II ALIVE IN OUR MEMORIES FOREVER II

"A visionary who looked into the future. An inspiration who led by example. Your ideals and values guide and inspire us. The legacy you left behind is our greatest strength and motivation".

Chairman's Message

Dear Fellow Share Owners,

I am honoured once again to be amongst all of you in this annual general meeting of the Company to share my views on the broad state of affairs of your Company during the period under review.

As was anticipated, the period remained turbulent and full of uncertainty coupled with global destabilization and contracting economies worldwide. Cascading effects of pandemic are evident on several fronts and various Governments are trying hard to overcome such a grave situation of disruption.

The magnanimity of the economic distress is rapidly unfolding that even the developed world is being hit real hard. Geopolitical condition in Europe has added to the miseries of the world at large. Continued conflict is rubbing salt on the wounds of battered economic conditions. Crude oil embargo/ sanctions have spiraled its prices to unprecedented levels fuelling inflation in many countries including our neighbours.

The world has changed profoundly over the past two years, while it was difficult and fraught with uncertainty, the impact has fundamentally altered the business land scape which is now more complex.

During the period under review, as was foreseen, the international business environment remained under tremendous pressure and largely stagnated, however, the Company continued its operations cautiously and with conservative approach despite disruptions. The Company is now more and more focusing on domestic trade due to uncertainty in the international trade as geopolitical situation remained quite volatile.

Company has some stake in commercial as well as residential spaces along with its subsidiaries/ associates. Some of the projects continued to be stalled and in commercial spaces occupancy is also adversely impacted. The market is recovering though gradually.

Despite short term headwinds, India has been the fastest growing major economy for two years in a row and is set to grow over an extended period on account of Central Government's focus on reform measures, prioritization of domestic value addition and policy interventions. During the uncertain times, financial prudence is to conserve the resources and seize new opportunities. As painful and disruptive as it was, the pandemic was also learning experience. We will not take anything for granted hereon. It has given us courage of conviction to embark on our plans of de-risk the business and target growth aggressively.

Continued accommodative monetary policy of RBI, raising of repo rates recently, expected increase in infrastructure expenditure by the Governments, are the forces that will support growth recovery coupled with global growth prospects.

As I conclude, I would like to express my heartfelt appreciation to our employees for their unwavering dedication and commitment towards conducting our operations on the principle of "Going beyond business". I would also like to thank all our stakeholders for their continued trust and support.

With lots of Thanks,

Deepak Kothari

NOTES:

1. In view of the ongoing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its Circular No. 14/2020 and 17/2020 dated 8th April, 2020 and 13th April, 2020 respectively, Circular No.20/2020 dated 5th May, 2020 (collectively referred to as "MCA Circulars") and SEBI Circular dated 12th May, 2020 permitted the holding of the Annual General Meeting ("AGM") through VC/OAVM Facility, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("the Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), aforesaid MCA Circulars and Circulars issued by the Securities and Exchange Board of India ("SEBI Circular"), the 38th AGM of the Company is being held through VC/OAVM Facility. The detailed procedure for participating in the meeting through VC/OAVM Facility is mentioned hereunder in this notice and also on the website of National Securities Depositories Limited ("NSDL"). The deemed venue for the 38th AGM shall be the Registered Office of the Company.
2. In terms of the aforesaid MCA Circulars and SEBI Circular, the Notice of the 38th AGM and the Annual Report for F.Y. 2021-22 will be also available on the website of the Company at www.kothariproductions.in and on the website of BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at <https://www.nseindia.com>
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the aforesaid MCA Circulars and SEBI Circular through VC/OAVM Facility, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the 38th AGM of the Company and therefore the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Attendance of the Members of the Company, participating in the 38th AGM through VC/OAVM Facility will be counted for the purpose of reckoning the quorum under section 103 of the Act.
5. The Register of Members and Share Transfer Books of the Company shall remain closed from Friday, 23rd September, 2022 to Friday, 30th September, 2022 (both days inclusive) in connection with the Annual General Meeting.
6. THE MEMBERS HOLDING PHYSICAL SHARES ARE, IN THEIR OWN INTEREST, ADVISED TO SEND IMMEDIATELY REQUESTS FOR CHANGE OF ADDRESS AND BANK PARTICULARS, IF ANY, TO OUR REGISTRAR I.E. M/s. HOWEVER, THE MEMBERS HOLDING DEMAT SHARES ARE ADVISED TO IMMEDIATELY INTIMATE THE CHANGE OF ADDRESS AND BANK DETAILS TO THEIR CONCERNED DEPOSITORY PARTICIPANTS.
7. Those Members who have not encashed/received their Dividend warrants for the financial years 2014 - 15 onwards may approach immediately and latest by 15th September, 2022 to the Secretarial Department at the Registered Office of the Company for revalidation of Dividend Warrants or for obtaining duplicate Dividend Warrants in lieu of the lost warrants. The Company has uploaded the details of unpaid and unclaimed amounts lying with the Company on the website of the Company (www.kothariproductions.in).
8. Transfer of Unclaimed/Unpaid amounts to the Investor Education and Protection Fund (IEPF):
Pursuant to Sections 124 and 125 of The Companies Act, 2013 and Rules made thereunder, all Unclaimed/Unpaid dividend for a period of seven years, from the date they became due for payment, were required to be transferred to the IEPF. Accordingly, all unclaimed/unpaid dividend for the Financial Year 2014-15, have to be transferred to the Investors Education & Protection Fund (IEPF) established by the Central Government.
Further, as per Section 124(6) of the Act read with the IEPF Rules as amended, all shares in respect of which dividend has remained unpaid/unclaimed for seven consecutive years or more are also required to be transferred to the Demat Account of the IEPF Authority.
The Company has sent notices to all the members whose Dividends are lying unpaid/unclaimed for seven consecutive years or more. Concerned Members are requested to claim the same immediately. In case the dividends are not claimed, necessary steps will be initiated by the Company to transfer shares held by the members to IEPF without further notice.
The unpaid Dividend amount relating to the Financial Years, 1997-98, 1998-2000 (Interim), 1998-2000 (Final), 2000-2001, 2001-2002, 2002-2003, 2003-2004, 2004-2005, 2005-2006, 2006-07, 2007-08, 2008-2009, 2009-10, 2010-11, 2011-12, 2012-13 & 2013-14 have been transferred to the aforesaid Investor Education & Protection Fund.
MEMBERS ARE AGAIN ADVISED TO NOTE THAT THE UNPAID DIVIDEND AMOUNT RELATING TO FINANCIAL YEAR 2014-15 WILL BE TRANSFERRED TO THE INVESTOR EDUCATION & PROTECTION FUND, AS PER THE PROVISIONS OF SEC.124(5) OF THE COMPANIES ACT, 2013 IN OCTOBER, 2022. THE DIVIDEND FOR THE AFORESAID YEAR SHALL BE PAID ONLY ON RECEIPT OF REQUEST AND SATISFACTORY COMPLIANCE OF THE REQUISITE PROCEDURE.
9. SEBI had also mandated that requests for effecting transfer of securities (except transmission or transposition of securities) shall not be processed after March 31, 2019, unless the securities are held in dematerialized form. Hence,

the Members holding shares in physical form are requested to convert their holdings to dematerialized form at the earliest.

