FROM THE DESK OF MANAGING DIRECTOR

Dear Stakeholder,

It is that time of the year when it will be always a pleasure meeting you all! Things are very different this year unfortunately. This year the Annual General Meeting will be through video conferencing only. I hope you and your families are safe and healthy and I pray for all your well being in these trying times. Nobody thought that a virus will cause so much havoc worldwide.

Corona had an effect on all companies world over and on a very few companies it had a positive effect. Your Company is no exception to that. For the record, we have done Rs. 18,199.91 Lakhs turnover and an EBITDA of Rs. 3565.94 Lakhs.

Your Company also went through lock down and the restart has been slow due to Government Regulations and also due to the fact that most of our customers are working from home.

The effect of corona and the subsequent lockdown had a positive response on your Company apart from many negatives. The demand for laptops and desktops both refurbished and new has really shot up due to work from home and online classes. Your Company's senior management and marketing/sales staff are working hard to book orders and also execute them. Efforts of Mr. Ravi Kumar Neeladri - CEO E-Waste Division and Mr. Hariprasad Shetty - Chief Business Officer E-Waste Division are to be lauded.

We have opened around 33 stores called Cerebra Experience centres which sell refurbished laptops and this financial year i.e. year 2020-21 we are planning to add another 35 to 40 stores inspite of the present market conditions. If the condition improves we will be adding more.

Cerebra Middle East FZCO, our Dubai Subsidiary was already going through recession due to the economic conditions in the Middle East and with Covid, it further added to our problems. We have taken steps to downsize and have also cut salaries both in the Middle East and in India. The CEO of Cerebra ME has resigned and a senior person from India will be moving to Dubai to take over and guide the Company back to its glory.

At the time of writing this, we were struck by a great tragedy. Mr. Shridhar S Hegde our Whole Time Director and CFO whom you all know so well, passed away on the 16th August, 2020. He has been there from inception and we have covered this painful topic in the report.

The management of the Company is very bullish on its prospects on the E-waste front and also on the contract manufacturing considering that the Government is pushing domestic manufacturing. We are planning to expand our contract manufacturing facility and are looking at handling large orders.

We have completed the establishment of second facility which is meant exclusively for refurbishment and we have set this up as a world class facility. This is going to be a facility which all of you will be proud of.

We have also started construction of the 3rd facility. It is now 3 years since we inaugurated our first e-waste facility. I have to say that the growth and progress have been excellent.

We wish to thank the Governments - both State and Central and the banks for supporting us in our time of need. Our accent this year is on maintaining status quo and ensure that we survive this year so that we can look at aggressive growth in the years to come.

We sincerely hope that we all meet in the next year in better circumstances with full health and vigour.

Stay Safe and Stay healthy.

With Best Wishes

Ranganathan

Shridhar S. Hegde

1961 - 2020
REST IN PEACE

19th August 2020

Good Bye Mr. Hegde

He came as a youngster in his early 30s stylish with a step cut (which was the fashion those days) from a pharma background and joined us in Sales. Shridhar S Hegde started learning the computer hardware details with no technical background and very soon mastered it. He was instrumental in setting up a dealer network and building the brand Cerebra and making it known nationwide. His hardwork and dedication is remembered by all dealers till date. He became so thorough that he knew the functioning of all computer parts, their prices, what will work and what will not, customer requirements and became a specialist in filling up large tenders for the Government, banks, etc., Hegde was instrumental in Cerebra becoming an accepted brand in all major tenders.

Very soon Hegde, as he was called by everybody, was known and liked by all our customers and dealers. He was busy throughout the day and night and was almost working round the clock. He breathed Cerebra. He never lost his temper and was blessed with a smiling temperament regardless of the situation. This was going to be his hallmark throughout his life. We have never seen him lose his temper.

We started building the Company with branches, dealers and started working on large orders which were multilocal and Hegde was an integral part of the entire journey. There is no work which he has not done and was always ready whether it is cleaning, packing or in a price negotiation or in a discussion with customers gauging their requirements; Hegde always held his own.

We then started having a professional team for sales and marketing and Hegde heading that started working on targets, commissions etc., He imbibed the corporate way of working and was a very fast learner. He also handled purchase since it was an important function for a hardware company.

He then took up a new assignment of opening an office in Taiwan to help us work on our own design and also to develop vendors who can give us quality products. He spent some time in Taiwan without knowing the culture, language and was successful again because of his hardworking, fast learning attitude. Many of those vendors have written expressing their condolences.

The Company got into trouble in 2004 and went into BIFR. The entire accounts department had left and nobody was there even to declare the quarterly results. Lots of statutory work, stock exchange communication, audit etc., used to be pending and again who else but Hegde took up the challenge. For the rest of his life he learnt accounts, mastered tally, learnt all the rules of the stock exchanges, became a master wherein nobody will believe me today if I explain his background as what he has done above. In short there is no job which Hegde has not done and he has done it all with perfection. In fact, our investors, statutory auditors, internal auditors, bankers relied on him and he held that post of the CFO of Cerebra from 2004-05 till date performing to the utmost satisfaction of all concerned. He had mastered Finance and Corporate Affairs!

Dear Hegde, we will all miss you terribly and so many times in these two working days without you, I keep looking at the door hoping that it will open and you will walk in with your smile. It is something we cannot get used to . . . your absence. Maybe God wanted you desperately. The world is going through Covid and Cerebra is also feeling the effect of it, but never in our dreams we thought that it will take our star.

We have never met anybody else like him. He was hardworking, honest, simple, ever smiling and very soft spoken. We will not find another Hegde for sure since he is one of a kind. He is irreplaceable.

We never thought there will come a day when we will talk about Hegde in past tense.

Good bye my dear friend . . . Rest in Peace. We have disturbed you enough.

With tears streaming down
Ranganathan

NOTES:

1. In view of disruptions caused by COVID-19 pandemic, the Ministry of Corporate Affairs (MCA) has, vide General Circular No. 14/2020 dated 8th April, 2020, General Circular No. 17/2020 dated 13th April, 2020 and General Circular No. 20/2020 dated 5th May, 2020 (collectively "MCA Circulars"), permitted companies to conduct Annual General Meeting (AGM) through over video conferencing ("VC") / Other Audio Visual Means ("OAVM"), subject to compliance with various conditions mentioned therein. In compliance with the MCA Circulars and applicable provisions of Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the 26th AGM of the Company is being convened and conducted through VC/OAVM.
2. The Company has facilitated the Members to participate in the 26th AGM through the VC/OAVM facility provided by Central Depository Services Limited (CDSL). The instructions for participation by Members are given in the subsequent paragraphs. Participation in AGM through VC shall be allowed on a first-come-first-served basis.
3. As per MCA Circulars, Members attending the 26th AGM through VC will be reckoned for the purpose of quorum as per the provisions of Section 103 of the Companies Act, 2013.
4. For exercising the votes by the Members by electronic means, the Company has provided the facility of remote e-voting as well as e-voting during the AGM. The procedure for using the remote e-voting facility as well as e-voting during the AGM is given in the subsequent paragraphs.
5. Members joining the AGM through VC/OAVM shall be permitted to exercise their right to vote using the e-voting facility at the AGM, provided they have not cast their votes using remote e-voting facility. The Members who have cast their votes prior to AGM using the remote e-voting facility may also join the AGM through VC/OAVM; but shall not be entitled to cast their votes again.
6. As per the Companies Act, 2013, a Member entitled to attend and vote at the AGM is entitled to appoint a Proxy to attend and vote on his/her behalf and such Proxy need not be a Member of the Company. Since 26th AGM is being held through VC/OAVM as per MCA Circulars, physical attendance of the Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the 26th AGM and hence the Proxy Form and Attendance Slip are not annexed to this notice. Similarly, as this AGM is being held through VC/OAVM, the route map is not annexed to this notice.
7. Corporate Members may authorize their representatives for casting the votes using remote e-voting facility or for participation and voting in the AGM using VC/OAVM. Institutional Investors are encouraged to attend and vote at the AGM through VC/OAVM.
8. In line with MCA Circulars, the Annual Report for the financial year 2019-20 along with Notice of 26th AGM of the Company *inter-alia* indicating the process and manner of e-Voting are being sent only by electronic mode to those Members whose email IDs are registered with the Company/Depository Participant(s) for communication.

In line with MCA Circulars, the Company has enabled a process for the limited purpose of receiving the AGM Notice and Annual Report (including remote e-voting instructions) electronically.

