(second holder and person acting in concert). Consequently, the aggregate holding of the promoter/ promoter group before and after the transaction remains the same.

2. The disclosures are being made as a matter of abundant caution since there is no change in the aggregate holding of the acquirer together with persons acting in concert (Dani family). Holdings of other families of the promoter group are not being included, since this is an internal restructuring within the Dani family where the holdings of other families of the promoter group would remain unchanged and who are in any case not connected with this specific transaction.

(*) Total share capital/ voting capital to be taken as per the latest filing done by the company to the Stock Exchange under Regulation 31 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

(**) Diluted share/voting capital means the total number of shares in the TC assuming full conversion of the outstanding convertible securities/warrants into equity shares of the TC.
