**Independent Auditor's Review Report on Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).**

**To**  
**The Board of Directors**  
**ICDS Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of ICDS Limited ('the Company') for the three months period ended June 30, 2022 along with explanatory notes thereon ('the Statement') being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations').
2. The Statement, which is the responsibility of the Company's management and approved by the Company's board of directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes to the un-audited standalone financial results for the quarter ended June 30, 2022:**

- 5 Other income includes dividend income, interest income, unwinding interest income on financial assets and Fair value gain/(loss) on financial assets.
- 6 The Company during the Financial year 1991-92 had paid an advance to Mr Hiten P Dalal, Stock Broker, amounting to Rs. 280.56 Lakhs towards purchase of securities for its investment purposes, which was required for maintaining SLR required to be maintained against Public Deposits. However, The stock broker failed to give the delivery of those securities and in the interim had delivered MTNL bonds having face value of Rs.100 Lakhs in part satisfaction of the amount paid. By the time the stock broker got involved in the security scam. In the interim said MTNL bonds were sold by the Company and realized Rs. 84 lakhs along with interest of Rs.5 lacs. The Company had followed up for the delivery of the securities for the balance amount and approached the Special Court:(Trial of offences relating to Transaction in Securities ) Act , 1992 of Mumbai , for getting justice and recovery of the dues. The Special Court held that, the company has to make good the investment sold by depositing of equal amount of securities, in respect of which the Company has deposited the ITI Bonds (tax free) of the face value of Rs.100 lakhs with the Special Court. The company in view of lengthy proceedings without much progress and continuing litigation, had written off the balances due in the earlier year, including the amount advanced with interest up to certain date which includes the value of the Bond deposited with the Special Court. In the financial year 2021-22, the Company has received an Order dated 4th December, 2021 from the Special Court upholding company's claim and held that i) Stock broker has to pay the amount due to the Company along with the interest from the date of suit till the date of payment or realization. Further while computing the interest, the Company shall give credit for the amount deposited pursuant to redemption of the ITI Bonds as on date of receipt by the Special Court. (ii) The Company shall be entitled for refund of the amounts deposited in the Special Court along with accrued interest, if any. (iii) The stock broker shall pay the cost of suit to the Company amounting to Rs.2 Lakhs and the Company shall reimburse the cost of suit amounting to Rs. 1 Lakhs to other party involved in the suit.
- The Company thereafter filed execution petition for recovery of amounts as aforesaid and has received an amount of Rs.652.18 Lakhs on May 18, 2022 towards amount deposited with Special Court. The Company in the financial year 2021-22 , has recognized the above amount recovered with respect to the investment and accrual thereof paid by the Special Court as income of exceptional nature under prudence. The Company is pursuing the recovery of the balance amount due as per the Order of the Special Court. The Company will recognize the revenue arising out of remaining part of the Order in the year in which the amount is recovered as it cannot be quantified now.
- The Company has been informed by its legal council that stock broker has filed petition in the Supreme Court in respect of which, the Company has not received any communication. The Stock Broker has also filed miscellaneous petition in the interim requesting the Special Court to recall the money already paid to the Company, pursuant to the said Order. The management is of the opinion that the said Order has attained logical conclusion on completion of legal proceedings and the amount received in respect of which income has already been recognised, has achieved finality and expects that the Honorable Supreme Court will follow the Order of Special Court and does not expect any outflow in this regard.
- 7 The actuarial gains/losses and disclosure of re-measurement gains (losses) on defined benefit plans are arrived at the year end on actuarial valuation of the obligation by the gratuity fund.
- 8 The Company does not foresee any diminution in the value of investments and the provisions made in the books are adequate and the management is hopeful of recovery of the same at the stated values.
- 9 The Company in the year 2021-22 has taken the benefits of provisions recorded towards receivables considered as deferred tax asset against the taxable income which has resulted in decrease in carried forward Deferred tax assets. No impact thereof is taken to the Statement of Profit & Loss account as these Deferred Tax Assets were never recognised in the books of account. The Company has not recognised Deferred Tax Assets arising on unused losses and depreciation allowance and provision for doubtful debts (net of deferred tax Liabilities) as a matter of prudence.
- 10 The Company has prepared its accounts on "going concern basis", in view of networth being positive with positive cashflows following the successful implementation of the scheme of arrangement sanctioned by the Hon'ble High Court of Karnataka and the Holding Company's foray into fee based activities, rentals from investment properties, gains from dealing in trading of shares and securities.
- 11 The Ministry of Finance, Government of India has introduced the Direct Tax Vivaad Se Vishwas Act, 2020 ('DTVSV Act, 2020' or 'the Act') to help tax payers end their tax disputes with the Income Tax Department by paying disputed tax and get waiver from payment of interest and penalty and also immunity from prosecution. As per the Act, the tax payers are required to remit the disputed taxes without an additional amount by June 30, 2021. The Company had obtained an opinion in this matter from tax consultants. The Company during the previous year, based on advice from its tax counsel and the decision of the board of directors opted for the settlement under the scheme since there will not be any cash outflow required to be made in view of the amounts already paid under protest being higher than the tax liability under the DTVSV Act, 2020.

