Shri Nitin R. Shah is interested in the Item No. 3 of the Notice with regard to

his re-appointment. Shri Arvind R. Shah, Managing Director and Shri Dhirajlal R. Shah, Director, being related to Shri Nitin R. Shah, may be deemed to be interested in the Item No. 3 of the Notice. The other relatives of Shri Nitin R. Shah, Shri Arvind R. Shah and Shri Dhirajlal R. Shah, may also be deemed to be interested in the Item No. 3 of the Notice, to the extent of their shareholding, if any, in the Company. Save and except the above, none of the other Directors / Key Managerial Personnel of the Company/ their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Business set out under Item Nos. 1, 2 and 3 of the Notice.

11. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, of the Directors retiring by rotation/ seeking re-appointment as Director at the AGM, are also annexed.
12. Pursuant to the provisions of section 91 of the Companies Act, 2013 and Regulation 42 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the register of members and share transfer books of the Company shall remain closed from **Saturday, 21st September, 2024 to 30th September, 2024 (both days inclusive)** for the purpose of payment of Dividend for financial year ended 31st March, 2024 and the 16th AGM of the Company. The Record date for determining the name of the members eligible for Dividend on Equity share, if declared at this meeting, is **Friday, 20th September, 2024**.
13. Dividend on equity shares, if declared at the annual general meeting, will be credited/dispatched on or after **30th September, 2024** as under:
 - a. to all those beneficial owners holding shares in electronic form, as per the beneficial ownership data made available to the Company by National Securities Depository Ltd. (NSDL) and the Central Depository Services (India) Ltd. (CDSL) as of the close of business hours on **Friday, 20th September, 2024**; and
 - b. to all those shareholders holding shares in physical form whose names stand on the Register of Members as on **Friday, 20th September, 2024**.
14. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. 1st April, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by uploading the same with the Company's RTA at <https://www.bigshareonline.com/dividendTDS.aspx> or email to the RTA's Registered Email address at investor.ahm@bigshareonline.com by 11:59 p.m. IST on **Friday, 20th September, 2024**. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by uploading the same with the Company's RTA at <https://www.bigshareonline.com/dividendTDS.aspx> or sending an email to the RTA's Registered Email address at investor.ahm@bigshareonline.com. The aforesaid declarations and documents need to be submitted by the shareholders by 11:59 p.m. IST on **20th September, 2024** in order to enable the Company to determine and deduct appropriate TDS/withholding tax rate.

No communication on the tax determination/ deduction shall be entertained post **20th September, 2024**. It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details/documents from the shareholder, there would still be an option available with the shareholder to file the return of income and claim an appropriate refund, if eligible.

15. In view of the circular issued by SEBI, the Electronic Clearing Services (“ECS/NECS”) facility should mandatorily be used by the companies for the distribution of dividend to its Members. In order **to avail the facility of ECS/NECS, Members holding shares in physical form are requested to provide bank account details to the Company or its RTA.**

Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members.

16. In terms of the Listing Regulations, transfer, transmission and transposition of securities of listed companies held in physical form shall be effected only in demat mode. Further, SEBI, has also mandated that listed companies shall, while processing investor service requests pertaining to issue of duplicate share certificate, claim from Unclaimed Suspense Account, renewal / exchange of share certificate, endorsement, sub-division / splitting / consolidation of share certificates, transmission, transposition etc. issue securities only in demat mode. In view of this as also to eliminate all risks associated with physical shares and to get inherent benefits of dematerialization, shareholders holding shares in physical form are advised to avail of the facility of dematerialization.

17. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, mandates,

nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code etc. to their Depository Participants in case the shares are held by them in electronic form and to the Company's Registrars and Transfer Agents, Bigshare Services Private Limited in case the shares are held by them in physical form.

18. Shareholders holding shares in dematerialised mode are requested to register / update their PAN, Nomination Details, Contact details (Address with PIN, Mobile number and Email address), Bank account details (bank name, branch name, account number and IFS code) and Specimen signature with the relevant Depository Participant

19. The Company has transferred the unpaid or unclaimed dividends declared up to financial years 2015-16, from time to time, to the Investor Education and Protection Fund (IEPF) established by the Central Government.

The Company has uploaded the details of unpaid and unclaimed dividends lying with the Company as on March 31, 2023 on the website of the Company. The said details have also been uploaded on the website of the IEPF Authority i.e. www.iepf.gov.in.

