9.	Name of the Company where he is director	1. Basant Rubber Factory Pvt. Ltd. 2. Opa Hospitality Pvt. Ltd. 3. Bholenath Developers Limited 4. Mitha Estates Pvt. Ltd.
10.	Memberships/Chairmanships of Committees of other public Companies (includes only Audit Committee & Stake holder's Relationship Committee)	NA

9. Members are requested to bring their copy of the Annual Report at the meeting.
10. Members holding shares in electronic form may please note that their bank details as furnished by the respective depositories to the company will be printed on their dividend warrants as per the applicable regulation of the depositories and the company will not entertain any direct request from such members for change/ deletion in such bank details. Further instruction if any already given by them in respect of shares held in physical form will not be automatically applicable to the dividend paid on shares held in electronic form. Members may give instruction regarding bank accounts in which they wish to receive dividend to their depository participants.

11. Members holding shares in electronic form are requested to intimate immediately any change in their address or bank mandates to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their address or bank mandates immediately to the Company/Link Intime.
12. The Securities and Exchange Board of India (SEBI) has mandated the submission of PAN by every participant in securities market. Members holding shares in electronic form are therefore requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company/Link Intime.

Procedure / Instructions for e-voting are as under: In case of members receiving e-mail:

- (i) If you are holding shares in Demat form and had logged on to **www.evotingindia.com** and casted your vote earlier for EVSN of any Company, then your existing login id and password are to be used.
- (ii) Log on to the e-voting website **www.evotingindia.com**
- (iii) Click on "Shareholders" tab to cast your vote
- (iv) Now, select the Electronic Voting Sequence Number-"EVSN" along with "COMPANY NAME" from the drop down menu and click on "SUBMIT"
- (v) Now, fill up the following details in the appropriate boxes:

	For Members holding shares in Demat Form	For Members holding shares in Physical Form
User ID	For NSDL: 8 Character DP ID Followed by 8 Digits Client ID For CDSL: 16 digits beneficiary ID	Folio Number registered with the Company
PAN*	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department when prompted by the system while e-voting (applicable for both demat shareholders as well as physical shareholders)	
DOB#	Enter the Date of Birth as recorded in your demat account or in the company records for the said demat account or folio in dd/mm/yyyy format.	
Dividend Bank Details#	Enter the Dividend Bank Details as recorded in your demat account or in the company records for the said demat account or folio.	

*Members who have not updated their PAN with the Company/Depository Participant are requested to use the <AABCS4276J> in the PAN field.

Please enter any one of the details in order to login. In case either of the details are not recorded with the depository please enter the in the Dividend Bank details field.

- (vi) After entering these details appropriately, click on "SUBMIT" tab.
- (vii) Members holding shares in physical form will then reach directly the EVSN selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. The new password has to be minimum eight characters consisting of at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (@ # \$ % & *). Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform.

It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

- (viii) Click on the relevant EVSN on which you choose to vote.
- (ix) On the voting page, you will see Resolution Description and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

- (x) Click on the "Resolutions File Link" if you wish to view the entire Resolutions.
- (xi) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xiii) Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to <https://www.evotingindia.co.in> and register themselves, link their account(s) which they wish to vote on and then cast their vote. They should upload a scanned copy of the Board Resolution /Authority letter in PDF format in the system for the scrutinizer to verify the same. Further, they are requested to send the scanned copy of the Board Resolution/Authority letter to the email id of the Scrutinizer (r.doshi87@gmail.com), RTA (jiny.elizabeth@linkintime.co.in) and Company (info@sswrl.com)

In case of members receiving the physical copy:

- (A) Please follow all steps from sl. no. (i) to sl. no. (xiii) above to cast vote.
- (B) The voting period begins on 27th September, 2019 (9.00 a.m.) and ends on 29th September, 2019 (5.00 p.m.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22nd September, 2018, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (C) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.co.in under help section or write an email to helpdesk.evoting@cdslindia.com.

Mr. Rushabh Doshi, Company Secretary (A24406) has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.

