**Change is the only absolute and constant Truth of Life!**

We Sincerely, Honestly and Whole-heartedly thank our Valued and Esteemed Shareholders, for standing by their Company, during its trying period!

Your Company's trauma first began, in the F.Y. 2017 -2018, when a humungous and testing fire tragedy, put us back by exactly Rs. 14.24 Crores, to be precise!

We'd our facility situated/housed at our studio premises, at Kanjurmarg (W), Mumbai – 78, duly insured for Rs. 18 Crores and Rs. 10.86 Crores (approximately) with IFFCO Tokio General Insurance co. Ltd. and the Oriental Insurance Co. Ltd.

In plainer terms, we were adequately and well insured as against the said claim raised. We've factually received an insurance claim/cover of only Rs. 1,53,08,437/- from the IFFCO Tokio General Insurance Co. Ltd., as against our claim of Rs. 8,37,33,125/- after a long and unending process of evaluation, spanning months and months of back and forth evaluation, carried multiple times over!

Similarly, we received a claim of only Rs. 1,83,27,683/- from The Oriental Insurance Co. Ltd., against our claim of Rs. 5,91,87,845/- filed with them!

Resultantly, your Company, by a tryst with Destiny, lost huge sums of money and recovered only some, after years and years of trial and testing of our patience and character, which was its wits end, so to say, in proverbial terms!

We're penning this down, in order that, our Esteemed and Loyal Shareholders comprehend and understand, what their Company and its Management has been through, since the 6<sup>th</sup> of January 2018,

when a humungous and hugely traumatic fire tragedy, devastated assets worth and valued at Rs. 14.24 Crores and reduced them to naught, in a matter of minutes or a little more!

**These are Hard Facts, but True, to the 'T'.**

However, we're grateful to providence, that we finally did receive those sums, **during highly crisis-ridden circumstances**, which helped us sail through!

The important and most pertinent fact of the matter is, we, (your Company) have withstood/will withstand, the loss and rise above it, in the coming Financial Years!

**It may be gradual, but it will happen!**

That is our pledge, to our Esteemed Shareholders!

In the F.Y. 2021 – 2022, your Company wrote off a sum of Rs. 6,93,51,776/- as exceptional items; With regard to the above, we would like to inform our Esteemed Shareholders that post the traumatic fire tragedy that occurred, in very early January 2018, it took your Company quite some time, to get back to normalcy of functioning!

Subsequently, due to the outbreak of Covid – 19, in February 2020, and the ordered-down lockdown, thereon, the functioning of the Company, came to a complete standstill!

Resultantly, the said assets could not be put to use, and over a duration of time, the condition of these assets dilapidated, over the 2 plus years of the pandemic times, coupled with lashing rains, over the calendar years 2020 and 2021, causing huge and irreparable damage, resulting in giving your Company **NO OTHER CHOICE**, but to write off these assets under "Exceptional Items."

Also, in the F.Y.'s 2020- 2021 and 2021 – 2022, remuneration drawn by the Chairman and Managing Director & Vice-Chairman, of M/s. Cinevista Limited, stood as **NIL**, in the F.Y. 2021 – 2022 and at only 60% of the said sanctioned amount, by our respective Shareholders, in the F.Y. 2020 -2021.

This was done, voluntarily by the 2 respective Directors, as a mark of Responsibility and Genuiness and keeping in mind the situation at hand!

We responsibly and voluntarily have adhered to the demands of the hour, though our work and efforts, dedication to the cause at hand, have been relentless, over the last 24 months, gone by!

And, finally, coming down to the future;

1. We shall be **Hopefully**, partnering somebody noteworthy and getting into the business of development and construction!
2. We will again, as stated before, be looking as venturing into the Hospitality business, with a noteworthy partner; &
3. Though Creation, Creativity and Television, will remain our first love, our dependence on streams of income, from the television business, will come down to less than 20% over a period of time. We are/will be however, seeking work on the new O.T.T. channels, which are/provide a source of Creative fulfillment/Encouragement/Satisfaction and are Financially Vibrant and Enthralling! We will soon commence work, in the very near future!

We thank our Esteemed Shareholders once again, for standing by their Company, over the last couple of turbulent and rough F.Y.'s!

We look forward, to Better and Brilliant times in the eventful future ahead!

We also seek our Esteemed Shareholders support and Blessings, as we embark on our New Ventures!

