Report of the Directors

To the Members,

The Directors are pleased to present their 37th Annual Report along with the audited accounts of the Company for the year ended on 31st March, 2021.

Financial Performance

The Company's financial performance for the year ended on 31st March, 2021 is summarized below:

Particulars	(In Lakhs)	
	2020-2021	2019-20
Total Revenue including other Income	36.54	21.56
Total Expenses	36.17	43.71
Profit / (Loss) before Tax	0.37	(22.15)
Profit / (Loss) after Tax	(1.23)	(17.20)
Total Comprehensive Income / Loss	(1.27)	(16.78)

Performance Overview

The Total Revenue including other income of the Company stood at Rs. 36.54 Lakhs in 2020-21 as against Rs. 21.56 Lakhs in 2019-20. The Company posted loss after tax of Rs. (1.23) Lakhs in 2020-21 against loss of Rs. (17.20) in the previous year.

During the year under review, there has been no change in the nature of business of the Company.

However During the financial year 2021-22, Company had proposed to enter into new trading activities and for this purpose, Company had initiated to alter its Memorandum and Articles of Association and received certificate for alteration of the object Clause of the memorandum of association from the Registrar of Companies, Ministry of Corporate Affairs, New Delhi.

Further, no material changes and commitments have occurred between the end of the financial year and the date of the report affecting the financial position of the Company.

Subsidiaries and Associates

The Company doesn't have any Subsidiaries or Associates Company.

Material Subsidiaries

Pursuant to Regulation 24 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is required to formulate a policy for determining material subsidiaries but the same Clause is not applicable on Company as Company doesn't have any Subsidiary Company.

Management Discussion and Analysis

A separate chapter on Management Discussion and Analysis is given in this Annual Report.

Dividend

Considering the facts and prevailing circumstances, your Directors have not recommended any dividend for the financial year 2020-21.

Reserves

The reserve for the financial year of 2020-21 showing in the balance sheet is Rs. 443.85 Lakhs as against Rs. 445.12 Lakhs in previous financial year.

Public Deposits

During the F.Y. 2020-21, your Company has not accepted any deposits within the meaning of Section 73 and 76 Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 and as such no amount of principal or interest was outstanding as on date of the Balance Sheet.

Corporate Governance

A separate report on Corporate Governance along with the General Shareholders Information, as prescribed under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, is annexed as a part of the Annual Report along with the Certificate on Corporate Governance provided by Practicing Company Secretaries.

Annual Return

The Annual Return of the Company as on March 31, 2021 is available on the Company's website and can be accessed at www.ebl.co.in

Particulars of loans, guarantees or investments

The Company has not given any loans or guarantee or investment under the provision of section 186 of the Companies Act, 2013.

Borrowings

During the year under review, the company has taken an unsecured loan of Rs. 2,00,000/- (Rupees Two Lakhs Only) on interest @ 9.50% per annum from Mr. Madhusudan Chokhani, Managing Director of the Company due to meeting funding requirements of the company repayable at the end of 5 years from the date of its receipt. The declaration from Mr. Madhusudan Chokhani has received

by the company that said amount of money has been given out of his own funds and is not being given out of funds acquired by him through borrowing or accepting loans or deposits from others.

Further, during the year under review, the company has also taken an unsecured loan from M/s. Kesri Investments Limited, a Non-Banking Financial Company (NBFC) of Rs. 1,00,000 (Rs. One Lakh Only) on interest @ 10.50% per annum due to meeting funding requirements of the company repayable at the end of 5 years from the date of its receipt.

Meetings of the Board and Committees

The details in respect to the number of Board and Committees meetings of your Company are set out in the Corporate Governance Report which forms part of this Report.

Audit Committee

Pursuant to the provisions of section 177 and applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the composition of an Audit Committee consisting of requisite number of Independent Directors and other Directors Mrs. Lakshmi Devi Chokhani-Member (Independent Directors) and Mr. Madhusudan Chokhani-Member (Managing Director). During the Current F.Y. Mr. Shiv Kumar Mandelia has resigned from the office of the directorship and Mr. Sridhar Suresh Goenka (Independent Director) has been appointed. Thus It is proposed to add Mr. Sridhar Suresh Goenka to be added in the respective committees of the meeting. The Board of Directors of the Company has duly accepted all the recommendations of Audit Committee made during financial year 2020-21.

Vigil Mechanism

The Company established a Vigil Mechanism/ Whistle Blower Policy. The purpose of this mechanism is to provide a framework to report concerns about unethical behavior, actual or suspected fraud or violation of the Company's code of conduct or ethics policy and provide adequate safeguards against victimization of the person availing this mechanism. This Policy has been appropriately communicated within the organization and is effectively operational. The policy provides mechanism whereby whistle blower may send protected disclosures directly to the Chairman of Audit Committee or Ethics Officer.

Risk Management

As per the requirement of Regulation 17 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the company laid down the procedures to inform Board members about the risk assessment and minimization procedures and the Board was responsible for framing, implementing and monitoring the risk management plan for the company. The Company has developed and implemented a Risk Management Policy to identify and mitigate key risks that may threaten the existence of the Company.