**Notes to the un-audited standalone financial results for the quarter ended June 30, 2022:**

The Company had filed an online declaration during December 2020 under DTVSV Act, 2020 in respect of its Income tax demand for Block Assessment of Rs.1,011.26 Lakhs (inclusive of interest) pertaining to assessment years from 1987-88 to 1997-98 to settle the matter and against which a certificate settling the tax demand at Rs.633.93 Lakhs was approved under Form 3 under of Section 5(1) of the DTVSV Act, 2020 by Department on June 15, 2021. The Company had already deposited Rs.774.86 Lakhs against the said Income Tax demand as on date. The management is confident of recovering the amount paid under protest of Rs 140.93 Lakhs (after netting off the tax settled under DTVSV Act, 2020 as disclosed above) based on the approval of refund vide Form 3 by the Income Tax department. During the previous year ended March 31, 2021, the Company accordingly, had made provision for Income tax for earlier years to the extent of Rs.633.93 Lakhs which is the estimated taxes payable as per certificate in Form 3 under Section 5(1) of DTVSV Act, 2020.

12 There are numerous interpretative issues till now relating to the Hon'ble Supreme Court (SC) judgement on Provident Fund dated February 28, 2019. As a matter of caution, the Company has made a provision on a prospective basis from the date of the SC order. The Company will update its provision, on receiving further clarity on the subject.

13 The Indian Parliament has approved the Code on Social Security, 2020 ('Code') which may impact the contribution by the Company towards Provident Fund and Gratuity. The effective date from which the Code and its provisions would be applicable is yet to be notified and the rules which would provide the details based on which financial impact can be determined are yet to be framed. The Company will complete its evaluation and will give appropriate impact, if any, in the financial results following the Code becoming effective and the related rules being framed and notified.

The Special Court held that, the Holding company has to make good the investment sold by depositing of equal amount of securities, in respect of which the Holding Company has deposited the ITI Bonds (tax free) of the face value of Rs.100 lakhs with the Special Court. The Holding company in view of lengthy proceedings without much progress and continuing litigation, had written off the balances due in the earlier year, including the amount advanced with interest up-to certain date which includes the value of the Bond deposited with the Special Court. In the financial year 2021-22, the Holding Company has received an Order dated 4th December, 2021 from the Special Court upholding Holding company's claim and held that i) Stock broker has to pay the amount due to the Holding Company along with the interest from the date of suit till the date of payment or realization. Further while computing the interest, the Holding Company shall give credit for the amount deposited pursuant to redemption of the ITI Bonds as on date of receipt by the Special Court. (ii) The Holding Company shall be entitled for refund of the amounts deposited in the Special Court along with accrued interest, if any. (iii) The stock broker shall pay the cost of suit to the Holding Company amounting to Rs.2 Lakhs and the Holding Company shall reimburse the cost of suit amounting to Rs. 1 Lakhs to other party involved in the suit.

The Holding Company thereafter filed execution petition for recovery of amounts as aforesaid and has received an amount of Rs.652.18 Lakhs on May 18, 2022 towards amount deposited with Special Court. The Holding Company in the financial year 2021-22, has recognized the above amount recovered with respect to the investment and accrual thereof paid by the Special Court as income of exceptional nature under prudence. The Holding Company is pursuing the recovery of the balance amount due as per the Order of the Special Court. The Holding Company will recognize the revenue arising out of remaining part of the Order in the year in which the amount is recovered as it cannot be quantified now. The stock broker further on 10.06.22 has filed an appeal against the said Order with Special court, which in the opinion of the management is not tenable and does not expect any outflow in this regard.

The Holding Company has been informed by its legal council that stock broker has filed petition in the Supreme Court in respect of which, the Holding Company has not received any communication. The Stock Broker has also filed miscellaneous petition in the Interim requesting the Special Court to recall the money already paid to the Holding Company, pursuant to the said Order. The management is of the opinion that the said Order has attained logical conclusion on completion of legal proceedings and the amount received in respect of which income has already been recognised, has achieved finality and expects that the Honorable Supreme Court will follow the Order of Special Court and does not expect any outflow in this regard.

6 The Group does not foresee any diminution in the value of investments and the provisions made in the books are adequate and the management is hopeful of recovery of the same at the stated values.

7 The Group has not recognised Deferred Tax Assets arising on unused losses and depreciation allowance and provision for doubtful debts (net of deferred tax Liabilities) as a matter of prudence.

8 The Holding Company has prepared its accounts on "going concern basis", in view of networth being positive with positive cashflows following the successful implementation of the scheme of arrangement sanctioned by the Hon'ble High Court of Karnataka and the Holding Company's foray into fee based activities, rentals from investment properties, gains from dealing in trading of shares and securities.

9 The Ministry of Finance, Government of India has introduced the Direct Tax Vivad Se Vishwas Act, 2020 ('DTVSV Act, 2020' or 'the Act') to help tax payers end their tax disputes with the Income Tax Department by paying disputed tax and get waiver from payment of interest and penalty and also immunity from prosecution. As per the Act, the tax payers are required to remit the disputed taxes without an additional amount by June 30, 2021. The Holding Company had obtained an opinion in this matter from tax consultants. The Holding Company during the previous year, based on advice from its tax counsel and the decision of the board of directors opted for the settlement under the scheme since there will not be any cash outflow required to be made in view of the amounts already paid under protest being higher than the tax liability under the DTVSV Act, 2020.
