The Board of Directors at its meeting held on November 10, 2023 approved the reclassification (un-issued capital) and increase the authorized share capital of the Company. The Reclassification and increase in Authorised Share Capital would necessitate alteration in the capital clause of the Memorandum of Association by altering the number of equity shares of the Company, to facilitate the proportionate adjustment due to issue of bonus shares.

Pursuant to the provisions of Section 61 of the Companies Act 2013, the Company may alter the capital structure of the Company by way of reclassification and increase the Authorised share Capital, subject to the approval of the members of the Company by way of passing Ordinary Resolution to that effect. Item No. 2: Approval of issue of Bonus Shares to the Shareholders of the Company

On November 10, 2023, the Board of Directors of the Company approved and recommended the issuance of 3 (Three) bonus shares for each share held by the shareholders. The decision is aimed at improving the liquidity and allowing for broader base participation of shareholders in the Company. This shall also facilitate the strategic restructuring plans. The Company has built significant reserves over the years and the issuance of bonus shares will use less than 15% of the available reserves. The Company recently demerged two businesses which got listed on August 10, 2023 and the Board of Directors of the Company considered it appropriate to issue bonus shares post the completion of demerger.

The Company has exhibited strong performance over the last several years and taken significant initiatives to deleverage the balance sheet, which has resulted in very low net debt as of September 30, 2023. This is

remarkable considering that the recent acquisition of balance shares from minority shareholders in Gati Express & Supply Chain Private Limited as well as Allcargo Supply Chain Private Limited and increased shareholding in Nordicon to 90%. This has been enabled by strong internal accruals.

The Company has demerged strategic business undertakings and exited non-core businesses successfully. The business is now driven by asset light approach with digital strategy being the fundamental pivot for future growth. While the current macroeconomic environment has unexpectedly led to significantly lower performance in recent quarters, the Company is hopeful that the prudent approach by the company over the years, that led to a very strong balance sheet, will provide a strong base for future growth. The Company's flagship subsidiary ECU Worldwide continues to strengthen its global market leadership in the LCL consolidation business due to significant efforts & investment in acquisitions, acqui-hiring & transformation of the business on an ongoing basis, despite challenges and headwinds.

The Company has always made best effort basis to reward the shareholders and the shareholders will stand to benefit from the bonus issue.

Accordingly, the Board of Directors approved and recommended the issue of bonus equity shares of ₹2/- (Rupee Two only) each credited as fully paid-up to eligible members of the Company in the proportion of 3:1 i.e. 3 (Three) equity shares of ₹2/- (Rupees Two only) each for every 1 (One) existing equity share of ₹2/- (Rupees Two only) each by capitalizing of such sum standing to the credit of free reserves of the Company, in accordance with Article 191 of the Articles of Associations of the Company.

The Bonus Shares so allotted shall rank pari- passu in all respects with the fully paid-up Equity Shares of the Company and shall be made according to the regulations as specified under Chapter XI of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2018.

Pursuant to the provisions of Section 63 of the Companies Act, 2013, approval of the Members is required for issuance of Bonus Shares to the Members of the Company by way of passing an Ordinary Resolution. Accordingly, the resolution set out at Item No. 2 seek approval of the Members for Issue of Bonus Shares to the Members of the Company. The Ordinary Resolution, if passed, will have the effect of allowing the Board of Directors to issue and allot Bonus Equity Shares to those who on the Record Date, as will be decided by the Board in due course, are shareholders of the Company.

To the extent of their shareholding, none of the Directors or Key Managerial Personnel of the Company or relatives of Directors and Key Managerial Personnel are, in any way, concerned or interested, financially or otherwise, in the resolution.

The Board recommends the Ordinary Resolution set out in the Notice for the approval by the Members.
