EXPLANATORY STATEMENT

{Pursuant to provisions of section 102 of the Companies act 2013}

As required under section 102 of the Companies Act, 2013. The following Explanatory Statement set out all material facts relating to the business mentioned under notice convening 23rd Annual General Meeting:

ORDINARY BUSINESS

Item No. 2

The members of the Company at its 20th Annual General Meeting (AGM) of the Company held on September 29, 2017, had appointed M/s. Vishnu Aggarwal Associates, Chartered Accountants, (FRN: 007231C), Auditors of the Company to hold office for a period of five years till the conclusion of 25th Annual General Meeting (AGM), subject to ratification of their appointment at every AGM of the Company, this was done as per prevailing law at that time. As per notification issued by Ministry of Corporate Affairs dated May 7, 2018, proviso of sub-section (1) of Section 139 of the Companies Act, 2013, which provided for such ratification every year has been omitted. However, the resolution passed by the members on September 29, 2017 contains requirement for ratification of appointment of auditors at every AGM. As an abundant caution it is now proposed, to ratify an appointment of Statutory Auditors for the remaining term. None of the Directors, Key Managerial Personnel and / or the relatives of the Directors / Key Managerial Personnel are, in anyway, concerned or interested in this resolution. Performance of your Company

Company has been facing adverse factors from previous nine-ten years but Continuous Efforts of the Management of your company resulted increase in topline in textile segment and put the company on track of growth after a long difficult era. The company has settled or in process of settlement of secured/unsecured Loans of Banks.

During the Month of Januray-2020, in an economic survey, every prospective data relating to growth expectations during the FY 2020-21 were visualized as very positive. India's GDP growth was expected to grow in the range of 6.0 to 6.5 per cent in 2020-21. All statistics of three quarters of FY 2019-20 were indicating Indias economy marching towards good growth in coming Year. The industrial sector as per Index of Industrial Production (IIP) registered a growth of 0.6 per cent in 2019-20 (April-November) as compared to 5.0 per cent during 2018-19 (April-November). By integrating "Assemble in India for the world" into Make in India, India was expected to raise its export market share to about 3.5 per cent by 2025 and 6 per cent by 2030 and Create 4 crore well-paid jobs by 2025 and 8 crore by 2030. So at the outset in the month of January there was green everywhere. But when we marched from January to March, everything changed drastically and all positive sentiments converted into negative. The Growth expectations were now changed into challenges of survival. Most of European and Asian countries were under lock down during the Month of March-2020. A new Virus "Corona" grabbed the world in its jaw and there was fear and panic everywhere. During the last quarter we saw a challenging business environment with low GDP growth and slowdown in consumption. This resulted into weakening consumer sentiments and lower demand for all industries specially in the industry in which your company operates.

In this manner novel corona virus has affected not just human heath but severely impacted business and the society at large.

In this backdrop scenario, the operations and revenue of your company also faced challenges as the whole textiles industry faced its ever hardest time in the last quarter. There was a significant fall in discretionary spends of the masses and this impacted sales volume of Textile Industry. But due to good results during the first three quarters of the year, the total topline of the company did not affected so badly and overall results for the FY 2019-20 of the Textile segment remained on track and in line with overall expectations.

Further COVID-19 pandemic developed rapidly into a global crisis, forcing governments to enforce lock-downs of all economic activity. For the Company, the focus immediately shifted to ensuring the health and well-being of all employees, and on minimizing disruption to services for all our customers globally.

Operations

Results of the Company for the last financial year are as follows; Total revenue for the year ended 31st March, 2020 has been decreased to Rs. 92.40 Crores as compared to previous year's Rs. 148.28 Crores, hence there was a decrease of approx. 35% to 40%. The operating profit before tax and after exceptional items is Rs. 24.87 Crores which is mainly due to reversal of provision of interest and no tax paid for earlier years during the year. No Provision for deferred tax has been made during the last financial year as there is no certainty of future taxable income. The net profit for the year was Rs. 24.87 crores as compare to net profit of Rs. 43.30 crores in the previous financial year.

