COAL SUPPLY

FINANCIAL EXPRESS

Supply prioritised temporarily to power sector, says CIL

PRESS TRUST OF INDIA New Delhi, October 19

STATE-OWNED CIL on Tuesday said the supply of coal was prioritised temporarily to power producers to replenish their dwindling stock of the dry fuel.

The statement assumes significance in the wake of the country's power plants grappling with fuel shortages.

"In view of the low stock position at the power house end due to a spurt in economic activities during post-second wave of Covid-19, the supply of coal was prioritised temporarily to the power sector to replenish their dwindling coal stock," Coal India (CIL) said in a statement.

To achieve the same in the quickest possible time, coal companies were advised only to go slow temporarily on con-

ducting further e-auction of coal, barring the special forward e-auction for power.

"This was a highly transitory measure to tide off the current high demand scenario in the power sector and normalcy will be restored soon," the filing said.

Coal Minister Pralhad Joshi on Tuesday discussed ways to improve coal stocks at thermal power plants with Railway Minister Ashwini Vaishnaw and

Power Minister RK Singh. The coal minister also reviewed the performance of Coal India arm Northern Coalfields (NCL), and directed it to ramp up production and load to at least 34 rakes of the dry

Last week, Joshi said the government was making full efforts to meet the coal demand of power producers and stressed that steps are being taken to soon ramp up the dry fuel supply to two million tonnes per day.

The minister also felicitated machine operators at the Nigahi opencast coal project of NCL and said that their role is integral to scale up coal production and despatch from the block. "Flagged off a coal dumper truck at Nigahi OCP,

manufactured by BEML and furthers #MakeInIndia initiative." he said. Coal India accounts for over 80% of the domestic coal

digenous dumper has been

Covid: India still lags nations in fully vaccinating population

GEETA NAIR Pune, October 19

THE COUNTRY CROSSED the 99-crore vaccination mark on Tuesday and will be reaching the one-billion milestone soon. Despite this milestone, fully vaccinating the country is some distance away. India is still way below the world average when it comes to the percentage of the population fully vaccinated.

According to the Johns Hopkins University & Medicine Coronavirus Resource Centre, the United Arab Emirates tops the list with 87.26% of its population vaccinated fully, followed by Portugal, Malta, Singapore, Spain and Qatar at around 80% of its population fully vaccinated. Around 18 countries have vaccinated 70% of their population and 80 countries are performing above average.

Among the Asian countries, China has covered 74.97%, Malaysia is at 71.26% and Cambodia is at 75%. There are 70 countries with

vaccination coverage hovering at 36% of its population. With only 30% of its population fully vaccinated with both doses, India is at below-average levels. Three-fourths of the popu-

lation has got its first dose to date. As of Monday, the country administered 99.04 crore doses with 70.16 crore first dose and 28.87 crore second

India started its Covid-19 vaccination programme on January 16, 2021, for health care workers and from February 1, it covered all frontline workers. Vaccination was opened to all citizens above 60 years on

March 1 and to all above 18

years from May 1, 2021.

On June 21, the new vaccination drive was launched with the central government supplying vaccines free of cost. From 11.97 crore vaccines administered in June, the government doubled it to 23.6 core doses in September, with the average daily vaccination rate reaching 78.69 lakh during September. The country's health authorities have expressed confidence in meeting their target of vaccinating all above 18 by December 2021, as the supply of vaccines is no longer a concern.

Coal, rlys, power ministers discuss supply situation at power plants

PRESS TRUST OF INDIA New Delhi, October 19

COAL MINISTER PRALHAD Joshi on Tuesday discussed ways to improve coal stocks at thermal power plants with railway minister Ashwini Vaishnaw and power minister RK Singh.

The meeting comes against the backdrop of power plants grappling with coal shortages.

"Held virtual meeting with Ministers @AshwiniVaishnaw ji & @RajKSinghIndia ji, along with officers of @CoalMin istry, CMDs & officials of coal companies. We discussed improving coal stock at thermal power plants & resolved our commitment to fulfill energy demands of the country," Joshi said in a tweet..

The coal minister also re viewed the performance of Coal India arm Northern Coalfields (NCL). The minister directed it to ramp up production and load at least 34 rakes of the dry fuel

GST tweak: Industry fears surge in synthetic textile prices

FE BUREAU Ahmedabad, October 19

IN WAKE OF the decision taken in the recently held meeting of the GST council to implement uniform tax rate by replacing existing inverted duty structure Gujarat based textile industry is

fearing that synthetic textile

prices would surge by nearly

three times. Biggest impact would be on man-made fibres-based textile value chain, mainly developed in Surat and South Gujarat region, claims Ashish Gujarati, president of South Gujarat Chamber of

Commerce & Industry (SGCCI).