**D. Share Transfer System:**

As per Regulation 40 of the Listing Regulations, as amended, securities of listed entities can be transferred only in dematerialised form, w.e.f. 1st April 2019, except in case of request received for transmission or transposition of securities. Since there are several benefits arising from dematerialization, we sincerely urge all the shareholders who are still holding their shares in physical form to dematerialize the shares at the earliest.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF CINEVISTA LIMITED

#### Report on the audit of the Standalone Financial Statements:

##### Opinion:

We have audited the accompanying Standalone Financial Statements of **Cinevista Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive income) the Statement of Changes in Equity and the statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

#### Management's Responsibility for the Standalone Financial Statements:

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the statement of affairs, profit/loss(including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities selection and application of appropriate accounting policies making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal Financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, Management and Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit, we also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal Financial controls with reference to Financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Basis for Qualified Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's

Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Post major fire which had occurred in January, 2018 at the studio premises at Plot No.1, Gandhi Nagar, L. B. S. Marg, Kanjurmarg West, Mumbai – 400078 resulting in impairment and destruction of fixed assets which were utilized for production of television serials/internet programs and films which severely affected the operations of the Company and were further affected by outbreak of COVID-19 and subsequent lock down declared by Government of India in F.Y 2020-21 and 2021-22 resulting into heavy losses in the said years.

We are informed that the Company is in process of identifying alternate business plans which in the opinion of the Management will enable the company to have turnaround and to have profitability. The company is also in process of identifying strategic business partners and alternative business plans to improve the performance of the company. The company's ability to generate positive cash flows depends on the successful implementation of such alternative business plans.

The above factors cast a significant uncertainty on the company's ability to continue as going concern. Pending resolution of the above uncertainties the company has prepared aforesaid statement on a going concern business.

The Company has not provided depreciation on building since FY 2007-2008. We were informed by the Company that it was a management decision not to provide depreciation on building, which constitutes departure from Ind AS 16 on Property, Plant & Equipment. We were unable to quantify exact amount of depreciation due to lack of appropriate documents.

The Companies investment in subsidiary companies i.e. Cinevista Eagle Plus Media Private Limited, Chimera Entertainment Private Limited & associate company i.e. Heritage Productions Private Limited whose net worth has been substantially eroded is carried at cost i.e. Rs.54,83,650/-, Rs.4,99,900/- & Rs.2,51,000/- respectively in the Balance sheet as at 31<sup>st</sup> March, 2022. The Company has also advanced short term funds to the above said companies which are carried at Rs.1,36,73,751.75, Rs.1,65,13,981/- & Rs.73,73,948/- respectively in the Balance sheet. On the basis of documents made available to us we are of the opinion that impairment should be carried out at 100% on such investments and 50% on advances made to the said companies, the loss of the current year is understated to that extent. However according to the management of the Company the said investments and advances are fully recoverable. Had impairment on the said investments and advances been carried out then loss of the current year would have increased by Rs.62,34,550/- and Rs.1,87,80,840/- respectively. Hence, loss of the current year is understated to that extent.

The Companies inventories are carried in the balance sheet at Rs.64,47,38,703/-. The management has stated the inventory at cost instead of stating the inventory at lower of cost or net realizable value, which constitutes departure from Ind AS 2 on Inventories. The said inventory is in the form of intangible assets. Since we are not technically qualified to value such intangible assets and in absence of any documents for realizable value of such inventories, we are unable to determine whether any adjustment to inventory was necessary.

### **Qualified Opinion**

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraphed above, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its total comprehensive income (comprising of profit and other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Emphasis of Matter:**

As more specifically explained in Note No.4 to the standalone financial statements, the company has made detailed assessment of its business plans and liquidity position for next few years and recoverability and carrying value of its Assets comprising property, plant & equipment, investments, inventories and trade receivables. Based on current indicators for future economic condition, the company expects to recover the carrying amount of these assets. The company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

Our opinion is not modified in respect of this matter.

### **Other Information:**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT**

(Referred to in paragraph 2(f) under 'Report on other Legal and Regulatory Requirements' section of our Report of even date)

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

#### **Opinion:**

We have audited the internal financial controls over financial reporting of **Cinevista Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal Financial control system with reference to Financial statements and such internal Financial controls were operating effectively as at March 31, 2022, based on the internal Financial controls with reference to Financial statements criteria established by the Company considering the essential components of internal controls stated in the guidance note on Audit on Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance note").

#### **Management's Responsibility for Internal Financial Controls:**

The Company's Management and Board of Directors are responsible for establishing and maintaining internal Financial controls with reference to Standalone Financial statement based on criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal Financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable Financial information, as required under the Companies Act, 2013(hereinafter referred to as "the Act")

#### **Auditors' Responsibility:**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to the financial statements. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the

assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system with reference to financial statements.

**Meaning of Internal Financial Controls with reference to financial statements:**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal Financial control with reference to Financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the Financial statements.

**Inherent Limitations of Internal Financial Controls with reference to financial statements:**

Because of the inherent limitations of Internal Financial Controls with reference to financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to financial statements to future periods are subject to the risk that the Internal Financial Controls with reference to financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Note 2:**

**Basis of Preparation, Measurement and Significant Accounting Policies:**

**(a) Basis of preparation of Financial Statements:**

- (1) These financial statements have been prepared and comply in all material aspects with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and companies (Indian Accounting Standards) Amended Rules, 2016.

All assets and liabilities have been classified as current and non-current as per the company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013.

Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/non-current classification of assets and liabilities.

- (2) **Historical Cost Convention:**

The Financial Statements have been prepared on an accrual basis under historical cost convention or amortised cost.

**(b) Use of Estimates and Judgement:**

The preparation of financial statement requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors including expectations of future events that are believed to be reasonable. Revisions of accounting estimates are recognized prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the relevant notes.

**(c) Foreign Currency Transaction:****(1) Functional and Presentation Currency:**

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). These financial statements are presented in Indian Rupee (INR), which is company's functional and presentation currency.

**(2) Transactions and Balances:**

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

**(d) Revenue Recognition:**

The Company derives revenue from producing television programs, Internet series, sale or licensing movie rights, delivering events to its customers and service fee for content development. The Company identifies and evaluates each performance obligation under the contract. Revenue recognition is based on the delivery of performance obligations and an assessment of when control is transferred to the customer. Revenue is recognized either when the performance obligation in the contract has been performed ('point in time' recognition) or 'over time' as control of the performance obligation is transferred to the customer.

Revenue generated from the commissioned television programs and Internet series produced for broadcasters is recognized over the period of time (i.e. over the contract period).

Revenue from sale and licensing of movies – The Company evaluates if a license represents a right to access the content (revenue recognized over time) or represents a right to use the content (revenue recognized at a point in time). The Company has determined that most license revenues are satisfied at a point in time due to their being limited ongoing involvement in the use of the license following its transfer to the customer.

Revenue from events is recognised over the period of time.

Service Income for curation of digital content is recognised at a point in time.

The transaction price, being the amount to which the Company expects to be entitled and has rights to under the contract is allocated to the identified performance obligations. The transaction price will also include an estimate of any variable consideration where the Company's performance may result in additional revenues based on the achievement of agreed targets.

Revenue excludes any taxes and duties collected on behalf of the government.

**(e) Interest and Dividend Income Recognition:**

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

**(f) Income Taxes:**

The income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the country where the Company generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred tax liability is settled.

Deferred Tax assets are recognised for all deductible temporary differences, unused tax losses and carry forward tax credits only if it is probable that future taxable amounts will be available to utilise those temporary differences, tax losses and tax credits.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**(g) Statement of Cash Flows:**

Cash flows are reported using the indirect method, whereby net profit/(loss) for the year is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash in hand, cash at banks, other short term deposits and highly liquid investments with original maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

The above statement of cash flows has been prepared under the 'indirect method' as set out in Ind AS 7 statement of cash flows.

**(h) Cash & Cash Equivalents:**

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of Cash Flow Statement, Cash and cash equivalents are considered net of outstanding overdrafts, if any, as they are considered an integral part of Company's cash management.

**(i) Inventories:**

Company does not have physical inventory (i.e. goods).

Inventories as disclosed in financial statements comprise of television serials/internet programmes and films and are stated at the cost. Cost is determined on the basis of actual / amortised cost.

Unamortised cost of television serials/internet programmes and films: The cost of television serials/internet programmes and films is amortised in the ratio of current revenue to expected total revenue. At the end of each accounting period, balance unamortised cost is compared with net expected revenue. If net expected revenue is less than unamortised cost, the same is written down to net expected revenue.

**(j) Trade receivables:**

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost less provision for impairment.

**(k) Financial Instruments:****(i) Financial Assets.**

Classification:

The Company classifies its financial assets in the following measurement categories:

- (a) Those to be measured subsequently at fair value (either through other comprehensive income or through profit or loss)
- (b) Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or Other Comprehensive Income and

- (c) There are no transactions in respect of classification of financial assets to be Measured at Fair Value through Other Comprehensive Income (FVOCI) and measured at Fair Value Through Profit or Loss (FVTPL).

**Measurements:**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

### **Investments in Subsidiaries and Associates:**

The Company accounts for its equity investments in subsidiaries and associates at cost. On disposal of investments in subsidiaries and associates, the difference between net disposal proceeds and the carrying amounts are recognized in the retained earnings under the head "Other Equity Reserves & Surplus".

The Company accounts for its investments other than equity in subsidiaries, and associates at fair value through profit or loss.

### **Impairment of Financial Assets:**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 financial instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

### **De-recognition of Financial Assets:**

A financial asset is de-recognized only when –

- The Company has transferred the right to receive cash flows from the financial asset or
- Obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

### (ii) **Financial Liabilities:**

Classification as debt or equity:

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

### **Initial recognition and measurement:**

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.

### **Subsequent measurement:**

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

### **Derecognition:**

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

**(l) Offsetting Financial Instruments:**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

**(m) Property, Plant and Equipment:**

All property, plant and equipments are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the asset. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance expenses are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

**Depreciation methods, estimated useful lives and residual value:**

Depreciation is calculated using the written down value method to allocate the cost of the asset, net of their residual values, if any, over their estimated useful lives which are in accordance with the useful lives prescribed under Schedule II to the Companies Act, 2013 except for land and building situated at Kanjurmarg, Mumbai. Gains or losses arising from the retirement or disposal of a tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

**(n) Impairment of assets:**

Non-Financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized immediately in the Statement of Profit or Loss.