The scrutinizer shall within a period of not exceeding three working days from the conclusion of the e-voting period unblock the votes in the presence of at least two witnesses not in employment of the Company and make a scrutinizer's report of the votes cast in favour or against, if any, forthwith to the Chairman of the Company.

The results of the e-voting along with the scrutinizer's report shall be placed in the Company's website www.sswrl.com and on the website of CDSL within two days of passing of the resolution at the AGM of the Company. The results will also be communicated to the stock exchange where the shares of the Company are listed.

During the financial year 2018-19, Five (5) Board Meetings were held on 30th May, 2018, 14th August, 2018, 14th November, 2018, 14th February, 2019 and 28th February, 2019. The Board Meetings were held in compliance with the Companies Act, 2013. The gap between any two meetings did not exceed 120 days.

17. Directors Responsibility Statement

In accordance with the provisions of Section 134(5) of the Companies Act, 2013 the Board hereby submits its Responsibility Statement:-

- a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- c) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the Directors had prepared the annual accounts on a going concern basis; and
- e) the Directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- f) the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

18. Disclosure under section 164(2) of the Companies Act, 2013

The Company has received the disclosure in Form DIR – 8 from its Directors being appointed or re-appointed and has noted that none of the Directors are disqualified under Section 164(2) of the Companies Act, 2013 read with Rule 14(1) of Companies (Appointment and Qualification of Directors) Rules, 2014.

19. Declaration of Independent Directors

The Independent Directors submitted their disclosures to the Board that they fulfil all the requirements as stipulated in Section 149(6) of the Companies Act, 2013 so as to qualify themselves to be appointed as Independent Directors under the provisions of the Companies Act, 2013 and the relevant rules as per the SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015.

20. Evaluation of the Board's Performance

In compliance with the requirements of Section 134(3) (p) of the Companies Act, 2013 and Regulation 25 of the SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015, the performance of the Board was carried out during the year under review. The Board was evaluated for its performance based on the following factors:

- i. Attendance of Board Meetings and Committees;
- ii. Contribution made to the Board discussions and future planning;
- iii. Level of commitment to the stakeholders' interest;
- iv. Initiatives towards the growth of the business and profitability;
- v. Providing outlook, view points and feedback taking the Company ahead beyond expectations.

21. Company's policy relating to Directors appointment, payment of remuneration and discharge of their duties

The Board has framed a Policy relating to appointment of Directors, payment of Managerial remuneration, Directors' qualifications, positive attributes, independence of Directors and other related matters as provided under Section 178 (3) of the Companies Act, 2013 based on the recommendation of Nomination and Remuneration Committee.

22. Directors and Key Managerial Personnel information

Retirement by Rotation

In accordance with the provisions of the Companies Act, 2013, Mr. Anil Lachman Sajnani's (DIN: 00014257) re- appointment has been included in the Notice convening the Annual General Meeting of the Company.

23. Secretarial Audit

In accordance with the provisions of Section 204 of the Companies Act, 2013 read with Rule 9 of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has got the Secretarial Audit conducted from the Practicing Company Secretary.

A Secretarial Audit Report issued by Ms. Nisha Uchil, Company Secretaries, in Form MR - 3, in respect of the secretarial audit of the Company for the financial year ended 31st March 2019, is furnished and attached to this Report.

24. Auditors

Pursuant to the provisions of Section 139(1) of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014, M/s. Kailashchand Jain & Co., Chartered Accountants (Registration No. 112318W) are appointed as Statutory Auditors for a period of Five years from the conclusion of 26th Annual General Meeting held on 29th September, 2018 until the conclusion of 31st Annual General Meeting of the Company to be held in the year 2023.

The Company has received necessary certificate from Auditors pursuant to Section 139 and 141 of the Companies Act, 2013 regarding their eligibility for appointment.

25. Cost Auditors

The Company is not required to maintain cost records as per the Companies (Cost Records and Audit) Amendments Rules, 2014 as the turnover of the Company for the preceding financial year 2017-18 was less than Rupees 35 Crores.

26. Auditors Report

The notes to accounts referred to in the Auditor's Report are self-explanatory and, therefore, do not call for any further comments.