Internal Financial Controls

Your Company has put in place adequate internal financial controls with reference to financial statements. Such system has been designed to provide for:

- Adoption of accounting policies in line with applicable accounting standards.
- Proper recording of transactions with internal checks and reporting mechanism.
- Compliance with applicable statutes, policies, management policies and procedures.

The management of your Company periodically reviews the financial performance against the approved plans across various parameters and takes necessary action, wherever necessary.

Fraud Reported By Auditor

There was no fraud by the Company during the financial year 2020-21, which has been noticed (or) reported during the course of our Audit by the Auditors under section 12 of section 143 of Companies Act, 2013.

Declaration of Independence

Your Company received declaration from all the Independent Directors confirming that they meet the criteria of Independence as prescribed under the provisions of Companies Act, 2013 read with the Schedules and Rules made there under as well as Regulation 25 & 26 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The details of the familiarization programme for the Independent Directors have been uploaded on the website of the Company and may be accessed through the link: http://www.ebl.co.in/EBL/Policy/Familiarisation_Programme%20for%20Independent%20Directors.pdf

Details of Significant and material orders passed by the Regulators or Courts or Tribunals impacting going concern status and Company's operation in future.

No significant and material order was passed by Regulators or Courts or Tribunals during the year under review impacting the going concern status of your Company.

Change in Directors and Key Managerial Personnel

Appointments and Resignations

During the financial year 2020-21, No appointment of directors were made out and the composition is intact as of previous year. There was no director who has resigned from the office during the period.

Further, Ms. Richa Malhotra (ACS-56034) has tendered her resignation w.e.f. 1st December, 2020 from the position of Company Secretary cum Compliance Officer (Key Managerial Personnel) of the Company due to personal reasons and the Board has accepted her resignation and relieved her from her duties.

Further, Mr. Satendra Singh, has tendered his resignation w.e.f. 16th December, 2020 from the position of Chief Financial Officer (Key Managerial Personnel) of the Company due to personal reasons and the Board has accepted his resignation and relieved him from his duties.

Further, the Board of Directors of the Company at its meeting held on 12th February, 2021 has considered and approved the appointment of Mr. Sharad Sharma (ACS-63886) as Company Secretary cum Compliance Officer (Key Managerial Personnel) and Chief Financial Officer of the Company with effect from 12th February, 2021.

Further, Mr. Sharad Sharma, has tendered his resignation w.e.f. 6th May, 2021 from the position of Company Secretary cum Compliance Officer (Key Managerial Personnel) and Chief Financial Officer of the Company due to personal reasons and the Board has accepted his resignation and relieved him from his duties.

In accordance with the provisions of Section 149, 152 and other applicable provisions, if any, of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014, Mr. Madhusudan Agarwal is liable to retire by rotation at the forthcoming Annual General Meeting.

None of the directors of the Company are disqualified under Section 164 (2) of the Companies Act, 2013. Your directors have made necessary disclosures as required under various provisions of the Companies Act, 2013.

Composition of Key Managerial Personnel (KMP)

Pursuant to the provisions of Section 203 of the Act, during the financial year 2020-21, the Company has the following KMPs:

S. No.	Name	Designation
1.	Mr. Madhusudan Chokhani	Managing Director
2.	Mr. Satendra Singh(*)	Chief Financial Officer
3.	Ms. Richa Malhotra (**)	Company Secretary cum Compliance Officer
4.	Mr. Sharad Sharma(***)	Company Secretary cum Compliance Officer & Chief Financial Officer (CFO)

(*) Resigned with effect from 16th December, 2020.

(**) Resigned with effect from 1st December, 2020.

(***) Appointed with effect from 12th February, 2021 and resigned on 06th May, 2021.

Number of meetings of Board of Directors

During the year 2020-21, Four Board Meetings were convened and held. Details of the same are given in the Corporate Governance Report which forms part of this report. The intervening gap between any two meetings was within the period prescribed under the Act and the Listing Regulations. However in F.Y 2020-21 there was gap between two board meetings which was more than the prescribed time limit under the Act and prescribed regulations due to Covid-19 Pandemic and adequate relaxation were provided by the government to conduct the meeting even after prescribed time limit.

Directors' Responsibility Statement

Pursuant to Section 134(3)(c), the Directors hereby state and confirm that :

- (a) in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- (b) the directors have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- (c) the directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors have prepared the annual accounts on a going concern basis; and
- (e) the directors have laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively.
- (f) the directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Statement indicating the manner in which formal annual evaluation has been done

In terms of provisions of Companies Act, 2013 and Regulation 17 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, Independent Directors at their meeting without participation of the Non-Independent Directors and Management, considered/evaluated the Boards' performance, Performance of the Chairman and other Non-Independent Directors. The Board subsequently evaluated the performance of Independent Directors as per the criteria laid down and has recommended their continuation on the Board of the Company. The working of its Committees (Audit, Nomination and Remuneration and Stakeholders Relationship Committee) and Independent Directors (without participation of the Director being evaluated) were also evaluated. Nomination and Remuneration Committee have laid down the

criteria for performance evaluation of all directors and Directors whose performance are subject to evaluation have not participated in the meeting.