Members may note that the aforesaid documents may also be downloaded from the Company's website under the Investor Relations Section at <http://cerebracomputers.com/reports-and-filings/>
9. The Register of Directors and Key Managerial Personnel and their shareholding, and the Register of Contracts or Arrangements in which the Directors are interested, maintained as per the provisions of the Companies Act, 2013 will be available for electronic inspection by the Members during the AGM. All the documents referred to in the Notice will also be available for electronic inspection by the Members without any fee from the date of circulation of this notice up to the date of AGM i.e., 28th September, 2020. Members seeking to inspect such documents may send an email to investors@cerebracomputers.com.
10. Members seeking clarifications on the Annual Report are requested to send an email to investors@cerebracomputers.com on or before 21st September, 2020. This would enable the Company to compile the information and provide replies at the Meeting.
11. The Register of Members and the Share Transfer books of the Company will remain closed on 28th September, 2020.
12. The Shares of the Company are traded compulsorily in dematerialized form as per the directions of the Stock Exchanges. Accordingly, Members who have not opted for dematerialization of Shares are once again reminded to take steps to dematerialize their holdings. Further, the Members may note that as per SEBI (LODR) (Fourth Amendment) Regulations, 2018, with effect from 1st April, 2019, except in case of transmission or transposition of securities, no transfer of securities shall be processed unless the securities are held in the dematerialized form. Accordingly, Shareholders holding Equity Shares in physical form are urged to have their shares dematerialized so that they will be able to transfer them freely and participate in corporate actions.
13. Members holding the Shares in physical form are requested to communicate the changes, if any, in their addresses, Bank Account details and other necessary details to the Company's Registrar and Share Transfer Agent (RTA), KFIN Technologies Private Limited, Selenium Tower B, Plot number 31 and 32, Financial District, Nanakramguda, Serilingampally Mandal, Hyderabad-500 032, India. Members holding the Shares in dematerialized form are requested to communicate such changes to the concerned Depository Participant.

14. Members who are yet to register their e-mail address are requested to register the same with the Depository through their Depository Participants in respect of shares held in dematerialized form. Members holding the Shares in physical form may register their e-mail address by writing to the Company's Registrar and Share Transfer Agent.
15. Non-resident Indian Shareholders are requested to immediately inform the Company or its Registrar and Share Transfer Agent or the concerned Depository Participant, as the case may be, about the following matters:
 - (a) the change in residential status on return to India for permanent settlement, and
 - (b) the particulars of the NRE account with a bank in India, if not furnished earlier.
16. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding Shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding Shares in physical form may submit their PAN details to the Company's Registrar and Share Transfer Agents or the Company.
17. Members holding Shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. (xii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same, the option "YES/NO" is available for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xiii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.

(xiv) After selecting the Resolution, if you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

(xv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.

(xvi) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.

(xvii) If a demat account holder has forgotten the login password, then enter the User ID and the image verification code and click on 'Forgot Password' and enter the details as prompted by the system.

(xviii) Members can also cast their vote using CDSL's mobile app "m-Voting". The m-Voting app can be downloaded from respective Store. Please follow the instructions as prompted by the mobile app while Remote Voting on your mobile.

Instructions for Members attending the AGM through VC are as under:

1. Members will be provided with a facility to attend the AGM through VC through the CDSL e-Voting system. Members may access the same at <https://www.evotingindia.com> under Shareholders/Members login by using the remote e-voting credentials. The link for VC will be available in shareholder/members login where the EVSN of Company will be displayed.

2. System requirements for best VC/OAVM experience:

Though any internet enabled device i.e., Laptop, Desktop, Smart phone or a Tablet may be used to join the Meeting, Members are encouraged to join the AGM through Laptop/Tablet for better experience. Laptop with at least Core2duo processor, 1GB RAM, good quality multimedia kit and latest version of Internet Browser are preferred. Members are requested to download the Cisco WebEx meeting tool in advance and enable the camera during the AGM.

Members connecting from Mobile Devices, Tablets or Laptop connected via Mobile Hotspot might experience Audio/Video loss due to fluctuations in their respective networks. To mitigate any such glitches, it is recommended to use stable Wi-Fi or LAN connection (without proxy & firewall) with a speed of 2 Mbps or more.

3. Members who would like to ask questions or express their views at the AGM may register themselves as a speaker by sending a mail with their name, demat account number/folio number, email id, mobile number to investors@cerebracomputers.com on or before Monday, 21st September, 2020. The Company reserves the right to limit the number of Members asking the questions depending on the time availability at the AGM.

4. Only those Shareholders who have registered themselves as a speaker will be allowed to express their views/ask questions during the Meeting.

Instructions for Members for e-voting during the AGM are as under:

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those members, who are present in the AGM through VC/OAVM facility and have not cast their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the AGM.
3. If any votes are cast by the Members through the e-voting available during the AGM and if those Shareholders have not participated in the Meeting through VC/OAVM facility, then the votes cast by such Shareholders shall be considered invalid as the facility of e-voting during the Meeting is available only to the Shareholders attending the Meeting.
4. Members who have voted through remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.

EXPLANATORY STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013:**Item no. 3: To appoint Statutory Auditors of the Company:**

This explanatory statement is provided though strictly not required pursuant to the provisions of Section 102 of the Companies Act.

Messrs Ishwar & Gopal, Chartered Accountants (Firm No. 001154S) Bangalore, were appointed as the Statutory Auditors of the Company at the 21st Annual General Meeting (AGM) of the Company held on 29th September, 2015 for a second term of 5 (five) years to hold office till the conclusion of this AGM.

As per the provisions of Section 139 of the Act, no listed Company can appoint or re-appoint an audit firm as Auditors for more than two terms of five consecutive years. In view of the above, the Board of Directors has, based on the recommendation of the Audit Committee, at its Meeting held on 27th July, 2020, proposed the appointment of Messrs YCRJ & Associates, Chartered Accountants (Firm Registration No. 006927S) as the Statutory Auditors of the Company for a period of 5 (five) years, to hold office from the conclusion of this AGM till the conclusion of the 31st (thirty first) AGM to be held in the year 2025 at a proposed remuneration of Rs. 8,00,000/- for the FY 2020-21 in addition to out of pocket expenses as may be incurred by them during the course of the audit.

Messrs YCRJ & Associates, Chartered Accountants (Firm Registration No. 006927S), have consented to their appointment as Statutory Auditors and have confirmed that if appointed, their appointment will be in accordance with the provisions of Section 139 read with Section 141 of the Act.

The Board recommends the Ordinary Resolution set out at item no. 3 of the Notice for approval by the Members.

None of the Directors or Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the said Resolution.

Item no. 4 - To appoint Mrs. Bhavna Philipose (holding DIN: 08741062) as a Director and an Independent Director of the Company:

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company at its Meeting held on 12th May, 2020 have appointed Mrs. Bhavna Philipose (holding DIN: 08741062) as an Additional Director (Independent Director) of the Company with effect from 12th May, 2020.

Pursuant to the provisions of Section 161 of the Companies Act, 2013, Additional Director appointed by the Board will hold office up to the date of the ensuing Annual General Meeting. Hence, the approval of the Members of the Company is required to appoint Mrs. Bhavna Philipose as Independent Director of the Company. Brief profile and other details have been provided in the notes. In the opinion of the Board, she fulfills the conditions specified in the Act and the Rules framed thereunder for appointment as Independent Director and is independent of the Management.

In this connection, the Board recommends the Ordinary Resolution as set out in item no. 4 for the approval of the Members of the Company.

Except Mrs. Bhavna Philipose, none of the Directors, Key Managerial Personnel or their relatives is concerned or interested, financially or otherwise, in the said Resolution.

Item no. 5: To appoint Mr. Parthasarathi Naik (holding DIN: 08707417) as a Director and an Independent Director of the Company:

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company at its Meeting held on 27th July, 2020 have appointed Mr. Parthasarathi Naik (holding DIN: 08707417) as an Additional Director (Independent Director) of the Company with effect from 27th July, 2020.

Pursuant to the provisions of Section 161 of the Companies Act, 2013, Additional Director appointed by the Board will hold office up to the date of the ensuing Annual General Meeting. Hence, the approval of the Members of the Company is required to appoint Mr. Parthasarathi Naik as Independent Director of the Company. Brief profile and other details have been provided in the notes. In the opinion of the Board, he fulfills the conditions specified in the Act and the Rules framed thereunder for appointment as Independent Director and is independent of the Management.

In this connection, the Board recommends the Ordinary Resolution as set out in item no. 5 for the approval of the Members of the Company.

Except Mr. Parthasarathi Naik, none of the Directors, Key Managerial Personnel or their relatives is concerned or interested, financially or otherwise, in the said Resolution.

Item no. 6 - Re-appointment of Mr. V Ranganathan as Managing Director of the Company:

1. PERFORMANCE OF THE COMPANY:**E-Waste Recycling Business:**

This division is the mainstay amongst the Company's Lines of Business and has truly evolved as the most important business line. Cerebra continues to add on clients for PRO (Producer Responsibility Organisation) business. The capacity which was increased to 20,000 MT earlier in the year was utilised to the full capacity by continuing to retain two of the world's largest consumer electronics manufacturers, Samsung India (SIEL) as its first EPR (Extended Producer Responsibility) client and the second one being LG Electronics. For both of these clients, Cerebra has been collecting TVs, Refrigerators, Air Conditioners and Washing Machines and recycling them at its plant in KIADB Narasapura Industrial Area, Kolar District, near Bengaluru.

