7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's **General Circular No. 20/2020**, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Monday 19th September 2022 at 9.00a.m. and ends on Wednesday 21st September 2022 at 5.00p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Thursday 15th September 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without

having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

The approval of the shareholders is being sought by way of a special resolution in respect of the above given details .

Item No 6.

Your Company is primarily engaged in the business of development and sale of residential properties The funding obligations of such entities are partially met out of the Company's cash flows. In addition thereto, the Company also provides security(ies) and corporate guarantee(s) to secure the borrowings and other facilities being availed by associate(s) companies. The Company also has existing and continuing contracts/arrangements in the ordinary course of business relating to transfer of rights, development agreements, building maintenance services, utilities and construction costs, etc., with the related party entities, which have continued to exist beyond 31st March, 2021.

As these are ongoing transactions, it is difficult to specifically assess the total value of such transactions at this stage, however, it is expected that the aggregate value of all such transactions together would be approx. 100 crores. These would include both sums payable from the Company to these related party entities and vice-versa.

Going forward and in the ordinary course of business, the Company may enter into new transactions of similar nature i.e. lending, providing and receiving corporate guarantee(s) and security(ies) for existing/new credit facility(ies), , building maintenance service(s), sale/purchase of material, transfer of right(s), construction cost(s), etc., with the related party entities as mentioned in annual accounts , which may exceed the materiality threshold limit annually by individually and/or collectively.

Since some of the above transactions are not fixed for any particular term, it is not possible for the Company to ascribe an explicit monetary value to such transactions. However, approval of the Audit Committee and/or Board, wherever required, shall be obtained in terms of the provisions of the Section 188 Companies Act, 2013 and in terms of regulation 23 of SEBI (LODR) Regulations 2015.

The approval of the shareholders is being sought by way of a special resolution in respect of the existing contracts/ arrangements. Further, approval is also being sought for the proposed transactions of Material nature

The Board recommends the resolution at item no 4,5 & 6 for approval of the members as Special Resolution

MANAGEMENT DISCUSSION AND ANALYSIS

Macro Economic overview

Thankfully the Covid-19 devil is behind us. India has overcome the effects of Covid-19 and is on the growth path. India is the fastest growing economy among the major economies in the world. In financial year 2021-22, our growth in the economy has been 8.5%, since then the economy has been showing positive growth rate.

However, the inflation is increasing which has been a worldwide phenomenon particularly due to geopolitical situation and also because of shortage of raw-materials for one or the other reason.

India has also seen increase in inflation rate which has gone up to 7.8% in April 2022. Because of high inflation, RBI in order to tame the inflation has increased repo rate by 1.4% in the recent past. With this increase in repo rate the home loans have gone up compared to the earlier prevailing low home loan interest regime.

Industry Overview

The Real estate sector is the second highest provider of employment in India after agriculture. Real Estate contribution to GDP is 7% which is increasing year after year and it is expected to increase to 13% by 2030.

Covid-19 had a major impact on the real estate industry as many people started working from home and many workers returned to their towns to work from home, thereby leaving many leased places vacant and reduction in demand for both housing and commercial sector.

The substantial reduction in Covid-19 cases and relaxation of Covid-19 protocol has brought back most of the people working from home back to their place of work and also giving flip to the demand of both housing and commercial segments. Thereby many of the spaces which were vacant are getting filled up with lessees and also there is substantial increase in the sales.

On the other hand, inflation has hit hard and prices of raw-material have increased substantially thereby increase in overall cost. In real estate when the sales have been done on historical prices and without escalation clause the burden of increase in the cost is to be borne by the builder. However it gets compensated in the subsequent sales which are done at increased prices.

MARKET OUTLOOK

Alpine Housing, basically is in the residential segment of real estate. We have three ongoing projects namely, Alpine Fiesta, Alpine Vistula & Alpine Pyramid.

In Alpine Pyramid Project we have approval for construction of a new block called Alpine Iris which we plan to start in this year.

