- 2. Aapla Mahanagar (Marathi)

We are enclosing the relevant paper cuttings of the above-mentioned newspapers for your reference and records.

Thanking you,

Yours faithfully, **For Repro India Limited**

Almina Shaikh Company Secretary & Compliance Officer

Encl: as above

Sailing through rough seas: Bond yields may reach 7.5%

Higher vegetable and fuel prices may increase inflation

New Delhi, 22 August

ond markets, both global and domestic, are likely headed for challenging times over the next three to six months. Analysts believe that higher vegetable prices, rising fuel costs, and improved wages could keep inflation high. They anticipate that yields may rise to 7.5 per cent in the near term from the current 7.23 per cent.

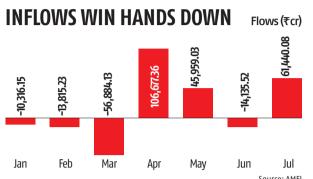

Against this backdrop, they suggest that investors consider putting their money into funds or instruments with a residual maturity of four to six years. Longer-term investors could cautiously allocate towards the longer end of the range, specifically beyond seven years. "Ten-year bond yields may rise up to 7.3 per cent in the near term but soften thereafter, by 25-40 basis points (bps) in one year. Investors may consider putting money in short- to mediumterm debt funds," says Devang Shah, co-head of fixed income at Axis Mutual Fund.

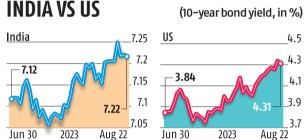

According to data provided by the Association of Mutual Funds in India, debt funds saw a net inflow of ₹61,440.08 crore in the month of July, compared to a net outflow of ₹14,135.52 crore in June.

Rising yields

Over the past month, the yields on 10-year government bonds in India have risen by 14.7 bps to 7.218 per cent. Meanwhile, in the US, they have touched a 17vear high of 4.35 per cent, surging 50.8 bps during the same period due to a hawkish US Federal Reserve (Fed).

Analysts believe that yields on short-term bonds within India may also harden as liquidity remains tight. This follows the Reserve Bank of

India's (RBI's) mandate for all scheduled banks to maintain an incremental cash reserve ratio of 10 per cent on the increase in their net demand and time liabilities between May 19, 2023, and July 28, 2023, effective from August 12.

Following this move, sur-

down from ₹2.6 trillion on August 10, the day of the RBI policy announcement. Yields on one-year and two-year government bonds have increased by 8 bps and 4 bps, respectively, since August 10.

"The next three to six months will be critical for the plus liquidity has decreased to bond markets. We expect yields ₹53,800 crore as of August 20, on 10-year government secu-

rities to move up to 7.5 per cent in the near term due to inflationary pressure from vegetable prices, electricity tariff hikes, and rural wage growth. We believe these triggers might prompt the RBI to consider a surprise rate hike," says Swati Singh, executive director and head of fixed income at Avendus Wealth Management.

In its August policy, the RBI's monetary policy committee kept the repo rate unchanged at 6.5 per cent for the third consecutive policy meeting, looking past the transient vegetable inflation.

However, the central bank revised its inflation projections for 2023-24 (FY24) to 5.4 per cent (previously 5.1 per cent). Projections for the second (O2) and third quarters of FY24 also saw significant upward revisions to 6.2 per cent (from 5.4 per cent) and 5.7 per cent (from 5.4 per cent), respectively.

Meanwhile, the consumer price index (CPI)-based inflation surged to 7.44 per cent in July, the highest since April 2022. This was the first time since September 2022 that it had risen over 7 per cent.

Vegetable prices soared by 37.3 per cent, while the price of the cereals and pulses basket surged by 13 per cent. This led to a 12.3 per cent increase in the food inflation basket for urban consumers and an 11 per cent increase for rural consumers, according to the National Statistical Office. "India's 10vear yield has gained considerable momentum following the upside surprise in the CPI data and could likely touch the 7.3 per cent mark over the next month," observes Dipanwita Mazumdar, economist at Bank of Baroda, in a note. At present, the 10-year yield differential between India and the US stands at 312 bps, he adds.

Prioritise policies with higher maturity for tax exemption

This approach will minimise your tax liability on traditional policies with lower maturity proceeds

BINDISHA SARANG

A new circular issued by the incometax (I-T) department provides greater clarity on the taxability of non-unitlinked (basically, traditional) life insurance policies. Prior to Budget 2023, a payout from any life insurance policy (other than unit-linked insurance plans, or Ulips) was exempt from taxation, provided a few specifications were met.

Says Pallav Pradyumn Narang, part-

ner, CNK: "According to Section

10(10D), amended in the Finance Act of 2023, there is no tax exemption for life insurance policies issued on or after April 1, 2023, if the premium exceeds ₹5 lakh." An additional condition, which has been there for a long time, is that there is no exemption if the premium

Plugging tax leakage

Under the old rules, the maturitv benefits enjoyed tax exemption irrespective of the premium amount. While the

exceeds 10 per cent of the sum

goal was to promote insurance penetration, these policies ended up becoming a tax-avoidance tool for high-networth individuals (HNIs) who bought highvalue policies with hefty premiums. Says Ankit Jain, partner, Ved Jain & Associates: "Affluent individuals were drawn to these plans due to their guaranteed, tax-free maturity benefits coupled with insurance coverage. Observing this, the government introduced these amendments.'

