APL Apollo's Design Innovation on Display at ACE Tech EXPO 2023

Mumbai : APL Apollo Tubes Ltd., a leading player in the steel tube industry, is thrilled to participate in the ongoing ACE (Architecture, Engineering) Tech EXPO: Architecture, Building Materials & Design Exhibition being held at the Bombay Exhibition Centre in Mumbai, from 2nd to 5th November 2023. At the event, the company's objective is to feature its design expertise and commitment to a green, sustainable world through its product collection.

At this prestigious event, APL Apollo has set up a stall showcasing its ingenious product range, such as Circular Hollow Sections, Square Hollow Sections, Rectangular Hollow Sections, Oval Hollow Sections, Handrails, Single and Double Frames (Chaukhat), Planks, Octagons, Galvanos, and Coloured Coated Coils. These demonstrations highlight that high-calibre steel tube products are more than just steel; they are the building blocks of architectural marvels as the brand is the embodiment of quality, reliability and innovation. Moreover, the company focuses on becoming the go-to choice for architects, engineers, interior designers and builders, enabling them to turn their creative visions into reality.

Equally noteworthy is that an installation designed by the renowned architect firm Mandviwala Qutub and Associates from Mumbai, which utilises high-quality tubes by the company, is displayed at the event. These integrated products in the installation include the APL Apollo rectangular hollow section and the APL Apollo circular hollow section. APL Apollo's engagement in events like ACE Tech EXPO is a valuable connection point with influential figures in the industry while presenting their customised steel-building solutions, contributing to a greener world tomorrow. Furthermore, this showcase develops brand equity and enhances brand visibility for the company. Talking about the event, Ms Charu Malhotra, The Chief Brand Officer of APL Apollo Tubes Ltd. said, "Our partnership with Mandviwala Qutub and Associates, led by the visionary Qutub, is the fusion of architectural aesthetics with steel tubes, displaying exceptional creativity. As we expand our marketing horizons, we value such experimental explorations to connect with new audiences and convey the endless possibilities that our products offer in the world of construction and design."