- c) Members may note that shares as well as unclaimed dividends transferred to IEPF Authority can be claimed back from IEPF Authority. Concerned members/investors are advised to visit the web link: <https://www.iepf.gov.in/IEPF/refund.html> or Bigshare Services Private Limited, the Registrar and Share Transfer Agent of the Company for lodging claim for refund of shares and / or dividend from the IEPF Authority. Please quote on all such correspondence - "Unit - Shahlon Silk Industries Ltd." **For Shareholders queries - Telephone No. +91-79-40392571, Email : bssahd@bigshareonline.com**
21. Members seeking any information concerning the accounts and operations are requested to send their queries to the company at least 10 days before the date of the meeting, so that information required can be made available at the meeting.
22. Non-resident Indian shareholders are requested to inform about the following immediately to the Company or its RTA or the concerned Depository Participant, as the case may be:
- a) change in the residential status on return to India for permanent settlement.
- b) particulars of the NRE account with a Bank in India, if not furnished earlier.
23. The Board of Directors has appointed Shri Bhairav H. Shukla, Practicing Company Secretary (Membership No. FCS 6212) as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
24. The Scrutinizer, after the conclusion of e-voting at the AGM, will scrutinize the votes cast at the AGM and votes cast through remote e-voting and make a consolidated Scrutinizer's Report and submit the same to the Chairman. The result of e-voting will be declared within two working days of the conclusion of the AGM and the same, along with the consolidated Scrutinizer's Report, will be placed on the website of the Company at www.shahlon.com and on the website of CDSL at www.evotingindia.com. The result along with the consolidated Scrutinizer's Report will simultaneously be communicated to the Stock Exchange.
25. Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the AGM i.e. **Monday, 30th September, 2024.**
- 26. THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING JOINING ANNUAL GENERAL MEETING THROUGH VC/OAVM ARE AS UNDER:**
- I. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), MCA Circulars and SEBI Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- II. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.

The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

- III. The voting period begins on **27th September, 2024 (9.00 a.m.)** and ends on **29th September, 2024 (5.00 p.m.)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **23rd September, 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- IV. The members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC/OAVM but shall not be entitled to cast their vote again.
- V. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (I) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method **for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:**

(q) List of all credit ratings obtained by the Company for financial facilities:

	credit rating by CRISIL Ratings vide its letter dated July 23, 2024
Long-Term Rating :	CRISIL D (Downgraded from 'CRISIL BB-/Stable ISSUER NOT COOPERATING')
Short-Term Rating :	CRISIL D (Downgraded from 'CRISIL A4+ ISSUER NOT COOPERATING')

However, the Company is not agreeable to the above downgrading done by CRISIL Ratings Limited. The company has conveyed its non-acceptance of rating action to the CRISIL Ratings Limited.

As stated by CRISIL Ratings that "The downgrade in ratings factors the continuous over utilisation in the channel financing limit for more than 30 days." We totally disagree with the said statement. In this regard, the company submits the following clarification:

- The company is a marketing agent of Reliance Industries Limited (RIL) and the company is having sanctioned Channel finance limit with ICICI Bank of Rs. 500 Lakhs for agency business with Reliance Industries Limited (RIL)
- The company have never avail/utilise the said Channel finance limit over and above the sanctioned limit at any point of time. However, as per ICICI Bank sanctioned terms and conditions, the company have to roll over the drawn down amount within the time limit specified from the date of such drawn down under the said facility AND beyond the specified time limit, the company have to pay additional interest on the amount outstanding. On account of slowdown in the textile market, if payment received from

customers under agency business to the credit of channel finance account with ICICI Bank is late, then the company have to fund the same from own source as agent of RIL.

- The company is regular in servicing its repayment obligation to the Banks and NBFCs.

MANAGEMENT DISCUSSION AND ANALYSIS

Global Economy:

The global economy during FY2024 presented a complex landscape for the textile industry. While the post-pandemic recovery continued, persistent inflationary pressures, geopolitical tensions, and supply chain disruptions posed significant challenges. A slowdown in major economies impacted demand for textile products, affecting overall industry performance. However, certain regions exhibited resilience, driving growth opportunities. The company closely monitored these macroeconomic indicators to assess their impact on business operations, customer demand, input costs, and overall financial performance. Strategic initiatives focused on cost optimization, product diversification, and market expansion were undertaken to navigate the volatile environment.

Indian Economy:

During the financial year ended 31st March 2024, the Indian economy demonstrated resilience amid global uncertainties, marked by a GDP growth rate of approximately 6.8%. This growth was supported by strong domestic consumption and government initiatives aimed at boosting infrastructure and manufacturing sectors. The government's continued focus on the "Atmanirbhar Bharat" (Self-Reliant India) initiative and Production Linked Incentive (PLI) schemes played a significant role in enhancing the manufacturing sector's contribution to GDP, which reached 18%. The services sector remained a major growth driver, contributing over 54% to GDP, driven by robust growth in IT, financial services, and telecommunications. Despite inflationary pressures averaging around 5.6%, the Reserve Bank of India maintained a balanced monetary policy, keeping interest rates stable to support growth while controlling inflation. The agricultural sector, accounting for about 16% of GDP, witnessed a steady performance due to favorable monsoon conditions and government support. Foreign direct investment (FDI) inflows remained strong, reflecting global confidence in India's economic prospects. However, challenges such as geopolitical tensions, supply chain disruptions, and rising energy costs posed risks to the economic outlook. Overall, the Indian economy remained on a growth trajectory, supported by structural reforms and strong macroeconomic fundamentals.