27. Explanation or comments on qualifications, reservations or adverse remarks or disclaimers made by the Auditors and the Practicing Company Secretary in their reports

As per the Auditors observation we hereby clarify that we have given Loans and advances only to gain high interest rate and it has been given to the known party, further we are not changing the nature of business.

28. Nomination & Remuneration Policy

The Board of Directors of the Company has, on recommendation of the Nomination & Remuneration Committee, framed and adopted a policy for selection and appointment of Directors, Senior Management and their remuneration.

29. Disclosure of Composition of Audit Committee and providing Vigil Mechanism

Your Company has constituted an Audit Committee as required under Section 177 of the Companies Act, 2013 and has also established Vigil Mechanism for their employees and Directors to report their genuine concerns or grievances. The Board has accepted all the recommendations of the Audit Committee during the year under review as and when brought to their notice.

30. Listing

Your Company's Equity Capital is listed on the Bombay Stock Exchange. The Company confirms that it has paid annual listing fees due to these stock exchanges for the year 2018-2019 and has been diligent in observing all the compliances as stipulated in the SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015.

31. Depository System

Your Company has entered into agreement with the National Securities Depository Limited as well as the Central Depository Services (India) Limited (CDSL) to enable shareholders to hold shares in a dematerialized form. The Company also offers simultaneous dematerialization of the physical shares lodged for transfer.

32. Internal Control System

Your Company continuously invests in strengthening its internal control processes and has appointed M/s K. C. Jain Kala and Co., Chartered Accountants, (Firm Registration No. 112159W) as the Internal Auditors of the Company. The Company has put in place an adequate system of internal control commensurate with its size and nature of business. The systems provide a reasonable assurance in respect of providing financial and operational information, complying with applicable statutes, safeguarding of assets of the Company and ensuring compliance with corporate policies. Audit Committee periodically reviews the performance of internal audit system.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members of

SHREE STEEL WIRE ROPES LIMITED

I have conducted the Secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Shree Steel Wire Ropes Limited (Hereinafter referred to as “the Company”). Secretarial Audit was conducted in a manner that provides me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's Statutory Registers, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2019 has prima facie complied with the statutory provisions listed hereunder:

I have examined the statutory registers, papers, minutes books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under ;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - Not Applicable during the audit period;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;Though the following laws are prescribed in the format of Secretarial Audit Report by the Government, the same were not applicable to the Company for the financial year ended 31st March, 2019:
 - (a) The Securities And Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (b) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (c) The Securities and Exchange Board of India (Issue and listing of Debt securities) Regulations, 2008;
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- (vi) Based on the representation given by the Management of the Company, it is observed that there are no such laws which are specifically applicable to the business of the Company. It is confirmed by the Management that the Company has devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.
- (vii) I have also examined compliance with the applicable clauses of the following:
 - a) The Listing Agreements & SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 entered into by the Company with the stock exchanges viz., BSE Limited
 - b) Secretarial Standards 1 & 2 Issued by the Institute of Company Secretaries of India.

During the period under review the Company has prima facie complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc.

I further report that:

1. I rely on statutory auditor's reports in relation to the financial statements and comments and accuracy of financial figures for Sales Tax, Value Added Tax, Related Party Transactions, Provident Fund, ESIC, etc. as disclosed under financial statements, IND AS 24 and note on foreign currency transactions during our audit period.
2. The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Director and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
3. As per the information provided the company has prima facie given adequate notice to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on agenda items before the meeting and for meaningful participation at the meeting.
4. As per the minutes of the meetings, majority decisions of the Board were unanimous and no dissenting views were found as part of the minutes.
5. There are prima facie adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
6. The management is responsible for compliances of all business laws. This responsibility includes maintenance of statutory registers/files required by the concerned authorities and internal control of the concerned department.
7. During the audit period we have reported that, the company has no specific events like Public Issue/ Right/ Preferential issue of shares/Debentures/ sweat equity, etc.