The plant is fully functional and is recycling E-Waste and also producing refurbished products such as Desktops, Laptops and Servers including its peripherals/accessories such as Mouse, Printers etc. Cerebra has collected WEEE (Waste Electrical & Electronic Equipment's) under ITEW category through its Corporate collection channel.

Cerebra has increased its CEC's (Cerebra Experience Centre's) to 33 during the financial year wherein a customer can walk-in and pickup refurbished products such as Desktops, Laptops, Network Accessories, Peripherals and Printers at competitive prices even in remote places of India.

Cerebra has completed its unique software S.P.O.C.K. (System Protocol of Cerebra Knowledge) to track its collections, sales and channel management wherein all Waste Electrical and Electronic Equipment's (WEEE) collected from either Individual, Retailers or Corporate will be tracked until it reaches the Recycling Facility located at KIADB Narasapura Industrial Area, Kolar District.

Cerebra has successfully completed its EPR commitment of 19,500,000 KGs by collection of Waste Electrical and Electronic Equipment's (WEEE) i.e., TVs, Refrigerators, Washing Machines and Air Conditioners for its EPR clients Samsung India Electronics Limited (SIEL) and LG Electronics through its own network of employees, channel partners and aggregators.

Enterprise Solutions Division

Cerebra ESD division continues to implement various IT projects for Government agencies, departments and institutions and established companies. The Company has performed well, however, there were few opportunities lost due to the lockdown, which otherwise would have done better.

Cerebra worked closely with leading technology vendors such as Dell EMC, HPI, HPE, Intel, Hitachi, Lenovo, Acer, TVSE, Brother, Samsung, Xerox, Microsoft etc to name a few.

Cerebra ESD's continued focus on defence, PSUs, PSBs, etc has been fruitful and lead the Company successfully executing orders from DRDO, ISRO, defence labs, various departments under Government of Karnataka, Police, Judiciary, NIMHANS, private education institutions to name a few.

CEREBRA MIDDLE EAST FZCO:

The Middle East region has been on an Economic downturn amidst a global slowdown since 2017. "Growth prospects for the Middle East and North Africa are still deteriorating on the back of elevated geopolitical risks, weak global demand and severe oil production cuts".

CME is currently hit by the pandemic since January 2020 and is currently focussing only on services and not on products and has since stopped Value Added Distribution (VAD) business.

2. MATERIAL CHANGES AND COMMITMENTS:

There were no material changes and commitments which occurred, affecting the financial position of the Company between 31st March, 2020 and the date on which this report has been signed.

3. CHANGE IN THE NATURE OF BUSINESS:

The Company continues to focus on the strength of ESD, EMS and E-Waste and in addition, the Company will be focusing on the High-End Servers, Large Data Storage etc.

LOCKDOWN - COVID 19:

It is quite unfortunate and sad that Corona Virus has caused significant health concerns across the Globe and resulted in multiple deaths. Social distancing being the only and the first compulsory remedy, entire World was forced to observe Lockdown. Your Company complied with the directions of the Government of India, the Government of Karnataka and the relevant authorities and strictly adhered to the Lockdown in its facilities and at all Offices. The employees, vendors, customers, outsourcing agencies, Consultants and other acquaintances had to suspend their operations almost fully. Considering the nature of operations of your Company, "Work From Home" concept could not be made applicable at the operating facilities.

The business losses, economic ramifications which arose due to Lockdown are being estimated.

4. DIVIDEND:

Whilst your Directors understand the sentiments of the Investors, the financials in the year that has passed, do not enable the Board to recommend any dividend. The Board regrets its inability to recommend any Dividend.

However, the Directors will strive hard to bring the Company back to dividend track before long and the improving performance of the Company is hoped to continue to facilitate consideration of dividend in the days to come.

5. AMOUNTS TRANSFERRED TO RESERVES:

The Board of the Company has proposed not to transfer any funds to its reserves.

6. CHANGES IN SHARE CAPITAL:

QUALIFICATIONS IN THE AUDIT REPORT:

Statutory Auditors Comments regarding emphasis matter of Auditors Report dated 27th July, 2020:

Qualification

The Company has not maintained proper inventory records in its e-waste division. We have been informed that valuation of inventories of the said division as on 31st March 2020 is made based on the quantitative reconciliation of materials issued for and generated from processing based on theoretical standards and actual quantity of goods sold. Value of e waste division inventories considered in the financial statement as at 31st march 2020 amounted to Rs. 624.87 Lakhs owing to the nature of inventory and in the absence of sufficient audit evidence we are unable to ascertain the correctness of the valuation and ascertain its consequent impact, if any, on the Ind AS Standalone financial statements.

Emphasis of Matters

1. Advances and receivables outstanding for substantial period for which no provision is made as the management is confident of recovering the same either in cash or in kind.
 - a. Loans and advances include Rs. 769.52 Lakhs (Rs. 861.12 Lakhs) advanced for purchase for immovable property. Refer Note No. 37.1 to the standalone financial statement
 - b. Advance for import of property plant and equipment's/software amounting to Rs. 1065.94 Lakhs is outstanding for a substantial period of time. Refer Note No. 37.6 to the standalone financial statement
 - c. Advances of Rs. 593.97 Lakh due from a subsidiary whose net worth is fully eroded. The Company has made an investment of Rs. 3.50 Lakhs (Previous year Rs 3.50 Lakhs) in this subsidiary for which also impairment provision is not made. – Refer Note No. 37.4 to the standalone financial statement
 - d. Trade receivables include Rs. 3675.48 Lakhs (Previous year Rs. 3902.69) of e waste division wherein recovery is linked with balance supply of minimum quantity. Refer Note No. 37.3 to the standalone financial statement
 - e. Other trade receivables Rs. 825.63 Lakhs is outstanding for more than two years. Refer Note No 37.6 to the standalone financial statement

FOR THE FINANCIAL YEAR ENDED 31.03.2020

Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members
CEREBRA INTEGRATED TECHNOLOGIES LIMITED
BANGALORE
(CIN: L85110KA1993PLC015091)

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Cerebra Integrated Technologies Limited (CIN: L85110KA1993PLC015091) (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31.03.2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

- iv. The Forward Contracts (Regulation) Act, 1952
- v. The Indian Stamp Act, 1899
- vi. The Transfer of Property Act, 1882

I have also examined compliances with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India on the Board and General Meetings i.e., SS - 1 and SS - 2.

I further state that during the period under review and based on my verification of the records maintained by the Company and also on the review of compliance reports/statements by respective department heads/Chief Financial Officer/ Company Secretary taken on record by the Board of Directors of the Company, in my opinion, adequate systems and process and control mechanism exist in the Company to monitor and ensure compliance with applicable Labour Laws, environmental laws and other applicable laws as mentioned above. Certain non-material findings made during the course of the audit relating to the provisions of Companies Act, Labour Laws and Secretarial Standards. Following observations have been brought before the Shareholders which are treated as material in nature:

- a) Certain returns or registers under above mentioned general laws were not filed or maintained by the Company in time.
- b) There were some instances of non-compliances of the provisions of Section 185 of the Companies Act, 2013 with regard to providing loan/advance facility to its Subsidiary during the previous years and the said loan is continuing during the year as well.

Further, I report that with regard to financial and taxation matters, I have relied on the Audit Report, Limited Review Report and the Internal Audit Report provided by the Statutory/Internal Auditor as the case may be.

Annual Report 2019-2020

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors subject to the observation made above. The changes in the composition of the Board of Directors which took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes as per the practice followed. However, during the period under report, there was no such case instance.

I further report that the Company had entered into 3 Master Services Agreements with Cimelia Resource Recovery Pte Ltd, Leytron Technologies Pte Ltd and Restorer Corp Pte Ltd for which it had allotted 92,00,000 (Ninety Two Lakhs) Equity Shares on 24th May, 2011 for a consideration other than cash upon the receipt of FIPB approval as advances for setting up e-Waste plant in India for supply of Plant and Machinery, Implementation, installation; commissioning and proper working of plant and machineries and Technical knowhow, setting up of plant & machinery, identification of suppliers etc.

Further, certain disputes arose among the above parties and the Company in respect of the performance of the Agreements and matters related thereto. Consequently, the Company initiated the proceedings against the parties claiming several reliefs before the Arbitral Tribunal under the Arbitration and Conciliation Act, 1996.

After considerable proceedings with multiple hearings, the parties decided to amicably settle their inter-se disputes and accordingly agreed for the settlement and filed the Compromise Petition under the Arbitration and Conciliation Act, 1996.

Based on the above said Petition, Award has been passed by the Hon'ble Arbitral Tribunal in the matter of Arbitration Dispute under the Arbitration and Conciliation Act, 1996 on 22nd March, 2019 for the Reduction of Share Capital of the Company by 92 Lakhs Equity Shares, subject to the provisions of Section 66 of the Companies Act, 2013 read with the National Company Law Tribunal (Procedure for Reduction of Share Capital) Rules, 2016 and subject to the approval of the Shareholders and confirmation by the Hon'ble National Company Law Tribunal, Bengaluru Bench.