10. Section 72 of the Companies Act, 2013 has extended nomination facility to individuals holding shares in Companies. Shareowners, in particular, those holding shares as sole holder are advised to avail of the above facility in their own interest, by furnishing to the Company the particulars of their nominations. The prescribed application form may be obtained by the shareowners from the Company's Secretarial Department at its Registered Office.
11. Pursuant to the aforesaid MCA Circulars and SEBI Circular, in view of the prevailing situation, owing to the difficulties involved in despatch of physical copies of the Documents, the Notice of the 38th AGM and the Annual Report for the year 2021-22 including therein the Audited Financial Statements for financial year ended 31st March, 2022, are being sent only by email to the Members. Members who have not registered their email addresses with the Company or with their respective Depository Participants and who wish to receive the Notice of the 38th AGM and the Annual Report for the year 2021-22 and all other communications sent by the Company, from time to time, can now register the same by submitting a duly filled-in request form mentioning their folio number, complete address, email address to be registered along with scanned self attested copy of the PAN Card and any document (such as Driving Licence, Passport, Bank Statement, Aadhar Card) supporting the registered address of the Member, by email to the Registrar. Members holding shares in demat form are requested to register their email addresses with their Depository Participant(s) only.
12. Even after registering for e-communication, the members are entitled to receive such communication/documents in physical form, upon making a request for the same, by post, free of cost.
13. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of Listing Regulations read with MCA Circulars and SEBI Circular, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the 38th AGM and facility for those Members participating in the 38th AGM to cast vote through e-Voting system during the 38th AGM. National Securities Depositories Ltd. (NSDL) will be providing facility for voting through remote e-Voting, for participation in the 38th AGM through VC/OAVM Facility and e-Voting during the 38th AGM.
14. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date only, shall be entitled to avail the facility of remote e-voting.
15. Members who have acquired shares after the e-mailing of the Annual Report and before the book closure may obtain the user ID and Password by sending a request at evoting@nsdl.co.in or rta@alankit.com by mentioning their Folio No./DP ID and Client Id. However, if you are already registered with NSDL for remote e-voting, then you can use your existing user ID and password for casting your vote. If you have forgotten your password, you can reset your password by using "Forgot User Details / Password" option available on www.evoting.nsdl.com or contact NSDL at the following toll free no. 1800-222-990.
16. The Company has appointed Sri Adesh Tandon, a Practising Company Secretary of Kanpur as Scrutinizer to receive and scrutinize the completed physical ballot forms and votes cast electronically by the members. The results declared alongwith the Scrutinizer's Report shall be placed on the Company's website www.kothariproducs.in and on the website of NSDL www.evoting.nsdl.com within two working days of passing the resolutions at the Thirty Eighth Annual General Meeting of the Company on Friday, 30th September, 2022 and communicated to the Bombay Stock Exchange Ltd. and National Stock Exchange of India Limited, where the shares of the Company are listed.
17. The Securities & Exchange Board of India has notified that the shareholders/transferees of shares (including Joint holders) holding shares in physical form are required to furnish a certified copy of their PAN Card to the Company/RTA while transacting in the securities market including by transfer, transmission or any other Corporate Action. Accordingly, all the Physical shareholders/transferees of shares (including Joint holders) are requested to furnish a certified copy of their PAN Card to the Company/RTA while transacting in the securities market including by transfer, transmission or any other Corporate Action.
18. The Members can join the AGM in VC/OAVM mode 15 (fifteen) minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. All the Statutory Registers and other material documents, required to be available for inspection will be available for inspection by the Members on all working days at the Registered Office of the Company between 11:00 A.M. to 1:00 P.M. upto the date of AGM. Members seeking to inspect such documents can send an e-mail to rkgupta@kothariproducs.in with the subject line "Kothari Products Limited 38th AGM-Inspection of Documents". However the same will be available electronically for inspection by the members during the AGM only after login and otherwise through request at the aforesaid e-mail ID.
19. Pursuant to SEBI (LODR) Regulations, 2015, particulars of Directors seeking re-appointments at this meeting are provided in the Corporate Governance Report forming part of the Annual Report.
20. Those Members who require any information regarding the accounts or any other information regarding the Company must inform the Company atleast 7 days in advance before the AGM to enable the Company to keep the information readily available at the AGM.

21. Those Members who want to speak at the AGM must inform the Company at least 3 days in advance of the AGM about their aforesaid intention. The facility for joining the AGM through VC/OAVM shall be available on first come first served basis.
22. When a pre-registered speaker is invited to speak at the meeting but he/she does not respond, the next speaker will be invited to speak. Accordingly, all speakers are requested to get connected to a device with video/camera along with good internet speed.
23. The Company reserves the right to restrict the number of questions and number of speakers, as appropriate, for smooth conduct of the AGM.
24. Since the AGM will be held through VC/OAVM, the route map of the venue of the meeting is not annexed hereto.
25. Members attending the AGM through VC/OAVM shall be reckoned for the purpose of quorum under Section 103, of the Act.
26. The recorded transcript of the AGM through VC/OAVM shall be placed on the website of the Company.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The information, as required under SEBI (Listing Obligations & Disclosures Requirements) Regulations, 2015 is as under:-

a) INDUSTRY STRUCTURE AND DEVELOPMENTS

The Global economy grew an estimated 5.9% in 2021 compared to de-growth of 3.3% in 2020. However, the spread of more transmissible versions of Covid-19, surge in Covid-19 cases and the associated lockdowns in some regions and Geo political tensions in Europe added fuel to uncertainty of the prospect of economic recovery. World economy witnessed supply bottlenecks and disruption and concerns of high inflations globally, rising interest rates alongwith consequent risk of the recession in some major economies dampened the sentiments and led to uncertainty to the prospect of global economic recovery.