I further report that:

1. Maintenance of Secretarial record is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these Secretarial Records based on our audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the Secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. Where ever required, I have obtained the Management representation about the compliance of Laws, Rules and Regulations and happening of events etc.
4. The compliance of the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the Management. My examination was limited to the verification of procedures on test basis.
5. The Secretarial Audit report is neither an assurance as to the future viability of the company nor the efficacy or effectiveness with which the Management has conducted the affairs of the company.

Management Review

We are pleased to report that during financial 2018-19, the Company has made a net profit (before tax) of Rs. 94.59 lakhs.

Overview

The Financial Statement has been prepared in Compliance with the requirement of the Companies Act, 1956, guidelines issued by the Securities and Exchange Board of India (SEBI) and Generally Accepted Accounting Principles (GAAP) in India. Our Management accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgments used therein.

The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present our state of affairs, profits and cash flows for the year.

Growth Review

The Company is one of the major suppliers for products such as "Stainless Steel Wire Ropes", "Regulating Equipment", "Traction Bond" and "Anticreep Wire Rope" to the Indian Railways. The Company has added one more product required by Indian railways, to its range of products viz. Section Insulator Assembly. All these items are required by the Indian Railways for Electrification of various railway routes throughout India. The demand for such items is expected to increase as these items are required for new installations and also for replacement of the old installations.

Opportunities

The Company envisages huge and continuous demand for its products viz "Stainless Steel Wires Ropes", "Traction Bond", "Anticreep Wire Rope", "Regulating Equipments" and Section Insulator Assembly as the same are required for new installations and also for replacement of the old installations by the Indian Railways. "

Threats and Risks

The competition for the products manufactured by the Company has increased due to new entrants in the market for similar products and also there is volatility in the prices of raw materials in recent past. This may reduce the market share of the Company and also may result into lower margins than the current level due to competition and higher input costs.

Cautionary Statement

Statement in the Management Discussion and Analysis describing the Company's objectives, expectations, predictions and assumptions may be 'forward looking' within the meaning of applicable Securities Laws and Regulations. Actual result may differ materially from those expressed herein. Important factors that could influence the Company's operations include global and domestic economic conditions affecting demand, supply, price conditions, change in Government's regulations, tax regimes, other statutes and other factors such as litigation and industrial relations.

Independent Auditor's Report

To the Members of **Shree Steels Wire Ropes Ltd.**

Opinion

We have audited the standalone financial statements of Shree Steel Wire Ropes Limited ("the Company"), which comprise the standalone balance sheet as at 31 March 2019, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143 (10) of the Act. Our responsibilities under those SAs are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Nil

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated, if based on the work we performed, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including Other Comprehensive Income), Changes In Equity and Cash Flows of the company in accordance with the accounting principles generally accepted in India including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this report are in agreement with the books of account
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act

- (e) On the basis of the written representations received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164 (2) of the Act; and
- (f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act
- (h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- The company has, to the extent ascertainable, disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 29(1) to the standalone financial statements;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the “**Annexure A**”, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - A to the Independent Auditors' Report of even date on the Standalone financial statements of Shree Steel Wire Ropes Limited.

Referred to in Paragraph 1 (f) of 'Report on Other Legal and Regulatory Requirements' section of our Report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Shree Steel Wire Ropes Limited** (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial

Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure - B to the Independent Auditors' Report

The Annexure 2 referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended March 31, 2019 we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Fixed assets of the company have been physically verified by the management during the year and no material discrepancies have been identified on such verification. In our opinion the frequency of verification is reasonable.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) As explained to us, the management at regular intervals during the year has physically verified inventories, in our opinion and according to the information and explanations given to us, the procedures of physical verification of

inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business, the company has maintained proper records of inventories. As explained to us, there was no material discrepancies noticed on physical verification of inventory as compared to the book records.