The Company has received No observation Letters/NOCs from the Stock Exchanges for Reduction of Share Capital on 29th June, 2020 and 30th June, 2020 respectively. Further, the Company is in the process to file the Application before the National Company Law Tribunal, Bench, at Bengaluru pursuant to the Companies Act and SEBI Regulations.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that I could not physically verify few documents/registers/returns due to Lockdown situation in relation to outbreak of Pandemic Covid-19 and I have relied up on the soft copies/information shared with me.

6. In case the Company has failed to spend the two per cent of the average net profit of the last 3 financial years or any part thereof, reasons for not spending the amount in its Board Report:

The Company considers social responsibility as an integral part of its business activities and endeavors to utilize allocable CSR budget for the benefit of society. However, during the financial year under review, the Company's spend on the CSR activities have been less than the limits prescribed under the Companies Act, 2013 due to unavoidable circumstances.

The Company has been working on various projects involving activities as are included in the CSR Policy adopted by the Company covering health facilities. Certain initiatives already undertaken, could not be implemented. The CSR activities are scalable with more initiatives that may be considered in future and moving forward, the Company will endeavor to spend the unspent CSR amount on CSR activities/projects in accordance with the statutory requirements.

The steps taken by the Company in the financial year which include initiation of the planned projects, contacts with identified beneficiaries as well as dedicating administrative resources, in continuation of the CSR Policy formulated and recommended by its CSR Committee as well as plans implemented in the previous two financial years should help us see the company completing its required spends going forward and fully meeting the company's CSR obligations in a manner consistent with our CSR Policy and governance requirements.

7. Responsibility statement of the CSR Committee:

CSR Committee confirmed that the implementation and monitoring of CSR Policy is in compliance with CSR objectives and Policy of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a) INDUSTRY STRUCTURE AND DEVELOPMENT:

Your Company continues to be the market leader in E-Waste Recycling Management business. While the current COVID-19 outbreak is a major dampener for growth in business, your Company is looking at garnering a much better position compared to its peers due to its diverse businesses. Continued efforts to find new markets and customers and focused attention on cost optimization, will help Company recover quickly from the significant damage created by the pandemic.

b) OPPORTUNITIES AND THREATS:

OPPORTUNITIES:

- Cerebra being very strong in corporate collections of E waste is looking at increasing its collections this year and the WFH might mean big opportunity since the work computers, laptops, telecom equipment etc., will come as E waste since companies are looking at reducing their work space.
- Significant potential for additional business from customers who are looking at WFH (work from home) as an option.
- Refurbished business will grow to sustain costs.
- Good potential to grow in the domestic business and in the aftermarket.

THREATS:

- COVID-19 is a major threat which has led to economic slowdown and recession.
- COVID-19 is a continuing threat with no vaccine found leading to significant uncertainties in the market.
- Labour shortages.

c) SEGMENT WISE OR PRODUCT WISE PERFORMANCE

As on 31st March 2020, the Company was engaged in E-Waste Recycling Management and refurbishment of computer products and accessories predominantly. The Company has its major business coming in from E-Waste Recycling Management and will be focussing on the same during the current financial year too. The internal reporting and performance of the Group is assessed by the Managing Director as E-Waste Recycling Management segment. However, for the purpose of explaining the performance of the Company to investors, the management provides further break down at product and service level.

d) OUTLOOK:

Indian economy is expected to shrink in the current financial year. Global economy is also expected to shrink. This could lead to a reduction in purchase from your company's customers, leading to reduced sales and challenging financial performance. However, every effort is made to continue to focus on customer service, operational efficiencies and cost optimization, so that the impact for the Company is minimal for the current year. However, the medium-term outlook remains positive, post COVID-19.

e) RISKS AND CONCERNS:

The major concern for the current year is COVID-19 pandemic, leading to economic disruption and uncertainty of the future. Business outlook from the customer is not clear and hence it is difficult to estimate the overall risks and concerns at this moment.

The Company's risk management strategy encompasses in-depth identification, assessment and prioritization of risk followed by speedy mobilization of resources to minimize, monitor and control the losses of unfortunate events.

f) INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has an adequate system of internal controls commensurate with its size to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition. All the transactions are authorized, recorded and reported correctly.

The Company's internal control systems are further supplemented by an extensive programme of internal audit by a firm of Chartered Accountants and periodic review by the Management. The Internal Control system is designed to ensure that all financial and other records are reliable for preparing Financial Statements and for maintaining accountability of assets.

g) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES & INDUSTRIAL RELATIONS FRONT INCLUDING NUMBER OF PEOPLE EMPLOYED:

Employees continue to be the key for the continued success of Organization. Industrial relations have been generally harmonious in all units. Sound human resource development policies of the Company ensure that each employee grows as an individual and contributes to the performance and growth of the Company. Regular in-house training programs for employees at all levels help in this objective. While getting skilled manpower at some levels in the operations continues to be a challenge, employee turnover remained low during the year. The Company has satisfactory human resource department in place to address HR challenges of the Company.

COVID-19

Cerebra wishes all its employees, shareholders to stay safe during this COVID-19 and also thanks all the doctors, essential services staff and other COVID Warriors for their continuous support who have helped India fight the virus.

During this period, Cerebra as all other industries has felt its repercussions in the ongoing battle for the containment of Corona virus and has taken a hit right from its March sales very badly as most of the large orders are stalled and were never out for procurement and execution. And the repercussions of this will follow on to the next year being the Cerebra's new financial year 2020-21 with the lockdown period being extended over and over again. Cerebra has already taken some measures and is now focusing to ensuring that the company is safe and focused on business for this year and will take up aggressive steps in 21-22 to remain as the market leader in this segment.

E-WASTE RECYCLING BUSINESS:

This was the performer of the year with a growth as planned and still will be the mainstay of Cerebra's Lines of Business and has truly evolved as the most important business line. Cerebra continue to add on clients for PRO (Producer Responsibility Organisation) business for which a license from Central Pollution Control Board (CPCB) was acquired last year. The capacity of 2076 MT for PRO was increased to 20000 MT and Cerebra thanks the PCB authorities for considering the same and also that the Company has utilised the full capacity by continuing to retain two of the world's largest consumer electronics manufacturers, Samsung India Electronics Limited (SIEL) as its first EPR (Extended Producer Responsibility) client and the second one being LG Electronics. For both of these clients, Cerebra have been collecting TVs, Refrigerators, Air Conditioners and Washing Machines and recycling them at the plant in Narasapura, Kolar District, near Bengaluru.

With this, the Company as an environment friendly Company, who have been marching towards green growth are proud to inform that Cerebra has brought down the amount of E-Waste ending up in landfills by more than 20,000 Metric Tonnes.

The plant is fully functional and is recycling e-waste and also producing refurbished products such as Desktops, Laptops and Servers including its peripherals/accessories such as Mouse, Printers etc. Cerebra has collected WEEE (Waste Electrical & Electronic Equipment's) for large and medium manufacturers of IT Products, White Goods manufacturer's such as TV, Fridge and Washing Machines and other electrical and electronic products through its Corporate collection channel.

Cerebra has increased its channel partners to 33 with all of them having a Cerebra Experience Centre in major cities of India. Cerebra has been increasing its Cerebra Experience Centre's (CEC) [Stores] wherein a customer can walk-in and pickup refurbished products such as Desktops, Laptops, Network Accessories, Peripherals and Printers at competitive prices even in remote places of India.

Cerebra has completed its unique software S.P.O.C.K (System Protocol of Cerebra Knowledge) to track its collections, sales and channel management wherein all Waste Electrical & Electronic Equipment's (WEEE) collected from either Individual, Retailers or Corporate will be tracked until it reaches the Recycling Facility located at KIADB Narasapura Industrial Area, Kolar District. The complete billing for purchase of the above products through these Cerebra Experience Centre's (CEC) [Stores] are done by S.P.O.C.K. The software also tracks Cerebra's EPR collections and efforts are on to include downstream recycling in to the system.

Benefits to Schools -

Recruitment:

The division has been recruiting continuously at all levels and new recruits inducted at both senior levels and managers; General Manager – Mrs. Kala Bose has been inducted in to the team to strengthen Human Resources team.

Cerebra now has Zonal Managers, Regional Managers, Managers, who take care of collections and sales executives for procurement of EPR products and also sales of refurbished products pushing the channel sales through these executives.

Currently has offices at Chennai, Hyderabad, Bengaluru, Noida and Mumbai and has 32 Cerebra Experience Centre's (CEC) stores all across the country.

Enterprise Solutions Division

Cerebra has since many years and continues implementing various IT based projects for many start-ups, Government agencies, departments & institutions and established companies. The Company studies the customers IT requirements, identifies pain points and accordingly designs and plans their IT Hardware and Software infrastructure which includes security, networking, servers, storage, endpoints, operating systems, application software and ensures successful implementation for optimal performance

Cerebra works closely with leading technology vendors such as Dell EMC, HPI, HPE, Fujitsu, Intel, Hitachi, Fortinet, Checkpoint, Extreme Networks, Lenovo, Acer, TVSE, Brother, Samsung, Xerox, Radware, Huawei, VMware, RHEL, Microsoft etc to name a few.

