Independent Auditors' Report on Consolidated Annual Financial Results of The Indian Hotels Company Limited pursuant to the Regulations 33 of the SEBI (Listing obligations and disclosure requirements) Regulations, 2015

To the Board of Directors of The Indian Hotels Company Limited

We have audited the accompanying consolidated annual financial results of The Indian Hotels Company Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') and its share of profit / (loss) of its joint ventures and associates for the year ended 31 March 2019 ('the Statements'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these consolidated annual financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the current and previous financial year respectively. Also the figures up to the end of the third quarter for the current year and previous year have only been reviewed and not subjected to audit.

These consolidated annual financial results have been prepared from consolidated annual financial statements and reviewed quarterly consolidated financial results, which are the responsibility of the Holding Company's Management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated annual financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements of seventeen subsidiaries included in the consolidated annual financial results, whose annual financial statements reflect total assets of ₹ 4,444.92 crores as at 31 March 2019 as well as the total revenue of ₹ 1,671.04 crores for the year ended 31 March 2019. The consolidated annual financial results also include the Group's share of net profit (and other comprehensive income) of ₹ 43 crores for the year ended 31 March 2019 in respect of thirteen associates and joint ventures. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated annual financial results, to the extent they have been derived from such annual financial statements is based solely on the report of such other auditors.