During this year we have entered into a Joint Development Agreement with M/s.Milestone Buildcon (P) Ltd., for development of our 15 acres of free hold land which is kept in our books as stock in trade for development. Instead of developing it by our self, we have decided to give this property to M/s.Milestone Buildcon (P) Ltd., for joint development on revenue sharing basis as they are more popular in that part of the city.

This property needs many clearance including change of land use and subsequent plan sanctions etc., we expect all the clearance may take almost two years and only then the project will be launched.

Alpine Concrete Sleepers is a concrete Sleeper manufacturing unit to manufacture Railway sleepers for Indian Railways. Our this unit is at Wadi in Gulbarga District in Karnataka. Presently we are executing contracts of Railway Board and Central Railways to manufacture Railway Sleepers and turnout Points.

In this unit during the year 2021-22 in the first two quarters the effect of Covid-19 was there subsequently the situation has improved and normal production is going on

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
ALPINE HOUSING DEVELOPMENT CORPORATION LIMITED**

Report on the Audit of Financial Statements:

We have audited the accompanying financial statements of **ALPINE HOUSING DEVELOPMENT CORPORATION LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Measurement of Revenue on contractual projects recorded over time which is dependent on the estimates of the costs to complete— Refer note 2.2 (c) - (b) & (c)

Revenue recognition from the contractual projects represents a significant portion of the total revenues of the company.

Revenue recognition from the contractual projects involves significant estimates related to measurement of costs to complete the projects. Revenue from projects is recorded based on company's assessment of the work completed, costs incurred and accrued and the estimate of the balance costs to complete.

Due to the inherent nature of the projects and significant judgement involved in the estimate of costs to complete, there is risk of overstatement or understatement of revenue, hence this is considered as a key audit matter.

Auditor's Response

Our audit procedures on Revenue recognition included the following:

- Evaluation of Company's accounting policies for revenue recognition on contractual projects are in line with the applicable accounting standards and their application to customer contracts including consistent application;
- For samples selected during the year, verifying the underlying documents – contracts with customers, invoices raised and collections from the customers;
- Comparing the costs to complete workings with the budgeted costs and analysis of the variances, if any;
- Sighting approvals for changes in budgeted costs with the rationale for the changes; and
- Assessment of costs incurred on projects, which is used by the company to determine the percentage of completion.

B. Measurement of Revenue recorded from Sale of products – refer note 2.2 (c) - (e)

Revenue is recognised upon transfer of control of products manufactured by the company to customers for an amount which reflects the consideration the company expects to receive in exchange for those products. The point of revenue recognition is normally upon transfer of control to the customer on delivery of product.

Considering the competitive business environment, there is a risk of revenue being overstated or understated in order to present consistent financial results. Since revenue recognition has direct impact on the company's profitability, there is a possibility of the company being biased, hence this is considered as a key audit matter.

Auditor's Response

Our audit procedures on Revenue recognition included the following:

- Evaluation of company's accounting policies for revenue recognition on sale of products manufactured, are in line with the applicable accounting standards;
- Evaluation of the design and implementation and testing the operating effectiveness of key controls around approvals of sale order received, invoice raised, intimation of delivery of product and controls over collection from customers;
- For samples selected verifying the underlying documents – Sale order, invoice raised, good received note authorised by the customer and the collections; and
- Cut-off procedures for recording of revenue in the relevant reporting period.

C. Assessment of Inventory valuation – refer note 2.2(e)

Inventories on construction of residential flats comprising ongoing and completed projects, initiated but unlaunched projects and land stock, represents a significant portion of the company's total assets. A project comprises multiple units, the construction of which is carried out over a number of years. The recognition of profit for sale of units, is therefore dependent on the estimate of future selling prices and construction costs.

Forecasts of future sales are dependent on market conditions, which can be difficult to predict and be influenced by political and economic factors.

Considering the significance of the amount of carrying value of inventories and the involvement of significant estimation, this considered as a key audit matter.