ANNEXURES TO DIRECTOR'S REPORT FOR THE YEAR ENDED ON 31ST MARCH, 2020

Annexure – I

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

During the Month of January-2020, in an economic survey, every prospective data relating to growth expectations during the FY 2020-21 were visualized as very positive. India's GDP growth was expected to grow in the range of 6.0 to 6.5 per cent in 2020-21. All statistics of three quarters of FY 2019-20 were indicating India's economy marching towards good growth in coming Year. The industrial sector as per Index of Industrial Production (IIP) registered a growth of 0.6 per cent in 2019-20 (April-November) as compared to 5.0 per cent during 2018-19 (April-November). By integrating "Assemble in India for the world" into Make in India, India was expected to raise its export market share to about 3.5 per cent by 2025 and 6 per cent by 2030 and Create 4 crore well-paid jobs by 2025 and 8 crore by 2030. So at the outset in the month of January there was green everywhere. But when we marched from January to March, everything changed drastically and all positive sentiments converted into negative. The Growth expectations were now changed into challenges of survival. Most of European and Asian countries were under lock down during the Month of March-2020. A new Virus "Corona" grabbed the world in its jaw and there was fear and panic everywhere. During the last quarter we saw a challenging business environment with low GDP growth and slowdown in consumption. This resulted into weakening consumer sentiments and lower demand for all industries specially in the industry in which your company operates.

In this manner novel corona virus has affected not just human health but severely impacted business and the society at large.

In this backdrop scenario, the operations and revenue of your company also faced challenges as the whole textiles industry faced its ever hardest time in the last quarter. There was a significant fall in discretionary spends of the masses and this impacted sales volume of Textile Industry. But due to good results during the first three quarters of the year, the total topline of the company did not affected so badly and overall results for the FY 2019-20 of the Textile segment remained on track and in line with overall expectations.

Global economic overview and Indian Economic Conditions

In the last quarter of FY 2019-20, the whole world have seen an unprecedented global breakout of the COVID-19 pandemic leading to a humanitarian crisis, lockdown across many countries and significant global economic fallout. Around the world, growth has decelerated markedly. In India also the economic impact of COVID-19 is tickling in on the backdrop of an already challenging macro-economic environment. In 2019 we also witnessed some weather disruptions in the form of late onset of monsoon in parts of the country, post monsoon heavy showers and a delayed winter. All these factors affected the Cotton crop and hence the whole textile industry. Global trade dynamics, volatile commodity cycle and climate concerns continue to increase the uncertainty further. Conditions like these create challenges for companies and categories across the spectrum. On the other hand, new Technologies are changing the landscape of the Textile Goods Market.

Industry Structure and Development:

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries.

The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, while the capital-intensive sophisticated mills sector on the other end. The decentralised power looms/ hosiery and knitting sector forms the largest component in the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and

traditions of the country in terms of textiles makes it unique in comparison to other industries in the counter. India's textiles industry has a capacity to produce wide variety of products suitable for different market segments, both within India and across the world.

Market Size

India's textiles industry contributed seven per cent of the industry output (in value terms) in FY19. It contributed two per cent to the GDP of India and employed more than 45 million people in FY19. The sector contributed 15 per cent to India's export earnings in FY19.

Textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.

The domestic textiles and apparel market stood at an estimated US\$ 100 billion in FY19.

The production of raw cotton in India is estimated to have reached 36.04 million bales in FY20[^]. During FY19, production of fibre in India stood at 1.44 million tonnes (MT) and reached 1.60 MT in FY20 (till January 2020), while that for yarn, the production stood at 4,762 million kgs during same period.

Investment

The textiles sector has witnessed a spurt in investment during the last five years. The industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 3.44 billion from April 2000 to March 2020.

