Subject: Intimation under regulation 30 of SEBI (LODR), 2015 for - Notification of Selection for Electrolyser Manufacturers (EM) for setting up Manufacturing Capacities for Electrolysers in India under SIGHT Scheme (Tranche - 1) of Ministry of New and Renewable Energy

Dear Sir/Madam,

With reference to the above subject, we wish to inform you that the Company has received official notification from the Solar Energy Corporation of India Limited under the Ministry of New and Renewable Energy regarding our successful selection for the manufacturing of Electrolysers Capacity in India. This opportunity has been granted under the Strategic Interventions for Green Hydrogen Transition (SIGHT) Scheme, Tranche - 1, with a designated facility capacity of 100 MW per annum.

The Company has been selected amongst fierce competition against many large and established players in Renewable Energy sector due to its acquisition of know-how and preparedness on the manufacturing. This notification marks a significant milestone for the Company, reaffirming our commitment to contributing to the growth of the renewable energy sector in India. Manufacturing of Electrolysers aligns seamlessly with our strategic goals and underscores our dedication to fostering sustainability and innovation within the Renewable Energy industry.

We understand the importance of timely and transparent communication with our shareholders and the broader financial community. Therefore, we are making this disclosure to keep the Bombay Stock Exchange and our esteemed investors informed about this pivotal development.

Thank you for your attention to this matter and request you to take this intimation on record.

Thanking you
Yours sincerely,

Daisy Mehta
