ind AS 19 on Employee Benefits.

Defined Contribution Plans:

Employee Benefits such as salaries, allowances, non-monetary benefits and employee benefits under defined contribution plans such as provident and other funds, which fall due for payment within a period of twelve months after rendering service, are charged as expense to Statement of Profit & loss in the period in which the service is rendered.

Defined Benefit Plans:

Employee Benefits under defined benefit plans such as gratuity which fall due for payment after completion of employment are measured by the projected unit credit method, on the basis of actuarial valuations carried out by third party actuaries at each balance sheet date. The Group's obligation recognised in the balance sheet represents the present value of obligations as reduced by the fair value of plan assets.

Actuarial Gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest) are recognised immediately in other comprehensive income. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Group presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item 'Employee benefits expense'.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Group's defined benefit plans.

k) Foreign currency transactions:

The functional currency of the Company is the Indian Rupee. The treatment of foreign currency transactions are as under:

Initial recognition

Transactions in foreign currencies entered into by the Group are accounted at the exchange rates prevailing on the date of the transaction or using rates that closely approximate the rate at the date of the transaction.

Measurement at the balance sheet date

Foreign currency monetary items of the Group, outstanding at the Balance Sheet date are translated at the rates prevailing on the reporting date.

Non monetary items measured at historical cost/fair value, are translated using the exchange rate prevailing on the date of transaction/fair value measurement respectively.

Treatment of exchange differences

Exchange differences arising on transactions / translation of foreign currency monetary assets and liabilities of the Group are recognised as income or expense in the Statement of Profit and Loss.

l) Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in Statement of Profit or Loss in the period in which they are incurred.

m) Taxation:

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with income tax laws) and deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the year).

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit or Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using applicable tax rates that have been enacted or subsequently enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that the assets can be realized in future; however when there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and Deferred Tax for the year

Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

n) Earnings Per Share:

The Group reports basic and diluted Earnings per Share (EPS) in accordance with Ind AS 33 on Earnings per Share. Basic EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to

equity shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

o) Leases:

The Group assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as Lessee:

Right-of-Use (ROU) assets are recognised at inception of a contract or arrangement for significant lease components at cost less lease incentives, if any. ROU assets are subsequently measured at cost less accumulated depreciation and impairment losses, if any. The cost of ROU assets includes the amount of lease liabilities recognised, initial direct cost incurred and lease payments made at or before the lease commencement date. ROU assets are generally depreciated over the shorter of the lease term and estimated useful lives of the underlying assets on a straight line basis. The Group applies Ind AS 36 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as described in the 'Property, Plant and Equipment' policy.

Lease term is determined based on consideration of facts and circumstances that create an economic incentive to exercise an extension option, or not to exercise a termination option. Lease payments associated with short-term leases and low value leases are recognised as expense in the periods in which they are incurred. The Group recognises lease liabilities measured at the present value of lease payments to be made on the date of recognition of the lease. Such lease liabilities do not include variable lease payments (that do not depend on an index or a rate), which are recognised as expense in the periods in which they are incurred. Interest on lease liability is recognised using the effective interest method. Lease liabilities are subsequently increased to reflect the accretion of interest and reduced for the lease payments made. The carrying amount of lease liabilities is also remeasured upon modification of lease arrangement or upon change in the assessment of the lease term. The effect of such remeasurement is adjusted to the value of the ROU assets.

Group as a Lessor

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the Group is a lessor under an operating lease, the asset is capitalised within property, plant and equipment or investment property and depreciated over its useful economic life. Payments received under operating leases are recognised in the Statement of Profit and Loss on a straight line basis over the term of the lease.

p) Cash Flow Statement:

The Cash Flow Statement is prepared by the indirect method set out in Ind AS 7 on Cash Flow Statements and presents the cash flows from operating, investing and financing activities of the Group.

Cash and Cash equivalents presented in the Cash Flow Statement consist of cash on hand and unencumbered bank balances.

q) Provisions and contingencies:

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

In the normal course of business, contingent liabilities may arise from litigations and other claims against the group. There are certain obligations which management have concluded based on all available facts and circumstances that are not probable of payment and such obligations are treated as contingent liabilities and disclosed in the notes (unless the probability of payment is remote) but are not provided for in the financial statements.

A contingent asset is neither recognised nor disclosed in the financial statements.

r) Employee share based payments:

Equity settled share based payments to employees are measured at the fair value of the equity instruments at the grant date. The fair value determined at the grant date of Equity settled share based payments is expensed on a straight-line basis over the vesting period, based on the Group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Group revises its estimate of the equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the Equity settled employee benefits reserve.

s) Financial instruments:

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as

appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit or Loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets:

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Effective interest method:

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL.

