About KDIL Limited:

KDIL is a fast-growing pharmaceutical company committed to improving the lives of millions of people through its patient and market-centric innovation approach. Driven by over three decades of industry experience, deep market knowledge and a strong

manufacturing set-up, we are emerging as a leading exporter of branded pharmaceutical products to Africa. We also undertake contract manufacturing for some of the largest pharmaceutical companies based in India.

We are getting bigger, stronger and broader with our penetration into African markets, enhancement of product portfolio across the lifecycle of patient recovery, strong product branding and recent investments in an upcoming and one-of-a-kind manufacturing plant in the second-most populous country of Africa – Ethiopia. In all our actions, we have been single-minded in our commitment to excellence.