Geo-political tensions lead to sanctions imposed by affected countries which resulted in the high Crude oil prices, metal price also rose significantly. However, in India, the path to economic recovery is encouraging and we are witnessing robust GDP growth.

The Indian economy was affected by the second wave of the pandemic that affected economic growth towards the fag end of the previous financial year and across the first quarter of the financial year under review. The result is that after a growth of 1.6 per cent in the last quarter of FY 21, the Indian economy grew 20.1 percent in the first quarter of FY 22 due to the relatively small economic base during the corresponding period of the previous year.

b) OPPORTUNITIES & THREATS

With the initiative of Atmanirbhar package/ Gati Shakti Mission announced last year, there have also been some structural reforms-oriented measures targeted at various sectors. Across the next three years, capital expenditure in core sectors - cement, metal, oil refining and power - should be about Rs.5 trillion. Besides, the Government's production linked incentives (PLI)-led capex should generate an incremental Rs.1.4 trillion in sectors like consumer durables, pharmaceuticals and automobiles. However, the relief measures for the businesses in the nature of credit guarantee scheme announced previous year, have been severely affected by the pandemic and unable to achieve its goal. Also, the prospects for the export sector are not projected to see an improvement owing to above mentioned uncertainties around the world. Further, disruptions to businesses worldwide and economic slowdown may have its eventual impact on the Company.

There may be continued instability in the market, currency fluctuations does also affect adversely the international market. Recent events have been relentless with global pandemic, tension in Europe, disruptions in supply chain, shortages and much more. The businesses have to cope- up with the unprecedented sequence of events rapidly. The margins have been impacted due to volatile international market.

However, RBI is quite proactive in containing inflation and various measures like repo rate changes have been taken to stabilize the economy in this uncertain period, the prospects for the export sector are not projected to see remarkable improvement owing to uncertainties around the world due to continuing Covid 19 pandemic and tensions in Europe.

As the Company deals in international trade, it is exposed to foreign currency risks but the risk is minimized to the great extent by natural hedging. Company also has in house treasury with well-defined hedging policy through which company monitors its currency exposure on continuous basis and employs various hedging tools like forward cover, options etc.

Company does have comprehensive risk management system in place which includes internal controls which are commensurate to the size and nature of the inherent risks of company's businesses. These Risk Management system and processes enable the company in identifying and managing the risks appropriately.

c) SEGMENT-WISE PERFORMANCE

In trading division company's emphasis is on consolidation and diversification instead of expansion. The revenue of the Trading division during the year under review has been Rs. 110170 Lacs as compared to Rs. 171313 Lacs during the previous year and that of the Real Estate etc., has been Rs. 1264 Lacs as compared to Rs. 6498 Lacs during the previous year. The profit before tax and interest from both the aforesaid division is at Rs. 2359 Lacs and Rs 914 Lacs respectively as compared to previous year figures of Rs. -1718 Lacs & Rs.6223 Lacs respectively.

d) OUTLOOK:

The business around the globe pick- up gradually and your company would also perform well in coming years. The Indian economy is projected to grow by 8% in FY23 (World Bank estimate), buoyed by tailwinds of consistent agricultural performance, flattening of the COVID-19 infection curve, increase in Government spending, favourable reforms and an efficient roll-out of the vaccine leading to a revival in economic activity.

Businesses in India also started to resume gradually after second wave of Covid-19, and your Company is also scaling up the activities slowly and cautiously, although with the stable government at the center and "Atmanirbhar Bharat"/ Gati Shakti Mission initiatives, we expect improvement in domestic trade and real estate business in future.

The period of crisis and uncertainty in the markets is expected to take its own time and largely depends upon the various international factors to subside in due course, upon which your company will be able to tide over properly and shall also embark upon other trade prospects including diversification.

e) RISKS AND CONCERNS:

These aspects have been mentioned under the Heading "Opportunities and Threats".

f) DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE COMPARED TO THE IMMEDIATE PREVIOUS FINANCIAL YEAR)

INDEPENDENT AUDITORS' REPORT

To
The Members of
Kothari Products Limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying Standalone Financial Statements of **Kothari Products Limited** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2022, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to Standalone Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statement in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules framed thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in Annual Report, but does not include the Standalone Financial Statements, Consolidated Financial Statements and our Auditor's report thereon. The Annual Report is expected to be made available to us after the date of this report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged With Governance and take necessary actions as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of the Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity, cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS and relevant provisions of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the

accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Company's Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The comparative financial information included in these Standalone Financial Statements were audited jointly by us with M/s. Rajiv Mehrotra & Associates, Chartered Accountants. Our joint audit report dated June 29, 2021 expressed an unmodified opinion. Our opinion is not modified in respect of above matter.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4

of the said Order.

2. As required by section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (Including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act;
 - e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements;
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed details of pending litigations, however, it does not have adverse impact on its financial position. Refer note 44 to Standalone Financial Statements;
 - ii. The Company does not have any long term contracts including derivative contracts requiring a provision for material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has neither declared nor paid any dividend during the year.

Annexure A - referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" of the Independent Auditor's Report of even date, to the members of the Kothari Products Limited on the Standalone Financial Statements for the year ended March 31, 2022

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of its Property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of its Intangible assets.
- (b) The Company has a regular programme of physical verification of its Property, plant and equipment by which all Property, plant and equipment of the Company are being verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its business. Pursuant to the program, a portion of Property, plant and equipment has been physically verified by the Management during the year and no material discrepancies were noticed on such verification as compared with the book records.
- (c) Based on test check examination of the records and sale deeds / transfer deeds / lease deeds / conveyance deeds / property tax receipts and such other documents provided to us, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year ended March 31, 2022.
- (e) There are no proceedings initiated during the year or pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii) (a) Inventories have been physically verified during the year by the Management. In our opinion, the coverage and procedure of verification is appropriate and the frequency of verification is reasonable. There were no discrepancies of 10% or more in aggregate for each class of inventory noticed on physical verification as compared to the book of accounts;.
- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under paragraph (ii)(b) of the Order is not applicable.
- (iii) During the year, the Company has made investments in, provided guarantee and granted loans, secured or unsecured to companies, firms, limited liability partnership or any other parties. The Company has not provided security or advances in the nature of loans to companies, firms, limited liability partnership or any other parties during the year. In respect of such investments, loans and guarantees:
- (a) During the year, the Company has provided loans to and has stood guarantee to for any other entity.