**(o) Provisions and Contingent Liabilities:**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are not recognized for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that

arises from past events where it is either not probable that an outflow or resources will be required to settle or a reliable estimate of the amount cannot be made. Where the likelihood of outflow of resources is remote, no provision or disclosure as specified in Ind AS-37 "Provision, contingent liabilities and contingent assets" is made.

**(p) Employee Benefits:**

**i) Short-term obligations:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services upto the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled.

**ii) Post-employment obligations:**

There are no post-employment benefit plans such as gratuity and defined contribution plans such as provident fund.

**(q) Earnings Per Share:**

**(1) Basic earnings per share:**

**Basic earnings per share is calculated by dividing-**

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year

**(2) Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilute potential equity shares.

**(r) Rounding of Amounts:**

All amounts disclosed in the notes to accounts have been rounded off to rupees in lacs as per the requirement of Schedule III of the Act, unless otherwise stated.

**(s) Segment Reporting:**

Operating segments are reported in a manner consistent with the reporting provided to the chief operating decision maker. The chief operating decision maker of the Company consists of the Chairman and whole time Director, Vice Chairman and Managing Director, which assesses the final performance and position of the Company and makes strategic decisions. There is only one primary reportable segment, the disclosure requirements of Ind AS 108 – operating segment reporting is not provided.

- The after income tax effect of interest and other financial costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(t) Financial Risk Management:  
Risk Management Framework**

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the management is responsible for overseeing the Company's risk assessment and management policies and processes.

**1. Credit Risk**

Credit risk arises when a counter party defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company deals with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Company uses publicly available financial information and its own trading records to rate its major clients. The Company's exposure and credit ratings of its counterparties are regularly monitored and the aggregate value of transactions concluded is spread amongst counterparties.

**Credit Risk Management:  
Trade Receivables:**

Trade receivables are typically unsecured and are derived from revenue earned from clients, credit risk has been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of clients to which the Company grants credit terms in the normal course of business. Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

## 3. Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Currency risk, Interest rate risk and other price risk such as equity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

**(a) Foreign currency risk exposure:**

The company does not have any exposure to foreign currency risk as at March 31, 2022. (Previous year Rs. Nil).

**(b) Interest rate risk:**

The company has borrowing from banks and thus exposed to interest rate risk.

**(c) Price risk:**

The company does not have any other investments other than investment in subsidiary companies, associate companies and investment in equity of listed companies and are classified in the Balance Sheet at cost. Further investments in subsidiaries and associated companies are held for strategic purpose and are not trading in nature.

**4. Capital Market:**

The Company considers the following components of its Balance Sheet to be managed capital: Total equity as shown in the balance sheet including reserves, retained earnings, and share capital.

**(u) Borrowing Costs:**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**Note 3:****Critical Estimates and Judgments:**

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involve a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumption turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

**The areas involving critical estimates or judgments are:****Estimated useful life of Tangible Assets:**

The Company reviews the useful lives and carrying amount of property, plant and equipment at the end of each reporting period. The reassessment may result in change in depreciation and amortization expense in future periods.

**Estimation of Current Tax Expense and Income Tax Payable/Receivable:**

The calculation of Company's tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material judgment to taxable profit/losses.

**Estimation of Contingent Liabilities:**

The company exercises judgment in measuring and recognizing provisions and the exposures to contingent liabilities which is related to pending litigation or other outstanding claims. Judgment's necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision or contingent liability.

**Recognition of Deferred Tax Assets:**

The recognition of deferred tax assets is based upon whether it is probable that sufficient taxable profits will be available in the future against which the reversal of temporary differences will be offset. To determine the future taxable profits, the management considers the nature of the deferred tax assets, recent operating results, future market growth, forecasted earnings and future taxable income in the jurisdictions in which the company operates.

**Impairment of Trade Receivables:**

Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The company uses a provision matrix and forward-looking information and an assessment of the credit risk over the expected life of the financial asset to compute the expected credit loss allowance for trade receivables.

**Use of estimates and judgment:**

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors including expectations of future events that are believed to be revisions of all accounting estimates are recognized prospectively.

**Note 4:**

Marg, Kanjurmarg West, Mumbai – 400078 resulting in impairment and destruction of fixed assets which were utilized for production of television serials/internet programmes and films which severely affected the operations of the Company and were further affected by outbreak of COVID-19 and subsequent lock down declared by Government of India in F.Y 2020-21 and 2021-22 resulting into heavy losses in the said years.

The company is also in the process of identifying strategic business partners and alternative business plans to improve the performance of the company. The company's ability to generate positive cash flows depends on the successful implementation of such alternative business plans.

