2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India ("ICAI"). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. The Statement includes comparative figures for the quarter and half year ended September 30, 2021, which was reviewed by Deloitte Haskins & Sells, Chartered Accountants, one of the joint statutory auditors of the Company, whose report dated November 09, 2021 expressed an unmodified conclusion on those standalone financial results. Accordingly, we, PKF Sridhar & Santhanam LLP, Chartered Accountants, do not express any conclusion on the comparative figures reported in the standalone financial results for the quarter and half year ended September 30, 2021.

Our conclusion is not modified in respect of this matter.

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **CreditAccess Grameen Limited** (the "Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as the "Group"), for the quarter and half year ended September 30, 2022 (the "Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements ("SRE") 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI"). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Sr. No.	Name of the Company	Nature of relationship
1	CreditAccess Grameen Limited	Parent
2	Madura Micro Finance Limited	Subsidiary
3	Madura Micro Education Private Limited	Subsidiary
4	CreditAccess India Foundation	Subsidiary

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the interim financial results of one subsidiary included in the Statement, whose interim financial results reflect total assets of ₹2,849.13 crore as at September 30, 2022, total revenues of ₹147.19 crore and ₹ 291.59 crore for the quarter and half year ended September 30, 2022 respectively, total net profit after tax of ₹20.50 crore and ₹ 30.59 crore for the quarter and half year ended September 30, 2022 respectively, total comprehensive income of ₹20.32 crore and ₹ 30.87 crore for the quarter and half year ended September 30, 2022 respectively, and net cash inflows of ₹72.58 crore for the half year ended September 30, 2022 as considered in the Statement. These interim financial results have been reviewed by the other auditors whose reports have been furnished to us by the Management, and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion is not modified in respect of this matter.

7. The unaudited consolidated financial results include the interim financial information of two subsidiaries which have not been reviewed/audited by their auditors, whose interim financial results reflect total assets of ₹2.03 crore as at September 30, 2022, total revenues of ₹ Nil for the quarter and half year ended September 30, 2022, total net loss after tax of ₹0.01 crore and ₹0.02 crore for the quarter and half year ended September 30, 2022 respectively, total comprehensive loss of ₹0.01 crore and ₹0.02 crore for the quarter and half year ended September 30, 2022 respectively, and net cash flows of ₹0.71 crore for the half year ended September 30, 2022 as considered in the Statement. According to the information and explanations given to us by the Management, this interim financial information is not material to the Group.

Our Conclusion is not modified in respect of our reliance on the interim financial information certified by the Management.

8. The Statement includes comparative figures for the quarter and half year ended September 30, 2021, which was reviewed by Deloitte Haskins & Sells, Chartered Accountants, one of the joint statutory auditors of the Company, whose report dated November 09, 2021 expressed an unmodified conclusion on those consolidated financial results. Accordingly, we, PKF Sridhar & Santhanam LLP, Chartered Accountants, do not

Commenting on the performance, Mr. Udaya Kumar Hebbar, MD and CEO of CreditAccess Grameen, said, *“We witnessed the strongest second quarter, recording our highest quarterly PAT of INR 176 crore. There has been healthy growth across all parameters ranging from borrower addition, disbursements, collection efficiency, asset quality, net interest margin, return ratios and traction in foreign funding. We added over 2.8 lakh borrowers during Q2 FY23 and disbursed INR 4,375 crore, the highest ever during the second quarter to date. Our asset quality largely normalised with 97%-98% collection efficiency, and Net NPA of 0.77%.*

Given our strong control over the cost of borrowings coupled with one of the lowest lending rates in the industry, we are best placed to protect our Net Interest Margin (NIM), in a rising interest rate scenario. Over the past 6 months, our cost of borrowing increased by only 30 bps to 9.2% whereas our NIM expanded by 70 bps to 12.0%. The improved operating performance helped us generate a ROA of 4.0% and an ROE of 16.1% in Q2 FY23. H1 FY23 performance gives us the confidence to comfortably achieve our annual performance guidance for FY23.

We are extremely happy to announce that the United States International Development Finance Corporation (DFC) supported us with a USD 35 million ESG-linked loan for up to 7 years, first of its kind direct lending to an Indian MFI. Overall, in the past 6 months, we received sanctions of around USD 195 Mn, aiding our strategy of diversifying liability profile. Today, we have strong visibility on foreign sourcing, backed by 38% share in undrawn sanctions and 19% share in sanctions in the pipeline.”
