ICICI Bank-Videocon case: Deepak Kochhar's firm moves HC for release of assets seized by ED

PRESS TRUST OF INDIA New Delhi, August 19

A COMPANY ALLEGEDLY belonging to Deepak Kochhar, husband of former ICICI bank Chanda Kochhar, Wednesday approached the Delhi High Court seeking release of assets seized by the Enforcement Directorate in March last year in a money laundering case.

The company, Pacific Capital Service, sought release of the assets on the ground that the seizure can continue only for a period of one year and even after lapse of the period, no complaint (charge sheet)

Deepak Kochhar

has been filed by the ED in

The ED counsel raised a preliminary objection to the petition on the ground of jurisdiction and submitted that a

similar petition challenging the seizure of assets in another case is already pending in the Bombay High Court. Justice Anup Jairam Bhambhani, after hearing part arguments, listed the matter for hearing on the point of jurisdiction on August 25.

Advocate Vijay Aggarwal, appearing for the company, submitted that as per the provision of Prevention of Money Laundering Act (PMLA), seizure of a property can only continue for a period of 365 days from the confirmation of the seizure by ED.

The plea claimed that the company has no role to play in the case registered by the ED

and it has not been named as an accused.

On January 22, 2019, the CBI had registered an FIR for alleged cheating, criminal conspiracy and under the Prevention of Corruption Act against Chanda Kochhar, her husband Deepak Kochhar, and Videocon Group promoter Venugopal Dhoot and his companies — Videocon International Electronics (VIEL) and Videocon Industries (VIL).

It also named Supreme Energy, a company founded by Dhoot, and Nupower Renewables, a company controlled by Deepak Kochhar, in the FIR.

World Bank may project steeper growth contraction for India

Covid-19 crisis.

THE WORLD BANK on Wednesday indicated that it may further lower its growth projections for India and said critical reforms in key areas such as health, labour, land, skills and finance are needed to come out stronger from the

The World Bank had in May projected that the Indian economy will contract by 3.2% in FY 2020-21 (April 2020 to March 2021) and rebound slowly in the next financial year.

"Further challenges have

emerged in recent weeks which are likely to weigh on the prospects in the near term. following year. These risks include the "The pandemic has

virus continuing to spread; further deterioration in the global outlook; and additional strains projected on the financial sector." term accelerating path, "Keeping these factors in

mind, a steeper contraction may be projected in the revised outlook that will be available in October 2020," it said in its India Development Update released on Wednesday.

The World Bank projected India's fiscal deficit to rise to 6.6% of GDP in FY21 and remain elevated at 5.5% in the

> afflicted India at a time when its economy had already been decelerating," the World Bank said. Defying a long-

real GDP growth moderated from 7.0% in 2017-18 to 6.1% in 2018-19 and 4.2% in 2019-20.

"The pre-Covid-19 growth deceleration was perceived to be due to long-standing structural rigidities in key input markets; continuing balance

sheet stress in the banking and corporate sector, which was compounded more recently by stress in the non-banking seg ment of the financial sector: increased risk aversion among banks and corporates; a decline in rural demand; and a subdued global economy," it said.

While India took several policy actions, including a reduction in the corporate tax rate, regulatory forbearances for small business, reduction in personal income tax rates and business regulatory reforms, the pandemic cut short any hope that these actions would yield the expected payoffs.

UP enacts new law to help set up MSMEs

DEEPA JAINANI Lucknow, August 19

TO FACILITATE THE setting up of more businesses in Uttar Pradesh, especially in the post-Covid times, the state's Cabinet has approved a draft Bill that allows MSMEs to start operations within 72 hours after submitting their application, without having to wait for no objection certificates (NOCs) from various departments.

The Micro Small and Medium Enterprises (Infrastructure and Operation) Bill 2020, which would be tabled in the monsoon session of state legislature for approval, proposes to exempt MSMEs from various approvals and inspections that are required for their establishment and operations in the initial years.

At present, one needs to get clearances from 29 different departments before being allowed to establish an MSME unit in the state.

Interestingly, until now UP did not have its own MSME Act and was working on the basis of the central Act.

Speaking to FE, additional chief secretary, MSME, Navneet Sehgal said henceforth anybody willing to set up a new MSME unit can submit an application on a prescribed

"The new law would help setting up of more MSMEs in the state, which in turn would help create employment opportunities. We have set a

target to create about 15 lakh jobs in the next one year,"

However, MSME units producing products like tobacco, gutka, pan masala, alcohol, carbonated drinks, fire crackers, plastic bags of 40 microns or less and other items that are banned by the government or marked by UP Pollution Control Board in red category will not be covered by the act. Meanwhile, in another related development, MSMEs in UP will get a marketing assistance of up to ₹5 lakh under the new start-up policy.

Addressing a virtual conference on "Role of Information Technology in transforming MSMEs' future during Covid-19" organised by PHD-CCI, additional chief secretary (Electronics and Information Technology) Alok Kumar said the government has notified the new Start-Up Policy 2020, which is aimed at extending support and encouragement to start ups and incubation centres in the state. "Under the new policy, there is a window of up to ₹5 lakh as marketing assistance to MSMEs," he said.