Opportunities and Threats:

Indian government has come up with a number of export promotion policies for the textiles sector. It has also allowed 100 per cent FDI in the sector under the automatic route. Initiatives taken by Government of India are:

- Under Union Budget 2020-21, a National Technical Textiles Mission is proposed for a period from 2020-21 to 2023-24 at an estimated outlay of Rs 1,480 crore (US\$ 211.76 million).
- In 2020, New Textiles Policy 2020 is expected to be released by the Ministry of Textiles.
- CCEA approved mandatory packaging of food grains and sugar in jute material for the Jute Year 2019-20.
- In September 2019, textiles export witnessed a 6.2 per cent increase post GST as compared to the period pre-GST.
- The Directorate General of Foreign Trade (DGFT) has revised rates for incentives under the Merchandise Exports from India Scheme (MEIS) for two subsectors of Textiles Industry - readymade garments and made-ups - from two per cent to four per cent.
- The Government announced a special package of US\$ 31 billion to boost export, create one crore job opportunity and attract investment worth Rs 80,000 crore (US\$ 11.93 billion) during 2018-2020. As of August 2018, it generated additional investments worth Rs 25,345 crore (US\$ 3.78 billion) and exports worth Rs 57.28 billion (US\$ 854.42 million).
- The Government of India has taken several measures including Amended Technology Upgradation Fund Scheme (A-TUFS), estimated to create employment for 35 lakh people and enable investment worth Rs 95,000 crore (US\$ 14.17 billion) by 2022.
- Integrated Wool Development Programme (IWDP) was approved by Government of India to provide support to the wool sector, starting from wool rearer to end consumer, with an aim to enhance quality and increase production during 2017-18 and 2019-20.
- The Cabinet Committee on Economic Affairs (CCEA), Government of India approved a new skill development scheme named 'Scheme for Capacity Building in Textile Sector (SCBTS)' with an outlay of Rs 1,300 crore (US\$ 202.9 million) from 2017-18 to 2019-20. As of August

2019, 16 states signed pacts with the Ministry of Textiles to partner with it for skilling about four lakh workers under the scheme.

Opportunities and Road Ahead

With the above positives initiatives taken by the GOI combined with agitation against Chinese products in India and rest of the world, the future for the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market.

High economic growth has resulted in higher disposable income. This has led to rise in demand for products creating a huge domestic market

The Biggest Challenge & Threats

All the above opportunities are being threatened by COVID-19 pandemic around the world. Due to effects of this pandemic, the consumption has drastically decreased and all these has neutralized the growth opportunities of the Textile Industry. Now the first biggest challenge ahead is to come out of this situation so the consumption in the Textile sector comes on track and the second challenge is to recover the losses incurred in this pandemic period. Till date the Covid -19 spread has not stopped and the country is facing the its spread at its highest level. This has created a panic among the masses and resulting into drastic fall down of demand and consumption Textile goods in domestic as well as in export Markets. This situation can only be controlled with invention and mass production and availability of Corona Vaccine. Till the step in of corona vaccine in the market, the situation will be challenging for the Industry.

In these times, as the economy, consumer and channel landscapes rapidly evolve, your company continue to agile and responsive to leverage market opportunities and navigate through the challenges.

Independent Auditor's Report

To the Members of STL GLOBAL LIMITED

Report on the Audit of the Financial statements

Opinion

We have audited the accompanying financial statements of **STL GLOBAL LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit & Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in Equity for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Key Audit matters came into light during our Audit are as follows:

a) Revenue Recognition:

Revenue is recognized to the extent that economic benefit will flow to the Company and the revenue can be reliably measured. It is measured at fair value consideration received or receivable, net of return and allowances, discount and rebates. The Company recognizes revenue when it satisfies its performance obligation by transferring the goods to the customers.

Revenue is the key driver of the business and judgement is involved in determining when contractual obligations have been performed and to the extent that the right to consideration has been earned.

The Management of the company focuses on revenue as a key performance measure which could create an incentive for revenue to be recognized before the risk and rewards have been transferred. We therefore identified Revenue Recognition as a significant risk and key audit matters.

b) Employee Benefit:

As per the provisions of Payment of Gratuity Act, 1972, every employer liable for the payment of gratuity should get his liability covered by an insurance. Otherwise, the employer can maintain an approved fund (herein referred as "Plan Asset") for the purpose of payment of gratuity. However, it is observed that, the Company has made provisions in the financial statement for payment of gratuity, but has not get it covered the same by insurance or has maintained an approved fund.