The Company has taken into account all the possible impact of COVID-19 in preparation of standalone financial statements including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets impact of revenue recognition owing to changes in cost budgets. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of standalone financial statements and believes that impact of COVID-19 is not material to standalone financial statement and expects to recover carrying amount of its assets. The impact of COVID-19 on the standalone financial statement may defer from that estimated as on the date of approval of standalone financial statements owing to the nature and duration of COVID-19 impact.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF CINEVISTA LIMITED

#### Report on the Audit of the Abridged Consolidated Financial Statements:

##### Opinion:

We have audited the accompanying consolidated financial statements of **Cinevista Limited** (hereinafter referred to as "the Holding Company"), and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") which comprise the consolidated Balance Sheet as at March 31, 2022, and the consolidated Statement of Profit and Loss (including Other Comprehensive income), consolidated Statement of Changes in Equity and consolidated statement of cash Flows for the year ended on that date, and a summary of consolidated significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated financial statements").

##### Management's Responsibility for the Consolidated Financial Statements:

The Holding Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial Statements that give a true and fair view of the consolidated statement of affairs, consolidated profit/loss (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the each Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal Financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies included in the Group are responsible for assessing the each company's ability to continue as a going concern, disclosing as applicable matters related to going concern and using the going concern basis of accounting unless respective Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors included in the Group are also responsible for overseeing financial reporting process of each Company.

##### Auditors' Responsibilities for the Audit of the consolidated financial statements:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit, we also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal Financial controls with reference to Financial consolidated Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express opinion on the consolidated financial statements. We are responsible for direction, supervision and performance of audit of financial information of such entities included in the consolidated financial statements. We remain solely responsible for our audit opinion. .

We communicate with those charged with governance of the Holding Company and such other companies included in consolidated financial statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Basis for Qualified Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Post major fire which had occurred in January, 2018 at the studio premises at Plot No.1, Gandhi Nagar, L. B. S. Marg, Kanjurmarg West, Mumbai – 400078 of holding company resulting in impairment and destruction of fixed assets which were utilized for production of television serials/internet programmes and films which severely affected the operations of the Group and were further affected by outbreak of COVID-19 and subsequent lock down declared by Government of India in F.Y 2020-21 and 2021-22 resulting into heavy losses in the said years.

We are informed that the Group is in process of identifying alternate business plans which in the opinion of the Management will enable the Group to have turnaround and to have profitability. The Group is also in process of identifying strategic business partners and alternative business plans to improve the performance of the Group. The Group's ability to generate positive cash flows depends on the successful implementation of such alternative business plans.

The above factors cast a significant uncertainty on the Group's ability to continue as going concern. Pending resolution of the above uncertainties the Group has prepared aforesaid statement on a going concern business.

The Holding Company has not provided depreciation on building since FY 2007-2008. We were informed by the Holding Company that it was a management decision not to provide depreciation on building, which constitutes departure from Ind AS 16 on Property, Plant & Equipment. We were unable to quantify exact amount of depreciation due to lack of appropriate documents.

The Holding Company's investment in subsidiary companies i.e. Cinevista Eagle Plus Media Private Limited, Chimera Entertainment Private Limited & associate company i.e. Heritage Productions Private Limited whose net worth has been substantially eroded is carried at cost i.e. Rs.54,83,650/-, Rs.4,99,900/- & Rs.2,51,000/- respectively in the Balance sheet as at 31<sup>st</sup> March, 2022. The Holding Company has also advanced short term funds to the above said companies which are carried at Rs.1,36,73,751.75, Rs.1,65,13,981/- & Rs.73,73,948.87 respectively in the Balance sheet. On the basis of documents made available to us we are of the opinion that impairment should be carried out at 100% on such investments and 50% on advances made to the said companies, the loss of the current year is understated to that extent. However according to the management of the Holding Company the said investments and advances are fully recoverable. The impairment on the said investment and advances will however have no impact on the loss of the consolidated financial statement.

The Holding Company's inventories are carried in the balance sheet at Rs.64,47,38,703/-. The management has stated the inventory at cost instead of stating the inventory at lower of cost or net realizable value, which constitutes departure from Ind AS 2 on Inventories. The said inventory is in the form of intangible assets. Since we are not technically qualified to value such intangible assets and in absence of any documents for realizable value of such inventories, we are unable to determine whether any adjustment to inventory was necessary in the consolidated financial statements.

### Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraphed above, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Holding Company and its subsidiary companies as at March 31, 2022, and its total comprehensive income (comprising of profit and other comprehensive income), the consolidated statement of changes in equity and its consolidated statement of cash flows for the year ended on that date.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Emphasis of Matter:

As more specifically explained in Note No. 6 to the Consolidated Financial Statements, the Group has made detailed assessment of its business plans and liquidity position for next few years and recoverability and carrying value of its Assets comprising property, plant & equipment, investments, inventories and trade receivables. Based on current indicators for future economic condition, the Group expects to recover the carrying amount of these assets. The Group will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

Our opinion is not modified in respect of this matter.