Rules for multiple policies

If the aggregate premium of more than one policy exceeds ₹5 lakh, only the policies with a combined annual premium of up to ₹5 lakh will be exempt. Investors can choose the policies whose proceeds they want exempted. Narang clarifies that Goods and Services Tax (GST)

STRATEGY FOR THOSE HOLDING **MULTIPLE POLICIES**

■ If the aggregate premium of multiple policies exceeds ₹5 lakh, only the policies with annual premium up to ₹5 lakh will be taxexempt (investor can choose the policies she wants exempted)

Suppose that a policyholder has five policies with annual premium of ₹1 lakh (A), ₹1.5 lakh (B),

₹2 lakh (C), ₹3 lakh (D) and ₹4.75 lakh (E)

■ In this case, the investor may choose policy E for exemption (as premium is below ₹5 lakh)

■ However, she should select policies C and D for exemption, as the maturity benefit from them is likely to be higher than from E Source: ARIA

applied on the premiums will not count towards the ₹5 lakh limit.

Suppose that a new policy was purchased, say, on April 1, 2028, after the premium-paying term of an earlier policy had ended. The annual premium of the two policies exceeds ₹5 lakh. Says

Patel, Jigar member. Association of Registered Investment Advisors (Aria): "The earlier policy may not have matured. Nonetheless, the maturity benefit received from both will be exempt. The key is that the annual premium paid on multiple policies should not exceed ₹5 lakh.'

Term policies don't make any payout if the insured survives the policy term. The premium of a term policy will not be counted towards the ₹5 lakh limit.

MONEY

Jain points out that any payout made to the nominee upon the policyholder's death continues to be taxexempt. This is regardless of the nature of the plan.

How will tax be calculated in the case of policies where the payout is not exempt? Says Patel: "The premium paid can be deducted from the maturity benefit. However, indexation benefit is not available." The net amount shall be taxed as income from other sources.

Says Sandeep Bajaj, advocate, Supreme Court of India: "These revisions provide lucid directives for claiming exemptions on eligible life insurance policies.

HNIs to be impacted

The ₹5 lakh threshold is reasonably high, so these changes will mostly affect HNIs.

After April 1, 2023, taxpayers should be mindful while investing in traditional policies for tax-free returns. Says Archit Gupta, chief executive officer, Clear: "Make sure vou do not cross the ₹5 lakh premium threshold." He adds that where the proceeds become taxable, the post-tax returns are likely to be sub-optimal. The pre-tax returns from these plans anyway don't exceed 4-6 per cent. Taxation at slab rate will make their post-tax returns even less attractive.

If you are planning to change your payment frequency, think again. Says Bajaj: "If an individual alters her premium payment frequency within the policy term, such as shifting from annual to semi-annual or quarterly payment, resulting in the premium exceeding ₹5 lakh, the maturity benefits of the policy will become taxable."

Experts have always warned against mixing insurance and investment. Says Patel: "Buy term insurance for protection." For investment, go with products like fixed deposits, mutual funds, etc.

For Ulips, the government had imposed a cap on the premium even earlier. So, ensure that for Ulips purchased on or after February 1, 2021, the aggregate annual premium does not exceed ₹2.5 lakh. Offer the traditional policies with

higher maturity proceeds first for exemption and let the policies with lower maturity proceeds be subject to

बांगलादेश संघात बदल होणार

◆ढाक्का | एशिया कप स्पर्धेला आता काही दिवसांचाच अवधी राहिला आहे. येत्या ३० ऑगस्टपासून १७ सप्टेंबरपर्यंत ही स्पर्धा खेळवली जाणार आहे, परंत् एशिया कप स्पर्धेआधी बांगलादेश संघाला धक्का बसला आहे. संघात अचानक बदल करावा लागला आहे. बांगलादेशचा वेगवान गोलंदाज

इबादत हुसैन दुखापतीमुळे एशिया कप स्पर्धेमुळे संघातून बाहेर झाला आहे. अफगाणिस्ताविरुद्धच्या एकदिवसीय मालिकेत

इबादत हुसैनच्या पायाला गंभीर दुखापत झाली होती. काही दिवसांपूर्वी बांगलादेशचा १७ खेळाडूंचा संघ जाहीर करण्यात आला होता. यात इबादत हुसैनचाही समावेश करण्यात आला होता, पण अद्यापही इबादत दुखापतीतून सावरलेला नाही. त्यामुळे अखेर त्याला संघाबाहेर ठेवण्याचा निर्णय घेण्यात आला आहे. इबादत हुसैन भारतात होणाऱ्या एकदिवसीय सामन्यातूनही बाहेर पडण्याची शक्यता आहे. इबादतच्या जागी २० वर्षांचा वेगवान गोलंदाज तंजीम

हसनला संघात संधी देण्यात आली आह. तजाम हसनन ालस्ट ए सामन्यात ५७ विकेट्स घेतल्या आहेत. श्रीलंकेत झालेल्या एसीसी इमर्जिंग मेन्स एशिया कप स्पर्धेत तंजीमने ३ सामन्यात ९ विकेट्स घेतल्या होत्या. ढाका प्रीमिअर लीगमध्ये तंजीमने तब्बल १७ विकेट घेतल्या होत्या. यंदा एशिया कप स्पर्धेचा आयोजक पाकिस्तान असला. तरी हायब्रिड मॉडेलमुळे श्रीलंकेतही काही सामने खेळवले जाणार आहेत. तसेच भारतासह स्पर्धेतील चार देशांनी संघांची घोषणा केली आहे.