Indian Textile Industry:

India is the world's second-largest producer of textiles and garments. It is also the fifth-largest exporter of textiles spanning apparel, home, and technical products. The textiles and apparel industry contributes 2.3% to the country's GDP, 13% to industrial production and 12% to exports. The textile industry in India is predicted to double its contribution to the GDP, rising from 2.3% to approximately 5% by the end of this decade.

India has a 4.6% share of the global trade in textiles and apparel. Moreover, India is the world's 3rd largest exporter of Textiles and Apparel. India ranks among the top five global exporters in several textile categories, with exports expected to reach US\$ 100 billion by FY 2030.

Around 45 million people are working in the textile business, including 3.5 million people who work on handlooms. Textile manufacturing in India has been steadily recovering amid the pandemic. The Manufacturing of Textiles Index for the month of April 2024 is 105.9.

Global apparel market is expected to grow at a CAGR of around 8% to reach US\$ 2.37 trillion by 2030 and the Global Textile & Apparel trade is expected to grow at a CAGR of 4% to reach US\$ 1.2 trillion by 2030. The market for Indian textiles and apparel is projected to grow at a 10% CAGR to reach US\$ 350 billion by 2030, with exports expected to reach US\$ 100 billion.

India enjoys a comparative advantage in terms of skilled manpower and in cost of production relative to other major textile producers. During FY24, the total exports of textiles (including handicrafts) stood at US\$ 35.9 billion. Exports of textiles (RMG of all textiles, cotton yarns/fabs/made-ups/handloom products, man-made yarns/fabs/made-ups, handicrafts excl. handmade carpets, carpets and jute mfg. including floor coverings) stood at US\$ 35.90 billion in FY24. In FY24, exports of readymade garments including accessories stood at US\$ 14.23 billion. India's textile and apparel exports to the US, its single largest market, stood at 32.7% of the total export value in FY24. India's ready-made garment (RMG) exports are likely to surpass US\$ 30 billion by 2027, growing at a CAGR of 12-13%.

Total FDI inflows in the textiles sector stood at US\$ 4.47 billion between April 2000- March 2024. 100% FDI (automatic route) is allowed in the Indian textile sector. The

Government's Rs. 10,683 crore (US\$ 1.44 billion) PLI scheme is expected to be a major booster for the textile manufacturers. The scheme proposes to incentivize MMF (man-made fibre) apparel, MMF fabrics and 10 segments of technical textiles products.

Opportunities, Threats, Risk and concerns:

The Indian textile market is gaining its global share of business as buyers from several countries are strategically replacing China as their primary suppliers by adding additional sourcing countries to their outsourcing portfolios. Indian players are ideally suited competitively to capture a good portion of this global shift.

The new Economic Cooperation and Trade Agreements with Australia and the UAE will open multiple opportunities for textiles and handloom. Indian textile exports to Australia and the UAE will now face zero duties, and the government is expecting that soon, Europe, Canada, the UK and GCC countries would also welcome Indian textile exports at zero duty. MOU signed at Bharat Tex 2024 between Textiles Committee, Government e-Marketplace, and Standing Conference of Public Enterprises to promote upcycled products made from textiles waste and scrap.

The Government has also approved the Mega Integrated Textile Region and Apparel (MITRA) Park scheme worth Rs. 4,445 crore (US\$ 594.26 million) to establish seven integrated mega textile parks with state-of-the-art infrastructure, common utilities, and R&D lab over a three-year period, which will boost textile manufacturing in the country. The government of India wants to establish 75 textile hubs, which will greatly increase employment opportunities while promoting the export of textile products and ensuring the use of sustainable technology.

From allowing 100% FDI in the Indian textile sector to launching various schemes from time to time, the Government of India intends an overall improvement within the Textile Industry. The Production linked Incentive (PLI) Scheme for the textile industry aims to promote the production of higher-value man-made fabrics, garments, and technical textiles. Furthermore, the Government launched the Technology Upgrading Scheme to provide capital subsidies for the better development of the textile industry. Apart from Central Government initiatives, the various State Governments are also encouraging the companies with multiple schemes, tax waivers, and benefits.

The primary threat stems from volatile raw material prices, particularly cotton, which is influenced by unpredictable

weather conditions and global market dynamics. Additionally, increased competition from both domestic and international players poses a significant risk, pressuring profit margins. The company also faces challenges related to compliance with stringent environmental regulations and sustainability standards, which may lead to increased operational costs. Currency fluctuations and economic instability in key export markets further exacerbate financial risks. Concerns over potential disruptions in the supply chain, due to geopolitical tensions or logistic issues, could also adversely affect production and delivery schedules. Lastly, the ongoing need for technological advancements and innovation to keep up with industry trends demands substantial investment, presenting both a risk and an opportunity for future growth.

The company has established network for marketing of its products, wide spread customer base, good market reputation and quality of the products, the company is in a position to pass on increase if any in cost to their customers.