Auditor's Response

Our audit procedures to assess the Inventory valuation include the following:

- Enquiry with the company's personnel to understand the basis of computation and justification for the estimated recoverable amount of the unsold flats;
- Assessing the company's valuation methodology for the key estimates, data inputs and assumptions adopted in the valuation;
- While analyzing the expected average selling price, we have performed a sensitivity analysis on the selling price and compared this to the budgeted cost; and
- For our samples, obtained the fair valuation reports for assessing the valuation methodology, key estimates and assumptions adopted in the valuation.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Managements Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The company has not declared or paid any dividend during the year. Accordingly, reporting under Rule 11(f) of the Companies (Audit and Auditors) Rules 2014 is not applicable.
2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory requirements’ of our report to the members of **Alpine Housing Development Corporation Limited** of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ALPINE HOUSING DEVELOPMENT CORPORATION LIMITED** (the “Company”) as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

PPE-Land- Alpine Eco Project	207.81	Refer * below			
PPE-Building – Alpine Eco Flats	409.42				

*Alpine Eco Apartment is a residential project developed by the Company through joint development agreement with the landowner as part of the regular business of the Company. As per the terms of joint development agreement and subsequently entered supplementary agreement the built-up area and the apartments are shared between the landowner and the Company (the Developer). The said flats are developed by the Company as part of the regular business of the Company and they are treated as stock-in-trade. Out of the apartments shared to the Company, there are unsold stock of residential flats which the Company has converted into Property Plant & Equipment in the financial year 2013-14. Out of these unsold residential apartments which are treated as Property, Plant & Equipment, there are fifty two residential apartments which are unsold as on March 31, 2022 in Alpine Eco Apartments project. The gross carrying value of the said unsold fifty two flats is Rs.617.23 Lakhs (the total gross carrying value is bifurcated into gross carrying value of land Rs.207.81 & gross carrying value of building Rs.409.42). The Company has the duly executed joint development agreement, supplementary agreement for sharing of the built-up area and the apartment in which the respective portions in the constructed area are identified and are agreed to be shared between the Developer and the landowner. Out of the identified and agreed share of the constructed area that belongs to the Company, it also includes these fifty two flats which are included in Property Plant & Equipment. However, the title deeds in respect of these flats are not yet been executed and registered in favour of the Company.

- (d) The Company has not revalued any of its Property, Plant and Equipment during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) In case of housing / construction division, the inventories held by the Company comprise stock of units in completed projects and work in progress of projects under development. Having regard to the nature of inventory, the management has conducted physical verification of inventory by way of verification of title deeds, site visits conducted and certification of extent of work completion by competent persons, at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
 In case of railway sleeper manufacturing division, the inventory has been physically verified by the management during the year.
 In our opinion, the frequency of such verification is reasonable, and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.

- (b) According to the information and explanation provided to us, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable.

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has availed term loans during the year. Based on the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has applied the term loan for the purpose for which such term loans are obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

- (e) On an overall examination of the financial statements of the Company, the Company does not have any subsidiary, associate or joint venture. Hence reporting under clause 3(ix)(e) of the Order is not applicable.
- (f) On an overall examination of the financial statements of the Company, the Company does not have any subsidiary, associate or joint venture. Hence reporting under clause 3(ix)(f) of the Order is not applicable.
- x. (a) During the year, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the provisions of section 135 of the Act is not applicable to the Company and hence reporting under clause 3(xx)(a) & (b) of the Order is not applicable.
- xxi. According to the information and explanations given to us and on the basis of our examination of the records of the Company, consolidation of financial statements is not applicable to the company and hence reporting under clause 3(xxi) of the Order is not applicable.

Notes to financial statements for the year ended 31 March 2022

(Currency : Indian Rupees in lakhs)

1 Background of the Company and nature of operation

ALPINE HOUSING DEVELOPMENT CORPORATION LIMITED, was incorporated in India in the year 1992 and is engaged in the business of Property Development, Construction and Railway Concrete Sleepers SG & Grey Iro Castings. The registered office of the Company is located at No.302, Alpine Arch No.10, Langford Road, Bangalore –560027 IN.

