**INDEPENDENT AUDITOR'S REVIEW REPORT ON STANDALONE UNAUDITED FINANCIAL RESULTS OF THE
COMPANY FOR THE QUARTER AND SIX MONTHS ENDED 30TH SEPTEMBER, 2021**

The Board of Directors
NBCC (India) Limited
New Delhi

1. We have reviewed the accompanying statement of Standalone Unaudited Financial results of **NBCC (India) Limited ("the Company")**, for the quarter and six months ended on September 30, 2021 ("the Statement"), being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; as amended ("the Regulations").
2. This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Basis for Qualified conclusion

We draw attention to Note No. 7 of the statement stating that owing to the poor quality of construction, structural and other defects in the subject residential project, the management is not in a position to ascertain the financial impact on financial statement about impairment of inventory, cost to be incurred by the company in future on rectifications of defects as per suggestion of IIT and/or amount to be paid if any on account of refunds owing to cancellation of flats in future and/or on account of compensation etc., as claimed by some of the homebuyers including interest thereon, which is subject to outcome of decision of court(s) where matter is listed for further hearing. The matter is under investigation by vigilance department.

In view of uncertainty involved in above, the consequential financial effect on the financial results, if any, is presently not ascertainable in respect of above said matter.

5. Qualified Conclusion

Based on our review conducted as above, except for the effects/ possible effects of matters stated in "Basis of Qualified Conclusion" paragraph above, nothing has come to our attention that causes us to believe that the accompanying Statement read with notes thereon, prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of Matter;

We invite attention to the following matters in the notes to the results:

- i) Note No. (5) regarding developed real estate project having a carrying value of Rs. 8700.39 Lakh and remaining unsold for want of environmental clearance;

- ii) Note No. (6) regarding developed real estate project costing Rs. 5775.82 Lakh and remaining unsold for over five years due to unfavourable market conditions resulting in deterioration in value by Rs. 1172.23 Lakh;
- iii) Note No. (8) regarding irregularities in the project being executed by the company, accounting adjustments made in this quarter and consequent referral of the matter to vigilance department;
- iv) Note No. (9) regarding the balances of Trade Receivables, Loans and Advances, Security Deposits, Earnest Money Deposits, Deposits and Trade Payables being subject to reconciliation, confirmation and consequential adjustments thereof.
- v) Note No. (10) regarding uncertainties arising out of the outbreak of COVID - 19 pandemic and disruptions in regular business operations due to lockdown and consequential assessment made by the management on its business and its associated financial risks;

Our conclusion is not modified in respect of above matters.
