25th March, 2020

Dear Sir/Madam,

Scrip Code-506405

In continuation of our communication dated 25th March, 2020, we would like to inform you that in the wake of novel Coronavirus (COVID-19) outbreak across the Globe/India, Central Government Authorities, State Governments, and Local Authorities have issued an advisory to control the community transmission stage of COVID-19. The Company has been taking appropriate measures (including work from home) to ensure the safety and health of all our employees. The operations in the manufacturing locations at:

- (i) Factory located at G.I.D.C., Dahej, Industrial Estate Vagra, Dahej, Bharuch, Gujarat - 392 130 and
- (ii) Factory located at MIDC Industrial Area, Audyogik Vasahat Post Office, Dhatav, ROHA, Maharashtra - 402 116 and other establishments, have been temporarily under shutdown from 24th March, 2020.

As per the directives issued by the regulatory authorities, continuous process industries like ours may continue their operation. The company falls under the same category and also is a vital supplier to industries engaged in the manufacture of drugs, pharmaceuticals, detergents, sanitizers etc.

Currently the company is focusing towards streamlining the logistical support which is posing to be a major operational challenge, not only for the company but for its customers and suppliers as well. Every effort is being made with the support of Government Regulatory Authorities to strengthen logistic facilities for the customers and suppliers as well. The manufacturing unit will restart functioning as soon as the management sets up a functional logistical framework to smoothen operations during the lockdown period.

This event may adversely affect the operations of the Company in the near term. However, over the longer run we believe we have a robust business model, a healthy balance sheet and sufficient liquidity to emerge out successfully from this challenge.

It is not possible to assess the Financial Impact of the above closures at this point in time.

Thanks and Regards
For The Dharamsi Morarji Chemical Company Limited