Annexure B - referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” of the Independent Auditor’s Report of even date, to the members of Kothari Export Limited on the Standalone Financial Statements for the year ended March 31, 2022

Report on the Internal Financial Controls under section 143(3)(i) of the Act

Opinion

We have audited the internal financial controls with reference to Standalone Financial Statements of **Kothari Products Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2022, based on the internal control with reference Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in Guidance Note of Audit of Internal Financial Controls over Financial Reporting (“Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”).

Management’s Responsibility For Internal Financial Controls with reference to Standalone Financial Statement

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility for Internal Financial Controls with reference to Standalone Financial Statement

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Standalone Financial Statements and their operating effectiveness.

Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI.

The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Standalone Financial Statements.

Meaning Of Internal Financial Controls with reference to Standalone Financial Statements

A company’s internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO STANDALONE FINANCIAL STATEMENTS

Note: 1 OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

COMPANY OVERVIEW:

Kothari Products Limited ('the Company') is a public limited Company domiciled in India and incorporated on 17 September, 1983 under the provisions of the Companies Act, 1956 having its registered office at 24/19 Pan Parag House, The Mall, Kanpur, Uttar Pradesh. The Company is listed on BSE Limited and National Stock Exchange of India Limited.

The company is engaged in the business of Real Estate and International Trade.

SIGNIFICANT ACCOUNTING POLICIES:

STATEMENT OF COMPLIANCE

This note provides a list of the significant accounting policies adopted in the preparation of these Indian Accounting Standards (Ind-AS) financial statements. These policies have been consistently applied to all the years except where newly issued accounting standard is initially adopted.

Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March, 2022, the Statement of Profit and Loss for the year ended 31 March 2022, the Statement of Cash Flows for the year ended 31 March 2022 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Standalone Financial Statements' or 'financial statements').

AUTHORISATION OF STANDALONE FINANCIAL STATEMENTS:

These standalone financial statements are approved for issue by the Board of Directors on 30 May 2022.

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

A. Statement of Compliance

1. The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the section 133 of the Companies Act 2013 (the Act) read with Companies (Indian Accounting Standards) Rule 2015 (as amended from time to time) and other relevant provisions of the Act.
2. Historical Cost Convention

The Financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- i) Certain Financial assets and liabilities that is measured at fair value
- ii) Defined benefit plans-plan assets measured at fair value

B. Current vs. Non-Current classification:

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

(a) An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for purpose of trading
- Expected to be realized within twelve months after the reporting period.
- the cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

(b) A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and deferred tax liabilities are classified as non-current on net basis.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its general operating cycle.

The Standalone Financial Statements have been presented in Indian Rupees (INR), which is the company's functional currency. All financial information presented in INR has been rounded off to the nearest lakh unless otherwise stated.

C. Use Of Estimates:

The preparation of Financial statements in conformity with Indian Accounting Standards (Ind AS) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of Financial statements and reported amounts of income and expenses during the period. Differences between actual results and estimates are recognised in the year in which the results are known or materialise.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgments include:

Fair Value of unlisted equity securities

Defined Benefit Obligation

Measurement of contingent liabilities

Current tax expense and current tax payable

Deferred tax assets for carried forward tax losses

2. PROPERTY, PLANT AND EQUIPMENT (PPE)

- (i) Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.
- (ii) The initial cost of an asset comprises its purchase price (including import duties and non-refundable taxes, if any), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).
- (iii) Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- (iv) An item of Property, plant and equipment and any significant part initially recognised separately as part of Property, plant and equipment is de-recognised upon disposal; or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the assets is included in the Statement of Profit and Loss.
- (v) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each Financial year end and adjusted prospectively, if appropriate.
- (vi) Depreciation on property, plant and equipment is provided on straight-line method using the useful lives of the assets estimated by the management and in the manner prescribed in Schedule II to the Companies Act 2013. The asset wise details of useful lives considered for purposes of calculating depreciation are as under:

Office Building	- 30 years	Vehicles	- 8 years
Furniture	- 10 years	Computers	- 6 years
Office equipment	- 5 years	Computer Software	- 2 years
- (vii) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

3. INTANGIBLE ASSETS

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

4. IMPAIRMENT

At the end of each reporting year, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Goodwill and intangible assets that do not have definite useful life are not amortised and are tested at least annually for impairment. If events or changes in circumstances indicate that they might be impaired, they are tested for impairment once again.

5. INVESTMENT PROPERTY

Investment Property is property (land or a building – or part of a building – or both) held either to earn rental income or for capital appreciation or both, but not for sale in the ordinary course of business, used in production or supply of goods or services or for administrative purposes. Investment Properties are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and carrying amount of the Investment Property shall be recognized in Statement of Profit and Loss.

Depreciation on Investment Property is provided on straight-line method using the useful lives of the assets estimated by management and in the manner prescribed in Schedule II of the Companies Act 2013. The useful life considered in respect of Building is 60 years and amortization of long term leasehold property classified as Investment Property is based on the balance lease term.

6. LEASE ACCOUNTING:

LEASE CONTRACTS WHERE THE COMPANY IS A LESSEE

- (i) All the lease agreements of the Company, where the company is a Lessee are in the nature of short term leases or are low value leases and are in respect of premises used as staff residences, business premises or Godowns.
- (ii) The company has therefore elected to avail the exemption from paras 22-49 of Ind-AS 116 and accounted for the lease payments as per para 6 of the said Ind-AS. Accordingly the entire lease payments associated with these leases have been recognised as an expense on a straight-line basis over the lease term or another systematic basis.

LEASE CONTRACTS WHERE THE COMPANY IS A LESSOR

- (i) All lease agreements where the Company is a Lessor are in the nature of 'operating leases'.
- (ii) All the lease income from operating leases are recognized in the statement of Profit and loss account on a systematic basis.
- (iii) The costs, including depreciation, incurred in earning the lease income have been recognized as expenses under the respective expense heads in the Statement of Profit and Loss.

7. INVENTORIES:

Stock in Trade- Traded Goods

Stock in Trade consists of goods traded by the company.

- (i) Basis of Valuation: Inventories are stated at lower of cost and net realizable value. The comparison of cost and net realizable value is made on an item-to-item basis.
- (ii) Method of Valuation- Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location including appropriate overheads apportioned on a reasonable and consistent basis.

Stock in Trade- Real Estate

It comprises cost of land, rates & taxes, overheads and expenses incidental to the land development , if any undertaken by the Company.

