MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

Introduction

The gems and jewellery sector plays a significant role in the Indian economy, contributing around 7 per cent to country's GDP and 15 per cent to India's total merchandise export. It employs over 4.64 million people, which is expected to reach 8.23 million by 2022. One of the fastest growing sectors, it is extremely export oriented and labour intensive.

Based on its potential for growth and value addition, the Government declared gems and jewellery sector as a focus area for export promotion. The Government has undertaken various measures recently to promote investment and upgrade technology and skills to promote 'Brand India' in the international market.

India is deemed to be the hub of the global jewellery market because of its low costs and availability of high-skilled labour. India is the world's largest cutting and polishing centre for diamonds, with the cutting and polishing industry being well supported by Government policies. Moreover, India exports 75 per cent of the world's polished diamonds as per statistics from the Gem and Jewellery Export Promotion Council (GJEPC). India's Gems and Jewellery sector has been contributing in a big way to the country's foreign exchange earnings (FEEs). Government has viewed this sector as a thrust area for export promotion. The Indian Government presently allows 100 per cent Foreign Direct Investment (FDI) in the sector through the automatic route. The sector employs over 4.64 million employees, which is expected to touch 8.23 million by 2022.

Market size

India's gems and jewellery sector is one of the largest in the world, contributing 29 per cent to the global jewellery consumption. The sector is home to more than 300,000 gems and jewellery players. Its market size will grow by US\$ 103.06 billion during 2019-2023.

India's demand for gold reached 690.4 tonnes in 2019. India's gems and jewellery export stood at US\$ 29.01 billion in FY20P. During the same period, India exported US\$ 18.66 billion worth of cut and polished diamonds, thereby contributing 64 per cent of the total gems and jewellery export.

India's import of gems and jewellery stood at US\$ 24.01 billion in FY20P.

India is one of the largest exporters of gems and jewellery and the industry is considered to play a vital role in the Indian economy as it contributes a major chunk to country's foreign reserves. The Goods and Services Tax (GST) will steer India's gold demand going forward.

Investments/Developments

The gems and jewellery sector is witnessing changes in consumer preferences due to adoption of western lifestyle. Consumers are demanding new designs and varieties in jewellery, and branded jewellers have managed to fulfil their changing demands better than the unorganised players. Moreover, increase in per capita income has led to an increase in sales of jewellery as jewellery is a status symbol in India.

The cumulative Foreign Direct Investment (FDI) inflow in diamond and gold ornaments in the period April 2000 – March 2020 was US\$ 1.17 billion according to Department for Promotion of Industry and Internal Trade (DPIIT).

Some of the key investments in this industry are listed below:

- In April 2020, majority of the players in the Indian market like Malabar Gold, Tanishq, and Joyalukkas offered jewellery online for Akshay Tritiya.
- Companies such as PC Jewellers, PNG Jewellers and Popley and Sons are planning to introduce a virtual-reality (VR) experience for their customers. The customer will have to wear a VR headset, through which they can select any jewellery, see it from different angles and zoom it to view intricate designs.

Government Initiatives

- Indian Government made hallmarking mandatory for Gold Jewellery and Artefacts. A period of one year is provided for implementation i.e. till January 2021.
- As per Union Budget 2019-20, the GST rate was reduced from 18 per cent to 5 per cent (*5 per cent without Input Tax Credit (ITC)) for services by way of job work in relation to gems and jewellery, leather goods, textiles etc.
- The Bureau of Indian Standards (BIS) has revised the standard on gold hallmarking in India from January 2018. The gold jewellery hallmark will now carry a BIS mark, purity in carat and fitness as well as the unit's identification and the jeweller's identification mark. The move is aimed at ensuring a quality check on gold jewellery.
- The Gem and Jewellery Export Promotion Council (GJEPC) signed a memorandum of understanding (MoU) with Maharashtra Industrial Development Corporation (MIDC) to build India's largest jewellery park in at Ghansoli in Navi-Mumbai on 25 acres land with a capacity to have more than 5000 jewellery units of various sizes ranging from 500-10,000 square feet. The overall investment will be of Rs 13,500 crore (US\$ 2.09 billion).
- Gold Monetisation Scheme enables individuals, trusts and mutual funds to deposit gold with banks and earn interest on the same in return.