Cerebra can design, supply, implement and maintain IT infrastructure for SMEs as well as large enterprises successfully. Cerebra can help clients with strategizing their IT hardware and software requirements with its technical competencies and strategic tie-ups as well as sourcing abilities.

Cerebra ESD's continued focus on education, research labs, airports, defence, PSUs, PSBs, etc has been fruitful and lead the Company successfully executing orders from PSU, ISRO, defence labs, various departments under Government of Karnataka, police, judiciary, NIMHANS, private education institutions to name a few.

Cerebra has recently completed execution of a few prestigious projects related to modernisation and augmentation of IT infrastructure in police, courts, education and treasury departments across the state. In addition, the ongoing project of Automated Driving Test System to fully automate the process of testing and issuance of driving license by the Department of Transport and Road Safety, Government of Karnataka has been implemented across 6 RTOs. Cerebra will continue to operate and maintain the same for a period of 5 (Five) years at six RTOs in Karnataka and the same has been extended to two new tracks.

With an added focus on services business such as AMC, FMS, Implementation and other value-added services, Cerebra has added many prestigious customers.

CEREBRA MIDDLE EAST FZCO:

The Middle East region has been on an Economic downturn amidst a global slowdown since 2017. "Growth prospects for the Middle East and North Africa are still deteriorating on the back of elevated geopolitical risks, weak global demand and severe oil production cuts."

CME is currently hit by the pandemic since January 2020 and is currently focussing only on services and not on products. It has since stopped VAD business since November 2019.

Independent Auditor's Report

To the Members of Cerebra Integrated Technologies Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of Cerebra Integrated Technologies Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2020, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis of Qualified Opinion

The Company has not maintained proper inventory records in its e-waste division. We have been informed that valuation of inventories of the said division as on 31st March 2020 is made based on the quantitative reconciliation of materials issued for and generated from processing based on theoretical standards and actual quantity of goods sold. Value of e waste division inventories considered in the financial statement as at 31st March 2020 amounted to Rs 624.87 Lakhs. Owing to the nature of inventory and in the absence of sufficient audit evidence we are unable to ascertain the correctness of the valuation and ascertain its consequent impact, if any, on the Ind AS Standalone financial statements.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
Impact of trade receivables and advances amounting Rs. 16484.16 Lakhs outstanding for substantial period on Company's ability to continue as a going concern. Trade receivables and advances outstanding for substantial period amounted 71.42% of the net worth of the Company. Hence we identified impact of these receivables on the company's ability to continue as a going concern as a key audit matter.	Our audit procedures included review of fulfilment/capacity to fulfil the balance contractual obligations of the Company, subsequent realisation, confirmation of balances obtained from these parties and steps initiated by the Company to collect these dues. To the extent not realised till date is also reported in the para "Emphasis of matter".

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain Professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the mall relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Emphasis of Matter

We draw attention to the following matters reported in the notes to standalone financial statements relating to:

Annexure - A To The Independent Auditor's Report Of Even Date to The Members Of Cerebra Integrated Technologies Limited On The Standalone Financial Statements for the Year Ended 31 March 2020

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i.
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b. The fixed assets of the Company have been verified by the management during the year. No material discrepancies were noticed on such verification and the same have been properly dealt with in the books of account. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its business
 - c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the company.
- ii.
 - a. As per the information and explanation given to us, except inventories of e waste materials, all other Inventories have been physically verified during the year by the management. (Refer Note 10 to the standalone financial statements). In our opinion, the frequency of verification is reasonable.
 - b. The discrepancies between the physical stocks and the book records where applicable, as noticed on physical verification were not material and have been properly dealt with in the books of account;
- iii.  - a. According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that these advances are prima facie prejudicial to the interest of the Company as the same are interest free in nature.
 - b. We have been informed that schedule for repayment is not fixed on these advances and hence we are unable to express an opinion as to whether the receipt of principal are regular.
 - c. As schedule for repayment is not fixed we are unable to comment as to whether there are over dues outstanding for more than ninety days.
- iv. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not complied the provisions of Section 185 of the Companies Act while advancing Rs.7146.67/- lakhs to subsidiaries. According to the information and explanations given to us and on the basis of our examination of the records of the Company, Company has complied the provisions of section 186 of the Companies Act, 2013.
- v. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not accepted any deposits during the year under review and hence the requirement of clause 3 (v) of Companies (Auditor's Report) Order, 2016 is not applicable to the Company during the year under review.
- vi. We have been informed that maintenance of Cost records under sub-section (1) of Section 148 of the Companies Act, 2013 and the rules made thereunder are not applicable relating to the operations of the Company and hence the requirement of clause 3 (vi) of Companies (Auditor's Report) Order, 2016 is not applicable to the Company for the year under review.
- vii.
 - a. The Company has been generally regular in depositing with the appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Sales Tax, Service Tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues applicable except dues under Income Tax and Goods and Service Tax.
 - b. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues applicable in arrears as at March 31, 2020 for a period of more than six months from the date they became payable except as detailed hereunder.

Annexure – B To The Independent Auditor's Report Of Even Date to The Members Of Cerebra Integrated Technologies Limited On The Standalone Financial Statements for the Year Ended 31 March 2020

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the standalone financial statements of the Cerebra Integrated Technologies Limited ("the Company") as at 31 March 2020, we have audited the internal financial controls over financial reporting of company as of that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate Internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control and financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Adverse Opinion

According to the information and explanation given to us and based on our audit, the following material weakness has been identified as at 31st March 2020.

The Company's internal financial control over advance payment for purchase of fixed assets, customer acceptance, credit evaluation and establishing customer credit limit for sales, maintenance of inventory records/inventory control in e-waste division were not operating effectively which could potentially result in impact on recognition of revenue/ expenses ,assessment of impairment provisions / variation in valuation of inventories .

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Annual Report 2019-2020

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained adequate and effective internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2020, standalone financial statements of the Company, and the same is reported under emphasis of matters in our audit report of even date.

Note 1: Corporate Information

Cerebra Integrated Technologies Limited is a public limited Company, incorporated in India having its Registered Office at S-5, Off 3rd Cross, Peenya Industrial Area, Peenya 1st Stage Bangalore - 560 058. The Company is engaged in the business of e-waste recycling, refining and refurbishment, electronic manufacturing services and IT infrastructure management. The financial statements for the year ended March 31, 2020 were approved by the Board of Directors and authorised for issue on July 27th, 2020.

Note 2: Basis of Preparation, Critical Accounting Estimates and Judgements, Significant Accounting Policies and Recent Accounting Pronouncements.

A. Basis of preparation:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements.

B. Convention:

These financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

C. Critical accounting estimates and judgements:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

- i. **Useful lives of property, plant, equipment and intangible assets:** The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant & equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change of depreciation expense in future periods.
- ii. **Impairment testing:** Property, plant, equipment & Intangible assets that are subject to amortisation/depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.
- iii. **Impairment of investments:** The Company reviews its carrying value of investments carried at cost or amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- iv. **Income Tax:** Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss. Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.
- v. **Litigation:** From time to time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.
- vi. **Fair value measurement of financial instruments:** The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgements in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.

D. Significant Accounting Policies

1. Revenue Recognition:

(i) Income from operations:

Revenue from sales of goods or rendering of services is net of Indirect taxes, returns and discounts. Revenue from rendering of the service is recognised provided pervasive evidence of an arrangement exists, rates are fixed or are determinable and collectability is reasonably certain

(ii) Interest income:

Interest income is accrued on a time proportion basis using the effective interest rate method.

(iii) Dividend

Dividend income is recognized when the Company's right to receive the amount is established.

2. Employee Benefits.

(i) Provident Fund

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognised as an expense in the Statement of Profit and Loss during the year. The contributions as specified under the law are paid to the respective Regional Provident Fund Commissioner.

(ii) Gratuity Fund

The Employee Payment of Gratuity Act, provides for lump sum payment to vested employees on retirement, death or termination of employment of an amount based on the respective employee's last drawn salary and tenure of employment. The Company accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit method, carried out as in the Balance Sheet date. Actuarial gains and losses are recognised immediately in the Other Comprehensive Income and reflected in retained earnings and will not be reclassified to the Statement of Profit and Loss.

(iii) Compensated Absences

Liability for compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised based on actuarial valuation.

(iv) Short Term Obligations

The costs of all short-term employee benefits (that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service) are recognised during the period in which the employee renders the related services.