### Other Information:

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include Financial Statements and our auditor's report thereon. The Holding Company's annual report is expected to be made available to us after the date of this Audit Report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

**Opinion:**

In conjunction with our audit of the consolidated financial statements of **Cinevista Limited** (hereinafter referred to as "the Holding Company") as of March 31, 2022 we have audited the internal financial controls with reference to the Consolidated Financial Statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies as of that date.

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary companies, have in all material respects, an adequate internal Financial control system with reference to consolidated financial statements and such internal Financial controls were operating effectively as at March 31, 2022, based on the internal Financial controls with reference to consolidated Financial Statements criteria established by the such Companies considering the essential components of internal controls stated in the guidance note on Audit on Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance note").

**Management's Responsibility for Internal Financial Controls:**

The Holding Company's Management and Board of Directors are responsible for establishing and maintaining internal Financial controls with reference to Standalone Financial statement based on criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal Financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable Financial information, as required under the Companies Act, 2013(hereinafter referred to as "the Act")

**Auditors' Responsibility:**

Our responsibility is to express an opinion on the Company's internal Financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to the consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to financial consolidated Statements

included obtaining an understanding of internal financial controls with reference to consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system with reference to consolidated financial Statements.

**Meaning of Internal Financial Controls with reference to Consolidated Financial Statements:**

A company's internal financial control with reference to consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal Financial control with reference to consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the consolidated Financial Statements.

**Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements:**

Because of the inherent limitations of Internal Financial Controls with reference to consolidated Financial Statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to consolidated Financial Statements to future periods are subject to the risk that the Internal Financial Controls with reference to consolidated financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Note 3:**

#### **Statement of compliance:**

These abridged consolidated financial statements have been prepared on the basis of complete set of consolidated financial statements for the year ended 31st March, 2022, in accordance to the proviso to sub-section 1 of Section 136 of the Companies Act, 2013 (“Act”) read with the requirements of Rule 10 of the companies (Accounts), Rules, 2014.

### **Note 4:**

#### **Basis of Preparation, Measurement and Significant Accounting Policies:**

##### **(a) Basis of preparation of Consolidated financial statements:**

- (1) These consolidated financial statements have been prepared and comply in all material aspects with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and companies (Indian Accounting Standards) Amended Rules, 2016. All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013.

Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as twelve months for the purpose of current/non-current classification of assets and liabilities.

##### **(2) Historical Cost Convention:**

The Consolidated financial statements have been prepared on an accrual basis under historical cost convention or amortised cost.

**(b) Principle of consolidation:****(i) Subsidiaries:**

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-Group transactions, balances and unrealized gain on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group. Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

**(ii) Associates:**

Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting (see (iii) below), after initially being recognized at cost.

**(iii) Equity Method:**

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates are recognized as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity accounted investment equals or exceeds its interests in the entity, including any other unsecured long-term receivables, the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealized gains on transactions between the Group and its associates are eliminated to the extent of the Group's interest in these entities. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been change where necessary to ensure consistency with the policies adopted by the Group.

**(c) Use of Estimates and Judgement:**

The preparation of consolidated financial statement requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors including expectations of future events that are believed to be reasonable. Revisions of accounting estimates are recognized prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the relevant notes.

**(d) Foreign Currency Transaction:**

**(1) Functional and Presentation Currency:**

Items included in the consolidated financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). These consolidated financial statements are presented in Indian Rupee (INR), which is Group's functional and presentation currency.

**(2) Transactions and Balances:**

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

**(e) Revenue Recognition:**

The Group derives revenue from producing television programs, Internet series, sale or licensing movie rights, delivering events to its customers and service fee for content development. The Group identifies and evaluates each performance obligation under the contract. Revenue recognition is based on the delivery of performance obligations and an assessment of when control is transferred to the customer. Revenue is recognized either when the performance obligation in the contract has been performed ('point in time' recognition) or 'over time' as control of the performance obligation is transferred to the customer.

Revenue generated from the commissioned television programs and Internet series produced for broadcasters is recognized over the period of time (i.e. over the contract period).

Revenue from sale and licensing of movies – The Group evaluates if a license represents a right to access the content (revenue recognized over time) or represents a right to use the content (revenue recognized at a point in time). The Group has determined that most license revenues are satisfied at a point in time due to their being limited ongoing involvement in the use of the license following its transfer to the customer.

Revenue from events is recognised over the period of time.

Service Income for curation of digital content is recognised at a point in time.

The transaction price, being the amount to which the Group expects to be entitled and has rights to under the contract is allocated to the identified performance obligations. The transaction price will also include an estimate of any variable consideration where the Group's performance may result in additional revenues based on the achievement of agreed targets.

Revenue excludes any taxes and duties collected on behalf of the government.

**(f) Interest and Dividend Income Recognition:**

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is

accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group and the amount of the dividend can be measured reliably.