2 Basis of preparation, measurement and significant accounting policies

2.1 Basis of preparation and measurement

a Statement of compliance:

The Balance Sheet of the Company as at 31 March 2022 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year ended 31 March 2022 and summary of significant accounting policies and other financial information (together referred as 'Financial Statements') has been prepared under Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 by relevant amendment rules issued thereunder.

The Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition have been summarized in Note 42

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the quarter and year figures are taken from the source and rounded to the nearest digits, the figures already reported for all the quarters during the year might not always add up to the year figures reported in this statement.

b Current vs non-current classification:

All the assets and liabilities have been classified into current and non current.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Operating cycle:

All assets and liabilities have been classified as current or non-current as per the company normal operating cycle and other criteria set out in the Schedule III to the Companies Act 2013. Based on the nature of Operations and the time taken between acquisition of assets/inventories for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as Mentioned below for the purpose of the classification of assets and liabilities into current and non-current.

Operating Cycles of various businesses carried on by the Company:

Nature Of Business	Operating Cycle
i. Property Development	Seven Years
ii. Railway Sleeper Manufacturing	Three Years
iii. Other Manufacturing	Six Months

c Basis of measurement:

These financial statements have been prepared on accrual and going concern basis and the historical cost convention except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Certain financial assets and liabilities (including derivative instruments) measured at fair value.
- Assets and liabilities assumed on business combination measured at fair value.
- Net defined benefit asset / liability - Fair value of plan assets less present value of defined benefit obligations.

d Key estimates and assumptions:

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The areas involving critical estimates or judgements are :

- i. Determination of useful lives of property, plant and equipment and intangibles; (Note 2.2(a))
- ii. Recognition of deferred tax assets; (Note 2.2(m))
- iii. Recognition and measurement of provisions and contingencies; (Note 2.2(j))
- iv. Measurement of defined benefit obligations; (Note 2.2(l))

e Measurement of fair values:

Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values (including Level 3 fair values). The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting year during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the notes on Financial instruments..

2.2 Significant accounting policies

a) Property plant and equipment

Recognition and measurement: Items of property, plant and equipment, other than freehold land are measured at cost less accumulated depreciation and any accumulated impairment losses. Freehold land is carried at cost and is not depreciated. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, (after deducting trade discounts and rebates), any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Any gain or loss on derecognition of an item of property, plant and equipment is included in statement of profit and loss when the item is derecognized.

Subsequent costs are included in the assets carrying amount or recognized as a separate asset, as appropriate only if it is probable that the future economic benefits associated with the item will flow to the Company and that the cost of the item can be reliably measured. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repair and maintenance are charged to statement of profit and loss during the reporting year in which they are incurred.

Depreciation:

Depreciation on property, plant and equipment, is provided under the written down value method in the manner prescribed under Schedule II of the Act.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

b) Impairment of non-financial assets:

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an individual asset (or where applicable, that of cash generating unit (CGU) to which

the asset belongs) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset (or CGU).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss.

An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

c) Recognition Of Revenue

a. Value of Contract completed is accounted as sales/income on raising of invoices on the basis of value of works completed as certified by the architects.

b. In the case of sales of Apartments under construction by the company of its own:

i. Value of sales of undivided share of title and interest in the land are accounted on execution of the agreement to sell.

ii. The values receivable towards the construction of the apartments under the construction agreement are accounted on the basis of the proportionate value determined and invoiced on the basis of certificate of the value of the works completed.

iii. The proportionate cost of construction apportioned to the apartments not yet sold as at the year-end are reckoned as work in progress at cost.

c. In case of sale of Apartments under construction by the company under joint development agreements:

i. Value of sale of company's share of undivided share of title and interest in land in cases where the agreement to sell is executed and the values receivables towards the construction of the Apartments under the construction agreements are accounted on the basis of the proportionate sale value realizable on total sale of company's share in the built up area in the same ratio as the total cost incurred would bear to the total estimated cost of construction of the project.

