- 2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - (i) presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, and
 - (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the standalone net profit after tax and other comprehensive income and other financial information of the Company for the year ended 31 March 2024.

NRB Bearings Limited Independent Auditor's Report on Standalone Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

Emphasis of Matter

- 4. We invite attention to note 3 of the accompanying Statement, which indicates delay in receipts of foreign currency trade receivables amounting to ₹ 3,091 lakhs and delay in payments to foreign currency trade payables amounting to ₹ 191 lakhs as at 31 March 2024 beyond the timelines stipulated vide FED master Direction No. 16/2015-16 and FED Master direction No. 17/2016-17 respectively, under the Foreign Exchange Management Act, 1999. The management of the Company is in the process of recovering the outstanding dues and making the payments for outstanding payables and regularizing these defaults by filing necessary applications with the appropriate authority for condonation of delays. The management is of the view that the fines/penalties if any, that may be levied pursuant to delays, are currently unascertainable but not expected to be material and accordingly, the accompanying Statement do not include any consequential adjustments that may arise due to such delays / defaults. Our opinion is not modified in respect of this matter.
- 5. We invite attention to note 6 to the accompanying Statement, which describes that a fire incident occurred at one of the Company's manufacturing plants situated at Waluj on 08 May 2023, effecting the operations of the plant and resulting in damage to inventories, plant and equipments, building and other civil structures, for which the Company has estimated and provided for impairment loss (net) amounting to ₹ 2,076 lakhs for the year ended 31 March 2024. The Company has also recorded total insurance claim income amounting to ₹ 3,051 lakhs received as a final payment towards inventories and interim payment towards plant and equipments, building and other civil structures. Such loss and insurance claim income has been disclosed as 'Exceptional Items' in the accompanying Statement. The management of the Company is currently in the process of ascertaining the further operational losses caused due to fire and believes that all such losses are adequately insured. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Statement

- 6. This Statement has been prepared on the basis of the standalone annual financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the Ind AS specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
- 7. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 8. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

- 9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
- 10. As part of an audit in accordance with the Standards on Auditing, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to standalone financial statements and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to
 events or conditions that may cast significant doubt on the Company's ability to continue as a going
 concern. If we conclude that a material uncertainty exists, we are required to draw attention in our
 auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to
 modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our
 auditor's report. However, future events or conditions may cause the Company to cease to continue
 as a going concern; and
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- 11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

13. The Statement includes the financial results for the quarter ended 31 March 2024, being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us.

Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us together with the audit evidence obtained by the other auditors in terms of their report referred to in paragraph 14 of the "Other Matter" section below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

- 4. We invite attention to note 3 of the accompanying statement, which indicates delay in receipts of foreign currency trade receivables amounting to ₹ 3,091 lakhs and delay in payment of foreign currency trade payable amounting to ₹ 191 lakhs of the Holding Company as at 31 March 2024 beyond the timelines stipulated vide FED master Direction No. 16/2015-16 and FED Master direction No. 17/2016-17 respectively, under the Foreign Exchange Management Act, 1999. The management of the Holding Company is in the process of recovering the outstanding dues and making the payments for outstanding payables and regularising these defaults by filing necessary applications with the appropriate authority for condonation of delays. The management of the Holding Company is of the view that the fines/penalties if any, that may be levied pursuant to delays, are currently unascertainable but not expected to be material and accordingly, the accompanying, statement do not include any consequential adjustments that may arise due to such delays / defaults. Our opinion is not modified in respect of this matter.
- 5. We invite attention to note 6 to the accompanying statement, which describes that a fire incident occurred at one of the Holding Company's manufacturing plant situated at Waluj on 08 May 2023, effecting the operations of the plant and resulting in damage to inventories, plant and equipments, building and other civil structures, for which the Holding Company has estimated and provided for impairment loss (net) amounting to ₹ 2,076 lakhs for the year ended 31 March 2024. The Holding Company has also recorded total insurance claim income amounting to ₹ 3,051 lakhs received as a final payment towards inventories and interim payment towards plant and equipments, building and other civil structure. Such loss and insurance claim income has been disclosed as 'Exceptional Items' in the accompanying statement. The management of the Holding Company is currently in the process of ascertaining the further operational losses caused due to fire and believes that all such losses are adequately insured. Our opinion is not modified in respect of this matter.
