VST Tillers Tractors Ltd unveils VST 939DI 36hp Tractor *Showcases a Range of Products at the KISAN Agri Show 2022*

Pune, 16 December 2022:

VST Tillers Tractors Ltd, one of India's leading farm equipment manufacturers, unveiled the all-new **VST 939DI 36hp 4WD Tractor** at the KISAN Agri Show 2022 in Pune today.

VST 939DI Tractor boasts a 3-cylinder DI engine with a torque of 108 NM which makes it suitable for all agriculture-related applications. The tractor is equipped with a full synchromesh 9+3 gearbox and has an independent PTO (power take-off) for convenient engagement & disengagement of implements. With a lift capacity of up to 1250 kg, VST 939DI features Dual-clutch and dual-acting power steering, best-in-class ergonomics and superior styling. VST 939 DI comes with a very high torque engine & at the same time extremely fuel efficient. This makes it the best in-category product. VST 939DI tractor is one such product that will further improve productivity and earnings for the Indian farmer.

The company is also showcasing its range of products at the exhibition including its newly launched VST 929DI EGT compact tractor which is equipped with a three-cylinder 28HP DI Engine, VST 929DI EGT offers higher power and greater fuel efficiency. VST 929 also comes with a very high torque engine & at the same time extremely fuel efficient. This also comes in with Electrohydraulic as an optional feature. Other tractors that are on display at the VST Pavilion include their bestselling models like the 927 and 932 Smart Tractors. VST is also showcasing its range of Power Tillers, Power Weeders, and Brush cutters at the fair. VST Zetor's yet-to-be-launched 45HP and 50HP Tractors are also on display at the Agri Show.

Mr. Antony Cherukara, CEO of VST Tillers Tractors Ltd, said "at this year's KISAN Agri Show we are showcasing a range of our most innovative products. With the launch of the new VST 939DI Tractor, we will be redefining customer experience with respect to productivity, efficiency, and ergonomics by setting up new standards in the industry. Over the years, VST has been focusing on helping Indian farmers in the mechanization of their farms by offering state-of-the-art products. The interest shown by the visitors at the Show is heartening and gives us the confidence to bring out more innovative and farmer-friendly products to the market".

A 5-day exhibition that commenced on 14th December 2022, KISAN Agri Show 2022 is a vibrant platform where manufacturers display their products & services to lakhs of progressive farmers. The KISAN Agri Show 2022 is organized to create a single platform for the Indian Agri-community. It is the only fair of its kind where agri-professionals, policymakers, like-minded individuals, government officials, and media from all parts of India come together to have a dialogue with the who's and who of the Indian agriculture sector.

About VST

VST Tillers Tractors Limited was established in the year 1967 by the VST Group of companies. With a legacy of more than 53 years, VST continues to drive farm mechanization and empowerment of Indian farmers. The organization is the largest Indian manufacturer of Tillers, and 4WD Compact Tractors, and amongst the leading producers of the other category of Tractors, Engines, Transmission, Power Reaper, and Precision Components. VST also exports products to European, Asian, and African markets. For more details, please visit <https://www.vsttractors.com/>