Interest income is recognised in Statement of Profit or Loss and is included in the "Other income" line item.

Financial assets at FVTPL:

Financial assets that do not meet the amortised cost criteria or Fair value through other comprehensive income (FVTOCI) criteria are measured at FVTPL. In addition, financial assets that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in Statement of Profit or Loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Group's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Investment in joint venture and subsidiaries:

Investment in joint venture and subsidiaries is carried at cost in the financial statements.

Impairment of financial assets:

The Group applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Group always measures the loss allowance at an amount equal to lifetime expected credit losses.

Financial liabilities and equity instruments

Classification as debt or equity:

Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts)

through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial instruments:

The Group derecognizes financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid/payable is recognised in the Statement of Profit and Loss.

3 Significant accounting judgments, estimates and assumptions:

In application of the Group's accounting policies, which are described in note 2, the directors of the Group are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

3.1 Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

3.1.1 Useful lives of property, plant and equipment:

The Group reviews the estimated useful lives of property, plant and equipment and intangible assets at the end of each reporting period. During financial years ended 31 March, 2022 and 2021, there were no changes in useful lives of property, plant and equipment and intangible assets.

3.1.2 Impairment of property, plant and equipment:

The Group at the end of each reporting period, based on external and internal sources of information, assesses indicators and mitigating factors of whether a restaurant (cash generating unit) may have suffered an impairment loss. If it is determined that an impairment loss has been suffered, it is recognised in the Statement of Profit and Loss.

3.1.3 Impairment of trade receivables:

The Group estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer status, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

3.1.4 Defined benefit plans:

The cost and present obligation of Defined Benefit Gratuity Plan are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are made at each reporting date.

3.1.5 Fair Value measurement of Financial Instruments:

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs for these valuations are taken from observable sources where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgment's include considerations of various inputs including liquidity risk, credit risk, volatility, etc. Changes in assumptions/judgments about these factors could affect the reported fair value of financial instruments.

3.1.6 Deferred tax asset

The Group reviews the carrying value of deferred tax asset (DTA) at the end of each reporting period. The Group has not recognised deferred tax assets arising from the carry forward of unused tax losses and tax credits since the Group does not have sufficient taxable temporary differences as well as convincing other evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the Group.

3.1.7 Contingencies

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Group. There are certain obligations which management have concluded based on all available facts and circumstances that are not probable of payment and such obligations are treated as contingent liabilities and disclosed in the notes (unless the probability of payment is remote) but are not provided for in the financial statements.

Note 29
Leases
Group as Lessee

The Group has entered into certain arrangements in the form of leases for its retail business. As per terms, the Group's obligation could be fixed or purely variable or variable with minimum guarantee payment for use of property.

During the year the Group has paid fixed lease rent of Rs. 105.92 Millions which has been considered in the calculation of lease liabilities and right of use assets as per Ind AS 116. In addition to fixed rent the Company has paid variable lease rentals (primarily w.r.t properties), rentals relating to lease of low value assets & certain services which are short term in nature amounting to Rs. 198.07 Millions (including Rs. 26.35 Millions of rent on unwinding of deposits) which has not been considered in calculation right of use asset and lease liabilities under Ind AS 116.

Impact on Profit and Loss Statement : In the Statement of Profit & Loss, the nature of expense for operating leases has changed from lease rent in the previous year to depreciation cost for the ROU assets and finance cost for interest accrued on lease liabilities. The net effect of Ind AS 116 on the standalone profit before tax for year is an adverse impact rent of Rs. 27.63 Millions .

Impact on the Cash flow statement: Instead of fixed operating lease expenses, Rs. 109.21 Millions payment of lease liability has been shown as financing activity. Consequently, cash flow from operating activities and financing activities have shown significant impacted by this revised approach required by the Standard.

Impact on Financial ratios: Interest on lease liabilities is included in finance cost and lease liabilities is included in borrowings. Consequently, financial ratios like debt equity ratio, interest coverage ratio, debt services coverage ratio etc. have been significantly impacted following the adoption of Ind AS 116.

Note 30
Employee benefit plans
30.1 Defined contribution plans:

The Group is required to contribute a specified percentage of payroll cost to the retirement benefit schemes to fund the benefits. The only obligation of the Group with respect to the retirement benefit plan is to make the specified contribution. The total expense recognised in the Statement of Profit and Loss represents contributions payable to these plans by the Group at rates specified in the rules of the plans.