- (iii) The Company has not granted loans to any body corporate covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Consequently requirement of clauses (iii, a), (iii, b) and (iii, c) of paragraph 3 of the order are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made, and guarantees and securities provided by it.
- (v) The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- (vi) In our opinion and according to the information and explanations given to us, the Company is not liable for maintaining Cost accounts and Cost records as per applicability condition laid down under the Companies (Cost Records and Audit) Rules, 2014 under rule 3 (A) to 3 (D) read with Section 148 (1) of the Companies Act, 2013.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, income tax, GST, cess and other material statutory dues though there has been a slight delay in few cases, with the appropriate authorities.
According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, value added tax, duty of customs, service tax, goods and service tax, cess and other material statutory dues were in arrears as at March 31, 2019
- (viii) Based on our audit procedures and on the information and explanation given by the management, we are of the opinion that the company has not defaulted in repayment of dues to any Bank. The company has not taken any loans from financial institution, Government and debenture holders.
- (ix) In our opinion and according to information and explanation given to us the money raised by way of term loan has been applied, on an overall basis, for the purpose for which they were obtained. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments).
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Standalone Ind AS Financial Statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly paragraph 3(xiv) of the order is not applicable.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xiv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019.

Note '1'

Corporate Information:

Shree Steel Wire Ropes Limited (herein referred to as “SSWRL” or “the Company”) is engaged in the business of production of Steel Wire Ropes, Strands, Slings, Three Pulley Type Regulating Equipments, Section Insulator Assembly and allied products. The Company is Public Limited Company and is listed on Bombay Stock Exchange (BSE). The Address of the Registered Office is Gat No. 183-185, KIDC, Village Dheku, Taluka Khalapur, Khopoli - 410203 Dist. Raigad, Maharashtra, India.

Significant Accounting policies

1.1 Basis of Preparation :

The Company prepared its financial statements to comply with the accounting standards specified under section 133 of the Companies Act, 2013, read together with Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The financial statements have been prepared on an accrual basis and under the historical cost convention.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

The financial statements are presented in Indian Rupees.

1.2 Summary of Significant Accounting Policies:

a. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

b. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risk of the assets or liability and the level of fair value hierarchy as explained above.

c. Property, Plant and Equipment

Property, Plant and Equipments are stated at cost, net of accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period in which such expenses are incurred.

Capital work-in-progress comprises of property, plant and equipment that are not ready for their intended use at the end of reporting period and are carried at cost comprising direct costs, related incidental expenses, other directly attributable costs and borrowing costs.

Gains or losses arising from derecognition of property, plant and equipments are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Depreciation on Property, plant and equipment's is calculated on pro rata basis on straight-line method using the management assessed useful lives of the assets which is in line with the manner prescribed in Schedule II of the Companies Act, 2013

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively.

d. Intangible Assets

Intangible assets are stated at cost, net of accumulated amortization and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Gains or losses arising from derecognition of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Amortization on intangible assets is calculated on pro rata basis on straight-line method using the useful lives of the assets and in the manner prescribed in Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of Intangible assets are reviewed at each financial year end and adjusted prospectively.

The Company has Goodwill as Intangible Asset. Goodwill is shown at excess of purchase consideration over net tangible assets valued at the time of Business Purchase. Goodwill is not amortized.

e. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases.

Company as a Lessee:

Operating lease payments are recognized as an expense in the statement of profit and loss as per the contractual terms over the lease period.

Finance lease are capitalized at the commencement of the lease and depreciated over the period of lease.

f. Borrowing costs

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

g. Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal / external factors. Impairment Loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal.

Impairment losses are recognized in the statement of profit and loss.

h. Non-Current assets held for sale

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. The Company is committed to the sale expected within one year from the date of classification.

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet. Property, plant and equipment and intangible assets once classified as held for sale are not depreciated or amortized.

In the current year there are no such amounts recognized.

i. Inventories

Raw materials, traded goods, work in progress, finished goods, packing materials, project material for long term contracts, scrap materials and stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, packing materials and stores & spares is determined on a first in first out (FIFO) basis and includes all applicable cost incurred in bringing goods to their present location condition.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct material as aforesaid, direct labour cost and a proportion of manufacturing overheads based on total manufacturing overheads to raw materials consumed.

Traded goods are value at lower of cost and net realizable value. Cost includes cost of purchase and other cost incurred in bringing the inventories at their location and condition. Cost is determined on weighted average basis.