Conversion rate used in April 2020, Rs 1 = US\$ 0.013123.

OPPORTUNITIES AND THREATS

The jewellery sector in the country continues to remain poised for growth on account of its demographics as well as increasing urbanisation and income levels. The demand for jewellery is also expanding beyond the traditional marriage functions to a life style and fashion accessory as well. However, at the same time the traditional demand for jewellery continues to remain strong. The sector is witnessing changes in customer preferences due to adoption of western lifestyle and their demand for new designs and varieties in

jewellery. Further, rising quality awareness of customers has also provided a fillip to the organized retail segment, which is banking on its 'reliability' and 'quality' to compete against the highly fragmented unorganized jewellers.

The Indian middle class is expected to rise to 547 million by 2025 and this rise of young Indian middle class is expected to lead to an increase in demand for gold. There is a huge opportunity in the online sale of jewellery. Although, this channel generally caters to low ticket items only, but as a consequence of disruptions caused by the ongoing pandemic COVID-19 scare, this channel is expected to gain traction and gain popularity with the customers for even higher category jewellery.

Rising global uncertainties in the recent months have led to investors resorting to gold and silver as their preferred asset class for investment. Due to this, prices of such precious metals peaked during the year. On an average, international (monthly) gold prices surged 16% YoY in FY20. The falling interest rate also helped grow investors' preference towards gold and silver.

Challenges for the sector have gravely after the outbreak of COVID-19 in China which has taken a shape of pandemic and caused stalled manufacturing and trading activities, cancellation of business events, deferment of committed order positions, reduced demand, elongation of receivables etc. in the sector.

The Company does not perceive any major or predictable threats except that the retail jewellery is already a working capital intensive business and the demand for jewellery is now increasing beyond the traditional wedding jewellery. This increase in demand requires additional investment in inventory. Also though the diamond jewellery has higher margins it also has a much longer cash conversion cycle vis-a-vis gold and all of these factors have only increased the working capital intensity of the jewellery business.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

In regard to resource allocation and assessment of segment performance focuses, there is mainly one segment and the performance of the Company has been provided in "Discussion on Financial Performance with respect to Operational Performance".

OUTLOOK

The World Gold Council (WGC) sees gold becoming a strong 'financial asset' in India once the Centre rolls out its proposed comprehensive gold policy this year.

According to the new policy, banks will be allowed to do 'Bullion Banking' (take risk in bullion) and new infrastructure such as spot exchanges would be a reality, ushering in transparency and thereby benefiting consumers and small jewellers in particular, PR Somasundaram, Managing Director-India, WGC, told BusinessLine here.

Bullion banking will enable consumers to do bullion-related transactions with banks with ease. Spot exchange will solve for liquidity in the market.

It may be recalled that a draft policy for promotion of gold as a financial asset has already been circulated to relevant Ministries for comments, and a proposal to set up a gold exchange is under consideration by the government.

Against the background of the ongoing Covid-19 pandemic and increased economic uncertainty, gold has become a go-to asset for many investors looking to diversify and hedge their portfolios. Over the past few months, gains in silver prices have lagged those of its yellow peer. While gold has soared by almost 18 per cent year-to-date, the white metal has inched higher by a shy 3 per cent. Nonetheless, with the market remaining firmly bullish, many believe that silver is well positioned to eventually surge to fresh highs. The metal had a somewhat good time in 2019, with its price surging more than 15 per cent and many analysts predicting it to have a great year ahead. According to the silver price trend chart, in September 2019, its value reached highs of \$19.50 per ounce and ended the year at \$18 per ounce.

