**Subject: Clarification regarding news article**

Dear Sir,

This refer to your e-mail dated June 29, 2022 seeking clarification on news article appeared at Business Line titled as “*Jet files complaint against SpiceJet for using its livery*”.

Please note that the Company has not received any such complaint from the Directorate General of Civil Aviation and/or Jet Airways as alleged in the said news article. During year 2019, the Company took on lease certain Boeing 737 aircraft from its lessors which were previously on lease with Jet Airways. These were older aircraft and are being phased out and many have already left the fleet. These aircraft are being replaced by fuel-efficient Boeing 737 MAX aircraft.

Hope the above clarifies.

Thanking you,

Yours truly,  
For SpiceJet Limited