The stocks of scrap materials have been taken at net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

j. Revenue recognition

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties including taxes. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

The following specific recognition must also be met before revenue is recognized.

Sale of goods

Revenue from sale of the goods is recognized when all the significant risk and rewards of ownership of the goods have been passed to the buyer, usually on dispatch of goods. The company collects GST on behalf of the government and, therefore, these are not economic benefits to the company. Revenue is disclosed net of discounts and returns, as applicable.

Interest

For all financial asset measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR).

Dividends

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date

k. Foreign currency translation

The Company's financial statements are presented in Indian rupee (INR) which is also the Company's functional currency.

Foreign currency transaction are recorded on initial recognition in the functional currency, using the exchange rate prevailing at the date of transaction.

Measurement of foreign currency item at the balance sheet date

Foreign currency monetary assets and liabilities denominated in foreign currency are translated at the exchange rates prevailing on the reporting date.

Exchange differences

Exchange differences arising on settlement or translation of monetary items are recognized as income or expense in the statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

However, There are no foreign currency transactions during the year.

l. Income taxes

Tax expenses comprise current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit and loss is recognized outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred income tax is measured using the tax rates and the tax laws enacted or substantially enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for deductible temporary differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

m. Segment reporting

Segment reporting required as per Ind AS-108 is not applicable as the Company operates in one single primary business segment.

n. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity

shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.

o. Provisions, Contingent liabilities and capital commitments

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Capital Commitments includes the amount of purchase orders (net of advances) issued to parties for completion of assets.

p. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand, cheques in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purposes of cash flow statement consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

q. Financial instruments

Financial assets are divided into the following categories:

- financial assets carried at amortized cost
- financial assets at fair value through other comprehensive income
- financial assets at fair value through profit and loss;

Financial assets are assigned to the different categories by Management on initial recognition, depending on the nature and purpose of the financial assets. The designation of financial assets is re-evaluated at every reporting date at which a choice of classification or accounting treatment is available. Financial Assets like Investments in Subsidiaries are measured at Cost as allowed by Ind-AS 27 —

Separate Financial Statements and hence are not fair valued.

Financial assets carried at amortized cost:

"A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These are non-derivative financial assets that are not quoted in an active market. Loans and receivables (including trade and other receivables, bank and cash balances) are measured subsequent to initial recognition at amortized cost using the effective interest method, less provision for impairment. Any change in their value through impairment or reversal of impairment is recognized in the income statement.

In accordance with Ind AS

Allowance on trade receivables and content advances based on historically observed default rates.

Impairment loss allowance recognized during the year is charged to Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income:

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss:

"A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any

of the other categories of financial assets. Gains and losses arising from investments classified under this category are recognized in the income statement when they are sold or when the investment is impaired.

In the case of impairment, any loss previously recognized in other comprehensive income is transferred to the income statement. Impairment losses recognized in the income statement on equity instruments are not reversed through the income statement. Impairment losses recognized previously on debt securities are reversed through the income statement when the increase can be related objectively to an event occurring after the impairment loss was recognized in the income statement.

"When the Company considers that fair value of financial assets can be reliably measured, the fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Company applies its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at each balance sheet date. Equity instruments measured at fair value through profit or loss that do not have a quoted price in an active market and whose fair value cannot be reliably measured are measured at cost less impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date:

A financial asset is derecognized only where the contractual rights to the cash flows from the asset expire or the financial asset is transferred and that transfer qualifies for derecognition. A financial asset is transferred if the contractual rights to receive the cash flows of the asset have been transferred or the Company retains the contractual rights to receive the cash flows of the asset but assumes a contractual obligation to pay the cash flows to one or more recipients. A financial asset that is transferred qualifies for derecognition if the Company transfers substantially all the risks and rewards of ownership of the asset, or if the Company neither retains nor transfers substantially all the risks and rewards of ownership but does transfer control of that asset.

Financial liabilities:

"Financial liabilities are classified as either 'financial liabilities at fair value through profit or loss' or 'other financial liabilities'. Financial liabilities are subsequently measured at amortized cost using the effective interest method or at fair value through profit or loss.