In 2020, however, financial markets were turned upside down. At the beginning of the year, silver saw its price skyrocketing amid the reports of a US airstrike killing a top Iranian general and Iranian missile attacks on US military bases in Iraq. As frightened investors ran to safe-haven assets, the metal hiked past the \$18.83 mark for the first time in almost four months. But once the tensions between the nations de-escalated, the commodity dropped to its previous lows of \$17.81.

Shortly after, the pandemic hit the world, influencing not only the performance of silver but all global markets. Silver prices quickly shed 38 per cent to hit an 11-year low in March as the start of Covid-19 lockdowns saw investors quitting their positions in favour of cash.

Gold had a remarkable performance in the first half of 2020, increasing by 16.8% in US-dollar terms and significantly outperforming all other major asset classes. By the end of June, the LBMA Gold Price PM was trading close to US\$1,770/oz, a level not seen since 2012, and gold prices were reaching record or near-record highs in all other major currencies.

Though equity markets around the world rebounded sharply from their Q1 lows, the high level of uncertainty surrounding the COVID-19 pandemic and the ultra-low interest rate environment supported strong flight-to-quality flows. Like money market and high-quality bond funds, gold benefited from investors' need to reduce risk, with the recognition of gold as a hedge further underscored by the record inflows seen in gold-backed ETFs.

RISKS AND CONCERNS

As regards to banks their role in supplying to domestic market has already diminished significantly, from 45 per cent of the total supplies for domestic trade in 2017 calendar year, their share in 2018 was only 35 per cent. In volume terms year-on-year it had declined by 40 per cent to 178 tonnes.

The gold metal loan given by banks may also be under threat if refiners start providing a similar product which is known as "unfixed deferred sales" for 90 days at a premium lower than what banks provide. Such competitive pricing is good but at what cost? And who will regulate their functioning? RBI powers are limited currently only to an extent of payment mechanisms post import. Overtime with mushrooming refiners and poor due diligence in sourcing, banks lost at both ends- one banks losing comfort to onboard a refiner as the client and secondly not able to source from domestic market, eventually banks closed their operation in the

country. Although late, the authorities became more cognizant of the situation and started taking corrective measures following which we are again noticing international banks willing to resume business with the country.

THE RECOURSE ACTION

It is time the contours for operation of the refiners in India is better defined, and the sourcing guidelines are made mandatory in line with OECD's five-step framework at least by creating a guideline that fits Indian refinery, their financing and remittances models need to be reviewed by the RBI as only two out of the sixteen countries from where refiners import are FATF member countries and more importantly avoid a situation where a shutdown of one refiner can create a potential supply squeeze in the market. When one entity controls 25 to 30 per cent of the refining market locally, systemic risks will increase.

HUMAN RESOURCE

Equipping the Company with an engaged and productive workforce is essential to our success. We look for commitment, skills and innovative approach in people. In assessing capability, we consider technical skills and knowledge that have been acquired through experience and practice, along with mental processing ability, social process skills and their application.

We continue to invest in developing a pipeline of future talent and nurture them. As part of this process, we provide development and training opportunities to our workforce, which motivates and encourages them to grow in their work.

As on March 31, 2020, the Company had 27 permanent employees. The Company has been maintaining cordial and healthy Industrial Relations, which has helped to a great extent in achieving the upper growth.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Though the various risks associated with the business cannot be eliminated completely, all efforts are made to minimize the impact of such risks on the operations of the Company. Necessary internal control systems are also put in place by the Company on various activities across the board to ensure that business operations are directed towards attaining the stated organizational objectives with optimum utilization of the resources. Apart from these internal control procedures, a well-defined and established system of internal audit is in operation to independently review and strengthen these control measures, which is carried out by a reputed firm of Chartered Accountants. The audit is based on an internal audit plan, which is reviewed each year in consultation with the statutory auditor of the Company and the audit committee. The conduct of internal audit is oriented towards the review of internal controls and risks in its operations.

