- a. This Offer is a mandatory offer in terms of Regulation 3(1) and Regulation 4 of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 ('SEBI (SAST) Regulations, 2011').
- b. In terms of and in accordance with Regulation 23(1) of the SEBI (SAST) Regulations, 2011, if the conditions precedent and other conditions as stated in paragraph 7.3 are not satisfactorily complied with for reasons beyond the control of the Acquirer, the Open Offer would stand withdrawn. The Acquirer reserves the right to withdraw the Offer in accordance with Regulation 23(1)(a) of the SEBI (SAST) Regulations, 2011 in the event the requisite statutory approvals that may be necessary at a later date are refused.
- c. Acquisition of Sale Shares in the Underlying Transaction is subject to the applicable provisions of the SEBI (SAST) Regulations, 2011, and the Share Purchase Agreement (as hereinafter defined). In case the provisions of SEBI (SAST) Regulations, 2011 or the Share Purchase Agreement are not satisfactorily complied with for reasons beyond reasonable control of the Acquirer; and consequently, the Share Purchase Agreement is rescinded, the Acquirer shall not be able to act upon acquisition of Equity Shares under the Offer
- d. The consummation of the Underlying Transaction is subject to various conditions as specified under the Share Purchase Agreement.

2. RISKS RELATING TO THE OFFER

- a. This Offer is subject to the provisions of SEBI (SAST) Regulations, 2011, and in case of non-compliance by the Acquirer with any of the provisions of the SEBI (SAST) Regulations, 2011, the Acquirer shall not act upon the acquisition of equity shares under the Offer.
- b. This Open Offer is an offer to acquire not more than 26% of the Voting Share Capital of the Target Company from the Public Shareholders. In the case of Equity Shares tendered in the Open Offer by the Public Shareholders are more than the Offer Size, acceptance would be determined on a proportionate basis and hence there is no certainty that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted.
- c. As on the date of this DLOF, there are no statutory approvals are required to complete Underlying Transaction and to acquire the Equity shares that are validly tendered pursuant to this Open Offer. However, in case any further statutory or other approval becomes applicable prior to the completion of the Open Offer, this Open Offer would also be subject to such other statutory approvals and the Acquirer shall make the necessary applications for such statutory approvals and this Offer would also be subject to such other statutory approvals. Where any statutory approval extends to some but not all the Public Shareholders, the Acquirer shall have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required to complete this Open Offer. In case of delay in receipt of any statutory approval(s) becoming applicable prior to completion of the Open Offer, SEBI may, if satisfied, that the non-receipt of the requisite statutory approval(s) was not attributable to any wilful default, failure or neglect on the part of the Acquirer to diligently pursue such approval(s), grant an extension of time for the purpose of completion of this Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest by the Acquirer to the Public Shareholders at such rate, as may be prescribed by SEBI from time to time, in accordance with Regulations 18(11) and 18(11A) of the SEBI (SAST) Regulations. Further, if delay occurs on account of wilful default by the Acquirer in obtaining the requisite approvals, Regulation 17(9) of the SEBI (SAST) Regulations will also become applicable and the amount lying in the escrow account shall become liable to forfeiture. Provided where the statutory approvals extend to some but not all Public Shareholders, the Acquirer will have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required in order to complete this Offer.
- d. In the event that: (a) regulatory or statutory approvals required, if any, are not received in time, or

- (b) there is any litigation leading to a stay / injunction on the Offer or that restricts / restrains the Acquirer from performing their obligations hereunder, or (c) SEBI instructing the Acquirer not to proceed with the Offer, then the Offer process may be delayed beyond the schedule of activities indicated in this DLOF. Consequently, the payment of consideration to the Public Shareholders whose Equity Shares are accepted under the Offer as well as the return of Equity Shares that have not been accepted under the Offer by the Acquirer may be delayed.
- e. NRIs, OCBs and other non-resident holders of the Equity Shares, if any, must obtain all approvals required to tender the Equity Shares held by them in this Offer (including without limitation, the approval from the RBI, if applicable) and submit such approvals along with the Form of Acceptance-cum-Acknowledgement and other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer shall reject such Equity Shares tendered in this Offer. Further, if holders of the Equity Shares who are not persons resident in India (including NRIs, OCBs and FPIs) had required any approvals (including from the RBI or any other regulatory body, if applicable) in respect of the Equity Shares held by them, they will be required to submit such previous approvals that they would have obtained for holding the Equity Shares, along with the other documents required to be tendered to accept this Offer. If such previous approvals and/or relevant documents are not submitted, the Acquirer shall reject such Equity Shares tendered in this Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that such Equity Shares are held under general permission, furnish a copy of the relevant notification / circular pursuant to which the Equity Shares are held and clarify whether the Equity Shares are held on repatriable basis or non-repatriable basis.
 - f. The Acquirer makes no assurance with respect to any decision by the shareholders on whether or not to participate in the offer. It is understood that the shareholders will be solely responsible for their decisions regarding their participation in this Offer.
 - g. Equity Shares once tendered in the Open Offer cannot be withdrawn by the Public Shareholders, even in the event of a delay in the acceptance of Equity Shares under the Open Offer and/or the payment of consideration. The tendered Equity Shares and documents will be held in trust for the benefit of the Public Shareholders, who have tendered Equity Shares in the Open Offer, by the Clearing Corporation /Registrar to the Offer until such time the process of acceptance of tenders of Equity Shares under the Open Offer and the payment of consideration is completed. Once tendered, the Public Shareholders will not be able to trade in such Equity Shares. During such period, there may be fluctuations in the market price of the Equity Shares of the Target Company that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Open Offer. The Public Shareholders will be solely responsible for their decisions regarding participation in this Open Offer.
 - h. In the event of over-subscription to the Offer, the acceptance will be on a proportionate basis.
 - i.  - j. The Public Shareholders are advised to consult the stock broker, investment consultants, and legal, financial, tax, or other advisors and consultants of their choosing, for assessing further risks with respect to their participation in the Offer and related transfer of Equity Shares of the Target Company to the Acquirer. The Acquirer or the Manager to the Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this DLOF, and all shareholders should independently consult their respective tax advisors.
 - k. The Acquirer accept full responsibility with respect to any information provided in the PA, DPS or DLOF or LOF pertaining to the Target company.
 - l. None of the Acquirer, the Manager, or the Registrar, accept any responsibility for any loss of documents during transit (including but not limited to the Offer acceptance forms, etc.), and Public Shareholders are advised to adequately safeguard their interest in this regard.

