Notes:

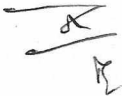

- 1 The above results were reviewed by the Audit Committee and were thereafter approved by the Board of Directors at their respective meetings held on 14 August, 2020.
- 2 Figures for the quarter ended 31 March, 2020 are the balancing figures between the audited figures in respect of the full financial year and the published year to date figures (unaudited) upto the quarter ended 31 December, 2019, which were subjected to limited review by the statutory auditors.
- 3 The Company's operations and financial results for the quarter have been adversely impacted by the lockdown imposed to contain the spread of COVID-19. The operations gradually resumed in line with the directives of the Government. This was done with requisite precautions ensuring safety of employees. However, despite resumption of operation, there were disruptions due to limited availability of work force, containment zones and curfew restrictions coming up from time to time. The results for the quarter are therefore not comparable with those for the previous periods.
The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of its assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources of information. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects to recover the carrying amounts of these assets. The Company will continue to closely monitor any material changes to future economic conditions.
- 4 The Statutory Auditors have carried out a limited review of the unaudited standalone financial results for the quarter ended 30 June, 2020.

A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