Information other than the Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit or loss including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act, read with relevant rules issued thereunder as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternatives but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls over financial reporting in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's

report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure-A" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the Balance Sheet, the Statement of Profit and Loss (Including other comprehensive income), the Statement of Cash Flows and the Statement of changes in equity dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid Financial statements comply with the applicable Accounting Standards specified under section 133 of the Act, as applicable;
 - e) on the basis of written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of section 164(2) of the Act.
 - f) with respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in

“Annexure-B”. Our reports express an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial control over financial reporting.

- g) with respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and explanation given to us:
- i. The company has disclosed the impact of pending litigation on its financial position in its Financial statements.
 - ii. The company did not have any long- term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred, to the investor Education and protection Fund by the Company during the year.

Annexure –B to the Independent Auditor’s Report

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of STL Global Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the Financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Internal Financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial statements for external purposes in accordance with generally accepted accounting

principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements are presented in and all values are rounded to the nearest to the rupees, except when otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or are vision to a exciting accounting standard require a change in the accounting policy hitherto in use.

1.2 Use of Estimates, assumptions and judgements

The estimated and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the result are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

1.3 Property, plant and equipment

Property, plant and equipment (PPE) are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes borrowing cost directly attributable to acquisition, construction of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repair and maintenance are charged to profit and loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and Capital work in progress) less their residual value over the useful lives using the Written Down Value method (W.D.V) in the manner prescribed in the schedule II of the Act.

The carrying value of PPE are reviewed for impairment when events or changes in circumstances indicates that the carrying value may not be recoverable.

Intangible Assets are stated at cost of acquisition net of recoverable taxes, less accumulated depreciation and impairment loss, if any. The Cost of intangible Assets comprises purchase price and any cost directly attributable to bringing the assets to its working condition for the intended use.

1.14 Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying assets is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

1.15 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

1.16 Impairment of assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit & Loss statement in the year in which an asset is identified as impaired. The Impairment loss recognised in prior accounting period is reversed if there have been a change in the estimate of recoverable amount.

1.17 Contingent Liability

Contingent liabilities in respect of show cause notices received is considered only when they are converted into demands. Payments in respect of such demands, if any are shown as advances.

Notes to financial statements for the year ended 31 March 2020

Contingent liabilities under various fiscal laws includes those in respect of which the company/ Department is in appeal. No Provision is made for a liability which is contingent in nature but if material is disclosed in the financial statement by way of notes.

1.18 Current versus non-current classification

All assets & liabilities have been classified as current & non-current as per the company's normal operating cycle (twelve months) and other criteria set out in the schedule III to the Act

1.19 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of profit and loss.

(i) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received. Incremental costs directly attributable to the issuance of new ordinary equity shares are recognized as a deduction from equity, net of tax effects.

(ii) Financial assets**(a) Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost using the Effective Interest Rate method (EIR) if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to bank deposits, loans and other financial assets.

(b) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

(c) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. In balance sheet, ECL is presented as an allowance, i.e., as an integral part of the measurement of financial assets.

(d) Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

(iii) Financial liabilities**(a) Financial liabilities at amortised cost**

Financial liabilities are measured at amortised cost using the effective interest rate method (EIR). Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category applies to trade and other payables.

(b) Derecognition

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid / payable is recognised in the statement of profit and loss.

(iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Fair value measurement

The management assessed the fair value of loans, current investments (unquoted), cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate to their carrying amount largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values.

(i) The fair value of unquoted instruments are evaluated by the Company based on parameters such as interest rates and its investments rating.

(ii) The fair value of loans are estimated by discounted cash flow method to capture the present value of the expected future economic benefits that will flow to the company.

36 COVID-19 has caused significant disruptions to business across india. The management has considered the possible effects, if any, that may impact the carrying amounts of inventories, receivables and intangibles. In making the assumptions and estimates relating to the uncertainties as at the balance sheet date in relation to the recoverable amounts, the management has considered subsequent events, internal and external information and evaluated economic conditions prevailing as at the date of approval of these financial results. The management expects no impairment to the carrying amounts of these assets. The management will continue to closely monitor any changes to future economic conditions and assess its impact on the operations.

37 Previous figures have been regrouped/rearranged wherever necessary to make them comparable.