3. Property, Plant and Equipment:

Property, plant and equipment are stated at cost, less accumulated depreciation (other than freehold land) and accumulated impairment losses, if any. All property, plant and equipment are initially recorded at cost. On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Cost initially recognised includes the acquisition cost or the cost of construction, including duties and non-refundable taxes, expenses directly related to bringing the asset to the location and condition necessary for making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Depreciation is charged to Statement of Profit and Loss so as to expense the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method, as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The asset's useful lives and residual values are reviewed at the Balance Sheet date and the effect of any changes in estimates are accounted for on a prospective basis.

An item of property, plant & equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant & equipment is determined as the difference between the sales proceeds & the carrying amount of the asset & is recognized in the Statement of Profit & Loss.

Capital work in progress represents projects under which the property, plant & equipment are not yet ready for their intended use and are carried at cost determined as aforesaid.

4. Intangible Assets:

Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use.

Intangible assets with finite lives are amortized over their estimated useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible Assets with indefinite useful lives are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

An intangible assets is derecognized on disposal, or when no future economic benefits are expected to arise from continued use of the asset. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, & are recognized in the Statement of Profit and Loss when the asset is derecognized.

5. Impairment of assets:

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

6. Foreign Currency Translation:

(i) Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Subsequent Recognition

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value denominated in a foreign currency are retranslated at the rates prevailing at the date when the fair value was determined.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit and Loss.

7. Assets taken on lease:

A Lease in which a significant portion of the risks and rewards of ownership are not transferred to the Company and the agreement is for a period of less than twelve months is classified as operating lease. Payments made under operating lease are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease.

8. Inventories:

Inventories are carried at the lower of cost (computed on a Weighted Average basis) or net realisable value. Cost in e - waste division is allocated to service income and sale of products generated from processing in proportion to estimated revenue. Cost includes the fair value of consideration paid including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Also refer Note 10

9. Income Taxes and Deferred Taxes:

(i) Current tax:

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

(ii) Deferred tax:

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax liabilities are generally recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

10. Provisions and contingent liabilities:

Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law, or constructive because the Company created valid expectations on the part of third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where reliable estimate of the obligation cannot be made.

11. Borrowing Costs:

General and specific borrowing costs directly attributable to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds.

12. Statement of Cash Flows:

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

13. Earnings Per Share:

Basic earnings per share is computed by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year including potential equity shares on compulsory convertible debentures. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the delusive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

14. Exceptional items:

The company discloses certain financial information both including and excluding exceptional items. The presentation of information excluding exceptional items allows a better understanding of the underlying trading performance of the company and provides consistency with the company's internal management reporting. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the company. Exceptional items can include, but are not restricted to, gains and losses on the disposal of assets/ investments, impairment charges, exchange gain/ loss on long term borrowings / assets and changes in fair value of derivative contracts.

15. Financial Instruments:

(a) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Classification:

Cash and Cash Equivalents — Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with an original maturity of three months or less from the date of acquisition, highly liquid investment that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Debt Instruments - The Company classifies its debt instruments (a) as subsequently measured at amortised cost or (b) fair value through Other Comprehensive Income or © fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(ii) Financial assets at fair value through Other Comprehensive Income (FVOCI)

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest.

Movements in the carrying value are taken through Other Comprehensive income, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains or losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from Other Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL and is not part of a hedging relationship as well as interest income is recognised in the Statement of Profit and Loss.

De-recognition

A financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(b) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

16. Accounting of Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an

identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made prior to the commencement date plus any initial direct costs incurred. The right-of-use asset is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

Recent accounting pronouncements:

On 24th July 2020, the Ministry of Corporate Affairs (MCA) has notified amendments to Accounting Standards 1, 8, 10, 37, 103, 107, 109 and 116 by way of Companies (Indian Accounting Standards) Amendment Rules, 2020 which is applicable with effect from 1st April, 2020.

These amendments have been made keeping in view the current business environment caused by the pandemic. COVID-19 has not only affected the health of people across the globe it has also caused severe disturbances in the global economic environment which has consequential impact on financial statements and reporting.

The Company is currently evaluating the impact on account of the above amendment and is of the opinion that it may not have significant impact on key profit & loss and balance sheet ratio i.e. Earnings before interest, tax, depreciation and amortisation (EBITDA), Asset coverage, debt equity, interest coverage, etc.

Footnotes

The Company has not disclosed the fair value of financial instruments such as trade receivables, trade payables, short term loans, deposits etc. because their carrying amounts are a reasonable approximation of fair value.

c) Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

a) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This included listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

b) Level 2: Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/ debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2

c) Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

d) Inter level transfers: There are no transfers between levels 1 and 2 as also between levels 2 and 3 during the year.

e) Valuation technique used to determine fair value

- i) the use of quoted market prices for the equity instruments and Mutual Funds
- ii) the fair value of the unlisted shares are determined based on the income approach or the comparable market approach.

f) Reconciliations of level 3 fair values

The following table shows reconciliation from the opening balances to closing balances for Level 3 fair values:

Note No. 41 Financial Risk Management

Risk management framework

The company's activities expose it to market risk including currency risk, interest rate risk, liquidity risk and credit risk.

The company's risk management is carried out by finance department as per the policies approved by the Board of Directors. The board provides principles for overall risk management as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, and investment of short term/long term surplus funds.

A) Market Risk

i) Foreign Currency Risk

Foreign currency risk arises from commercial transactions, assets and liabilities denominated in a currency that is not the Company's functional currency (INR).

The exposure of the Company to foreign currency risk is not significant. However, this is closely monitored by the management to decide on the requirement of hedging. The position of foreign currency exposure to the Company is given below expressed in INR as under

Currency	INR in Lakhs	
	Receivables	Payables
As on March 31, 2020		
Exposure in US Dollars (USD)	8,086.70	-
As on March 31, 2019		
Exposure in US Dollars (USD)	3,086.70	8.70

ii) Interest Rate Risk

The exposure of the company's borrowing to interest rate changes at the end of the reporting period depends on the mix of fixed rate and floating rate of the borrowings and the expected movement of market interest rate. The status of borrowings in terms of fixed rate and floating rate are as follows:

Details of Borrowings outstanding	INR in Lakhs	
	31-03-2020	31-03-2019
Variable Rate Borrowings	459.98	128.33
Fixed Rate Borrowings	19.13	10.46
Interest Free Borrowings	15.41	10.00
Total Borrowings	494.53	148.79

As at the end of the reporting period, the company had the following variable rate borrowings outstanding:

Details of Variable rate borrowings	Weighted Avg. Interest Rate	INR in Lakhs	
		Outstanding Balance	% of Total Loan
March 31, 2020			
Cash Credit from Canara Bank(erstwhile Syndicate Bank)	11.70%	459.98	93.02%
March 31, 2019			
Cash Credit from Canara Bank (erstwhile Syndicate Bank)	12.50%	128.33	86.25%

Interest Rate Sensitivity

A change of 50 bps in interest rate would have the following impact on profit before tax

Particulars	2019-20	2018-19
50 bps increase would decrease the profit before tax by	14.71	3.21
50 bps decrease would increase the profit before tax by	- 14.71	-3.21

Standalone Notes Forming Part of Financial Statements for the year ending 31st March 2020

iii) Price Risk

The company's exposure to securities price risk arises from investments held by the company in units of mutual fund classified in the balance sheet at fair value through profit and loss. However, company does not have a practice of investing in market equity securities with a view to earn fair value changes gain. Company has invested in units of mutual funds when short term surplus fund exists with prior approval of the Board. Considering the size of the investment the price/market risk is not significant.

B) Credit Risk

Credit risk arises when a counter party defaults on contractual obligations resulting in financial loss to the company. Trade receivables consist of large number of customers, spread across diverse industries and geographical areas. In order to mitigate the risk of financial loss from defaulters, the Company has an ongoing credit evaluation process in respect of customers who are allowed credit period. In respect of walk-in customers the company does not allow any credit period and therefore, is not exposed to any credit risk. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 60 days past due.

C) Liquidity Risk

The Company has a liquidity risk management framework for managing its short term, medium term and long term sources of funding vis-à-vis short term and long term utilization requirement. This is monitored through a rolling forecast showing the expected net cash flow, likely availability of cash and cash equivalents, and available undrawn borrowing facilities.

i) Financing arrangements: The position of undrawn borrowing facilities at the end of reporting period are as follows

Floating Rate	INR in Lakhs	
	31-03-2020	31-03-2019
Cash Credit from Syndicate Bank	340.02	671.67

ii) Maturities of financial liabilities

D) Impact of COVID-19

The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets, inventory, receivables, loans and advances, property plant and equipment, intangibles etc as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information. Having reviewed the underlying data and based on current estimates, the Company does not expect any material impact on the carrying amount of these assets and liabilities. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions. The Company has also evaluated the impact of the same on the aforementioned risks i.e. credit risk, liquidity risk, market risk, currency risk and interest risk and does not foresee any material impact on account of the same.

Note Number 42 : Capital Management

Capital management objectives of the Company is to safeguard its ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders.