Internal Control System and their adequacy:

The Company believes that Internal Control is one of the key pillars of governance, which provides freedom to the management within a framework of appropriate checks and balances. The Company has a robust internal control framework, which has been developed considering the nature, size and risks in the business.

The Company has adequate internal control systems in place and also has reasonable assurance on authorizing, recording and reporting transactions of its operations. The Company has well-placed, proper and adequate internal controls environment, commensurate with its size, scale and complexities of its operations. The Company had already developed and implemented a framework for ensuring internal controls over financial reporting. This framework includes entity level policies, processes and operating level standard operating procedures (SOP). Internal control systems are an integral part of your Company's Corporate Governance structure. Information Technology (IT) policies and processes also ensure that they mitigate the current business risks. The Company is successfully running ERP software system, supported by BI tools. The systems and processes are continuously improved by adopting best in class processes and automation and implementing the latest IT tools which help further for maintaining financial and commercial discipline. These have been designed to provide reasonable assurance with regard to credibility of data and compliances, inter-alia:

- a) Recording and providing reliable financial and operational information;
- b) Complying with the applicable statutes;
- c) Safeguarding assets from unauthorized use;
- d) Executing transactions with proper authorization, and ensuring compliance with corporate policies;
- e) Prevention and detection of Frauds / errors;
- f) Continuous updating of IT systems.

These are aimed at giving the Audit Committee a reasonable assurance on the reliability of financial reporting and statutory & regulatory compliances, effectiveness and efficiency of your Company's operations. The Internal Financial Control Systems are reviewed periodically and revised to keep in tune with the changing business environment.

Statutory Auditors of the company has conducted audit of internal financial control system over financial reporting and operating effectiveness of such controls. Separate audit report on internal financial control is annexed to Auditors Report and forming part of this report.

Financial Performance:

The brief summary of financial statement is reproduced hereunder:

The Profit after tax for the financial year under review was Rs.398.16 lakh as against Rs.377.77 lakh for the previous year.

Outlook:

The Company expects the turnaround to sustain, accompanied by a reduction in fixed costs by improving

manufacturing capacity utilisation, cash conservation and non-core asset monetization. However the Company continues to closely monitor impending problems due to factors like inflation, and geopolitical risks, which could affect the business. The health and safety of employees, customers, suppliers and communities remain a priority. The Company is optimistic for revenue and margins growth in the medium term, strengthening business sustainability.

In the coming year, we are foreseeing increase in demand since few export customers have started shifting their orders from China to India. Indian Government will also promote the export and will provide incentive schemes for exports, which will increase the income and decrease the deficit.

Human Resource Development/Industrial Relations:

The industrial relations scenario continued to be largely positive across the manufacturing locations. Significant

emphasis was also laid towards raising awareness on health and wellness of employees through annual medical check-ups and health awareness activities.

Shahlon recognizes that its people are most valuable resources and therefore as a policy of nurturing talent and ensuring that there is growth and their capabilities grow in relation to the growth of the company. The human

resources function takes into account the capability, commitment and sincerity while evaluating talent within the company and suitable reward structure is in place to ensure maximum employee satisfaction. Regular training programs have been in place to improve the work capability at various levels in order to improve the competencies and skills.

INDEPENDENT AUDITOR'S REPORT

TO,

THE MEMBERS OF,

SHAHLON SILK INDUSTRIES LIMITED

1. Report on the Audit of Standalone Financial Statements

Opinion:

We have audited the accompanying financial statements of **SHAHLON SILK INDUSTRIES LIMITED ("the Company")** which comprises the Balance Sheet as on **31st March, 2024**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year ended and the notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with Companies (Indian Accounting Standard) Rules 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as on **31st March, 2024**, and its **Profit** (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI and specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with

these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In the audit of the current period, we do not have observed any key audit matters required to be reported separately.

4. Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors and Management are responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Management's and Board of Director's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance total comprehensive income, change in equity and cash flows of the Company in accordance with the

accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act, read with rule 7 of companies (Accounts) Rules, 2014 and the companies (Indian Accounting Standards) Rules 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether

due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating

the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "**Annexure A**", a statement on the matters specified in the paragraph 3 & 4 of the order, to the extent applicable.
2. As required by section 143(3) of the Act based on our audit of financial statement, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive

Income, the Statement of Changes in Equity and the statement of Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014, Companies (Indian Accounting Standard) Rules, 2015, as amended.
- e) On the basis of written representations received from the directors as on **31st March, 2024** taken on record by the Board of Directors, none of the directors is disqualified as on **31st March, 2024** from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**".
- g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Point No. II-(N) in notes to accounts regarding Contingent liabilities to the financial statements.
 - ii. The company did not have any long-term contracts including derivative contracts for which they were any material foreseeable losses under the applicable law or accounting standards.
 - iii. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the company.

