Hi @channel – I've got news for you. Our beloved Nitin Savara will be leaving Zomato to start something on his own.

@Nitin Savara loves Zomato, and as much as I and @akshant tried to retain him with us for the last few weeks, it didn't work because Nitin is very excited about what he wants to build, and there's no stopping him :)... also, I am the last person to stop anyone from starting up on their own. We need more entrepreneurs in our country, not less.

Savara sir – thank you so much for everything, you made us all sleep better. I think we will have to find other sleeping pills going forward :)... In your short stint, you have taken our finance team many steps forward, and we will remain eternally grateful to you for that.

I'd love to host a small farewell for you tomorrow along with the people you worked with most closely. Will speak to you to finalise the venue and time with you shortly.

Everyone – please join me in wishing Nitin all the best for his future.