The evaluation criteria as laid down by the Nomination & Remuneration Committee included various aspects of the functioning of Board such as composition, process & procedures including adequate & timely information, attendance, delegation of responsibilities, decision-making; roles & responsibilities including monitoring, benchmarking, feedback; stakeholder relationship and committees.

The performance of individual Directors including the Chairman was evaluated on various parameters such as knowledge & experience, interest of stakeholders, time devoted etc. The evaluation process has been explained in the Corporate Governance Report of the Annual Report. The evaluation of Independent Directors was based on aspects like participation in & contribution to the Board decisions, knowledge & experience and judgment.

The Company recognizes and embraces the importance of diversity in the Board in its success. We believe that a truly diverse Board will leverage difference in thought, perspective, knowledge, skill, regional and industry experience, culture and geographical background, age, ethnicity which will help us retain our competitive advantage.

Companies Ceased or Become Subsidiaries, Joint Ventures or Associate during the year

ANNEXURE B

Director's Appointment & Remuneration Policy

East Buildtech Limited ("EBL" or the "Company") has adopted this Policy on appointment and remuneration of the Directors, Key Managerial Personnels and Senior the Management ("Policy") as required by the provisions of Section 178 of the Companies Act, 2013 (the "Act") and the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Objective

The objective of this Policy is to provide a consistent framework to the Committee to perform its functions in compliance with the Law pertaining to the appointment remuneration payable and removal of directors, key managerial personnel and senior management personnels and make appropriate recommendations to the Board.

Applicability

This Policy shall be applicable to all Directors, Key Managerial Personnels, Senior Management Personnels and other employees of East Buildtech, wherever applicable.

Definitions

"Key Managerial Personnel (KMP)" means the Managing Director & CEO, Chief Financial Officer and Company Secretary and Whole time Director.

"Senior Management Personnel" shall mean officers/personnel of the listed entity who are members of its core management team excluding board of directors and normally this shall comprise all members of management one level below the chief executive officer/managing director/whole time director/manager (including chief executive officer/manager, in case they are not part of the board) and shall specifically include company secretary and chief financial officer.

Criteria for appointment and removal of Directors, Key Managerial Personnel's & Senior Management Personnel's.

1. Appointment criteria and qualifications

- (a) Subject to Law and the HR Policy of the Company, the Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director and/or KMP in the manner as it deems fit and make appropriate recommendations to the Board.
- (b) If required and considered fit by the Committee, appropriate consultations shall be held with East Buildtech Managing Director.

2. Term / Tenure

The Term/ tenure of the Directors shall be governed by and as prescribed under Law.

3. Removal

Due to reasons for any disqualification mentioned under Law or any other justifiable grounds, the Committee may recommend to the Board, with reasons to be recorded in writing, for removal of a Director or KMP.

Purpose

- a) To evaluate the performance of the members of the Board.
- b) To ensure remuneration to Directors, KMP and Senior Management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.
- c) To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.

The Committee should ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully and the relationship of remuneration to performance is clear and meets appropriate performance benchmarks.

Performance Evaluation

The evaluation of Directors, KMP and Senior Management Personnel shall be conducted yearly or at such intervals as may be considered necessary.

Role of the Nomination and Remuneration Committee:

The Nomination and Remuneration Committee shall:

- a) Formulate the criteria for determining qualifications, positive attributes and independence of a Director;
- b) Identify persons who are qualified to become Director and persons who may be appointed in Key Managerial and Senior Management positions in accordance with the criteria laid down in this Policy;
- c) Lay down the evaluation criteria for performance evaluation of Independent Director and the Board;
- d) Recommend to the Board, appointment, remuneration and removal of Director, KMP and Senior Management;

Remuneration payable to Directors, Key Managerial Personnel and other employees

1. Managing Director / Whole-time directors

- (a) The Nomination and Remuneration Committee shall make such recommendations to the Board, as it may consider appropriate with regard to remuneration to Managing Director / Whole-time directors.
- (b) The Remuneration/ Commission etc. to be paid to Managing Director / Whole- time directors shall be governed by Law read with Management Regulations of the Company and be subject to the approval of shareholders of the Company and Central Government, wherever required.

2. Non-executive / Independent directors

- (a) The Non-executive/ Independent directors may receive remuneration by way of fees for attending meetings of Board or Committee thereof. Provided that the amount of such fees shall not exceed such amount as may be prescribed by Law.
- (b) The Non-executive/ Independent directors may be entitled to reimbursement of reasonable and direct expenses for participation in the Board and other meetings and profit related commission as may be approved by the shareholders of the Company which shall not exceed 1% of the net profits of the Company.
- (c) An Independent director shall not be entitled to any stock option.
- (d) The sitting fee paid to Independent Directors and Women Directors, shall not be less than the sitting fee payable to other directors.