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries (“Ultimate Beneficiaries”) or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- b) The management has represented, that, to the best of its knowledge and belief, as disclosed in Note No. 27.10 to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
- c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) contain any material mis-statement.
- v. The dividend declared and paid during the year by the company is in compliance with section 123 of the companies act, 2013.
- vi. Based on our examination which included test checks, the company, has used an accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.
3. With respect to the other matters to be included in the Auditor’s Report under Section 197(16) of the Act, as amended:
- In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Companies Act, 2013 read with Schedule V to the said Act.

- b) In our opinion and according to the information and explanations given to us, the terms and conditions of the grant of all loans and advances in the nature of loans provided are not prejudicial to the company's interest.
- c) In our opinion and according to the information and explanations given to us, the schedule of repayment of principal and payment of interest has not been stipulated, as loans and advances are in the nature of loans repayable on demand.
- d) Since, all loans are repayable on demand, clause iii(d) is not applicable.
- e) In our opinion and according to the information and explanations given to us, there is no amount in the year under audit which is in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.
- f) No loans or advances are made to Promoters or Related parties, hence, reporting under clause iii(f) is not applicable.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, in respect of investments made and loans, guarantees given by the Company, in our opinion the provisions of Section 185 and 186 of the Act have been complied with.
- (v) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not accepted any deposits or any amount which are deemed to be deposits, during the year and does not have any unclaimed deposits as on 31st March, 2024 as per the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under and therefore, Clause 3 (v) of the Companies (Auditor's Report) Order is not applicable.
- (vi) Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act. We have broadly reviewed the same and are of opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii)(a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, GST, Income-Tax, Sales-Tax, Service Tax, Duty of Customs, Duty of Excise, VAT, Cess and other statutory dues applicable to it with the appropriate authorities.
- There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, GST, Income-Tax, Sales-Tax, Service Tax, Duty of Customs, Duty of Excise, VAT, Cess and other statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below:

Nature of The Statute	Nature of The Dues	Period to which the amount relates	Amount	Forum where dispute is pending
Excise Duty Act	Excise Duty	AY 2018-19	9.61 Lakhs	Central Excise & Service Tax Appellate Tribunal
Customs Act	Custom Duty	AY 2015-16	2.58 Lakhs	Commissioner Of Customs (Appeals)

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.

(ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowings or in the payment of interest thereon to any lender.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

(c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.

(d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company does not have any subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company does not have any

subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.

(x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partially or optionally convertible) and hence reporting under clause 3(x)(b) of the Order is not applicable.

(xi) (a) Based on the examination of books and records of the company, no fraud by the Company and on the Company has been noticed or reported during the year.

(b) According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause (xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable Accounting Standards.

(xiv) (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business;

(b) We have considered the internal audit reports of the company issued till date, for the period under audit.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, reporting under clause 3(xv) of the order is not applicable.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 as nature of the business is not banking and finance. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately Preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management

plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The provisions of CSR as per section 135 of the Companies Act, 2013 are applicable to the company. But the average net profit of last three year is negative; hence there is no requirement to spend on CSR. Hence clause (xx) (a) and clause (xx) (b) of Companies (Auditor's Report) Order, 2020 is not applicable.

Annexure – B to the Independent Auditor’s Report:

Report on The Financial Statements of Shahlon Silk Industries Limited for the Year Ended 31st March, 2024

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

We have audited the internal financial controls over financial reporting of **SHAHLON SILK INDUSTRIES LIMITED (“the Company”)** as on **31st March, 2024** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2024**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibilities

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and

procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to

future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note: Expected credit loss (ECL):The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. Before accepting any new customer, the Company uses an internal credit scoring system to assess the potential customer's credit quality and defines credit limits for each customer. Limits and scoring attributed to customers are reviewed once a year.

As a practical expedient, the Company uses a provision matrix to determine impairment loss of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. The ECL allowance (or reversal) during the year is recognized in the statement of profit and loss.

Company Overview and Notes to the financial statements

I) CORPORATE INFORMATION:

SHAHLON SILK INDUSTRIES LIMITED is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956; now referred as Companies Act, 2013. The address of its registered office is SHAHLON SILK INDUSTRIES LIMITED, Plot no. 5, C.S. Nondh No. 451/A, R.S. No. 33/1 paiki, Nr. Narendra Dyeing Mill, B/h. Old Sub-Jail, Khatodata, Ring Road, Surat, Gujarat, India -395002. The equity shares of the company are listed on the Bombay Stock Exchange (BSE) Limited in India.

The Company is mainly engaged in the business of manufacturing of fabric on water jet looms, air jet looms & rapier looms and various yarn preparatory activities like sizing, texturizing, yarn dyeing, twisting, crape, ply yarn etc. and trading of yarn & fabrics. The company is also engaged into an agency business with Reliance Industries limited for sale of yarn. The company caters to both domestic and international markets.

II) SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements.

(A) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

(I) Compliance with Ind AS

The Financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, the provisions of the Companies Act, 2013 ("the Companies Act") as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI").

The accounting policies have been consistently applied except where a newly issued accounting standard is initially

adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Financial Statements were approved and authorized for issue in accordance with the resolution of the Company's Board of Directors on 27th May, 2024.

