Independent Auditor's Review Report On Quarterly Unaudited Standalone Financial Results and Year to Date Financial Results of Astron Paper & Board Mill Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

**Review Report to,
The Board of Directors of,
Astron Paper & Board Mill Limited**

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Astron Paper & Board Mill Limited ("the Company"), for the quarter ended on 31st December, 2024 ("the Statement") and year to date results from 1st April, 2024 to 31st December, 2024, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. This Statement is the responsibility of the Company's Management and is approved by the Company's Board of Directors, has not been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with relevant rules issued thereunder and other accounting principles generally accepted in India [Refer to Para 4 & 5 herein below].

Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India (the ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters applying analytical and other review procedures to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. Basis for Adverse Conclusion:

- i. No Provision for doubtful debts has been made for export trader receivables of Rs. 1.60 crores and domestic trade receivables of Rs. 0.93 crores which have been outstanding for more than four years. No provision has been made for Expected Credit Loss for the quarter ended 31st December, 2024 in respect of trade receivables other than above.
- ii. The company has availed working capital and other loans from various banks for an amount exceeding Rs. 5.00 crores. As a part of terms of sanction with various banks, the company is required to submit various monthly, quarterly and periodical statements including stock statements and statement of various assets charged for availing loans including working capital loans. In spite of our specific request to the management of the company, the company has not made available to us such periodical statements if any as submitted to the bank for our review. In absence of availability of such statements, our review on Statement of Unaudited Standalone Financial Results of the company, for the quarter ended on 31st December, 2024 and year to date results from 1st April, 2024 to 31st December, 2024 is subject to effect of the amounts reported in the returns and statements submitted to the banks and those accounted in the books of account if any and defaults with regard to the loans

availed by the company with regard to submission of such returns and statements and availability of drawing power or limits against such loans.

- iii. The company has given loans to its wholly owned subsidiary company Balaram Papers Private Limited amounting to Rs. 20.85 Crores. This amount includes long-term loans and advances of Rs. 8.65 crores given in the financial year 2022-23 and balance amount of Rs. 12.20 crores given prior to financial year 2022-23. The company has not charged any interest on loans and advances of Rs. 20.85 Crores for the period from 1st July, 2024 to 31st December, 2024.
- iv. The company has given loans to its wholly owned subsidiary company Balaram Papers Private Limited amounting to Rs. 7.81 Crores. The company has not charged any interest on loans and advances of Rs. 7.81 Crores for period from 1st April, 2024 to 31st December, 2024.
- v. The company has made investments in 40,35,000 Equity Share of Rs. 10.00 amounting to Rs. 4.04 Croes in the wholly owned subsidiary company Balaram Papers Private Limited. No provision has been made for Impairment on such investments and other investments. The company at the Extra Ordinary General Meeting of its members held on 7th February, 2025 resolved to dispose of the undertaking of wholly owned subsidiary.
- vi. As informed to us by the management of the company, the amounts of LCs devolved have been adjusted against the balance in Fixed Deposits accounts. However, in absence of available details in this regard we disclaim our conclusion in respect of interest income as accrued or recognized in respect of such fixed deposits.
- vii. The company has shut down its plant at Halved since 8th of September, 2024 and has not resumed the production since the closure. The plant at Bhuj is also non-operational. The shut-down of plants and no resumption of production, substantial cash losses incurred in the last three years as well as during the period under review, reduction in sales turnover over the period and other financial factors have affected net worth of company significantly and these factors along with substantial tax demands against which litigations are pending and bank accounts becoming NPA has affected the overall business operations of the company and its ability to continue the business in the normal course as going concern. However, the management of the company has prepared and presented financial results assuming its status as going concern. In our conclusion, the going concern status of the company has

been substantially affected and as per our conclusion the financial results should have been prepared and presented considering the status of the company as not being going concern.

- viii. No provision has been made for Expected Credit Loss for the quarter ended 31st December, 2024.
- ix. No provision has been made for gratuity liabilities for the quarter ended 31st December, 2024.
- x. Inventories of Imported Raw Materials in respect of which Bill of Entries have been filed but have not been lifted from port have not been accounted in the books of account. As informed to us by the management of the company, the company has received notices for auction against such inventories. As informed to us by the management of the company, however, no actions have been taken upto the date of financial results for the period ended 31st December, 2024. The company has not accounted corresponding liabilities towards suppliers if any in the books of account.
- xi. As informed to us by the management of the company, due to shut down of the factory, the quality of waste papers, chemical items, packing materials, coal and finished goods has deteriorated and hence they have been written down below their cost as per the estimates made by the management of the company regarding recoverable value of such inventories. The company has written down inventories of Rs. 9.74 crores during the quarter ended 31st December, 2024. The quarterly and year to date financial results for the period ended 31st December, 2024 includes the effect of such write down under respective head of raw materials consumed, fuel consumed, packing materials consumed and variation in stock of Finished Goods. The inventories of stores and work-in-process have not been revalued.

5. Adverse Conclusion:

Our review indicates that because of the possible impact of the conclusions as described in para 4 herein above “Basis for Adverse Conclusion” particularly para 4(vii) regarding going concern status of the company, the accompanying Statement of Unaudited Financial Results for the quarter and nine months ended December 31, 2024 does not present in all material respect the results of its operations, income and expenses measured and disclosed, consequent losses declared whether overstated or understated and EPS declared and hence the same have

not been prepared and presented in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind-AS) specified under section 133 of the Companies Act, 2013, read with applicable rules issued thereunder and other recognized accounting practices and policies and has not disclosed the information required to be disclosed in terms of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended including the manner in which it is to be disclosed.

Independent Auditor's Review Report On Quarterly Unaudited Consolidated Financial Results and Year to Date Financial Results of Astron Paper & Board Mill Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

**Review Report to,
The Board of Directors of,
Astron Paper & Board Mill Limited**

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Astron Paper & Board Mill Limited ("the Holding Company") and its subsidiary Balaram Papers Private Limited (together referred to as "Group"), for the quarter ended 31st December, 2024 ("the Statement") and consolidated year to date results from 1st April, 2024 to 31st December, 2024, attached herewith being submitted by the Holding company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Board of Directors of the Holding Company, has not been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. [Refer to Para 5 & 6 herein below].

Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India (the ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of

persons responsible for financial and accounting matters and applying analytical and other review procedures to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

4. The statement includes interim financial results of Balaram Papers Private Limited being subsidiary of the Holding Company reviewed by us.

5. Basis for Adverse Conclusion:

- i. No Provision for doubtful debts has been made for export trader receivables of Rs. 1.60 crores and domestic trade receivables of Rs. 2.38 crores which have been outstanding for more than four years. No provision has been made for Expected Credit Loss for the quarter ended 31st December, 2024 in respect of trade receivables other than above.
- ii. The Group has availed working capital and other loans from various banks for an amount exceeding Rs. 5.00 crores. As a part of terms of sanction with various banks, the Group is required to submit various monthly, quarterly and periodical statements including stock statements and statement of various assets charged for availing loans including working capital loans. In spite of our specific request to the management of the Holding company, the Holding company has not made available to us such periodical statements if any as submitted to the bank for our review.