3. KMP, Senior Management Personnel and other employees

- (a) The remuneration of KMP (excluding the MD & CEO) and Senior Management Personnel shall be governed by the HR Policy of East Buildtech on the basis of recommendation of the MD of the Company.
- (b) The remuneration of other employees shall be governed by the HR Policy of East Buildtech.
- (c) The remuneration shall be subject to applicable taxes and the Company may withhold there from any amounts as are required to be withheld pursuant to the applicable laws. Any tax liability arising in respect of payments made pursuant to the remuneration shall be borne solely by the respective director, KMP and senior management personnel.

Appointment criteria and qualification:

The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director in terms of Diversity Policy of the Board and recommend to the Board his / her appointment.

For the appointment of KMP (other than Managing / Whole time Director) or Senior Management, a person should possess adequate qualification, expertise and experience for the position he/ she is considered for the appointment. Further, for administrative convenience, the appointment of KMP (other than Managing / Whole time Director) or Senior Management, the Managing Director is authorized to identify and appoint a suitable person for such position. However, if the need be, the Managing Director may consult the Committee / Board for further directions/ guidance.

ANNEXURE-D

SECRETARIAL AUDIT REPORT

For the Financial Year ended on 31st March 2021

Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

**To,
The Members,
East Buildtech Limited**

We have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by East Buildtech Limited (hereinafter as "**Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

We report that –

- a. Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- b. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
- c. We have not verified the correctness and appropriateness of the financial statements of the Company.
- d. The compliance of the provisions of the Corporate and other applicable laws, rules, regulation, standards is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
- e. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
 - i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

We have also examined compliance with the applicable clauses of the Listing Agreements entered into by the Company with BSE Limited.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations and Guidelines, to the extent applicable, as mentioned above.

- (vi) The Company is in the business of Construction of Commercial Buildings. But during the previous year no new construction has took place.

We have checked the compliance management system of the Company to obtain reasonable assurance about the adequacy of systems in place to ensure compliance of specifically applicable laws and this verification was done on test basis. We believe that the Audit evidence which we have obtained is sufficient and appropriate to provide a basis for our audit opinion. In our opinion and to the best of our information and according to explanations given to us, we believe that the compliance management system of the Company is adequate to ensure compliance of laws specifically applicable to the Company.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices were given to all directors of the Board Meetings; agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting for meaningful participation at the meeting.

Board decisions are carried out with unanimous consent and therefore, no dissenting views were required to be captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no instances of:

- i. Public/Rights/Preferential issue of shares/debentures/sweat equity.
- ii. Redemption of securities.
- iii. Decisions by the Members in pursuance to section 180 of the Act.
- iv. Merger/Amalgamation/Reconstruction.
- v. Foreign technical collaborations.

The functions of the Audit Committee of the Board include the following:

Oversee the Company’s financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible.

- Recommending to the Board, the appointment, re-appointment and, if required, the replacement or removal of the Statutory Auditor and the fixation of audit fees.
- Approval of payment to Statutory Auditors for any other services rendered by the Statutory Auditors.
- Reviewing, with the management, the annual financial statements before submission of the same to the Board for approval, with particular reference to:-
 - Matters required to be included in the Directors' Responsibility Statement to be included in the Directors' report in terms of sub-section 5 of Section 134 of the Companies Act, 2013;
 - Changes, if any, in accounting policies and practices and reasons for the same;
 - Major accounting entries involving estimates based on the exercise of judgment by management;
 - Significant adjustments, if any, made in the financial statements arising out of audit findings;
 - Compliance with Listing and other legal requirements relating to financial statements;
 - Disclosure of any related party transactions;
 - Qualifications, if any, in the draft audit report; and
 - Reviewing, with the management, the quarterly financial statements before submission of the same to the Board for approval.
 - Reviewing, with the management, performance of Statutory Auditors and adequacy of the internal control systems.
 - Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit.
 - Discussions with management and/or internal auditors, if any, of any significant findings and follow up thereon.
 - Reviewing the findings of any internal investigations into matters where there is suspected fraud or irregularity.
 - Discussions with Statutory Auditors before the audit commences, about the nature and scope of audit as well as post-audit discussions to ascertain any area of concern.
 - To look into the reasons for substantial defaults, if any, in making payments to the specified category of creditors etc.

- Carrying out any other function as is mentioned in the terms of reference of the Audit Committee.

The Audit Committee is empowered, pursuant to its terms of reference, to:

- Investigate any activity within its terms of reference and to seek any information it requires from any employee.
- Obtain legal or other independent professional advice and to secure the attendance of outsiders with relevant experience and expertise, when considered necessary.

Meetings and Attendance for the year 2020-21:

S. No	Name	Held	Attended
1.	Mr. Shiv Kumar Mandelia	4	4
2.	Mr. Madhusudan Chokhani	4	4
3.	Mrs. Lakshmi Devi Chokhani	4	2

NOMINATION AND REMUNERATION COMMITTEE

The composition of the Nomination and Remuneration Committee meets the requirement of the Section 178 of Companies Act, 2013 and Regulation 19 of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015.

The present members of the committee are Mr. Shiv Kumar Mandelia (Independent Director) as the Chairman of the Committee, Mrs. Lakshmi Devi Chokhani (Independent Director) as Member and Mr. Madhusudan Agarwal (Non-Executive Director) as Member of the company.