The company's strategy is to maintain a gearing ratio within 20%. The gearing ratios were as follows:

Particulars	INR in Lakhs

**Independent Auditor's Report
To the Members of Cerebra Integrated Technologies Limited**

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of Cerebra Integrated Technologies Limited (the Holding Company) and its subsidiaries (The Holding Company and its subsidiaries together referred as 'the Group'), which comprise the Consolidated Balance Sheet as at 31st March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs (financial position) of the Company as at 31 March 2020, and its consolidated profit (financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis of Qualified Opinion

Holding Company has not maintained proper inventory records in its e- waste division. We have been informed that valuation of inventories of the said division as on 31st March 2020 is made based on the quantitative reconciliation of materials issued for and generated on processing based on theoretical standards and actual quantity of goods sold. Value of e waste division inventories considered in the financial statement as at 31st March 2020 amounted to Rs 624.87 Lakhs. Owing to the nature of inventory and in the absence of sufficient audit evidence we are unable to ascertain the correctness of the valuation and ascertain its consequent impact, if any, on the Ind AS consolidated financial statements.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How our audit addressed the key audit matter
Impact of trade receivables and advances amounting Rs 18765.07 Lakhs outstanding for substantial period on Going concern. Trade receivables and advances outstanding for substantial period amounted 63.75 % of the net worth of the Group. Hence we identified impact of these receivables on the going concern as a key audit matter.	Our audit procedures included review of fulfilment/ability to fulfil the balance contractual obligations of the Group, subsequent realisation, confirmation of balances obtained from the parties and steps initiated by the Group to collect these dues. To the extent not realised till date is also reported in the para "Emphasis of matter".

Information other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cashflows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors /management of the companies included in the Group covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain Professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system

in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Other Matter

We did not audit the financial statements of a subsidiary whose financial statements/ consolidated financial information reflect total assets of Rs.18018.56 Lakhs /- as at March 31, 2020, total revenues of Rs. 8185.48 lakhs, total net profit after tax of Rs.572.69 Lakhs and total comprehensive income of Rs. Nil for the year ended on that date as considered in the consolidated financial results. These financial statements/consolidated financial statements / consolidated financial information have been audited by another auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of the said subsidiary is based solely on the reports of the other auditor.

Our opinion on the Statement is not modified in respect of the above matter with respect to our reliance on the work done and the reports of other auditor.

Emphasis of Matter

We draw attention to the following matters reported in the notes to consolidated financial statements relating to:

1. Advances and receivables outstanding for substantial period for which no provision is made as the management is confident of recovering the same either in cash or in kind.
 - a. Loans and advances include Rs 769.52 Lakhs (Rs. 861.12 Lakhs) advanced for purchase of an immovable property. Refer Note No. 37.1 to the consolidated financial statement.

 - d. Other trade receivables of Rs. 3106.55 Lakhs -Refer Note No. 37.5 to the consolidated financial statement.
2. Confirmation of balance is not received for trade receivables amounting Rs. 19065.05Lakhs,trade payables amounting Rs. 5740.74 lakhs and advances amounting Rs 2059.19 Lakhs -Refer Note 46.
3. The statutory auditors of Cerebra Middle East FZCO, a subsidiary of the Company reported that bank balance of Rs. 65.72 Lakhs & Loans and Borrowings of Rs. 391.23 of the said company are subject to direct confirmation. In the absence of direct confirmation, they are unable to ascertain provision for accrued interest/ contingent liabilities outstanding as at the balance sheet date. Further, the personal guarantees and securities provided to the banks against facilities and loans are disclosed as per the management representations provided to them.

Our opinion is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements:

- A. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and other financial information of the subsidiaries we report, to the extent applicable, that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c. the consolidated financial statements dealt with by this report are in agreement with the books of account;
 - d. in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under Section 133of the Act;
 - e. On the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary company covered under the Act, none of the directors of the Group companies and its Subsidiary Company , covered under the Act, are disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, and its subsidiary company, covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A';
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with rule 11of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements /consolidated financial statements as also the other financial information of the subsidiaries:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group
 - ii. Provision has been made in these consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts. We have been informed that the company has not entered into any derivative contracts;
 - iii. The Holding Company or its subsidiaries were not required to transfer any amount to the Investor Education and Protection Fund during the year under review.
 - iv. The disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.
 - h. Report under section 197(16):In our opinion and according to the information and explanations given to, the remuneration paid during the year under review by the Holding Company to its directors is in accordance with the provisions of section 197 of the Act and is not in excess of the limit laid down under section 197 of the Act. As per the information furnished to us, the Indian subsidiary has not paid any remuneration to its directors during the year under review. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

Annexure - A To The Independent Auditor's Report Of Even Date to The Members Of Cerebra Integrated Technologies Limited On The Consolidated Financial Statements for the Year Ended 31 March 2020

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Cerebra Integrated Technologies Limited (the 'Holding Company') and its subsidiary incorporated in India (the Holding Company and its subsidiaries together referred to as the 'Group'), as at 31 March 2020, we have audited the internal financial controls over financial reporting ('IFCoFR') of the Holding Company, its subsidiary company incorporated in India, which are companies covered under the Act, as at that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, and its subsidiary company incorporated in India, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the IFCoFR of the Holding Company, its subsidiary company incorporated in India, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Holding Company, and its subsidiary company incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the asset of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Adverse Opinion

According to the information and explanation given to us and based on our audit, the following material weakness has been identified as at 31st March 2020.

The holding companies and its subsidiary company incorporated in India internal financial control over advance payment for purchase of fixed assets, customer acceptance, credit evaluation and establishing customer credit limit for sales, and inventory records/controls of the e waste division were not operating effectively which could potentially impact on recognition of revenue/expenses / assessment of impairment provisions / variation in valuation of inventories .

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained adequate and effective internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2020, consolidated financial statements of the Company, and the same is reported under emphasis of matters in our audit report of even date.

Note 1: Corporate Information

Cerebra Integrated Technologies Limited (Holding company) is a public limited Company, incorporated in India having its Registered Office at S-5, Off 3rd Cross, Peenya Industrial Area, Peenya 1st Stage Bangalore - 560 058. Cerebra Group consists of the Holding company and two subsidiaries namely Cerebra LPO Limited and Cerebra Middle East FZCO.

The Group is engaged in e waste recycling, refining and refurbishment, electronic manufacturing services, trading in computer systems and peripherals and IT infrastructure management. The financial statements for the year ended March 31, 2020 were approved by the Board of Directors and authorised for issue on July 27th, 2020.

Note 2: Basis of Preparation, Critical Accounting Estimates and Judgements, Significant Accounting Policies and Recent Accounting Pronouncements.

A. Basis of preparation

- i. These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements.

ii. Convention:

These financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

iii. Principles of consolidation:

The consolidated financial statements relate to Cerebra Integrated Technologies Limited ("the Company") and its subsidiary Companies. The consolidated financial statements are prepared on the following basis:

- (a) The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- (b) Profit or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant and equipment, are eliminated in full.
- © In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve.
- (d) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (e) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- (f) Non-controlling Interest's share of profit/loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- (g) Non-controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.

B. Critical accounting estimates and judgements:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

- i. Useful lives of property, plant and equipment and intangible assets: The Group has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.
- ii. Impairment testing: Property, plant and equipment and Intangible assets that are subject to amortisation/ depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.
- iii. Impairment of investments: The Group reviews its carrying value of investments carried at cost or amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- iv. Income Taxes: Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Group estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans,

including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss. Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

- v. Litigation: From time to time, the Group is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.
- vi. Fair value measurement of financial instruments: The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgements in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.

C. Significant Accounting Policies

1. Revenue Recognition:

(i) Income from operations:

Revenue from sales of goods or rendering of services is net of Indirect taxes, returns and discounts. Revenue from rendering of the service is recognised provided pervasive evidence of an arrangement exists, rates are fixed or are determinable and collectability is reasonably certain

(ii) Interest income:

Interest income is accrued on a time proportion basis using the effective interest rate method.

(iii) Dividend

Dividend income is recognized when the Group's right to receive the amount is established.

2. Employee Benefits.

(i) Provident Fund

The eligible employees of the Group are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognised as an expense in the Statement of Profit and Loss during the year. The contributions as specified under the law are paid to the respective Regional Provident Fund Commissioner.

(ii) Gratuity Fund

The Employee Payment of Gratuity Act, provides for lump sum payment to vested employees on retirement, death or termination of employment of an amount based on the respective employee's last drawn salary and tenure of employment. The Group accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit method, carried out as at the Balance Sheet date. Actuarial gains and losses are recognised immediately in the Other Comprehensive Income and reflected in retained earnings and will not be reclassified to the Statement of Profit and Loss.

(iii) Compensated Absences

Liability for compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised based on actuarial valuation.

(iv) Short Term Obligations

The costs of all short-term employee benefits (that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service) are recognised during the period in which the employee renders the related services.

