SC asks RBI to examine if EMI moratorium is indeed being passed on

STREET,

FE BUREAU New Delhi, April 30

THE SUPREME COURT on Thursday asked the RBI to examine whether benefits of its policy decision on three-month moratorium on fixed-term loans and EMIs are being passed on to the borrowers.

A Bench led by justice NV Ramana said "it appears that whatever benefits are being given by the RBI, they are not being extended to the borrowers. There should be proper guidelines.

The RBI may examine it to see the circular issued on March 27 is being implemented effectively. This is not a PIL issue. However, due to the various issues raised, we request that the RBI may examine whether its policy is being implemented in true letter and spirit".

However, the Bench refused to interfere in the matter after the petitioners informed the judges that they were not personally affected and had filed the PILs in public interest. The observations came dur-

ing hearing of petitions challenging a part of the March circular with regard to recovery of interest accrued on the outstanding portion of the term loans during the moratorium period between March 1 and May 31 amid coronavirus.

Seeking directions to all banks and financial institutions

not to charge interest from their customers during the moratorium period, the petitions alleged that the RBI's circular was eyewash as accumulated accrued interest on the

outstanding amount shall be recovered immediately after the moratorium period. "The State cannot enrich itself nor permit anyone to enrich from the unfortunate situation by charging interest for moratorium period," a petitioner contended. The PILs had stated that the

Centre and the RBI were "duty bound to support citizens" by extending moratorium as Covid has hit every segment of society and its consequences would be far more serious even after lifting of the lockdown.

Bengaluru

30 April, 2020

- 1. The above is an extract of the detailed format of Quarterly Financial Results filed with the Stock Exchanges under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the Quarterly Financial Results are available on the Stock Exchange websites: www.nseindia.com and www.bseindia.com and company's website: www.new.abb.com/grid/appsil
- 2. Effective January 1, 2020, the Company has adopted Ind AS 116, Leases (which replaces the earlier Lease standard) under the modified retrospective method. There is no material impact on transition to Ind AS 116 on opening retained earnings as on January 1, 2020 and the unaudited financial results for the quarter ended March 31, 2020.
- 3. The Board of directors of ABB India Limited on March 5, 2019 approved the Scheme of Arrangement under Sections 230-232 and other applicable provisions of the Companies Act, 2013 (the "Scheme") between ABB India Limited ("Transferor Company"), ABB Power Products and Systems India Limited ("Resulting Company" or "Power Grids in India" or "Company" or "APPSIL") and their respective shareholders and creditors for the demerger of Power Grid business from ABB India Limited into the Company. The appointed date for the Scheme was April 01, 2019. The Scheme was approved by National Company Law Tribunal (NCLT), Bengaluru Bench vide its order dated November 27, 2019 and a certified copy has been filed by the Company with the Registrar of Companies, Bangalore, on December 1, 2019 ("Effective Date"). The unaudited statement of financial results of the Company have been prepared considering the effect of the scheme of arrangement from the Appointed date i.e., April 01, 2019. The scheme has been considered in these unaudited statement of financial results by transferring the assets and liabilities as identified by the management as pertaining to the Power Grid business of ABB India Limited to APPSIL with effect from the" Appointed Date" at their respective book values.

As per the applicable accounting standard Ind AS 103 ("standard"), since this demerger is a common control business combination, the financial information necessitates restatement by the Company at carrying amounts not from the appointed date but from the beginning of the preceding period in the unaudited statement of financial results which happens to be the date of incorporation ie February 19, 2019. Consequentially, the Company is required to give effect to the business combination from February 19, 2019 (date of its incorporation). However, the Company has recognized the impact of the business combination only from April 1, 2019 (i.e. the appointed date specified in the scheme of arrangement). The Company is of the view that due to incoherence between the appointed date i.e., April 1, 2019 and date of incorporation i.e. February 19, 2019 and requirements of Ind AS 103 such a one off situation has arisen. Thus, the statement of unaudited financial results does not contain the impact of the transactions of the demerged undertaking from February 19, 2019 to March 31, 2019. However, there is no impact of the same on the Company's statement of unaudited financial results for the three months ended March 31, 2020 and December 31, 2019. Demerger expenses incurred amounting to Rs 1.81 Crores comprising professional charges and other expenses has been disclosed as an exceptional item.

- 4. Consequent to the Scheme becoming effective and in consideration of vesting of the Demerged Undertaking from the Transferor to the Company, the Company has on December 24, 2019 issued and allotted one fully paid Equity Share of Rs. 2 each of the Company for every five fully paid up equity shares of Rs. 2 each held in the Transferor ("Share Entitlement Ratio") to the shareholders of the Transferor, as on December 23, 2019 ("Record Date"). Thus 4,23,81,675 Equity Shares of Rs 2 each were allotted. The Company has received listing approval from BSE Limited ("BSE") and National Stock Exchange of India Limited ("NSE") and 4,23,81,675 equity shares of the Company have been listed and trading commenced w.e.f. March 30, 2020 on BSE & NSE.
- 5. The figures for the last quarter of previous period are balancing figures between the audited figures for the period from February 19, 2019 to December 31, 2019 and the figures from February 19, 2019 to September 30, 2019. The figures up to the end of the third quarter of previous financial period has been subjected to limited review.
- 6. The operating segment of the Company is identified to be "Power Grids", as the Chief Operating Decision Maker reviews business performance at an overall company level as one segment. Therefore, the disclosure as per Ind AS 108 "Operating segments" and Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is not applicable to the Company.
- 7. The Company was incorporated on February 19, 2019 and accordingly the previous year results are published from February 19, 2019 to December 31, 2019.