The basic function of the committee is mentioned as under:-

- 1) Formulation of the criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board a policy, relating to the remuneration of the Directors, Key managerial Personnel and other employees,
- 2) Formulation of criteria for evaluation of Independent Directors and the Board,
- 3) Devising a policy on Board Diversity,
- 4) Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment and removal. The company shall disclose the remuneration policy and the evaluation criteria in its Annual Report.

Meetings and Attendance during the year 2020-21, the said committee met two times on 29.06.2020 and 12.02.2021.

S.No	Name	Designation	Held	Attended
1.	Mr. Shiv Kumar Mandelia	Chairman	2	2
2.	Mrs. Lakshmi Devi Chokhani	Member	2	0
3.	Mr. Madhusudan Agarwal	Member	2	2

The Terms of Reference of Nomination and Remuneration Committee are as follows:-

- 1) To fix the level and composition of remuneration which is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully,
- 2) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks,
- 3) Remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the company and its goal.

Nomination and Remuneration Policy

The Company considers the human resources as its invaluable assets. This Remuneration Policy has been formulated to pay equitable remuneration to Directors, KMPs and other employees and to harmonize the aspirations of the human resource consistent to the goals of the company.

Guiding Principles:-

The guiding principle is that the remuneration and the other terms of employment shall be competitive in order to ensure that the Company can attract and retain competent Executives.

- When determining the remuneration policy and arrangements for Executive Directors/ KMP's, the Remuneration Committee considers pay and employment conditions with peers / elsewhere in the competitive market to ensure that pay structures are appropriately aligned and that levels of remuneration remain appropriate in this context.
- The Committee considers that a successful remuneration policy must ensure that a significant part of the remuneration package is linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.
- Our remuneration policy is guided by a common reward framework and set of principles and objectives as more fully and particularly envisaged under section 178 of the Companies Act 2013, inter alia principles pertaining to determining qualifications, positives attributes, integrity and independence etc.

Approval of the Remuneration Policy:-

This Remuneration Policy shall apply to all future employment agreements with members of Company's Senior Management including Key Managerial Person and Board of Directors.

The Remuneration Policy is binding for the Board of Directors including its provisions on stock options. In other respects, the Remuneration Policy shall be of guidance for the Board. Any departure from the policy shall be recorded and reasoned in the Board's minutes.

Remuneration Related to Directors

The Remuneration payable to the Directors will be determined by the committee and recommended by the board for approval. The Remuneration and commission paid to the Managing Director, if any shall be in accordance with the Companies Act, 2013. In the current financial year 2020-21, there is no remuneration has been paid to the Managing Director.

Remuneration to KMPs and Other Employees

The policy on remuneration of KMPs and other employees is as below:-

The Remuneration and Reward structure of the employees comprises of two broad based components- annual remuneration and long-term awards.

a) Annual Remuneration

Annual Remuneration refers to the Annual Compensation payable to the employees. This comprises of two parts- a fixed component and a performance linked variable component based on the extent of achievement of individual's objectives and performance of the business units.

The objective is to set the total remuneration at levels to attract, motivate and retain high-calibre and high- potential personnel in a global competitive market.

b) Long- Term Rewards

Long- Term Rewards may include Long- Term Incentive Plans(LTIP) under which incentives would be granted to eligible employees based on their contribution to the performance of the company, relative position in the organization and the length of service under the supervision and approval of the Committee.

Remuneration of Non- Executive/Independent Directors

The Remuneration payable to each Non-Executive Director is based on the remuneration structure as determined by the Board and is revised from time to time, depending on individual performance, the company's performance and provisions made in the Companies Act, 2013 and the rules made thereunder. However there is no remuneration paid to non-executive & Independent Directors during the financial year under review.

Policy Review

In case of any subsequent changes in the provisions of Companies Act, 2013 or any regulations which makes any of the provisions in the policy inconsistent with the Act or regulations, then the provisions of the Act or regulations would prevail over the policy and the policy would be modified in due course to make it consistent with the law.

STAKEHOLDER'S RELATIONSHIP COMMITTEE

The composition of the Stakeholder's Relationship Committee meets the requirement of Regulation 20 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 178 of Companies Act, 2013

The Stakeholder's Relationship Committee comprising one executive and two Independent directors. The present members of the Committee are Mrs. Lakshmi Devi Chokhani (Chairman and Non-Executive Independent Director), Mr. Madhusudan Chokhani (Member and Executive Director) & Mr. Shiv Kumar Mandelia (Member and Non-Executive Independent Director) of the company.

The Committee inter-alia oversees and reviews matters pertaining to transfer of securities. The Committee also looks into redressal of Shareholders' Grievances like transfer of securities, non-receipt of Annual Report etc. received from the investors in co-ordination with the Company's Registrar and Share Transfer Agent. The Committee met once during the financial year 2020-21 on 18th August, 2020.