(ii) Historical cost convention

These financial statements have been prepared on a historical cost convention basis, except for the following material items which have been measured at fair value as required by relevant Ind AS;

- The defined benefit asset (liability) is as the present value of defined benefit obligation less fair value of plan assets and
- Financial instruments classified as fair value through other comprehensive income.

(iii) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading

Notes to Financial Statements for the Year ended on 31st March, 2024

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. Based on the nature of products / services and time between acquisition of assets for processing / rendering of services and their realization in cash and cash equivalents, operating cycle is less than 12 months. However, for the purpose of current/non-current classification of assets & liabilities period of 12 months has been considered as normal operating cycle.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III except number of shares and per share data, unless otherwise stated.

(v) Use of estimates and judgment

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected

in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

In particular, information about significant areas of estimation, uncertainty and critical judgment in applying accounting policies that have the most significant effect on the amounts recognized in financial statements are included in the following notes:

- Useful lives of Property, plant and equipment
- Measurement of defined benefit obligations
- Provision for inventories
- Measurement and likelihood of occurrence of provisions and contingencies
- Deferred taxes

(B) Inventories: [Ind AS 2]

Inventories are assets:

- Held for sale in the ordinary course of business
- In the process of production for such sale
- In the form of materials or supplies to be consumed in the production process or in the rendering of services.

Measurement of Inventory

Inventories consist of raw materials, stores & spares, work-in-progress, finished goods, Stock-in-trade are stated 'at lower of cost and net realizable value' except for raw materials which is valued at cost.

Cost of Inventories

Cost comprises of all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula/ method for valuation used is 'Weighted Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

Notes to Financial Statements for the Year ended on 31st March, 2024

Net Realisable Value

Net realizable value (NRV) is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Estimate of net realizable value must be based on the most reliable evidence available and take into account fluctuations of price or cost after the end of the period, if this is evidence of conditions existing at the end of the period.

The Cost and net realizable value has been compared for each separately identifiable item of inventory, or group of similar inventories, rather than for inventory in total.

(C) Cash flow statement [Ind AS 7]

Cash flows are reported using the Indirect Method, as set out in Ind AS 7 'Statement of Cash Flow', whereby profit/loss for the year is adjusted for the effects of transaction of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(D) Property, Plant and Equipment (PPE): [Ind AS 16]

Recognition and Measurement

Items of Property, plant and equipment acquired or constructed are initially recognized at historical cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation and impairment loss, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management.

The historical cost of Property, plant and equipment comprises of its

- purchase price including import duties and non-refundable purchase taxes,
- borrowing costs directly attributable to the qualifying asset in accordance with accounting policy on borrowing cost,

- the cost of dismantling, removing the item and restoring the site on which it is located and
- Adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing the assets to their working condition for their intended use.

Freehold land is carried at cost. The company has taken certain land on lease for period of 99 year and no amortization provided on these asset.

Subsequent Expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Advances paid towards the acquisition of PPE outstanding at each Balance Sheet date is classified as capital advances under 'Other non-current assets' and cost of assets not put to use before such date are disclosed under 'Capital work-in progress'. The Company identifies and determines cost of each component of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful lives that is materially different from that of the remaining plant and equipment.

Machinery spares which meets the criteria of PPE is capitalised and depreciated over the useful life of the respective asset.

Depreciation methods, estimated useful lives and residual values

Depreciation is provided on written down value method based on the respective estimate of useful lives.

Notes to Financial Statements for the Year ended on 31st March, 2024

Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Management believes that useful lives of assets are same as those prescribed in Schedule II to the Act.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Disposal

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

(E) Income Taxes (Ind AS 12)

Tax expenses for the period, comprising current and deferred income tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Provision for current tax is made based on tax liability computed after considering tax allowances and exemptions in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

A deferred tax liability is recognized based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period.

A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Tax expense/(credit) recognized in the Statement of Profit and Loss for the year ended 31.03.2024:

Sr. No.	Particulars	Amount (In ₹)
1.	Opening Balance of DTA / (DTL)	105.30
2.	Deferred Tax Assets / (Liabilities) of the period	8.99
3.	Closing Balance of DTA / (DTL)	114.30

(F) Revenue from Contracts with Customers: [Ind AS 115]

- Revenue from contract with customer is recognized when control of Goods or services are transferred to the buyer as per the terms of the contract; the entity retains neither continuing managerial involvement nor effective control over the goods sold; the amount of revenue can be measured reliably; it is probable that the economic benefits associated with the transaction will flow to the entity; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.
- Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales.
- Export sales are accounted when the goods have left the premises or when the goods are received by the customers and incoterms are fulfilled at the exchange rate prevailing on the date of invoice. These are net of commission and do not include freight wherever applicable as per the terms of the sales contract.
- Dividend income is recognized when the right to receive the dividend is established by the reporting date, which is generally when shareholders approves the dividend.
- Interest income is recognized using the effective interest method (EIR) and accounted on accrual basis. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of a financial liability or a financial asset to their gross carrying amount.
- Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit and loss due to its operating nature.
- Revenue from job work is recognized on completion of the work and at the time when no significant uncertainty exists as to its determination and realization.
- Late payment charges are recognized on the ground of prudence as and when recovered.
- Commission income are recognized when the Company satisfies the performance obligation, at fair value of the consideration received or receivable based on a five- step model as set out below, unless included in the effective interest calculation: INDAS 115.
 - Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.
 - Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.
 - Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.
 - Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.
 - Step 5: Recognize revenue when (or as) the Company satisfies a performance obligation.