Financial liabilities are classified as at fair value through profit or loss when the financial liability is held for trading such as a derivative, except for a designated and effective hedging instrument, or if upon initial recognition it is thus designated to eliminate or significantly reduce measurement or recognition inconsistency or it forms part of a contract containing one or more embedded derivatives and the contract is designated as fair value through profit or loss.

Financial liabilities at fair value through profit or loss are stated at fair value. Any gains or losses arising of held for trading financial liabilities are recognized in profit or loss. Such gains or losses incorporate any interest paid and are included in the "other gains and losses" line item.

Other financial liabilities (including borrowing and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

A financial liability is derecognized only when the obligation is extinguished, that is, when the obligation is discharged or cancelled or expires. Changes in liabilities' fair value that are reported in profit or loss are included in the income statement within finance costs or finance income.

r. Derivative financial instruments

The Company has not entered into any Derivative contracts during the year.

s. Government grants:

Government grants are recognized where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with.

When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

When the grant relates to an asset, it's recognition as income in the statement of profit and loss is linked to fulfilment of associated export obligations.

The Company has chosen to present grants received to income as other income in the statement of profit and loss.

Note 1.3.: Significant accounting judgements, estimates and assumptions

In the course of applying the policies outlined in all notes, the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period.

(a) Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

(b) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) Cost to complete

The Company's management estimate the cost to complete for each project for the purpose of revenue recognition and recognition of anticipated losses of the projects, if any. In the process of calculating the cost to complete, Management conducts regular and systematic reviews of actual results and future projections with comparison against budget. The process requires monitoring controls including financial and operational controls and identifying major risks facing the Company and developing and implementing initiative to manage those risks. The Company's Management is confident that the costs to complete the project are fairly estimated.

(ii) Impairment of investments in subsidiaries and joint-ventures

Determining whether the investments in subsidiaries, joint ventures and associates are impaired requires an estimate in the value in use of investments. In considering the value in use, the Directors have anticipated the future market conditions and other parameters that affect the operations of these entities.

(iii) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(iv) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

(v) Fair value measurements:

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including multiples and the Discounted Cash flow (DCF model). The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility.

(vi) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(vii) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If an indication exists, or when the annual impairment testing of the asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from the other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and its written down to its recoverable amount.

1.3.1. Standard Issue but not effective:

The amendments to standard that are issued, but not yet effective, up to the date of issuance of the company's financial statement are disclosed below. The company intend to adopt these standards if applicable, when they become effective.

The ministry of corporates affaires (MCA) has issued the companies (Indian accounting standards) Amendments rules, 2017 and companies (Indian accounting standards) Amendments rules, 2018 amending the following standard:

(i) Issue of Ind AS 115 – Revenue from contract from customers

Ind AS 115 was notified on 28 March 2018 and stabilises a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115, revenue is recognized at an amount that reflects the consideration to which an entity to be entitled exchange for transferring goods or services to a customer.

The new revenue standard will supersede all current revenue recognition requirements under Ind AS. Either a full retrospective application or modified retrospective application is required for annual periods beginning on after 1st April 2018, the company will adopt the new standard on the requirement effective date using the modified retrospective method. The company has established an implementation team implement Ind AS 115 related to the recognition of revenue from contract with customer and continued to evaluate the charges to accounting system and process and additional discloser requirements that may be necessary. A reliable estimate of the quantitative impact of Ind AS 115 on the financial statement will only be possible once the implementation project has been completed.

(ii) Amendments to exiting issued Ind AS

The MCA has also carried out amendments of the following accounting standards:

Ind AS 21 – The effects of changes in foreign exchange rates.

Ind AS 12 – Income Tax

Ind AS 28 – Investment associated and joint venture and

Ind AS 112 – Disclosure of Interest in other entities.

Application of above standards are not expected to have any significant impact on the Companies Financial Statements.

