Auditor's Report on Quarterly Financial results and Annual Financial Results of Oil Country Tubular Limited pursuant to Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
THE INTERIM RESOLUTION PROFESSIONAL,
OIL COUNTRY TUBULAR LIMITED

We have audited the accompanying annual financial results of **Oil Country Tubular Limited** (**'the company'**) for the year ended March 31, 2022 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015. Attention is drawn to the fact that the figures for the quarter ended March 31, 2022 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter of the relevant financial year had only been reviewed and not subjected to audit.

These financial results have been prepared on the basis of the Ind AS annual financial statements and reviewed quarterly financial results which are the responsibility of the Company's Management and have been approved by the Interim Resolution Professional in the meeting held on May 27, 2022. Our responsibility is to express an opinion on these financial results based on our audit of the Ind AS annual financial statements which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standards ("Ind AS") specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India.

We conducted our audit in accordance with the Standards on Auditing generally accepted in India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial results are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations Except for the effects / possible effects of our observations stated in para below given to us these financial results:

- i. are presented in accordance with requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) regulations, 2015 in this regard; and
- ii. give a true and fair view of the net loss (financial performance including other comprehensive income) and other financial information for the financial year ended March 31, 2022.

Qualified Opinion

As per Indian Accounting Standard 36 on impairment of Assets, the Company is required to determine impairment in respect of Property, Plant and Equipment as per the methodology prescribed under the said Standard. However, the management of the Company has not done impairment testing for the reasons explained in the note No.6 of the Ind AS financial statement. In the absence of any working for impairment of the Property, Plant and Equipment as per Ind AS 36, the impact of impairment, if any on the Ind AS financial statement is not ascertainable. Refer to Note No.6 of financials.

Material Uncertainty Related to Going Concern

As mentioned in note no.6 of the Ind AS financial statements, the Company recorded a total comprehensive loss of ₹ 5,100.55 lakhs during the year ended March 31, 2022 and, and the accumulated losses of ₹17,143.26 lakhs as on March 31, 2022 have fully eroded the net worth. A Material uncertainty exists that may cast significant doubts on the Company's ability to continue as a going concern in the event of no resolution plan being accepted by the lenders in the CIRP process.

Our opinion is not modified in respect of this matter.
