Notes:  
1. The above is an extract of the detailed format of quarterly and half yearly financial results filed with the Stock Exchanges under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the standalone quarterly and consolidated financial results are available on website of the Stock Exchange(s) www.bseindia.com and www.nseindia.com and also on the Company's website www.subros.com.  
2. There was a fire accident in one of the plants of the Company situated at Manesar on 29th May, 2016. The fire had severely impacted the building, stocks, plant & machinery. These assets were adequately insured with reinstatement clause and a claim was made with the Insurance Company. Special/urgent actions to restart supplies to the customer post fire incident had resulted into additional costs which were included under the head Exceptional Items in the Statement of Profit and Loss in the earlier years. An amount of ₹ 5,067 Lakhs has been assessed, settled and received during the six months ended 30th September, 2019 and accordingly ₹ 4,129 Lakhs, over and above of ₹ 938 Lakhs disclosed as recoverable under the head "Other Financial Assets" as on 31st March, 2019, has been disclosed as an income under the head Exceptional Items for the six months ended 30th September, 2019 and year ended 31st March, 2020.  
3. The Company and its joint venture's operations comprise of only one segment i.e. Thermal products. Hence, no further information is required to be given in respect of segment.  
4. The Company's operations and financial results for the six months ended 30th September, 2020 have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent lockdown announced by the Government of India due to which the operations were suspended for part of the first quarter and gradually resumed with requisite precautions. The results for the six months are, therefore, not comparable with those for the previous six months. The Company has considered the possible effects that may result from COVID-19 in the preparation of these interim financial results for the quarter and six months ended 30th September, 2020. While assessing the carrying value of its assets and liabilities, the Company has considered internal and external information available and based on such information and assessment, have concluded that no further adjustments are required to be made to these results. The impact of the pandemic may differ from that estimated as at the date of approval of these interim financial results. The Company will continue to closely monitor any material changes to future economic conditions.  
5. In financial year 2019-20, the tax laws were amended, providing an option to pay tax at 22% plus applicable surcharge and cess ("New Rate") effective 1st April, 2019, with a condition that the Company will need to surrender specified deductions/incentives. Based on the assessment of future taxable profits, the Company decided to continue with the rate of 30% plus applicable surcharge and cess until the Minimum Alternate Tax (MAT) credit asset balance is utilised and opt for the New Rate thereafter. The Company re-measured its deferred tax liability balances accordingly.  
6. The consolidated financial results include the results of the following entities namely, Thai Subros Limited (Subsidiary) for the period upto 1st August, 2019 (date of liquidation) and Denso Subros Thermal Engineering Centre India Private Limited (Joint Venture).