The Group has recognised the following amounts as expense in the Statement of Profit and Loss:

₹ In Millions

Particulars	For the year ended 31 March, 2022	For the year ended 31 March, 2021
Contribution to provident fund	16.43	12.76
Contribution to employees' state insurance corporation	7.07	4.94
Contribution to labour welfare fund	0.08	0.07
Total	23.58	17.77

30.2 Defined benefit plans:

The gratuity scheme is a defined benefit plan that provides for a lump sum payment to the employees on exit either by way of retirement, death, disability or voluntary withdrawal. Under the scheme, the employees are entitled to a lump sum amount aggregating to 15 days final basic salary for each year of completed service payable at the time of retirement/resignation, provided the employee has completed 5 years of continuous service. The defined benefit plan is administered by a third-party insurer. The third-party insurer is responsible for the investment policy with regards to the assets of the plan.

30.3 The plan exposes the Group to actuarial risks such as: investment risk, interest rate risk and salary risk.

Investment risk:	The return on investments will impact the position of the defined benefit plan liability. If the return falls, net benefit obligation will increase the value of the liability.
Interest rate risk:	The defined benefit obligation calculated uses a discount rate based on government bonds. All other aspects remaining same, if bond yields fall, the defined benefit obligation will increase the value of the liability.
Salary Inflation risk:	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary in higher proportion of the plan participants will increase the plan's liability.

30.4 The disclosure as required under Ind AS 19 as per actuarial valuation regarding Employee Retirement Benefits Plan for Gratuity is as follows:
(a) The principal assumptions used for the purposes of the actuarial valuations were as follows.

Particulars	Valuation as at	
	For the year ended 31 March, 2022	For the year ended 31 March, 2021
Discount rate(s)	6.75%	6.30%
Expected rate(s) of salary increase	4.50%	4.50%

Discount Rate:

The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Salary Escalation Rate

The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

(b) Amounts recognised in the Statement of Profit and Loss in respect of these defined benefit plans are as follows.

The Company expects to make a contribution of Rs. 32.33 Million (as at 31 March, 2021 : Rs. 50.54 Million) to the defined benefit plans during the next financial year.

(g) Sensitivity Analysis

Method used for sensitivity analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are the discount rate and the future salary escalation rate. The following table summarizes the impact on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

Discount Rate

Particulars	For the year ended 31 March, 2022	For the year ended 31 March, 2021
Discount Rate		
Impact of increase in 50 bps on defined benefit obligation	(3.77)	(4.02)
Impact of decrease in 50 bps on defined benefit obligation	4.07	4.35

Salary escalation rate

Particulars	For the year ended 31 March, 2022	For the year ended 31 March, 2021
Salary escalation rate		
Impact of increase in 50 bps on defined benefit obligation	4.14	4.40
Impact of decrease in 50 bps on defined benefit obligation	(3.87)	(4.11)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior years in preparing the sensitivity analysis.

Financial Instruments
32.1 Capital Management

The Group manages its capital to ensure that it will be able to continue as a going concern while maximising the return to shareholders. The Group does not have any borrowing outstanding as at the year end. The Group is not subject to any externally imposed capital requirements.

32.3 Financial risk management objectives

The Group's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to support its operations. The Group's principal financial assets include trade and other receivables and cash and short-term deposits that are derived directly from its operations. Current investments are optimal deployment of excess funds.

The Group's activities expose it to a variety of financial risks: credit risk, liquidity risk, market risk (including foreign currency risk). The Group's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimize potential adverse effects of such risks on the Group's operational and financial performance.

32.3.1 Credit risk

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Group. The credit risk for the Group primarily arises from credit exposures to trade receivables (mainly franchisees), deposits with landlords for restaurant properties taken on lease and other receivables.

Trade and other receivables: The Group's business is predominantly through cash and credit card collections. The credit risk on credit card collections is minimal, since they are primarily owned by customers' card issuing banks. The Group has adopted a policy of dealing with only credit worthy counterparties in case of franchisees/aggregators and the credit risk exposure for them is managed by the Group by credit worthiness checks. The Group also carries credit risk on lease deposits with landlords for restaurant properties taken on leases, for which agreements are signed and property possessions timely taken for restaurant operations. The risk relating to refunds after vacating or restaurant shut down is minimal since the possession of the premises is retained till the refund is collected or there are liabilities outstanding against which the asset can be adjusted.