8. INVESTMENTS IN SUBSIDIARIES AND ASSOCIATES:

A Subsidiary is an entity that is controlled by another entity. An investor controls an investee if and only if the investor has the following; (i) Power over the investee, (ii) exposure, or rights, to variable returns from its involvement with the investee and (iii) the ability to use its power over the investee to affect the amount of the investor's returns.

An Associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

The Company's investments in its Subsidiaries and Associate are accounted at cost.

9. TRANSACTIONS IN FOREIGN CURRENCY:

a) Functional and presentation currency

The Company's financial statements are prepared in INR, which is also the Company's functional and presentation currency.

b) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

In case of advance payment for purchase of assets/goods/services and advance receipt against sales of products/services, all such purchase/sales transaction are recorded at the rate at which such advances are paid/received.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other gains / (losses).

Non-monetary items :

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

10. REVENUE RECOGNITION:

The Company derives revenues primarily from sale of products and services. Revenue from sale of goods is recognised net of returns and discounts.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expect to receive in exchange for those products or services.

To recognise revenues, the Company applies the following five step approach:

- 1) Identify the contract with a customer;
- 2) Identify the performance obligations in the contract;
- 3) Determine the transaction price;
- 4) Allocate the transaction price to the performance obligations in the contract; and
- 5) Recognize revenues when a performance obligation is satisfied.

Based on above principle :-

- Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. The amount recognised as sale is exclusive of GST and are net of returns.
- Dividend income is recognised when the right to receive payment is established.
- Interest Income is recognized on time proportion basis taking into account the amount outstanding and the applicable interest rates and is disclosed in "other income".
- Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and is included in other operating income in the statement of profit or loss due to its operating nature.

11. EMPLOYEE RETIREMENT BENEFITS:

Short term employee benefits

All employee benefits payable/available within twelve months of rendering the services are classified as short term employee benefits. Benefits such as salaries, wages and bonus, etc., are recognized in the Statement of profit and Loss in the period in which the employee renders the related service.

Provident fund

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Both the employees and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employees' salary. The Company contributes a part of the contributions to the Government administered Provident/Pension Fund. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable through the provident fund scheme as an expense, when an employee renders related services.

Other long term employee benefits

The company has subscribed to a Group Gratuity Accumulation Policy from the Life Insurance Corporation of India, which is a defined benefit plan. The liabilities with respect to Gratuity Plan are determined by actuarial valuation by LIC. The annual premium, as determined, based on such valuation, is paid and charged to the Statement of Profit & Loss Account. The fund value of the accumulated contribution by the Company, which represents the 'Plan Assets' is Rs. 91.57 Lakhs which the adequately covers the estimated Gratuity Liability.

The valuation method used by the LIC is Projected Unit credit method. Other actuarial assumptions for the policy are as under:-

1. Mortality Rate: LIC(2006-08) Ultimate
2. Withdrawal Rate: 1% to 3% depending on age
3. Discount Rate: 7% p.a.
4. Salary Escalation: 8%

12. FINANCIAL INSTRUMENTS:

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Initial Recognition and Measurement - Financial Assets and Financial Liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through Other Comprehensive Income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortised Cost

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTOCI

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTPL

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Classification and Subsequent measurement:

Financial Liabilities The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial Liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of Financial Assets and Financial Liabilities

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counter party.

13. TAXES ON INCOME:

Current Tax

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit Corporate overview statutory reports Financial Statements and Loss. Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at Balance Sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

MAT Credits are in the form of unused tax credits that are carried forward by the Company for a specified period of time, hence it is grouped with Deferred Tax Asset.

14. PROVISIONS & CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses, if any.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed in the case of :

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent Assets is disclosed when inflow of economic benefits is probable.

15. EARNING PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

16. DIVIDEND:

Dividend is recognised as liability in the period in which it is declared by the Company, usually when approved by the shareholders in a general meeting, or paid.

The Company recognizes a liability to make payment of dividend to owners of equity when the distribution is authorized and is no longer at the discretion of the Company and is declared by the shareholders. A corresponding amount is recognised directly in equity.

The annual dividend proposed, if any, by the Directors forms part of the Directors' Report.

17. BORROWING COSTS:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

18. CASH AND CASH EQUIVALENTS

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

For the purpose of statement of cash flow, cash and cash equivalents consist of cash, short-term deposits as defined above, bank overdrafts and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value as they are considered as an integral part of the Company's management.

19. SHARE CAPITAL

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options and buyback of ordinary shares are recognized as a deduction from equity, net of any tax effects.

20. GOVERNMENT GRANTS, SUBSIDIES AND EXPORT INCENTIVES:

Government Grants are recognised at their realizable value when there is reasonable assurance that the grant will be received and all the attached conditions will be complied with.

When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

Capital Management

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to maximise shareholder's value. In order to maintain or achieve a capital structure that maximises the shareholder value, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans. As at 31 March 2022, the Company has only one class of equity shares and has no debts. Hence, there were no externally imposed capital requirements.

Dividends	2021-22	2020-21
Dividend on equity shares paid during the year	Nil	Nil
Final dividend for the year ended 31 March 2022 of Nil (31 March 2021 Nil) per equity share of Rs.10/- each	Nil	Nil
Interim dividend for the year ended 31 March 2022 of ₹Nil (31 March 2021 Nil (Pre Bonus)) per equity share of Rs.10/- each	Nil	Nil
Dividend distribution tax on the above dividends	Nil	Nil

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares

In absence of any external borrowings, the Company was not required to adhere to externally imposed conditions relating to capital requirements and hence there is no question of any delay or default during the period covered under these financial statements with respect to payment of principal and interest. Lenders are group companies and they have not raised any matter that may lead to breach of covenants stipulated in the underlying documents.

The Company monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents.

Financial Instruments

Methods and assumptions used to estimate the fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

In respect of investments in listed equity instruments and mutual fund, the fair values represents available quoted market price or net realisable value at the Balance Sheet date.

The carrying amounts of receivables and payables which are short term in nature such as trade receivables, other bank balances, deposits, trade payables and cash and cash equivalents are considered to be the same as their fair values. Further, management also assessed the carrying amount of certain non-current loans which are a reasonable approximation of their fair values and the difference between the carrying amounts and fair values is not expected to be significant.

The fair values for long term loans, long term security deposits given and remaining non current financial assets were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs.

The fair values of long term security deposits taken, non-current borrowings and remaining non current financial liabilities are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Categories of financial instruments

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: inputs which are not based on observable market data

Financial Risk Management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board. The details of different types of risk and management policy to address these risks are listed below:

The Company's activities are exposed to various risks viz. Credit risk, Liquidity risk and Market risk. In order to minimise any adverse effects on the financial performance of the Company, it uses various instruments and follows policies set up by the Board of Directors / Management.

a. Credit Risk :

Credit risk arises from the possibility that counter party will cause financial loss to the Company by failing to discharge its obligation as agreed.