3. Property, Plant and Equipment:

Property, plant and equipment are stated at cost, less accumulated depreciation (other than freehold land) and accumulated impairment losses, if any. All property, plant and equipment are initially recorded at cost. On transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Cost initially recognised includes the acquisition cost or the cost of construction, including duties and non-refundable taxes, expenses directly related to bringing the asset to the location and condition necessary for making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Depreciation is charged to Statement of Profit and Loss so as to expense the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method.

The assets' useful lives and residual values are reviewed at the Balance Sheet date and the effect of any changes in estimates are accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

Capital work in progress represents projects under which the property, plant and equipment are not yet ready for their intended use and are carried at cost determined as aforesaid.

4. Intangible Assets:

Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use.

Intangible assets with finite lives are amortized over their estimated useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible Assets with indefinite useful lives are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

An intangible assets is derecognized on disposal, or when no future economic benefits are expected to arise from continued use of the asset. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

5. Impairment of assets:

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

6. Foreign Currency Translation:

(i) Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Subsequent Recognition

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value denominated in a foreign currency are retranslated at the rates prevailing at the date when the fair value was determined.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit and Loss.

7. Assets taken on lease:

A Lease in which a significant portion of the risks and rewards of ownership are not transferred to the Company and the agreement is for a period of less than twelve months is classified as operating lease. Payments made under operating lease are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease.

8. Inventories:

Inventories are carried at the lower of cost (computed on a Weighted Average basis) or net realisable value. Cost in e - waste division is allocated to service income and sale of products generated from processing in proportion to estimated revenue. Cost includes the fair value of consideration paid including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. (Also refer Note 10)

9. Income Taxes and Deferred Taxes:

(i) Current tax:

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

(ii) Deferred tax:

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax liabilities are generally recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

10. Provisions and contingent liabilities:

Provisions are recognised when the Group has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law, or constructive because the Group created valid expectations on the part of third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where reliable estimate of the obligation cannot be made.

11. Borrowing Costs:

General and specific borrowing costs directly attributable to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds.

12. Statement of Cash Flows:

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

13. Earnings Per Share:

Basic earnings per share is computed by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year including potential equity shares on compulsory convertible debentures. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

14. Exceptional items:

The company discloses certain financial information both including and excluding exceptional items. The presentation of information excluding exceptional items allows a better understanding of the underlying trading performance of the Group and provides consistency with the Group's internal management reporting. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Group. Exceptional items can include, but are not restricted to, gains and losses on the disposal of assets/ investments, impairment charges, exchange gain/ loss on long term borrowings / assets and changes in fair value of derivative contracts.

15. Financial Instruments:

(a) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Classification:

Cash and Cash Equivalents — Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with an original maturity of three months or less from the date of acquisition, highly liquid investment that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Debt Instruments - The Group classifies its debt instruments (a) as subsequently measured at amortised cost or (b) fair value through Other Comprehensive Income or (c) fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these financial assets is included as a part of the Group's income in the Statement of Profit and Loss using the effective interest rate method.

(ii) Financial assets at fair value through Other Comprehensive Income (FVOCI)

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest. Movements in the carrying value are taken through Other Comprehensive income, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains or losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from Other

Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a part of the Company's income in the Statement of Profit and loss using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL and is not part of a hedging relationship as well as interest income is recognised in the Statement of Profit and Loss.

De-recognition

A financial asset is derecognised only when the Group has transferred the rights to receive cash flows from the financial asset. Where the Group has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(b) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

16. Accounting of Leases

The Group, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an

identified asset and the Group has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate. For short-term and low value leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the lease term

D. Recent accounting pronouncements:

On 24th July 2020, the Ministry of Corporate Affairs (MCA) has notified amendments to Accounting Standards 1, 8, 10, 37, 103, 107, 109 and 116 by way of Companies (Indian Accounting Standards) Amendment Rules, 2020 which is applicable with effect from 1st April, 2020.

These amendments have been made keeping in view the current business environment caused by the pandemic. COVID-19 has not only affected the health of people across the globe it has also caused severe disturbances in the global economic environment which has consequential impact on financial statements and reporting.

The Company is currently evaluating the impact on account of the above amendment and is of the opinion that it may not have significant impact on key profit & loss and balance sheet ratio i.e. Earnings before interest, tax, depreciation and amortisation (EBITDA), Asset coverage, debt equity, interest coverage, etc.

Footnotes

The Company has not disclosed the fair value of financial instruments such as trade receivables, trade payables, short term loans, deposits etc. because their carrying amounts are a reasonable approximation of fair value.

c) Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- a) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This included listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.
- b) Level 2: Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/ debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2
- c) Level 3: If one or more of the significant Inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

d) Inter level transfers: There are no transfers between levels 1 and 2 as also between levels 2 and 3 during the year.

e) Valuation technique used to determine fair value

- i) the use of quoted market prices for the equity instruments and Mutual Funds
- ii) the fair value of the unlisted shares are determined based on the income approach or the comparable market approach.

f) Reconciliations of level 3 fair values

Note No. 41 Financial Risk Management

Risk management framework

The company's activities expose it to market risk including currency risk, interest rate risk, liquidity risk and credit risk.

The company's risk management is carried out by finance department as per the policies approved by the Board of Directors. The board provides principles for overall risk management as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, and investment of short term/long term surplus funds.

A) Market Risk

i) Foreign Currency Risk

Foreign currency risk arises from commercial transactions, assets and liabilities denominated in a currency that is not the Company's functional currency (INR).

The exposure of the Company to foreign currency risk is not significant. However, this is closely monitored by the management to decide on the requirement of hedging. The position of foreign currency exposure to the Company is given below expressed in INR as under :

Currency	INR in Lakhs	
	Receivables	Payables
As on March 31, 2020		
Exposure US Dollars (USD)	8,086.70	-
Exposure in Dirhams (AED)	10,259.30	1,968.70
As on March 31, 2019		
Exposure US Dollars (USD)	1,440.20	8.73
Exposure in Dirhams (AED)	7191.27	1091.57

ii) Interest Rate Risk

The exposure of the company's borrowing to interest rate changes at the end of the reporting period depends on the mix of fixed rate and floating rate of the borrowings and the expected movement of market interest rate. The status of borrowings in terms of fixed rate and floating rate are as follows:

INR in Lakhs

Details of Borrowings outstanding	31-03-2020	31-03-2019
Variable Rate Borrowings	459.98	128.33
Fixed Rate Borrowings	410.37	153.76
Interest Free Borrowings	402.63	83.52
Total Borrowings	1,272.98	365.60

As at the end of the reporting period, the company had the following variable rate borrowings outstanding:

INR in Lakhs

Details of Variable rate borrowings	Weighted Avg. Interest Rate	Outstanding Balance	% of Total Loan
March 31, 2020 Cash Credit from Canara Bank (Erstwhile Syndicate Bank)	11.70%	459.98	36.13%
March 31, 2019 Cash Credit from Canara Bank (Erstwhile Syndicate Bank)	12.50%	128.33	35.10%

Consolidated Notes Forming Part of Financial Statements for as at 31st March 2020

Interest Rate Sensitivity

A change of 50 bps in interest rate would have the following impact on profit before tax

Particulars	2019-20	2018-19
50 bps increase would decrease the profit before tax by	14.71	3.21
50 bps decrease would increase the profit before tax by	-14.71	-3.21

iii) Price Risk

The company's exposure to securities price risk arises from investments held by the company in units of mutual fund classified in the balance sheet at fair value through profit and loss. However, company does not have a practice of investing in market equity securities with a view to earn fair value changes gain. Company has invested in units of mutual funds when short term surplus fund exists with prior approval of the Board. Considering the size of the investment the price/market risk is not significant.

B) Credit Risk

Credit risk arises when a counter party defaults on contractual obligations resulting in financial loss to the company. Trade receivables consist of large number of customers, spread across diverse industries and geographical areas. In order to mitigate the risk of financial loss from defaulters, the Company has an ongoing credit evaluation process in respect of customers who are allowed credit period. In respect of walk-in customers the company does not allow any credit period and therefore, is not exposed to any credit risk. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 60 days past due.

C) Liquidity Risk

The Company has a liquidity risk management framework for managing its short term, medium term and long term sources of funding vis-à-vis short term and long term utilization requirement. This is monitored through a rolling forecast showing the expected net cash flow, likely availability of cash and cash equivalents, and available undrawn borrowing facilities.

i) Financing arrangements: The position of undrawn borrowing facilities at the end of reporting period are as follows

Floating Rate	Amt in Lakhs	
	31-03-2020	31-03-2019

D) Impact of COVID-19

The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets, inventory, receivables, loans and advances, property, plant and equipment, intangibles etc as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information. Having reviewed the underlying data and based on current estimates, the Company does not expect any material impact on the carrying amount of these assets and liabilities. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions. The Company has also evaluated the impact of the same on the aforementioned risks i.e. credit risk, liquidity risk, market risk, currency risk and interest risk and does not foresee any material impact on account of the same.

Note Number 42 : Capital Management

Capital management objectives of the Company is to safeguard its ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders.