M/s. D G M S & CO., Chartered Accountants (FRN: 0112187W), the statutory auditors of the Company has audited the financial statements included in this annual report and has issued an report annexed as an Annexure B of the Audit Report of the Company on our internal control over financial reporting (as defined in section 143 of Companies Act, 2013).

The audit committee reviews reports submitted by the management and audit reports submitted by internal auditors and statutory auditor. Suggestions for improvement are considered and the audit committee follows up on corrective action. The audit committee also meets the statutory auditors of the Company to ascertain, inter alia, their views on the adequacy of internal control systems and keeps the board of directors informed of its major- observations periodically. Based on its evaluation (as defined in section 177 of Companies Act 2013), our audit committee has concluded that, as of March 31, 2021, our internal financial controls were adequate and operating effectively.

Report on the Indian Accounting Standards (Ind AS) Financial Statements

Opinion:

We have audited the accompanying financial statements of **Amrapali Industries Limited.**, which comprise the Balance Sheet as at **31st March, 2021**, and the Statement of Profit and Loss (Including Other Comprehensive Income) and Cash Flow Statement and the statement of Changes in Equity for the year ended, and a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "Standalone Ind AS financial Statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure A", a statement on the matter specified in the paragraph 3 and 4 of the Order.

ANNEXURE “B” TO THE AUDITORS’ REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Amrapali Industries Limited** ('the Company') as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

The Company is engaged in the business of different types of activities like entertainment Activities, Bullion Trading and Share trading, etc. The Registered office at Unit No. PO5-02D, 5th Floor Tower A WTC Gift City Gandhinagar, Gujarat - 382355.

1.1 Basis of preparation of financial statements

a. Accounting Convention: -

The financial statements have been prepared in accordance with Section 133 of Companies Act, 2013, i.e. Indian Accounting Standards ('Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015. The Ind AS Financial Statements are prepared on historical cost convention, except in case of certain financial instruments which are recognized at fair value.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Part I of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current - non-current classification of assets and liabilities.

b. Compliance with Ind AS

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015.

c. Use of Estimates and Judgments

The preparation of the Ind AS financial statements in conformity with the generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the Balance Sheet date, reported amount of revenue and expenses for the year and disclosure of contingent liabilities and contingent assets as of the date of Balance Sheet. The estimates and assumptions used in these Ind AS financial statements are based on management's evaluation of the relevant facts and circumstances as of the date of the Ind AS financial statements. The actual amounts may differ from the estimates used in the preparation of the Ind AS financial statements and the difference between actual results and the estimates are recognized in the period in which the results are known/materialize.

(A) Revenue recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services. The Company is generally the principal as it typically controls the goods or services before transferring them to the customer.

Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Other operating revenues comprise of income from ancillary activities incidental to the operations of the Company and is recognized when the right to receive the income is established as per the terms of the contract. Service income is recognized as and when services are rendered as per the terms of the contract.

(B) Other income:

Interest: Interest income is calculated on effective interest rate, but recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend: Dividend income is recognised when the right to receive dividend is established.

Insurance Claim: Insurance Claims are recognised when the claims are assessed to be receivable.

Rental Income: Rental income from operating leases is accrued based on the terms of the relevant lease.

(C) Intangible Assets and Amortization

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives. The amortization period and the amortisation method are reviewed at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

(D) Finance Cost

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(E) Inventories

Inventories are stated at cost or net realisable value whichever is lower. Cost is determined on First-In-First-Out basis.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

'Cost' comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition.

Items such as spare parts, stand-by equipment and servicing equipment which is not plant and machinery gets classified as inventory.

(F) Foreign Currency Transactions

i) Functional currency

The functional currency of the company is the Indian rupee. These financial statements are presented in Indian rupees.

ii) Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

iii) Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on restatement of all other monetary items are recognised in the Statement of Profit and Loss.