ii. The proportionate cost of the units in respect of which the agreement to sell is not yet executed are reckoned as work in progress at cost.

d. The percentage of completion of the various projects carried by the Company is ranging from 92% to 94%. And accordingly, the revenues are recognized for these projects. The balance work will be completed in the coming years.

e. In respect of Sale of Railway Sleeper:

i. Sales are accounted at tendered price on dispatch of Railways Sleepers.

ii. The balance of the escalation will be accounted on availability of the latest applicable rates and as and when the company makes claims.

f. All other Sales revenues are accounted on accrual basis.

g. All incomes, to the extent they are ascertained, are accounted on accrual basis.

h. Incomes which are not ascertained and quantum whereof cannot be determined are accounted in the year in which the same are ascertained and determined or received, whichever is earlier.

d) Expenditure Recognition

1. Purchases are accounted at cost on accrual basis excluding input tax credit, if any, available thereon.

2. Liabilities in respect of all expenditure are accounted on accrual basis.

3. The liability in respect of any other expenditure which are not easily ascertainable are accounted in the year in which such liabilities are either ascertained or actually paid whichever is earlier.

4. The liability in respect of levies payable in respect of the escalation in price on sale of Railway Sleepers are accounted as and when the quantum of the escalation in price is finally determined by the Railways

5. Liability in respect of gratuity and leave encashment payable to employee's on retirement is estimated and provided for in the accounts on the basis of the liability on the company as at the last day of the accounting period.

e) Inventory Valuation

a. Work-in-progress of Housing projects are valued at cost as stated in 2.2 (c) (b) (iii) and 2.2 (c) (c) (ii) supra.

b. Land & repurchased flats held in stock are valued at cost.

c. Raw Materials of Railway Sleeper Project are valued at cost ; and

d. Finished products and works in progress at railway sleeper project are valued at cost or net realizable value whichever is lower .

f) Financial Instruments A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as call options to buy out stake in subsidiary.

g. 1 Financial assets

Initial recognition and measurement Financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets other than those measured subsequently at fair value through profit and loss, are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified in four categories:

- Amortized cost,
- Fair value through profit (FVTPL)
- Fair value through other comprehensive income (FVTOCI) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Amortized cost :

A financial instrument is measured at the amortized cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Fair value through profit and loss ('FVTPL'):

All financial assets that do not meet the criteria for amortised cost or fair value through other comprehensive income are measured at fair value through profit or loss with all changes recognized in the statement of profit and loss. Interest income (basis EIR method), from financial assets at fair value through profit or loss is recognised in the statement of profit and loss within finance income/ finance costs separately from the other gains/ losses arising from changes in the fair value.

Derivative financial instruments (call option over shares of subsidiaries) are classified as financial instruments at fair value through profit or loss. Such derivative financial instruments are initially recognised at fair value.

They are subsequently re-measured at their fair value, with changes in fair value being recognised in the statement of profit and loss.

Fair value through Other Comprehensive Income ('FVOCI')

Financial assets are measured at FVOCI if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both

- collecting contractual cash flows and selling financial assets and
- contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Dividends, Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognized in the Statement of Profit and Loss. Other net gains and losses are recognized in other comprehensive Income.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or a part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

The contractual rights to receive cash flows from the financial asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all equity instruments (measured at FVTPL) and debt instruments (other than debt instruments measured at FVOCI) are recognized in the Statement of Profit and Loss. Gains and losses in respect of debt instruments measured at FVOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition.

Impairment of financial assets:

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortized cost and debt instruments measured at FVOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets, the loss allowance is mea-

sured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

g. 2 Financial liabilities

Initial recognition and measurement Financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

Financial Liabilities at Fair Value through Profit or Loss (FVTPL):

A financial liability is classified as Fair Value through Profit or Loss (FVTPL) if it is classified as held-for trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognized in the Statement of Profit and Loss.