S. No.	Name	Held	Attended
1.	Mr. Shiv Kumar Mandelia	1	1
2.	Mr. Madhusudan Chokhani	1	1
3.	Mrs. Lakshmi Devi Chokhani	1	1

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (EBL)

ECONOMIC OVERVIEW

Indian economy showed early signs of growth post various initiatives and reform measures undertaken by the Central Government. The Company believes that public and private investment spending to drive the capex growth will be critical to India's growth outlook. The Government has taken measures to boost spending by increasing the capex allocation towards infrastructure projects by reforms in the budget. The Government is also taking various initiatives to unlock stuck investments in the core and infrastructure projects, revive investments from the private sector by reforming policy environment, improving the ease of doing business and accelerating the project related approvals. During the current financial year, Government has also planned to raise Rs. 6 Trillion by leasing its infra assets and this may also boost the infrastructural projects.

INDUSTRY STRUCTURE AND DEVELOPMENT

The real estate sector continued to face a challenging environment due to lackluster demand scenario, various policy hurdles, delay in approval cycle, continued high borrowing costs both for industry and the consumer. Further with the implementation of Real Estate (Regulation and Development) Act, 2016 it will improve the overall industry in long term and will also be beneficial for all stakeholders of this industry.

The RBI has started to soften the interest rates but the impact at ground level is still awaited. Further downtrend in the interest rate cycle remains crucial for revival of the sector.

The overall mood in the leasing market is also expected to remain cautious. While few large scale transactions for consolidation and relocation of offices might be reported, majority of the demand is expected to be for small and medium size office space. Supply level will continue to exert pressure on rental movement and market recovery in most micro market. Introduction of REIT is likely to have a positive impact on the retail market segment.

Opportunities and Threats

Opportunities

The Company firmly believes that as soon as policy reforms pick up the speed in the Country, the demand for Real Estate should turn up/remain strong in the medium to long term. Your Company's well - accepted brand, contemporary architecture, well-designed projects in strategic locations, strong balance sheet, and stable financial performance even in testing times make it a preferred choice for Customers and Shareholders.

Challenges

It is obvious that along with available opportunities the business has also to face challenges/threats at times. The Management of your Company finds the following business challenges to have their impact in the years to come:

- Increased cost of finance
- Unanticipated delays in project approvals
- Availability of accomplished and trained labour force
- Increased cost of manpower
- Rising cost of construction
- Over-regulated environment

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and the applicable accounting standards issued by the ICAI .The management of East Buildtech Limited accepts the integrity and objectivity of these financial statements as well as the various estimates and judgments used therein.

CAUTIONARY STATEMENT

Certain Statements made in this report relating to Company's objectives, outlook, future plans etc. may constitute "forward looking statement" within the meaning of applicable laws and regulations. Actual performance may differ from such estimates, whether express or implied. Important factors that could make a difference to the Company's operations; include Government Regulations, Tax regimes, Economic developments and other allied factors.

The Company also continues to monitor the impact of COVID-19 on its business including its impact on customers, supply chain etc. due care has exercised in concluding on significant accounting judgment and estimates including in relation to recoverability of receivables, inventory and other financial assets based on information available with the Company as on the date.

CERTIFICATE ON CORPORATE GOVERNANCE COMPLIANCE

To,

The Members,

East Buildtech Limited

We have examined the compliance of conditions of Corporate Governance by M/s. East Buildtech Limited (the "Company"), for the year ended March 31, 2021 as stipulated in Chapter IV and Schedule V of the Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ("Listing Regulation"), as applicable.

The Compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Our examination is limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representation made by the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the said Clause of the above mentioned Listing Regulations .

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

COMPLIANCE CERTIFICATE FURNISHED BY MANAGING DIRECTOR (CEO) OF THE COMPANY:

The following compliance certificate have been furnished by Managing Director (CEO) of the Company for the year ended on 31st March, 2021:

A. We have reviewed financial statements and the cash flow statements for the year and that to the best of our knowledge and belief.

(1) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;

(2) these statements together present a true and fair view of the listed entity's affairs and are in compliance with existing accounting standards, applicable laws and regulations.

B. We are, to the best of our knowledge and belief, no transactions entered into by the listed entity during the quarter which are fraudulent, illegal or violative of the listed entity's code of conduct.

C. We have accepted responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the listed entity pertaining to financial reporting and we have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.

D. We have indicated to the auditors and the Audit committee:

(1) significant changes, if any, in internal control over financial reporting during the quarter;

(2) significant changes, if any, in accounting policies during the quarter and that the same have been disclosed in the notes to the financial statements; and

(3) Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the listed entity's internal control system over financial reporting.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
EAST BUILDTECH LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of East Buildtech Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit/loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Company deals in real estate business. Inventory of Commercial space is appearing since a considerable period, due to slow down. Our audit procedures consisted of evaluating whether any change was required to management's position on these uncertainties and the likelihood of recoverability.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. The Board's Report including Annexures to Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's report including annexures to Board's Report, If, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements

can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the

key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, during the year, the Company has not paid/provided any remuneration to its directors.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations as on 31st March, 2021.
 - (ii) The Company has made provision as required under the applicable law or accounting standards for material foreseeable losses, if any on long-term contracts including derivative contracts.

(iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company

<p>(ii) (a)</p> <p>(b)</p> <p>(c)</p>	<p>The stock of saleable commercial space has been physically verified at reasonable intervals by the management, during the year. In our opinion, the frequency of verification is reasonable.</p> <p>The procedure for physical verification of inventory (saleable commercial space) followed by management are reasonable and adequate in relation to the size of company and nature of its business.</p> <p>The company is maintaining proper records of inventory (saleable commercial space). Discrepancies noticed on verification of inventory as compared to book records were not material.</p>
<p>(iii)</p>	<p>The company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 and as such clauses (iii) (a), (b) and (c) of the order are not applicable to the company.</p>
<p>(iv)</p>	<p>In our opinion and according to the information and explanations given to us no loans, investments, guarantees and security covered under section 185 and 186 of the Companies Act, 2013 has been given by the company.</p>
<p>(v)</p>	<p>According to the information and explanation given to us, the company has not accepted any deposit from the public. Therefore, the provisions of clause (v) of the order are not applicable to the company.</p>
<p>(vi)</p>	<p>As informed to us, Company is not required to maintain any cost records as prescribed by the Central Government under section 148(1) of companies act 2013</p>
<p>(vii) (a)</p> <p>(b)</p>	<p>The company is generally in depositing with the appropriate authorities undisputed statutory dues including provident fund, employees state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and any other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect thereof outstanding as at 31st march 2021 for a period of more than six months from the date they became payable.</p> <p>According to the records of the company, Dues of income-tax or sales tax or service tax or duty of custom or duty of excise or value added tax which have not been deposited on account of any dispute.</p>
<p>(viii)</p>	<p>In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of loans or borrowings to a financial institution, bank, government or dues to debenture holders.</p>

(ix)	In our opinion, during the year no money has been raised by way of initial public offer or further public offer (including debt instruments) or term loans have been raised during the year.
(x)	According to the information and explanations given to us, no fraud by the company or on the company by its officers or employees has been noticed or reported during the year.
(xi)	According to the information and explanations given to us, the company has paid/ provided the managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
(xii)	The company is not a Nidhi company and hence provisions of clause (xii) of the order are not applicable to the company.
(xiii)	In our opinion all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the financial statements etc. as required by the applicable accounting standards.
(xiv)	During the year under review the company has not made any preferential allotment on private placement of shares or fully or partly convertible debentures.
(xv)	The company has not entered into any non cash transactions with directors or person(s) connected with him.
(xvi)	The Company is not required to be registered under section 45-1A of the Reserve Bank of India Act, 1934

Annexure B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of East Buildtech Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI".

1 Company Overview

East Buildtech Limited is a public limited company incorporated in India and has its registered office in New Delhi, India. The main business of the Company is to acquire land and to erect and construct houses, flats, shops, offices, stores, apartments, buildings etc. and Infrastructure Development.

2 Significant Accounting Policies

2.1 Basis of Preparation of financial statements

Compliance with Ind AS

Ministry of Corporate Affairs notified roadmap to implement Indian Accounting Standards [Ind AS] notified under the companies (Indian Accounting Standard) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the said road map, the company is required to apply Ind AS starting from financial year beginning on or after 1st April, 2017. Accordingly, the financial statements of the Company have been prepared in accordance with the Ind AS.

The Standalone Financial Statements have been prepared on the historical cost basis except for certain financial instruments measured at fair values at the end of each reporting period, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Reporting Presentation Currency

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primary functional currency of the company) and rounded off to the nearest lakh with two decimals, unless otherwise stated.

2.2 Classification of Assets and Liabilities

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/ non-current classification of assets and liabilities. However certain liabilities such as trade payables and some accruals for employee and other operating costs are part of the working capital used in the Company's normal operating cycle, accordingly classified as current liabilities even if they are due to be settled more than twelve months after the reporting period.

2.3 Property, Plant and Equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Depreciation on the property, plant and equipment is provided over the useful life of assets as specified in schedule II to the Companies Act, 2013.

Property, plant and equipments which are, acquired /capitalised/ disposed off during the year is provided on pro-rata basis with reference to the date of addition/capitalization/ disposal. Individual assets costing less than Rs.5,000/- are fully depreciated in the year of purchase. Lease hold land is amortized over the period of lease.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

2.4 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Rendering of services

Revenue from sale of services is recognised as per terms of the contract with customers when the outcome of the transactions involving rendering of services can be estimated reliably.

Interest income from deposits and others is recognized on accrual basis. Dividend income is recognized when the right to receive the dividend is unconditionally established. Profit/loss on sale/redemption of investments is recognized on the date of transaction of sale/redemption and is computed with reference to the original cost of the investment sold.

Insurance claims are recognized in the books only after certainty of its realization.

2.5 Leases

Finance leases that transfer substantially all of the risks and benefits incidental to ownership of the leased item, are capitalised at the commencement of the lease at the fair value of the leased property or if lower at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and a reduction in the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over shorter of the estimated useful life of the asset and the lease term.

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by lessor are classified as operating leases. Lease rentals are charges to the statement of profit and loss on straight line basis.