Any the subsequent events occurring after the Balance Sheet date up to the date of the approval of the financial statement of the Company by the board of directors on **June 30, 2021** have been considered, disclosed and adjusted, wherever applicable, as per the requirement of Accounting Standards.

(G) Income Tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

I. Current tax: -

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

II. Deferred tax:-

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements.

Deferred tax asset is recognized to the extent that it is probable that taxable profit will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

(H) Segment Information

Information reported to the Chief Operating Decision Maker (CODM) for the purposes of resource allocation and assessment of segment performance focuses there is mainly one segment.

(I) Earnings per share (EPS):

Basic EPS is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted EPS, the net profit or loss for the period attributable to equity shareholders and the weighted average number of additional equity shares that would have been outstanding are considered assuming the conversion of all dilutive potential equity shares. Earnings considered in ascertaining the EPS is the net profit for the period and any attributable tax thereto for the period.

(J) Cashflow:-

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals of past or future cash receipts and payments. The cash flows from regular operating, investing and financing activities of the company are segregated.

(K) Financial Instruments:

Financial assets and financial liabilities are recognised when a company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(L) Provisions and Contingencies

Provisions:

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure

required to settle the present obligation at the Balance sheet date and are discounted to its present value as appropriate.

Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

(M) Global Health Pandemic COVID - 19

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant slow disturbance and slowdown of economic activity. The company has evaluated impact of this pandemic on its business operations and based on its review and current indicators for future economic conditions, there is no significant impact on its financial statements.

29. The previous year's figures have been reworked, regrouped, and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current annual financial statements and are to be read in relation to the amounts and other disclosures relating to the current financial year.

Item No. 5:- To appoint Ms. Bhumi Atit Patel (DIN: 07473437) as Non-Executive Director of the Company: Ordinary Resolution

Pursuant to the provisions of Section 161 of the Companies Act, 2013 (the 'Act'), the Board of Directors of the Company pursuant to Stock Exchange Approval, based on the recommendation of the Nomination and Remuneration Committee, appointed **Ms. Bhumi Atit Patel** as an Additional Non-Executive Director of the Company with effect from April 26, 2021 and she holds office up to the date of the ensuing Annual General Meeting.

The Company has received notice in writing under Section 160 of the Act, proposing the candidature of **Ms. Bhumi Atit Patel** for the office of Non-Executive Director of the Company.

The brief profile of Ms. Bhumi Atit Patel is as under:

She is having knowledge and experience of more than 6 years in the field of accounting and finance. Currently she is Independent Director on the Board of Amrapali Fincap Limited and Amrapali Capital and Finance Services Limited.

The Company has received declaration from Ms. Bhumi Atit Patel confirming that she is not disqualified from being appointed as Director in terms of Section 164 of the Act and also she has not been debarred or disqualified from being appointed or continuing as Director of any Companies by the Securities and Exchange Board of India (SEBI), Ministry of Corporate Affairs, or any such statutory authority.

Further, the Nomination and Remuneration has evaluated the balance of skill, knowledge and experience of Ms. Bhumi Atit Patel. In the opinion of Nomination and Remuneration Committee and the Board, Ms. Bhumi Atit Patel fulfills the conditions for appointment as Non-Executive Director considering her vast experience and knowledge, it would be beneficial to appoint her on the Board of the Company. The term of appointment of Ms. Bhumi Atit Patel as Non-Executive Director is liable to retire by rotation.

A copy of the draft letter for the appointment of Ms. Bhumi Atit Patel as Non-Executive Director setting out the terms and conditions are uploaded on the website of the Company and also would be available for inspection by the Members at the Registered Office of the Company during the normal working hours on any working days of the Company.

Information as required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard - 2 regarding appointment of Ms. Bhumi Atit Patel is attached hereto.

The Board recommends resolution set out under Item No. 5 for the approval of the Members by way of passing a Ordinary Resolution.

Except Ms. Bhumi Atit Patel, being appointee Director and their relatives, none of the other Directors or Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the aforesaid resolution.