Financial Liabilities at amortized cost:

After initial recognition, financial liabilities other than those which are classified as FVTPL are subsequently measured at amortized cost using the effective interest rate ("EIR") method.

Amortized cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The amortization done using the EIR method is included as finance costs in the Statement of Profit and Loss

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit or loss account. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

h) Investments in subsidiaries, associates and joint ventures:

No Investment held during the financial year by the company.

i) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet and cash flow statement includes cash at bank and on hand, deposits held at call with banks, with original maturities less than three months which are readily convertible into cash and which are subject to insignificant risk of changes in value.

j) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the enterprise has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows specific to the liability. The unwinding of the discount is recognized as finance cost.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent Assets are not recognized till the realization of the income is virtually certain. However the same are disclosed in the financial statements where an inflow of economic benefit is probable.

k) Other income

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective

interest rate (EIR). EIR is the rate which exactly discounts the estimated future cash receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset. When calculating the EIR the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayments, extensions, call and similar options); expected credit losses are considered if the credit risk on that financial instrument has increased significantly since initial recognition.

l) Employee Benefits

(i) Short-term Employee benefits

Liabilities for wages and salaries, bonus and ex gratia including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the year in which the employees render the related service are classified as short term employee benefits and are recognized as an expense in the Statement of Profit and Loss as the related service is provided.

A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Compensated absences

The Company provides for compensated absences. The employees are entitled to accumulate leave subject to certain limits, for future encashment or availment. The liability is accrued based on the number of days of unavailed leave at each Balance Sheet date. It is measured at the balance sheet date on the basis of an independent actuarial valuation using the Projected Unit Credit method. Actuarial gains and losses are recognised in full in the statement of profit and loss in the period in which they occur. The Company also offers a short term benefit in the form of encashment of unavailed accumulated compensated absences above certain limits for all of its employees and same is recognised as undiscounted liability at the balance sheet date.

(iii) Share-based payments

The cost of equity settled transactions is determined by the fair value at the grant date which is based on the Black Scholes model. The grant date fair value of options granted to employees is recognized as an employee expense, with a corresponding increase in equity under "Employee Stock Options Reserve", over the period that the employees become unconditionally entitled to the options.

The expense so determined is recognised over the requisite vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. As at each reporting date, the Company revises its estimates of the number of options that are expected to vest, if required. When the terms of an equity-settled award are modified, in addition to the expense pertaining to the original award, an incremental expense is recognised for any modification that results in additional fair value, or is otherwise beneficial to the employee as measured at the date of modification.

(iv) Post-Employment Benefits

Defined Contribution Plans:

A defined contribution plan is a post-employment benefit plan under which a Company pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes contribution to provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance. Contribution paid or payable in respect of defined contribution plan is recognized as an expense in the year in which services are rendered by the employee.

Defined Benefit Plans:

The Company's gratuity benefit scheme is a defined benefit plan. The liability is recognised in the balance sheet in respect of gratuity is the present value of the defined benefit/obligation at the balance sheet date less the fair value of plan assets (being funded portion), together with adjustments for unrecognised actuarial gain losses and past service costs. The defined benefit/obligation are calculated at balance sheet date by an independent actuary using the projected unit credit method.

Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI).

m) Income-tax

Income tax expense /income comprises current tax expense income and deferred tax expense income. It is recognized in statement of profit and loss except to the extent that it relates to items recognized directly in equity or in Other Comprehensive Income, in which case, the tax is also recognized directly in equity or other comprehensive income, respectively.

Current Tax

Current tax comprises the expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. It is measured at the amount expected to be paid to (or recovered from) the taxation authorities, using the applicable tax rates and tax laws.

• Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognized amounts; and • intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred Tax

Deferred Income tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purpose and the amount considered for tax purpose.

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be utilized.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all of that deferred tax asset to be utilized such reductions are reversed when it becomes probable that sufficient taxable profits will be available.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be recovered. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax assets and liabilities reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- i) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- ii) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

n) Foreign currency transactions

Functional and Presentation currency

The Company's financial statements are prepared in Indian Rupees (INR) which is also company's functional currency.