Credit risks from balances with banks are managed in accordance with the Company policy. For derivative and financial instruments, the Company attempts to limit the credit risk by only dealing with reputable banks having high credit-ratings assigned by credit-rating agencies.

Based on the industry practices and business environment in which the Company operates, management considers that the trade receivables are in default if the payment are more than 2 years past due.

Trade receivables primarily consists of Outstanding against exports sales and sales to certain domestic customers with no significant concentration of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables.

The Company is taking adequate steps for recovery of overdue debts and advances and wherever necessary, adequate provisions as per expected credit loss model have been made.

b. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The Company liquidity risk management policies include to, at all times ensure sufficient liquidity to meet its liabilities when they are due, by maintaining adequate sources of financing from both domestic and international banks at an optimised cost. In addition, processes and policies related to such risks are overseen by senior management. The Company's senior management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Financing arrangements

The Company has sufficient sanctioned line of credit from its bankers / financiers; commensurate to its business requirements. The Company reviews its line of credit available with bankers and lenders from time to time to ensure that at all point of time there is sufficient availability of line of credit to handle peak business cycle.

The Company pays special attention to the net operating working capital invested in the business. In this regard, as in previous years, considerable work has been performed to control and reduce collection periods for trade and other receivables, as well as to optimise accounts payable with the support of banking arrangements to mobilise funds and minimise inventories.

c. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is exposed in the ordinary course of business to risks related to changes in foreign currency exchange rate and interest rate.

(i) Market Risk - Foreign Exchange

Foreign exchange risk arises on all recognised monetary assets and liabilities which are denominated in a currency other than the functional currency of the Company. The Company has foreign currency trade payables and receivables. However, foreign exchange exposure mainly arises from trade receivable and trade payables denominated in foreign currencies.

Foreign currency risk is that risk in which the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company operates internationally and a portion of its business is transacted in several currencies and therefore the Company is exposed to foreign exchange risk through its overseas sales and purchases in various foreign currencies. The Company hedges the receivables as well as payables by forming view after discussion with Forex Consultant and as per polices set by Management.

The Company does not enter into or trade financial instrument including derivative for speculative purpose

INDEPENDENT AUDITORS' REPORT

To
The Members of
Kothari Products Limited

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Consolidated Financial Statements of **Kothari Products Limited** ("the Holding Company"), and its subsidiaries, (the Holding Company and its subsidiaries together referred to as the Group) and its associates, comprising of the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiary and associate, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, and its associates as at March 31, 2022 and their consolidated profit (including other comprehensive income), their consolidated statement of changes in equity and their consolidated cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules framed thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Our Report thereon

The Holding Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in Annual Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged With Governance and take appropriate actions in accordance with Standards on Auditing.

Management and Those Charged with Governance Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its Associates in accordance with the accounting principles generally accepted in India, including Ind AS and relevant provisions of the Act. The respective Board of Directors of the companies

included in the Group and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the management and Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable and using the going concern basis of accounting unless the management either intends to liquidate the Group and its associates or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its associates are responsible for overseeing the financials reporting process of the Group and its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its associates has adequate internal financial controls system with reference to Consolidated Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Consolidated Financial Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B referred to in paragraph 1(f) under "Report on Other Legal and Regulatory Requirements" of our Independent Auditor's report of even date, to the members of Kothari Products Limited ("the Holding Company") on the Consolidated Financial Statements for the year ended March 31, 2022

Report on the Internal Financial Controls under section 143(3)(i) of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the Consolidated Financial Statements of the Holding Company as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to financial statements of **Kothari Products Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries and its associates, which are companies incorporated in India, as of that date.

In our opinion, the Holding Company, its subsidiaries and its associates, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2022 based on the internal control with reference to Consolidated Financial Statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiaries and associates which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on internal financial controls with reference to financial statements of the Holding Company, its subsidiary and associates, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial control system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements, in so far as it relates standalone financial statements of one subsidiary, and standalone financial statements of four associates, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note: 1 OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

COMPANY OVERVIEW:

Kothari Products Limited ('the Company') is a public limited Company domiciled in India and incorporated on 17 September, 1983 under the provisions of the Companies Act, 1956 having its registered office at 24/19 Pan Parag House, The Mall, Kanpur, Uttar Pradesh. The Company is listed on BSE Limited and National Stock Exchange of India Limited.

The Group is engaged in the business of Real Estate and International Trade.

SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these Indian Accounting Standards (Ind-AS) financial statements. These policies have been consistently applied to all the years except where newly issued accounting standard is initially adopted.

Accordingly, the Group has prepared these Consolidated Financial Statements which comprise the Balance Sheet as at 31 March, 2021, the Statement of Profit and Loss for the year ended 31 March 2022, the Statement of Cash Flows for the year ended 31 March 2022 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Consolidated Financial Statements' or 'financial statements').

AUTHORISATION OF CONSOLIDATED FINANCIAL STATEMENTS:

These consolidated financial statements are approved for issue by the Board of Directors on 30 May 2022.

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

A. Statement of Compliance

1. The Financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the section 133 of the Companies Act 2013 (the Act) read with Companies (Indian Accounting Standards) Rule 2015 (as amended from time to time) and other relevant provisions of the Act.

2. Historical Cost Convention

The Financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- i) Certain Financial assets and liabilities that is measured at fair value
- ii) Defined benefit plans-plan assets measured at fair value

B. Current vs. Non-Current classification:

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

(a) An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for purpose of trading
- Expected to be realized within twelve months after the reporting period.
- the cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

(b) A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and deferred tax liabilities are classified as non-current on net basis.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has identified twelve months as its general operating cycle.

The Consolidated Financial Statements have been presented in Indian Rupees (INR), which is the Group's functional currency. All financial information presented in INR has been rounded off to the nearest lakh unless otherwise stated.