**(g) Income Taxes:**

The income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the country where the Group generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred tax liability is settled.

Deferred Tax assets are recognised for all deductible temporary differences, unused tax losses and carry forward tax credits only if it is probable that future taxable amounts will be available to utilise those temporary differences, tax losses and tax credits.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**(h) Statement of Cash Flows:**

Cash flows are reported using the indirect method, whereby net profit/(loss) for the year is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash in hand, cash at banks, other short term deposits and highly liquid investments with original

maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

The above statement of cash flows has been prepared under the 'indirect method' as set out in Ind AS 7 statement of cash flows.

**(i) Cash & Cash Equivalents:**

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of Cash Flow Statement, Cash and cash equivalents are considered net of outstanding overdrafts, if any, as they are considered an integral part of Group's cash management.

**(j) Inventories:**

The Group does not have physical inventory (i.e. goods).

Inventories as disclosed in consolidated financial statements comprise of television serials/internet programmes and films and are stated at the cost. Cost is determined on the basis of actual / amortised cost.

Unamortised cost of television serials/internet programmes and films: The cost of television serials/ internet programmes and films is amortised in the ratio of current revenue to expected total revenue. At the end of each accounting period, balance unamortised cost is compared with net expected revenue. If net expected revenue is less than unamortised cost, the same is written down to net expected revenue.

**(k) Trade receivables:**

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost less provision for impairment.

**(l) Financial Instruments:**

**(i) Financial Assets.  
Classification:**

The Group classifies its financial assets in the following measurement categories:

- (a) Those to be measured subsequently at fair value (either through other comprehensive income or through profit or loss)
- (b) Those measured at amortised cost.  
The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.  
For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or Other Comprehensive Income and

- (c) There are no transactions in respect of classification of financial assets to be Measured at Fair Value through Other Comprehensive Income (FVOCI) and measured at Fair Value Through Profit or Loss (FVTPL).

**Measurements:**

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

**Investments in Subsidiaries and Associates:**

The Group accounts for its equity investments in subsidiaries and associates at cost. On disposal of investments in subsidiaries and associates, the difference between net disposal proceeds and the carrying amounts are recognized in the retained earnings under the head "Other Equity Reserves & Surplus".

The Group accounts for its investments other than equity in subsidiaries, and associates at cost.

**Impairment of Financial Assets:**

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by Ind AS 109 financial instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

**De-recognition of Financial Assets:**

A financial asset is de-recognized only when –

- The Group has transferred the right to receive cash flows from the financial asset or
- Obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

**(ii) Financial Liabilities:**

**Classification as debt or equity:**

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**Initial recognition and measurement:**

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.

**Subsequent measurement:**

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

**Derecognition:**

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

**(m) Offsetting Financial Instruments:**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

**(n) Property, Plant and Equipment:**

All property, plant and equipments are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the asset. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance expenses are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value:

Depreciation is calculated using the written down value method to allocate the cost of the asset, net of their residual values, if any, over their estimated useful lives which are in accordance with the useful lives prescribed under Schedule II to the Companies Act, 2013 except for land and building situated at Kanjurmarg Mumbai. Gains or losses arising from the retirement or disposal of a tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

**(o) Impairment of assets:**

Non-Financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other

assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized immediately in the Statement of Profit or Loss.

**(p) Provisions and Contingent Liabilities:**

Provisions are recognized when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are not recognized for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow or resources will be required to settle or a reliable estimate of the amount cannot be made. Where the likelihood of outflow of resources is remote, no provision or disclosure as specified in Ind AS-37 "Provision, contingent liabilities and contingent assets" is made.

**(q) Employee Benefits:**

**i) Short-term obligations:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services upto the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled.

**ii) Post-employment obligations:**

There are no post-employment benefit plans such as gratuity and defined contribution plans such as provident fund

**(r) Earnings Per Share:**

**(1) Basic earnings per share:**

**Basic earnings per share is calculated by dividing-**

- The profit attributable to owners of the Group
- By the weighted average number of equity shares outstanding during the financial year

**(2) Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilute potential equity shares.

### (s) Rounding of Amounts:

All amounts disclosed in the notes to accounts have been rounded off to rupees in lacs as per the requirement of Schedule III of the Act, unless otherwise stated.

### (t) Segment Reporting:

Operating segments are reported in a manner consistent with the reporting provided to the chief operating decision maker. The chief operating decision maker of the Group consists of the Chairman and whole time Director, Vice Chairman and Managing Director, which assesses the final performance and position of the Group and makes strategic decisions. There is only one primary reportable segment, the disclosure requirements of Ind AS 108 – operating segment reporting is not provided.

- The after income tax effect of interest and other financial costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

### (u) Financial Risk Management:

#### **Risk Management Framework**

The Group's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Group's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Group's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Group, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Group's activities. The Board of Directors and the management is responsible for overseeing the Group's risk assessment and management policies and processes.