"We want the GST council to rethink its decision. The new slab suggested by the council would directly affect the prices of yarns as well as the weaving process. Besides, prices of other petroleum based raw materials. Overall cascading impact would finally be on the end users," claims Gujarati. Recently SGCCI delegation met Gujarat's Chief Commissioner of GST who is also

WESTERN RAILWAY

VARIOUS WORKS TENDER NOTICE NO: EL/WA/PL 2021-22/14R. DATE: 18.10.2021 Dy. Chief Electrical Engineer (W) Western Railway Carriage Repair Workshop, N. M. Joshi Marg, Lower Parel, Mumbai - 400013, invites e-bids through e-Tendering method from experienced contractors for the following works: Name of work with location : Repairing, Reconditioning, Rewinding & painting of Air Circulators, ceiling fans, Wall fan, Pedestal fan and different types of exhaust Fans as per scope of work and schedule of rates. LOCATION : as mentioned above. Approx. Cost of the work : Rs. 4,40,046/- (Rs. Four Lakh Forty Thousand Forty Six only). EMD ; Nil. Last Date and time for submission of tender and opening of tender Submission of tender: 12.11.2021 up to 12.00 hours. Opening of tender 12.11.2021 up to 12.30 hours. Website particulars : www.ireps.gov.in The tenderers to ensure that any corrigendum is uploaded subsequently on website and care be taken by them prior to submission of tender online.

member of GST Council's fitment committee. In the representation, SGCCI said that due to proposed uniform tax rates, the government's tax income wouldn't increase much but the end-users will end up paying more. At present man-made fibre-based textile value chain is witnessing five to 18 percent tax rate at different levels. The GST council has proposed a 12 percent uniform tax rate for all levels which is likely to be imple-

mented from January 1, 2022. According to Bharat Gandhi, president, Federation of Indian Art Silk Weaving Industry (FI-ASWI), people working in the synthetic textile value chain hardly digested the GST structure implemented from the year 2017. Now the government is again coming up with further changes."

Pune health intelligence unit set up to respond faster to epidemics

FE BUREAU Pune, October 19

PUNE PUBLIC HEALTH Intelligence unit is being launched to detect, monitor and respond faster to epidemics. The unit will have a dedicated data analytics and coordination unit to better prepare for adverse health events. This initiative is the first of its kind in India and would soon become a model for the entire country.

Pune was one of the worsthit cities during the Covid-19 pandemic with 9,065 deaths and 5.03 lakh Covid-19 cases while Pune district reported 19,000 deaths and 11.47 lakh cases. This put tremendous stress on the Pune's healthcare

system and the administration had to make rapid changes in the public health management system to deal with the pandemic.

Going beyond patient data collection and contact tracing, the Pune Municipal Corporation (PMC) set up a private-public healthcare coordination, communication with the public, and collaboration with scientific and other institutions. Data, analysis, and responsiveness were the critical foundations that helped deal with the second wave of the pandemic as well. The PMC is now looking at institutionalising this effort and launching the Pune Public Health Intelligence Hub (PPHIH).

The PPHIH would aid in building early warning systems

The PPHIH will collate key data of the city, the population, and the healthcare system to

build a consolidated view

of citizen's health. Insights would be generated through advanced data analytics tools to help healthcare responders act faster. It would also communicate with both the public and private sector healthcare players.

for epidemics and help in developing emergency response plans. Beyond Covid-19, the Hub would also drive public health goals in areas like dengue mitigation, epidemic control, and

In September 2021, the World Health Organization (WHO) launched a Pandemic and Epidemic Intelligence Hub to help drive innovation in data and analytics to enhance monitoring of disease control. In setting up this hub, the WHO was assisted by CPC Analytics, a Pune and Berlin based public policy consulting firm. CPC Analytics prepared a feasibility study for a similar public health intelligence unit with the backing of CapitaLand India. The study revealed that there was tremendous scope to incorporate health

better public health. The PPHIH will collate key

data of the city, the population, and the healthcare system to build a consolidated view of citizen's health. Insights would be generated through advanced data analytics tools to help healthcare responders act faster. It would also communicate with both the public and private sector healthcare players to drive coordinated action for public The public is hereby warned against purchasing health events. The target would or dealing in any way, with the above Share be to prevent ill-health, reduce disease impact and respond rapidly.

healthcare system, The PMC Commissioner Vikram Kumar said, the PPHIH has been created to make it even stronger.

A separate Acquisition Window will be provided by BSE to facilitate the placing of orders. Before placing the bid, the concerned Public Shareholder/Selling Broker would be required to transfer the tendered Equity Shares to the special account of Indian Clearing Corporation Limited ("Clearing Corporation"), by using the

settlement number and the procedure prescribed by the Clearing Corporation. Shareholders who wish to bid /offer their physical shares in the Offer are requested to send their original documents as mentioned in the Letter of Offer to the Registrar to the Offer so as to reach them within 2 days from Offer Closing Date. It is advisable to first email scanned copies of the original documents mentioned in the Letter of Offer to the Registrar to the Offer and then send physical copies to the address of the Registrar to the Offer as provided in the LOF.

xii. Equity Shares should not be submitted/ tendered to the Manager to the Offer, the Acquirers or the Target

xiii. In the event the Selling Broker of a shareholder is not registered with BSE then that shareholder can approach the Buying Broker and tender the shares through the Buying Broker, after submitting the details as may be required by the Buying Broker in compliance with the SEBI Regulations.

xiv. No indemnity is needed from unregistered shareholders.

xv. In the event that the number of Equity Shares validly tendered by the Public Shareholders under this Offer is more than the number of Equity Shares agreed to be acquired in this Offer, the Acquirers shall accept those Equity Shares validly tendered by such Public Shareholders on a proportionate basis in consultation with the