Transactions and balances

There are no transactions in foreign exchange during the year.

o) Earnings per share: Basic

Earnings per share is calculated by dividing the profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- Weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

p) Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest thousands as per the requirement of schedule III, under otherwise stated;

37 Contingent Liabilities and Commitments

A. Accounting policy :

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

i. Contingent Liabilities are classified as -

(a) Claims against the company not acknowledged as debt (Refer a & b below)	60.26	59.27
(b) Guarantees excluding financial guarantees ; and (Refer c below)	150.00	150.00
(c) Other money for which company is contingently liable	-	-
	210.26	209.27

ii. Commitments are classified as -

(a) Estimated amount of contracts remaining to be executed on capital account and not provided for ;	-	-
(b) Uncalled liability on shares and other investments partly paid ; and	-	-
(c) Other commitments (specify nature)	-	-

The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in its financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial position. The Company does not expect any reimbursements in respect of the above contingent liabilities

a. As at March 31, 2022, claims against the Company not acknowledged as debts in respect of income tax matters (TDS) amounted to Rs.19.43 Lakhs. As at March 31, 2021, claims against the Company not acknowledged as debts in respect of income tax matters (TDS) amounted to Rs.18.44 Lakhs.

39 Earnings per share (EPS)

Basic EPS calculated by dividing the net profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders (after adjusting profit impact of dilutive potential equity shares, if any) by the aggregate of weighted average number of Equity shares outstanding during the year and the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

NOTES FORMING PART OF ANNUAL ACCOUNTS:

(Currency : Indian Rupees in lakhs)

The Fair value of cash and cash equivalents, other bank balances, trade receivables, trade payables approximated their carrying value largely due to short term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual creditworthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The call options are fair valued at each reporting date through statement of profit and loss

B. Fair value hierarchy

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level. This is the case for unlisted equity securities included in level 3.

Financial instruments measured at fair value

The following table shows the valuation techniques used in measuring Level 2 and Level 3 fair values for financial instruments measured at fair value in the balance sheet as well as the significant unobservable inputs used.

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Non current financial assets and liabilities measured at amortized cost	Discounted cash flows: Under discounted cash flow method, future cash flows are discounted by using rates which reflect market risks. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate and credit risk. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value. Forward pricing: The fair value is determined using quoted forward exchange rates at the reporting date	Not Applicable	Not Applicable

Transfers between Levels

41 Financial instruments – Fair values and risk management (Continued)

(C) Financial risk management

The Company' Board of Directors has overall responsibility for the establishment and oversight of the company' risk management framework.

The Company has exposure to the following risks arising from financial instruments

- Credit risk
- Liquidity risk
- Market risk

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables and cash and cash equivalents. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

a. Trade receivables and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments. The Company does not have any significant concentration of credit risk.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix.

The movement in the provision for bad and doubtful debts for the year ended 31 March 2022

b. Cash and cash equivalents and Other bank balances

The Company held cash and cash equivalents and other bank deposits as at 31 March 2022 Rs. 229.11 lakhs (31 March 2021 Rs. 236.98 akhs). The cash and cash equivalents and other bank balances are held with bank with good credit ratings.

c. Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. As at 31 March 2022, the Company holds investment of Rs.3.92 Lakhs.

Liquidity risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, the availability of funding through an adequate amount of committed credit facilities. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions.

(C) Financial risk management (Continued)
Market risk (Continued)
b. Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

44 Financial instruments – Fair values and risk management (Continued)

Market risk:

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company’s income or the value of its holdings of financial instruments. The Company is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. The objective of market risk management is to avoid excessive exposure in foreign currency revenues and costs.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has foreign currency trade payables and receivables and is therefore exposed to foreign exchange risk.

Exposure to currency risk (Exposure in different currencies converted to functional currency i.e. INR)

There are no foreign currency transactions by the company. Hence evaluation of currency risk is not applicable to the company