C. Use Of Estimates:

The preparation of Financial statements in conformity with Indian Accounting Standards (Ind AS) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of Financial statements and reported amounts of income and expenses during the period. Differences between actual results and estimates are recognised in the year in which the results are known or materialise.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgments include:

- Fair Value of unlisted equity securities
- Defined Benefit Obligation
- Measurement of contingent liabilities
- Current tax expense and current tax payable
- Deferred tax assets for carried forward tax losses

2. PROPERTY, PLANT AND EQUIPMENT (PPE)

- (i) Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.
- (ii) The initial cost of an asset comprises its purchase price (including import duties and non-refundable taxes, if any), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).
- (iii) Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- (iv) An item of Property, plant and equipment and any significant part initially recognised separately as part of Property, plant and equipment is de-recognised upon disposal; or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the assets is included in the Statement of Profit and Loss.
- (v) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each Financial year end and adjusted prospectively, if appropriate.
- (vi) Depreciation on property, plant and equipment is provided on straight-line method using the useful lives of the assets estimated by the management and in the manner prescribed in Schedule II to the Companies Act 2013. The asset wise details of useful lives considered for purposes of calculating depreciation are as under:

Office Building	- 30 years	Vehicles	- 8 years
Furniture	- 10 years	Computers	- 6 years
Office equipment	- 5 years	Computer Software	- 2 years
- (vii) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

3. INTANGIBLE ASSETS

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

4. IMPAIRMENT

At the end of each reporting year, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Goodwill and intangible assets that do not have definite useful life are not amortised and are tested at least annually for impairment. If events or changes in circumstances indicate that they might be impaired, they are tested for impairment once again.

5. INVESTMENT PROPERTY

Investment Property is property (land or a building – or part of a building – or both) held either to earn rental income or for capital appreciation or both, but not for sale in the ordinary course of business, used in production or supply of goods or services or for administrative purposes. Investment Properties are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and carrying amount of the Investment Property shall be recognized in Statement of Profit and Loss.

Depreciation on Investment Property is provided on straight-line method using the useful lives of the assets estimated by management and in the manner prescribed in Schedule II of the Companies Act 2013. The useful life considered in respect of Building is 60 years and amortization of long term leasehold property classified as Investment Property is based on the balance lease term.

6. LEASE ACCOUNTING:

LEASE CONTRACTS WHERE THE GROUP IS A LESSEE

- (i) All the lease agreements of the Group, where the Group is a Lessee are in the nature of short term leases or are low value leases and are in respect of premises used as staff residences, business premises or Godowns.
- (ii) The Group has therefore elected to avail the exemption from paras 22-49 of Ind-AS 116 and accounted for the lease payments as per para 6 of the said Ind-AS. Accordingly the entire lease payments associated with these leases have been recognised as an expense on a straight-line basis over the lease term or another systematic basis.

LEASE CONTRACTS WHERE THE GROUP IS A LESSOR

- (i) All lease agreements where the Group is a Lessor are in the nature of 'operating leases'.
- (ii) All the lease income from operating leases are recognized in the statement of Profit and loss account on a systematic basis.
- (iii) The costs, including depreciation, incurred in earning the lease income have been recognized as expenses under the respective expense heads in the Statement of Profit and Loss.

7. INVENTORIES:

Stock in Trade

Stock in Trade consists of goods traded by the Group.

- (i) Basis of Valuation: Inventories are stated at lower of cost and net realizable value. The comparison of cost and net realizable value is made on an item-to-item basis.
- (ii) Method of Valuation- Cost of inventories comprises of expenditure incurred in the normal course of business in bringing inventories to their present location including appropriate overheads apportioned on a reasonable and consistent basis.

Stock in Trade- Real Estate

It comprises cost of land, rates & taxes, overheads and expenses incidental to the land development , if any undertaken by the Company.

8. PRINCIPLES OF CONSOLIDATION AND EQUITY ACCOUNTING:

a) Subsidiaries

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intergroup transactions, balances and unrealised gains on transactions

between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated Statement of Profit and Loss, consolidated Statement of Changes in Equity and Balance Sheet respectively. Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

b) Associates

Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in Associates are accounted for using the equity method of accounting (see (c) below), after initially being recognised at cost

c) Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of Other Comprehensive Income of the investee in Other Comprehensive Income. Dividends received or receivable from Associates and Joint Ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its Associates and Joint Ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in Note 4 above.

9. TRANSACTIONS IN FOREIGN CURRENCY:

a) Functional and presentation currency

The Group's financial statements are prepared in ₹, which is also the Group's functional and presentation currency.

b) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

In case of advance payment for purchase of assets/goods/services and advance receipt against sales of products/services, all such purchase/sales transaction are recorded at the rate at which such advances are paid/received.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other gains / (losses).

Non-monetary items :

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

10. REVENUE RECOGNITION:

The Group derives revenues primarily from sale of products and services. Revenue from sale of goods is recognised net of returns and discounts.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Group expect to receive in exchange for those products or services.

To recognise revenues, the Group applies the following five step approach:

- 1) Identify the contract with a customer;
- 2) Identify the performance obligations in the contract;

- 3) Determine the transaction price;
- 4) Allocate the transaction price to the performance obligations in the contract; and
- 5) Recognize revenues when a performance obligation is satisfied.

Based on above principle :-

- Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. The amount recognised as sale is exclusive of GST and are net of returns.
- Dividend income is recognised when the right to receive payment is established.
- Interest Income is recognized on time proportion basis taking into account the amount outstanding and the applicable interest rates and is disclosed in "other income".
- Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and is included in other operating income in the statement of profit or loss due to its operating nature.

11. EMPLOYEE RETIREMENT BENEFITS:

Short term employee benefits

All employee benefits payable/available within twelve months of rendering the services are classified as short term employee benefits. Benefits such as salaries, wages and bonus, etc., are recognized in the Statement of profit and Loss in the period in which the employee renders the related service.

Provident fund

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Both the employees and the Group make monthly contributions to the provident fund plan equal to a specified percentage of the covered employees' salary. The Group contributes a part of the contributions to the Government administered Provident/Pension Fund. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable through the provident fund scheme as an expense, when an employee renders related services.

Other long term employee benefits

The Group has subscribed to a Group Gratuity Accumulation Policy from the Life Insurance Corporation of India, which is a defined benefit plan. The liabilities with respect to Gratuity Plan are determined by actuarial valuation by LIC. The annual premium, as determined, based on such valuation, is paid and charged to the Statement of Profit & Loss Account. The fund value of the accumulated contribution by the Group, which represents the 'Plan Assets' is Rs.91.57 Lakhs which the adequately covers the estimated Gratuity Liability

The valuation method used by the LIC is Projected Unit credit method. Other actuarial assumptions for the policy are as under:-

1. Mortality Rate: LIC(2006-08) Ultimate
2. Withdrawal Rate: 1% to 3% depending on age
3. Discount Rate: 7% p.a.
4. Salary Escalation: 8%

12. FINANCIAL INSTRUMENTS:

Financial assets and financial liabilities are recognised when a Group becomes a party to the contractual provisions of the instruments.

