LAXMI ORGANIC INDUSTRIES LTD

Retains the Highly Recognised 'Responsible Care' Logo

Laxmi Organic Industries Ltd ("LXCHEM"), a specialty chemical manufacturer focused on Acetyl Intermediaries and Speciality Intermediaries, has retained the highly recognised Responsible Care® certification from January 2023 to December 2025. A member of the Indian Chemical Council ("ICC"), Laxmi Organic Industries Ltd successfully completed a comprehensive assessment by industry experts and assessors to retain this certification, third time in a row.

On receiving the certification, Mr Ravi Goenka, Chairman and Managing Director said ***"At Laxmi Organic Industries, we are committed to the highest standards of corporate citizenship with the safety of our people, communities and the environment being paramount. Our three decades of legacy is built on the values of quality, safety, and sustainability and we will continue to be guided by these values in all our future endeavours."***

Responsible Care®, a global voluntary initiative was launched in Canada in 1985 and today overseen by the International Council of Chemical Associations ("ICCA") it is practiced in more than 65 countries across the world. The initiative aims to drive continuous improvement in safe chemicals management and achieve excellence in environmental, health, safety and security performance. National associations work with ICCA to ensure the same.
