Dear Sirs,

Re: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Two years ago, the Company made decision to build a Research Centre at its Kalunga facility near Rourkela in Odisha (India). In this regard, a Disclosure was made by the Company on 3rd August, 2022. Decision was made to reflect Company's belief that a major part of progression is the foundation and strength emanating from the roots one come from.

Company take tremendous pride to announce that its said new Research Centre will be inaugurated in later part of November 2023 and become functional from that date. World-class Research Centre being built includes metal melting furnace for verification of material reactions not only underlines Company's commitment towards continuous improvement but will also consolidate its position as a technology leader in Refractories sector.

This announcement is also being hosted on Company's Website: <https://ifglgroup.com> and shall be available at link <https://ifglgroup.com/investor/announcement> .

Thanking you,

Yours faithfully,
For IFGL Refractories Ltd.