(G) Employee Benefits: [Ind AS 19]

Short-term employee benefits

These are liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related employee service. The undiscounted amount of short-term employee benefits expected to be paid in exchange for that service is recognised as a liability (accrued expense), after deducting any amount already paid. If the amount already paid exceeds the undiscounted amount of the benefits, an entity shall recognise that excess as an asset (prepaid expense) or else recognised as an expense, unless another Standard requires or permits the inclusion of the benefits in the cost of an asset.

Post-employment obligations

The Company operates the following postemployment schemes:

- (a) defined benefit plans such as gratuity and pension; and
- (b) defined contribution plans such as provident fund etc.
- (c) Other Employee Benefits

(a) Defined Benefit Plans

In accordance with the Payment of Gratuity Act, 1972, applicable for Indian companies, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income.

Defined Benefit Plan - Gratuity

The Company has a defined benefit gratuity plan in India (unfunded). The company's defined benefit gratuity plan is a final salary plan for employees. Gratuity is paid from company as and when it becomes due and is paid as per company scheme for Gratuity.

The Company's obligation in respect of the gratuity plan is provided for based on actuarial valuation using the projected unit credit method. The Company recognizes actuarial gains and losses immediately in other comprehensive income, net of taxes. Gratuity is applicable only to employees drawing a salary in Indian rupees and there are no other foreign defined benefit gratuity plans.

Characteristics of Defined Benefit Plan:

The Entity has a defined benefit gratuity plan in India (funded). The Entity's defined benefit gratuity plan is a final salary plan for employees, which requires contribution to be made to a separately administered fund. The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy. During the year, there were no plan amendments, curtailments and settlements.

Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in salary of the members more than assumed level will increase the plan's liability.

Notes to Financial Statements for the Year ended on 31st March, 2024

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very low as insurance companies have to follow stringent regulatory guidelines which mitigate risk.

(b) Defined Contribution Plans

Contributions to defined contribution schemes such as employees' state insurance, provident fund, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The Company is a member of recognized Provident Fund scheme established under The Provident Fund & Miscellaneous Act, 1952 by the Government of India. The contribution paid or payable under the scheme is recognized during the period under which the employee renders the related services. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions. Thus, the amount of the post-employment benefits received by the

employee is determined by the amount of contributions paid by an entity (and perhaps also the employee) to a post-employment benefit plan or to an insurance company, together with investment returns arising from the contributions; and actuarial risk and investment risk falls on the employee.

(c) Other Employee Benefits

Other employee benefit obligations are measured on an undiscounted basis and are recorded as expense as the related service is provided.

(H) Foreign Currency: [Ind AS 21]

Functional and presentation currency

The financial statements are presented in Indian Rupees (INR), which is the company's functional and presentation currency.

Foreign currency transactions

- Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.
- Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.
- Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.
- Exchange difference arising on settlement of monetary items or reporting monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.

(J) Financial instruments: [Ind AS 109]

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets:

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in the Statement of Profit and Loss.

Subsequent measurement

After initial recognition, financial assets are measured at:

- fair value (either through other comprehensive income or through Profit and Loss), or
- amortized cost.

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost is recognized in the Statement of

Notes to Financial Statements for the Year ended on 31st March, 2024

Profit and Loss when the asset is derecognized or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value through Other Comprehensive Income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value through Profit and Loss (FVTPL):

Assets that do not meet the criteria for amortized cost or FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL is recognized in Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is recognized in the Statement of Profit and Loss.

Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVOCI or FVTPL.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the company changes its business model for managing financial assets.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to

Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Debt instruments

Debt instruments are subsequently measured at amortized cost on the basis of:

- (i) the entity's business model for managing the financial assets and
- (ii) the contractual cash flow characteristics of the financial asset.

De-recognition

A financial asset shall be derecognized only when:

- (a) the contractual rights to the cash flows from the financial asset expire, or
- (b) it transfers the financial asset and the transfer qualifies for de-recognition.
- (c) On de-recognition of a financial asset, the difference between:
 - a. the carrying amount (measured at date of de-recognition); and
 - b. the consideration received
 shall be recognized in Statement of Profit and Loss.

Note:

On de-recognition of Investments the cumulative balance of OCI account related to those investments is been transferred to general reserve.