Lease Rent Paid	1,200,000	1,245,000

4. **Lease:**

Office premises is on rental basis and risks & rewards of ownership are retained by the lessor. The Rent is charged to

(Amount in ₹)

Particulars	2018-2019	2017-2018
-------------	-----------	-----------

profit and loss account. The office premises is on rental basis as a leave and licence agreement is short term in nature, therefore no further disclosures have been made.

5. Segment Reporting:

Segment Reporting as required by AS-108 is not applicable as the company operates in one single primary business segment i.e. Steel Wire Ropes Manufacturing.

6. MSME Creditors

Total Outstanding Dues of Micro & Small Enterprises	13,306,654	9,654,204
Total outstanding dues of creditors other than micro & small enterprises	11,616,812	9,647,707
Total	24,923,466	19,301,911

7. Gratuity and Other Post-employment benefit plans

The Company operates a defined benefit plan, viz., gratuity for its employees. Under the gratuity plan, every employee who has completed at least five years of service gets a gratuity on departure @ 15 days of last drawn salary for each completed year of service. The scheme is Un-funded

The following tables summarise the components of net benefit expenses recognised in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for gratuity.

Statement of profit and loss

Net employee benefits expense recognised in profit or loss:

Current service cost	144,156	-
Net interest cost	157,958	-
Past service cost	-	-
Net benefits expense	302,114	-

Net actuarial (gain)/ loss recognised in Other comprehensive income for the year:

Actuarial (gain) /loss on obligations	-	-
Return on plan assets, excluding interest income	-	-
Net (Income)/Expense for the year recognized in OCI	-	-

Balance sheet

Benefits liability

Present value of defined benefit obligation	(1,825,879)	-
Fair value of plan assets	-	-
Plan liability	(1,825,879)	-

Changes in the present value of the defined benefit obligation are as follows:

Opening defined benefit obligation	1,864,890.00	-
Interest cost	144,156.00	-
Current service cost	157,958	-
Past service cost	-	-
Liability transferred in/acquisition	-	-
Benefits paid	(115,200)	-
Liability transferred out	-	-
Actuarial (gains)/losses on obligations	-	-
Due to change in demographics assumptions	-	-
Due to change in financial assumptions	-	-
Due to experience	(225,925)	-
Closing defined benefit obligation	1,825,879	-

(Amount in ₹)

Particulars	2018-2019	2017-2018
-------------	-----------	-----------

Changes in the fair value of plan assets are as follows:

Opening fair value of plan assets	-	-
Interest Income	-	-
Contribution by employer	-	-
Assets transferred in/acquisition	-	-
Benefits paid	-	-
Actuarial gains	-	-
Closing fair value of plan assets	-	-

Current & non-current bifurcation of provision for gratuity as per actuarial valuation is as follows:

Current	-	-
Non-current	1,825,878	-
Total	1,825,878	-

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

Investment with insurer	0%	0%
-------------------------	----	----

The principal assumptions used in determining gratuity for the Company's plans are shown below:

Discount rate	7.77%	0%
Expected rate of return on plan assets	N.A.	N.A.
Employee turnover	2.00%	0%
Salary escalation	6%	0%
Mortality rate during employment	Indian assured lives mortality (2006-08)	N.A.
Mortality rate after employment	N.A.	N.A.

The average expected future service as at 31 March 2019 is 28.09 years

The estimates of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

A quantitative sensitivity analysis for significant assumption as at 31 March 2019 is as shown below:

Sensitivity analysis

Projected benefit obligation on current assumptions	1,825,879	-
Delta effect of +1% change in rate of discounting	(133,995)	-
Delta effect of -1% change in rate of discounting	154,074	-
Delta effect of +1% change in rate of salary increase	155,264	-
Delta effect of -1% change in rate of salary increase	(137,288)	-
Delta effect of +1% change in rate of employee turnover	17,285	-
Delta effect of -1% change in rate of employee turnover	(19,586)	-

Usefulness and methodology adopted for sensitivity analysis:

Sensitivity analysis is an analysis which will give the movement in liability if the assumptions were not proved to be true on different count. This only signifies the change in the liability if the difference between assumed and the actual is not following the parameters of the sensitivity analysis.

Maturity analysis of projected benefit obligation from the Employer.
