TONSURED FOR 'RELATIONSHIP'

22 arrested for 'torturing' 13-yr-old Patan girl

EXPRESS NEWS SERVICE
AHMEDABAD, NOVEMBER 13

POLICE HAVE Saturday arrested 22 people in connection with a case in which a 13-year-old Patan girl was paraded after being tortured and her face blackened allegedly for being in a relationship with a man.

According to police, the incident occurred on November 10 when the minor was restrained by more than 35 men from her community. A video that went viral shows the girl's head being shaved after tying up her hands. Her face was blackened with soot and a hot pan was seen placed on her ton-

sured head before being paraded in the village as part of the primitive "punishment" meted out by men of her community, including her father.

In the video, which surfaced on social media Friday, the child was seen crying for help as the men who surrounded her jeered and paraded her in captivity. Furthermore, the victim was married off to a man the same day by her father and other male relatives, the police said.

After the video went viral, Patan collector, Superintendent of Police and District Child Protection Officer rushed to the spot with multiple police teams deployed in the village. "We have

arrested 22 accused in the case yet. Further probe is on," said Akshay Raj Makwana, superintendent of police, Patan.

"After the video surfaced, the victim child was rescued by the police. We have brought her to our one-stop centre in Patan's Dharpur wherein her medical examination is going on. The victim's statement has also been recorded by the police and she has been counselled by them. We are awaiting an order by the National Commission for Women (NCW) after which she will be shifted to a girl's home," Ketan Prajapati, district child protection officer, Patan, told The Indian Express. One-stop centres under the Ministry of

Women and Child Development (WCD) support women affected by violence in private and public spaces, within the family, community and workplace.

According to the police, the child was in a relationship with a man from her village and had eloped to a nearby town two days after Diwali. They were caught by a few village men near a bus stand in the town and were forcibly brought back. The man was also given a similar treatment as the girl separately. The girl, who was restrained in her house before being paraded, was then married off to another man.

Two FIRs have been lodged in the matter. In the first, 35 men

from the victim's community have been booked under the Indian Penal Code sections 143 for unlawful assembly, 323 for causing hurt, 341 and 342 for wrongful restraint, 509 for insulting the modesty of a woman and sections of the Juvenile Justice Act and the Prevention of Child Marriage Act.

In the second FIR, the 18-year-old man who had allegedly eloped with the victim has been booked under IPC sections 363 for kidnapping, 366 for kidnapping a woman to compel her for marriage, 376 (3) for raping a woman repeatedly and sections of the Protection of Children Against Sexual Offences (POCSO) Act.

Ahmedabad metro project: U-girder launched

Ahmedabad: The Gujarat Metro Rail Corporation (GMRC) has successfully launched the first U-girder in the super structure above pier cap of Phase-II of Ahmedabad metro project between Motera and Gandhinagar, an official statement said.

here Saturday. While the work on Phase-I of the project is still underway, the U-girders are being used to speed up work on the Phase-II of the project. Each U-girder is 28 m in length and weighs 160 MT and is launched using two hydraulic cranes.

ENS

Father Stan's fight goes beyond his death, says his lawyer Mihir Desai

EXPRESS NEWS SERVICE
AHMEDABAD, NOVEMBER 13

FATHER STAN Swamy's fight goes on, even beyond his death, said lawyer Mihir Desai, who represented the Jesuit priest and tribal rights activist in the Elgar Parishad case.

The 84-year-old Swamy died at a Mumbai private hospital in July under judicial custody. He was booked under the stringent Unlawful Activities Prevention Act (UAPA) by the NIA in the Elgar Parishad case.

"People ask me if I feel guilty for Father Stan's death. I tell them I don't. In a court case, when a policeman beats up or kills somebody, we don't have anything personal to feel guilty about, but we do feel responsible about. The nation has come to a stage today for which all of us are responsible, that maybe we didn't fight hard enough. Maybe we don't feel guilty, but we should feel responsible. That is the only way Father Stan would

Dignitaries at the book release at Jubilee Auditorium in St Xavier's Highschool campus in Ahmedabad on Saturday. Nirmal Harindran

have wanted. He would have wanted to fight against whatever led to his death or led to the unjust incarceration or death of a large number of people in this country."

Desai was speaking at the release of the book titled "Father Stan Swamy: A Maoist or a Martyr?" by Dr Prakash Louis at Saint Xavier's High School in

Naranpura of Ahmedabad Saturday.

The book throws light on the life and works of Swamy who worked for over three decades for the land, forest and labour rights faced by the Adivasi communities in Jharkhand.

ADVERTORIAL

Are you at risk of complications of diabetes even if your blood sugar reports are NORMAL ?

Dr. KALPESH TALATI
SR. CONSULTANT
PHYSICIAN
AHMEDABAD

Roller coaster rides of blood sugar in diabetesCAN be HARMFUL

As a diabetes patient, the joy of looking at a blood sugar report which shows normal values or blood sugar levels within the normal limit definitely makes you happy!!

But ...BEWARE... Before you joyously reach for a piece of sweet or chocolate to celebrate your "normal report..." take a look at a "Hidden Danger".

Even if the blood sugar levels are within the normal limits a risk factor called "oscillating blood glucose levels or glycaemic variability (GV)" is now considered by

doctors as an important parameter to control in order to prevent progression of diabetes. Unfortunately, these fluctuations are not reflected by the common laboratory blood sugar tests (Fasting blood glucose, 2 hours post meal blood glucose or HbA1c).

Fluctuations in blood sugar levels during the day (when you binge or cheat on food or do not follow diet) can cause harm to your body and can lead to complications of diabetes such as heart disease, foot ulcers, nerve damage. These ups and downs of blood sugar must be controlled.

Consult your doctor to learn more about glycaemic variability (GV) and understand how you can control GV ups and downs.

2 Based on the guiding principles given in Ind AS-108 on 'Operating Segments', the Company's business activity fall within a single operating segment, namely automotive segment. Accordingly, the disclosure requirements of Ind AS 108 are not applicable.

3 The Company's operations and financial results for the quarter ended June 30, 2021 were partially impacted by the lockdown announced by various State Governments during the first quarter. However the operations have resumed with requisite precautions in place. The situation is continuously evolving, the impact assessed may be different from the estimates made as at the date of approval of these financial results and management will continue to monitor any material changes arising due to the impact of this pandemic on financial and operational performance of the Company and take necessary measures to address the situation.

4 The above results for the quarter and half year ended September 30, 2021 have been reviewed and recommended by the Audit Committee meeting and approved by Board of Directors in their respective meetings held on November 12, 2021.
