'Other Operating Revenue'. Other income in the Standalone Financial Results for the Quarter and Nine Months ended December 31, 2020 includes income of Rs. 33.01 crore and Rs.59.46 crore respectively being dividend received from a joint venture. This does not have any impact on the Consolidated Financial Results for the Quarter and Nine Months ended December 31, 2020.

The management has considered internal and certain external sources of information including economic forecasts and industry reports up to the date of approval of the financial results in determining the impact on various elements of its financial results. The management has used the principles of prudence in applying judgments, estimates and assumptions including sensitivity analysis and based on the current estimates, the management expects to fully recover the carrying amount of inventories, trade receivables, goodwill, intangible assets and investments. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these financial

was adversely impacted in sales and profitability. The last few weeks of the previous financial year witnessed a sharp drop in prices as well as demand for poultry and related products on account of false rumours linking COVID-19 to poultry consumption. This necessitated the subsidiary to take certain exceptional measures to miligate losses on account of which inventory to the tune of Rs. 3 crore had to be destroyed and written off. The crash in prices towards end of March 2020 required the subsidiary to recognise a loss of Rs.6.92 crore in respect of fair valuation of biological assets. This total loss disclosed under exceptional item is Rs. 9.92 crore for the Financial Year 2019-20.

During the previous financial year, with the outbreak of COVID-19 pandemic, the business of Godrej Tyson Foods Limited, a subsidiary company