Impairment of financial assets

In accordance with Ind AS 109, the company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance

Notes to Financial Statements for the Year ended on 31st March, 2024

- b) Financial assets that are equity instruments and are measured as at FVTOCI
- c) Lease receivables under Ind AS 17
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115

The company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables
- All lease receivables resulting from transactions within the scope of Ind AS 17

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life

of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument

- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income / expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.
- Loan commitments and financial guarantee contracts: ECL is presented as a provision in the balance sheet, i.e. as a liability.
- Equity instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an

Notes to Financial Statements for the Year ended on 31st March, 2024

analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial liabilities:

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate, in the case of a financial liability not at FVTPL, transaction costs that are directly attributable to the issue/origination of the financial liability.

Preference Shares being redeemable at fixed date and having right of cumulative dividend are considered as financial liability.

Subsequent measurement

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit and loss.

Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in Statement of profit and loss. Any gain or loss on de-recognition is also recognized in statement of Profit and Loss.

Calculation of EPS as appearing in Statement of Profit and Loss Account:

Sr. No.	Particulars	Current Period	Previous Year
(I)	Net profit/(loss) as per Profit & Loss A/c* (Rs. In Lakhs)	398.16	377.77
(ii)	Net Profit/(loss) adjusted from reserves		
(iii)	Net Profit Attributable to ordinary Shareholders[(i)+(ii)]	398.16	377.77
(ii)	Weighted average number of shares for Basic Earnings per share	8,93,02,450	8,93,02,450
(iii)	Weighted average number of shares for Diluted Earnings per share	8,93,02,450	8,93,02,450
(iv)	Nominal value per share	2	2
(v)	Basic earnings per share (₹)	0.45	0.42
(vi)	Diluted earnings per share (₹)	0.45	0.42

De-recognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(K) Earnings Per Share: [Ind AS 33]

Basic and Diluted earnings/(loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the board of directors.

Notes to Financial Statements for the Year ended on 31st March, 2024

* The fair value of cash and cash equivalents, trade receivables, borrowings, trade payables, other current financial assets and liabilities approximate their carrying amount largely due to the short-term nature of these instruments. The Company's long-term debt and investment in fixed deposit have been contracted at market rates of interest. Accordingly, the carrying value of such instruments approximates their fair value.

(L) Fair value measurement [Ind AS 113]

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1 - Quoted (unadjusted) prices in active market for identical assets or liabilities. Investments in Quoted Shares are valued as per quoted price in active market.
- Level 2 - (Inputs other than quoted prices included in Level 1) Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which

are not carried at fair value, the carrying amount approximates fair value due to the short maturity of these instruments.

(M) Cash and cash equivalents:

For the purpose of presentation in the Statement of Cash Flows, Cash and Cash Equivalents includes Cash on hand, balance with banks and demand deposits with banks and other short term highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(N) Provisions and Contingent Liabilities: [Ind AS 37]

A provision is recognized when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

The amount payable is under dispute.

Contingent assets

Contingent assets are neither recognized nor disclosed in the financial statement.

Provisions, Contingent Liabilities and Contingent assets are reviewed at each balance sheet date.

(O) Government Grants: [Ind AS 20]

Grants and subsidies from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the attached conditions.

Government grants relating to purchase of property, plant and equipment are included in the non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

As per the Second Amendment Rules 2018 notified by MCA on 20th September, 2018 amending IND-AS 20 - Government Grants, an alternative is provided to reporting entities whereby government grant related to assets can be presented by deducting the value of grant from the carrying amount of asset. The said amendment is applicable effective from reporting period beginning on or after 1st April, 2018.

(P) Intangible assets (Excluding Goodwill): [Ind AS 38]

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the assets can be measured reliably.

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

(Q) Impairment of non-financial assets - property, plant and equipment and intangible assets: [Ind AS 36]

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use.

Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk

Notes to Financial Statements for the Year ended on 31st March, 2024

specific to the assets. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(R) Finance Cost: [Ind AS 23]

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset. A Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowing pending their expenditure on qualifying asset is deducted from the borrowing cost eligible for capitalization. All Other borrowing costs are charged to statement of profit and loss for the period in which they are incurred.

(S) Leases: [Ind AS 116]

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased assets:

The company has acquired 99 years leasehold right of Plot no.: Composite unit 1 and 2 & Plot No.

3, 4, 5A and 15, Fairdeal Textile Park, Village: Mahuvej, Taluka: Mangrol, Dist.: Surat, by subscribing to the shares of Fairdeal Textile Park Pvt. Ltd. All the risk and rewards of the leasehold land has been transferred to the Company. The life of leasehold land has been considered beyond estimate because of the period of lease being 99 years and renewable thereafter gives the Company ownership of the plot in perpetuity.

The leasehold land has been recognized at Nil value and the value by virtue of which the Company acquired the leasehold right has been recognized non-current at their historical cost.

Operating lease payments are recognized as an expense. Further, there is no outstanding lease contract which requires the treatment to recognize the right to lease asset and lease liability.