32.3.2 Liquidity risk management

The Group's principal sources of liquidity are cash and cash equivalents, cash flow generated from operations and by churning of current investments. The Group does not have any borrowing outstanding as at the year end. The Group believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

Liquidity risk tables

The following tables detail the Group's remaining contractual maturity for its financial liabilities with agreed repayment periods. The table has been drawn up based on the undiscounted cash flows of the financial liabilities based on the earliest date on which the Group can be required to pay.

32.3.3 Market Risk

The Group is exposed to market risks associated with foreign currency rates and commodity prices.

Foreign currency risk management

The Group undertakes transactions denominated in foreign currencies. Consequently, exposures to exchange rate fluctuations arise. The exchange gains or losses are recognised in Statement of Profit or Loss on the date of settlement and restatement at quarterly intervals.

The carrying amounts of the Group's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Particulars	As at 31 March, 2022		As at 31 March, 2021	
	₹ In Millions	In foreign currency	₹ In Millions	In foreign currency
Amounts receivable in foreign currency on account of the following:				
Royalty and Management fees receivable	2.30	USD 30,326	1.72	USD 23,381
Reimbursement of Expenses	-	-	0.03	USD 445
Reimbursement of Expenses	9.48	GBP 95,245	3.87	GBP 38,357
Total	11.78		5.62	
Amounts payable in foreign currency on account of the following:				
Professional fees	0.16	USD 2,153	0.62	USD 8,418
Total	0.16		0.62	

The Group's exchange risk arises from its foreign currency revenues and expenses.

As a result, if the value of the Indian Rupee appreciates relative to these foreign currencies, the Group's revenues measured in Indian Rupees will decrease. The exchange rate between the Indian Rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future. Due to lesser quantum of revenue and expenses from foreign currencies, the Group is not significantly exposed to foreign currency risk.

Commodity Price Risk:

The Group purchases certain products, including meat, cheese, vegetables and other commodities which are subject to price volatility that is caused by weather, market conditions and other factors that are not considered predictable or within the Group's control. The Group's supplies and raw materials are available from several sources, and not dependent upon any single source for these items. If any existing suppliers fail or are unable to deliver in quantities required by the Group, the Group believes that there are sufficient other quality suppliers in the marketplace such that the Group sources of supply can be replaced as necessary.

Foreign Currency Sensitivity:

The following tables demonstrates the sensitivity to a 5% increase/decrease in foreign currencies exchange rates, with all other variables held constant. The impact on the Group's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives and embedded derivatives. The Group's exposure to foreign currency changes for all other currencies is not material.

32.4 Fair value measurements

This note provides information about how the Group determines fair values of various financial assets and financial liabilities.

Fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

32.4.1 Fair value of the Group's financial assets and financial liabilities that are measured at fair value on a recurring basis.

Some of the Group's financial assets are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of these financial assets are determined (in particular, the valuation technique(s) and inputs used).

₹ In Millions

Sr. No.	Financial assets	Fair value as at		Fair value hierarchy

2	Investment in Corporate bond	100.97	-	Level 1
3	Investment in units of trust	111.47	-	Level 1

32.4.2 Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

The directors are of the belief that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair values.

Note 33 Segment information

The principal business of the Group is operating food outlets/ sweet shops. All other activities of the Group revolve around its principal business. The Chairman & Managing Director (CMD) of the Group, has been identified as the Chief Operating Decision Maker (CODM). The CODM evaluates the Group's performance, allocates resources based on analysis of the various performance indicators of the Group as a single unit. Therefore, directors have concluded that there is only one operating reportable segment as defined by Ind AS 108 - Operating Segments. The Group predominantly operates in one geography i.e. India.

Note 39

The Group has considered the possible effects that may result from the COVID-19 pandemic on the carrying value of assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of the pandemic, the Group has used external and internal information to assess the expected future performance of the Group. The Group has performed sensitivity analysis on the assumptions and based on the current estimates, the carrying value of the assets as at 31st March, 2022 is fully recoverable.

The consequential impact may be different from that estimated as at the date of approval of these financial results and the Group will continue to closely monitor any material changes based on future economic conditions as a result of the COVID-19 pandemic.

Consequent to Covid-19 pandemic, the Group has been in discussion with the Landlords for its restaurant and confectionery properties for waiver/discounts on rent and common area maintenance expenses during the lockdown period and also for the period thereafter. The Company has received various concession/rebates from the Landlords with few of them still under discussion. The Group is following a prudent accounting practice and has/will recognize these concessions/rebates in accordance with the applicable accounting standards.
