"We are working for peace and stability in Afghanistan", ISI chief Hameed reportedly said upon his arrival in Kabul. He arrived at Hotel Kabul Serena on Saturday morning and visited the Pakistan Embassy along with senior officials. The The visit comes weeks after Hameed was seen offering prayers with the Taliban leadership led by a Taliban Imam after the fall of Kabul. Panjshir fighting...

The Taliban was making inroads but the advance was slowed by landmines placed on the road to the capital Bazarak and the provincial governor's compound.

Celebratory gunfire rang out in the capital Kabul overnight as rumours spread the valley had fallen, but the Taliban made no official claim on Saturday and a resident told AFP by phone that the reports were false.

The Emergency Hospital in Kabul said two people were killed and 20 wounded by the celebratory firing, as the Taliban tweeted a stern admonishment warning its fighters to stop. "Avoid firing in the air and thank God instead," said chief spokesman Zabihullah Mujahid, tipped to become the new regime's information minister.

"The weapons and bullets given to you are public property. No one has the right to waste them. The bullets can also harm civilians, don't shoot in vain."

In Panjshir, former vice-president Amrullah Saleh, holed out alongside Ahmad Massoud -- the son of legendary anti-Taliban commander Ahmad Shah Massoud -- admitted the perilous position of the NRF. "The situation is difficult, we have been under invasion," Saleh said in a video message.

Usually known for his sharp Western suits, Saleh was filmed wearing a traditional shalwar kameez tunic and a flat woollen pakol cap favoured by Panjshiris. "The resistance is continuing and will continue," he added.

Taliban and resistance tweets suggested the key district of Paryan had changed hands several times in the last few days, but that also could not be independently verified.

The case was earlier being probed by the Special Cell of Delhi Police under charges of 427 of Indian Penal Code and Section 3 of Explosive Substances Act, 1908, relating to the IED blast. The Ministry of Home Affairs (MHA) handed over the case to the NIA on February 2 this year.

When contacted executive director of Madhya Pradesh Industrial Corporation (MPIC) Rishi Garg said collector Raisen had handed over government land to Industries department in 1973 for development of Mandideep Industrial area, out of which 488.90 acre was forest land. Now, the government of India has de-notified the forest land. The IAS officer said the denotification of the forest land would lead to expansion of the existing industrial units and development of the industrial area with more and more investment coming.

The EC said the model code of conduct has come into force with immediate effect from September 4 onwards in the districts in which the whole or any part of the constituencies are included. The by-elections, however, have been kept on hold in 11 states and two Union Territories as urged by the chief secretaries citing the constraints of floods, festivals and pandemic. They may be held after the festival season is over. The ECB and our host venues do not tolerate any such behaviour which risks the safety of players, officials, and staff. The ECB works closely with all our venues to share information and enhance their security operation," said a spokesperson from the England and Wales Cricket Board (ECB). Some experts and many fans are wondering what would have been the reaction of English media if such a lapse had happened in India. "If this ain't a breach of the bio-bubble, then what is? What's ECB and the UK authorities doing? Once fine, but thrice, come on! This is outrageous. Just imagine if this happened in India, then the English media would've gone bonkers over it," wrote an English fan on Twitter. Fans wondered if India were downplaying the incident.