#### **1. Credit Risk**

Credit risk arises when a counter party defaults on its contractual obligations to pay resulting in financial loss to the Group. The Group deals with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Group uses publicly available financial information and its own trading records to rate its major clients. The Group's exposure and credit ratings of its counterparties are regularly monitored and the aggregate value of transactions concluded is spread amongst counterparties.

#### **Credit Risk Management:**

##### **Trade Receivables:**

Trade receivables are typically unsecured and are derived from revenue earned from clients, credit risk has been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of clients to which the Group grants credit terms in the normal course of business. Exposures to customers outstanding at the end of each reporting period are reviewed by the Group to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Group

have not undergone any substantial change, the Group expects the historical trend of minimal credit losses to continue.

The tables below summarize the gross carrying amount of the financial assets and provisions made:

## 2. Liquidity Risk:

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they become due. The responsibility for liquidity risk management rests with the Board of Directors, which has an appropriate liquidity risk management framework for the management of the Group's short, medium and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities by regularly monitoring forecast and actual cash flows.

**3. Market Risk:**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Currency risk, Interest rate risk and other price risk such as equity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

**(a) Foreign currency risk exposure:**

The Group does not have any exposure to foreign currency risk as at March 31, 2022. (Previous year Rs. Nil).

**(b) Interest rate risk:**

The Group has borrowing from banks and thus exposed to interest rate risk.

**(c) Price risk:**

The Group does not have any other investments other than investment in subsidiary companies, associate companies and investment in equity of listed companies and are classified in the Balance Sheet at cost. Further investments in subsidiaries and associated companies are held for strategic purpose and are not trading in nature.

**4. Capital Market:**

The Group considers the following components of its Balance Sheet to be managed capital: Total equity as shown in the balance sheet including reserves, retained earnings, and share capital.

The Group's aim is to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimize returns to our shareholders.

The Group's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Group will take appropriate steps in order to maintain, or if necessary adjust its capital structure.

**(v) Borrowing Costs:**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with

the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**Note 5:**

**Critical Estimates and Judgments:**

The preparation of consolidated financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involve a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumption turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

**The areas involving critical estimates or judgments are:**

**Estimated useful life of Tangible Assets:**

The Group reviews the useful lives and carrying amount of property, plant and equipment at the end of each reporting period. The reassessment may result in change in depreciation and amortization expense in future periods.

**Estimation of Current Tax Expense and Income Tax Payable/Receivable:**

The calculation of Group's tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material judgment to taxable profit/losses.

**Estimation of Contingent Liabilities:**

The Group exercises judgment in measuring and recognizing provisions and the exposures to contingent liabilities which is related to pending litigation or other outstanding claims. Judgment's necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision or contingent liability.

**Recognition of Deferred Tax Assets:**

The recognition of deferred tax assets is based upon whether it is probable that sufficient taxable profits will be available in the future against which the reversal of temporary differences will be offset. To determine the future taxable profits, the management considers the nature of the deferred tax assets, recent operating results, future market growth, forecasted earnings and future taxable income in the jurisdictions in which the Group operates.

**Impairment of Trade Receivables:**

Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the

normal course of business. On account of adoption of Ind AS 109, the Group uses expected credit loss model to assess the impairment loss or gain. The Group uses a provision matrix and forward-looking information and an assessment of the credit risk over the expected life of the financial asset to compute the expected credit loss allowance for trade receivables.

**Use of estimates and judgment:**

The preparation of consolidated financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors including expectations of future events that are believed to be revisions of all accounting estimates are recognized prospectively.

**Note 6:**

**Impact of COVID-19 (pandemic)**

Post major fire which had occurred in January, 2018 at the studio premises at Plot No.1, Gandhi Nagar, L. B. S. Marg, Kanjurmarg West, Mumbai – 400078 of Holding Company, resulting in impairment and destruction of fixed assets which were utilized for production of television serials/internet programmes and films which severely affected the operations of the Group and were further affected by outbreak of COVID-19 and subsequent lock down declared by Government of India in F.Y 2020-21 and 2021-22 resulting into heavy losses in the said years.

The Group is in process of identifying alternate business plans which in the opinion of the Management will enable the Group to have turnaround and to have profitability. The Group is also in the process of identifying strategic business partners and alternative business plans to improve the performance of the Group. The Group's ability to generate positive cash flows depends on the successful implementation of such alternative business plans.

The Group has taken into account all the possible impact of COVID-19 in preparation of consolidated financial statements including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets impact of revenue recognition owing to changes in cost budgets. The Group has carried out this assessment based on available internal and external sources of information upto the date of approval of consolidated financial statements and believes that impact of COVID-19 is not material to consolidated financial statement and expects to recover carrying amount of its assets. The impact of COVID-19 on the consolidated financial statement may defer from that estimated as on the date of approval of consolidated financial statements owing to the nature and duration of COVID-19 impact.