2.6 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest method. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

2.7 Employee Benefits

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, incentives are recognized in the period during which the employee renders the related service.

(ii) Post-Employment Benefits

(a) Defined Contribution Plans

State Government Provident Fund Scheme is a defined contribution plan. The contribution paid/payable under the scheme is recognized in the profit & loss account during the period during which the employee renders the related service.

(b) Defined Benefit Plans

The present value of obligation under defined benefit plan is determined based on actuarial valuation under the projected unit credit method which recognizes each period of service as giving rise to additional unit of employees benefits entitlement and measures each unit separately to build up the final obligation.

(c) Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Past service cost is recognised in the statement of profit and loss in the period of plan amendment.

Net Interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss.

- Service costs comprising current Service costs, past Service costs, gain and losses on curtailments and non-routine settlements

-Net interest expense or income

Long term employee benefit

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date.

Termination benefits

Termination benefits are recognised as an expenses in the period in which they are incurred.

2.8 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws in the countries where the Company operates and generates taxable income.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax asset against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the period

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

2.9 Impairment of Property, plant and equipment and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Any reversal of the previously recognised impairment loss is limited to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

2.10 Inventories

Inventories are valued at the lower of cost determined on FIFO basis and net realisable value. Costs incurred in bringing each product to its present location and condition is accounted for as follows:-

a) Raw material, packing material, construction material, stores & spares:

Cost includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.

Cost is determined on weighted average basis.

b) Finished goods and work in progress:

Cost includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.

Cost is determined on weighted average basis.

c) Traded goods:

Cost includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.

Cost is determined on weighted average basis.

d) Wastage and rejections are valued at estimated realisable values.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.11 Provisions.

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

2.12 Investment in subsidiaries, associates and joint ventures

Investment in subsidiaries, associates and joint ventures are shown at cost. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

2.13 Borrowings

Borrowings are recognized initially at fair value, less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortized cost with any difference between cost and redemption value being recognized in the statement of profit or loss over the period of the borrowings using the effective interest method.

2.14 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

2.15 Earnings Per Share

Earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

2.16 Contingent Liability and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

2.17 Trade Receivables

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expected to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets.

2.18 Investments and other financial assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

(a) Classification

The investments and other financial assets has been classified as per Company's business model for managing the financial assets and the contractual terms of the cash flows.

(b) Measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

b.1 Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company's classifies its debt instruments:

Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises.

b.2 Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

(c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(d) Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

(e) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

(f) Income recognition

Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

3 Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

3.1 Property, Plant and Equipments

Property, Plant and Equipments represent a significant proportion of the asset base of the company. The management of the Company makes assumptions about the estimated useful lives, depreciation methods or residual values of items of property, plant and equipment, based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of intangible assets and tangible assets. The management of the Company believe that on balance sheet date no impairment indications were existing.

3.2 Trade Receivables

Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at balance sheet date. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations.

3.3 Defined Benefit Plans

The provisions for defined benefit plans have been calculated by a actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

3.4 Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

3.5 Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

3.6 Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

Total	634.61	635.88

30. The outbreak of coronavirus (Covid-19) pandemic globally and in India has caused significant disturbance and slow down of economic activity. Based on management own assessment of impact of outbreak of covid-19 on business operations of the company, the management of the company have concluded that no adjustments are required to be made in the financial statements as it does not impact current financial year. In assessing recoverability of receivables, tangible & intangible assets and other financial, non-financial assets, the company has considered internal & external information including economic forecast available. However, the situation with covid-19 is still evolving. Also, the various preventive measures taken by the government are still in force leading to highly uncertain economic environment. Due to these circumstances, the management's assessment of the impact on subsequent period is highly dependent on situation/ circumstances as they evolve. The company continues to monitor the impact of covid-19 on its business including its impact on revenue, receivables etc.

31. Financial Risk Management

The company's activities expose it to a variety of financial risks: currency risk, interest rate risk credit risk and liquidity risk. The company's overall risk management strategy seeks to minimise adverse effects from the unpredictability of financial markets on the company's financial performance.

Interest rate risk

The company has borrowed from directors and Corporate having fixed rate of interest and therefore less prone to interest risk rate. There is no borrowing from Bank / Financial Institutions.

Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers.

Trade and other receivables

Credit risk is managed through credit approvals, establishing credit limits, continuous monitoring of creditworthiness of customers to which the company grants credit terms in the normal course of business. The Company also assesses the financial reliability of customers taking into account the financial condition, current economic trends and historical bad debts and ageing of accounts receivables.

COVID-19: The Company do not envisage any financial difficulties resulting in additional credit risks higher than usual credit terms due to COVID-19 outbreak.

Cash & cash equivalents

With respect to credit risk arising from financial assets which comprise of cash and cash equivalents, the Company's risk exposure arises from the default of the counterparty, with a maximum exposure equal to the carrying amount of these financial assets at the reporting date. Since the counter party involved is a bank, Company considers the risks of non-performance by the counterparty as non-material.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. The Company's finance department is responsible for fund management. In addition, processes and policies related to such risks are overseen by senior management.

32. Previous year figures have been re-grouped and rearranged whenever necessary.