Initial Recognition and Measurement - Financial Assets and Financial Liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Group classifies financial assets as subsequently measured at amortised cost, fair value through Other Comprehensive Income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and

- the contractual cash flow characteristics of the financial asset.

Amortised Cost

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTOCI

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTPL

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Classification and Subsequent measurement: Financial Liabilities

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial Liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of Financial Assets and Financial Liabilities

The Group de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally

enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counter party.

13. TAXES ON INCOME:

Current Tax

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit Corporate overview statutory reports Financial Statements and Loss. Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at Balance Sheet date has been arrived at after setting off deferred tax assets and liabilities where the Group have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

MAT Credits are in the form of unused tax credits that are carried forward by the Group for a specified period of time, hence it is grouped with Deferred Tax Asset.

14. PROVISIONS & CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses, if any.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed in the case of :

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent Assets is disclosed when inflow of economic benefits is probable.

15. EARNING PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders

(after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

16. DIVIDEND:

Dividend is recognised as liability in the period in which it is declared by the Group, usually when approved by the shareholders in a general meeting, or paid.

The Group recognizes a liability to make payment of dividend to owners of equity when the distribution is authorized and is no longer at the discretion of the Group and is declared by the shareholders. A corresponding amount is recognised directly in equity.

The annual dividend proposed, if any, by the Directors forms part of the Directors' Report

17. BORROWING COSTS:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

18. CASH AND CASH EQUIVALENTS

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

For the purpose of statement of cash flow, cash and cash equivalents consist of cash, short-term deposits as defined above, bank overdrafts and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value as they are considered as an integral part of the Group's management.

19. SHARE CAPITAL

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options and buyback of ordinary shares are recognized as a deduction from equity, net of any tax effects.

20. GOVERNMENT GRANTS, SUBSIDIES AND EXPORT INCENTIVES:

Government Grants are recognised at their realizable value when there is reasonable assurance that the grant will be received and all the attached conditions will be complied with.

When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

Capital Management

The Group's objectives when managing capital are to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to maximise shareholder's value. In order to maintain or achieve a capital structure that maximises the shareholder value, the Group allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans. As at March 31, 2022, the Group has only one class of equity shares and has no debts. Hence, there were no externally imposed capital requirements.

Dividends	2021-2022	2020-2021
Dividend on equity shares paid during the year	Nil	Nil
Final dividend for the year ended 31 March, 2022 of Nil (31 March, 2021 Nil) per equity share of Rs.10/- each	Nil	Nil
Interim dividend for the year ended 31 March, 2022 of Nil (31 March, 2021 Nil (Pre Bonus)) per equity share of Rs.10/- each	Nil	Nil
Dividend distribution tax on the above dividends	Nil	Nil

The Group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares

In absence of any external borrowings, the Group was not required to adhere to externally imposed conditions relating to capital requirements and hence there is no question of any delay or default during the period covered under these financial statements with respect to payment of principal and interest. Lenders are group companies and they have not raised any matter that may lead to breach of covenants stipulated in the underlying documents.

The Group monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents.

Financial Instruments

Methods and assumptions used to estimate the fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

In respect of investments in listed equity instruments and mutual fund, the fair values represents available quoted market price or net realisable value at the Balance Sheet date.

The carrying amounts of receivables and payables which are short term in nature such as trade receivables, other bank balances, deposits, trade payables and cash and cash equivalents are considered to be the same as their fair values. Further, management also assessed the carrying amount of certain non-current loans which are a reasonable approximation of their fair values and the difference between the carrying amounts and fair values is not expected to be significant.

The fair values for long term loans, long term security deposits given and remaining non current financial assets were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs.

The fair values of long term security deposits taken, non-current borrowings and remaining non current financial liabilities are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Categories of financial instruments

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: inputs which are not based on observable market data

Financial Risk Management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board. The details of different types of risk and management policy to address these risks are listed below:

The Company's activities are exposed to various risks viz. Credit risk, Liquidity risk and Market risk. In order to minimise any adverse effects on the financial performance of the Company, it uses various instruments and follows policies set up by the Board of Directors / Management.

a. Credit Risk :

Credit risk arises from the possibility that counter party will cause financial loss to the Company by failing to discharge its obligation as agreed.

Credit risks from balances with banks are managed in accordance with the Company policy. For derivative and financial instruments, the Company attempts to limit the credit risk by only dealing with reputable banks having high credit-ratings assigned by credit-rating agencies.

Based on the industry practices and business environment in which the Company operates, management considers that the trade receivables are in default if the payment are more than 2 years past due.

Trade receivables primarily consists of Outstanding against exports sales and sales to certain domestic customers with no significant concentration of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables.

Total	<u>1,554</u>	<u>1,099</u>

The Company is taking adequate steps for recovery of overdue debts and advances and wherever necessary, adequate provisions as per expected credit loss model have been made.

b. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The Company liquidity risk management policies include to, at all times ensure sufficient liquidity to meet its liabilities when they are due, by maintaining adequate sources of financing from both domestic and international banks at an optimised cost. In addition, processes and policies related to such risks are overseen by senior management. The Company's senior management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Financing arrangements

The Company has sufficient sanctioned line of credit from its bankers / financiers; commensurate to its business requirements. The Company reviews its line of credit available with bankers and lenders from time to time to ensure that at all point of time there is sufficient availability of line of credit to handle peak business cycle.

The Company pays special attention to the net operating working capital invested in the business. In this regard, as in previous years, considerable work has been performed to control and reduce collection periods for trade and other receivables, as well as to optimise accounts payable with the support of banking arrangements to mobilise funds and minimise inventories.

c. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is exposed in the ordinary course of business to risks related to changes in foreign currency exchange rate and interest rate.

(i) Market Risk - Foreign Exchange

Foreign exchange risk arises on all recognised monetary assets and liabilities which are denominated in a currency other than the functional currency of the Company. The Company has foreign currency trade payables and receivables. However, foreign exchange exposure mainly arises from trade receivable and trade payables denominated in foreign currencies.

Foreign currency risk is that risk in which the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company operates internationally and a portion of its business is transacted in several currencies and therefore the Company is exposed to foreign exchange risk through its overseas sales and purchases in various foreign currencies. The Company hedges the receivables as well as payables by forming view after discussion with Forex Consultant and as per policies set by Management.

The Company does not enter into or trade financial instrument including derivative for speculative purpose.

The carrying amount of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.