3. RISKS RELATING TO THE ACQUIRER

- a. The Acquirer and Manager to the Offer make no assurance with respect to the continuation of the past trends in the financial performance or the future performance of the Target Company and disclaim any responsibility with respect to any decision by any of the Public Shareholders on whether or not to participate in the Open Offer.
- b. The Acquirer make no assurance with respect to their investment/divestment decisions relating to its proposed shareholding in the Target Company.
- c. The Acquirer and Manager to the Offer do not provide any assurance with respect to the market price of the Equity Shares of the Target Company before, during or upon the completion of this Open Offer and expressly disclaim any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any shareholder on whether to participate or not to participate in the Open Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer.
- d. Upon completion of the Open Offer (assuming full acceptances in the Open Offer) and the proposed transaction, the public shareholding of the Target Company may fall below the minimum level of public shareholding as required to be maintained as per Regulation 38 of the SEBI (LODR) Regulations (as defined below) read with Rule 19A of the SCRR (as defined below). While the Acquirer is required to take necessary steps to facilitate the compliance by the Target Company with the relevant provisions prescribed under the SCRR as per the requirements within the time period stated therein through permitted routes and any other such routes as may be approved by SEBI from time to time, any failure to comply with the conditions of aforesaid regulations could have an adverse effect on the price and tradability of the equity shares of the Target Company.

- 10.1.2 A person who is a resident in terms of Indian Income Tax Act, 1961, ("IT Act") he is liable to pay income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act itself.

2. Withholding Tax implications:

(a) Remittance/Payment of Consideration

(i) Resident shareholders:

In the absence of any provisions under the IT Act casting an obligation on the buyer to deduct tax on income arising in the hands of the resident seller on transfer of any property (other than immovable property), the Acquirer is not required to withhold tax on the consideration payable to Public Shareholders pursuant to tendering of shares under the Open Offer.

(ii) Non-resident shareholders – FIIs

Section 196D of IT Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII from the transfer of securities referred to in Section 115AD of the IT Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs.

(iii) Non-resident shareholders (other than FIIs):

Each non-resident shareholder will confirm its status by selecting the appropriate box in the Form of Acceptance-cum-Acknowledgement.

Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax under the provisions of the IT Act is required to deduct tax at source at applicable rates in force.

However, the Acquirer will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirer to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirer to the non-resident shareholders.

Since the tendering of shares under the Open Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is on the non-resident shareholder given that practically it is not possible to withhold taxes. It is therefore recommended that the non-resident shareholders consult their custodians / authorized dealers / tax advisors appropriately. In the event the Acquirer are held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer should be indemnified.

The non-resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The non-resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

(iv) Remittance/Payment of Interest

a) In case of interest, if any, paid by the Acquirer to resident and non-resident shareholder for delay in receipt of statutory approvals as per Regulation 18 (11) of the SEBI (SAST) Regulations, the Acquirer will deduct TDS at the applicable rates in accordance with the provisions of the IT Act, so long as a Permanent Account number (“PAN”) is submitted by the shareholders. In case the PAN is not submitted or is invalid or does not belong to the shareholder, the applicable withholding tax rate would be the higher of 20% or at the rate in force or at the rate specified in the relevant provisions of the IT Act. The provisions of Section 206AA will not apply if the non-resident shareholder provides to the payer the following documents:

1. name, e-mail id, contact number;

2. address in the country or specified territory outside India of which the shareholder is a resident;
 3. Tax Residency Certificate with details prescribed under rule 37BC or TRC with 10F if the TRC does not contain all such prescribed;

In the absence of the aforesaid documents, taxes would be deducted.

- c) Notwithstanding any of the above, in case of ambiguity, incomplete or conflicting information, or the information not being provided to the Acquirer, the Acquirer will arrange to deduct tax at the maximum marginal rate, as may be applicable to the relevant category to which the shareholder belongs under the IT Act (i.e., 40% in case of foreign company, 30% in case of all other category of persons, plus applicable surcharge and cess) on the interest payable to such shareholder.
- d) In the event, the Acquirer decides to withhold tax, the same shall be on the basis of the documents submitted along with the Form of Acceptance or such additional documents as may be called for by the Acquirer. It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorization of the interest, whether as capital gains or as other income).
