#### 6. Material Uncertainty on Going Concern

The accumulated losses of the Company as on March 31st, 2023, is Rs. 1,53,029.65 lakhs (these accumulated losses were partly due to the reversal of earlier profits of Rs. 1,17,518.87 lakhs in retained earnings as at April 1, 2018 by the Company on adoption of Ind AS - 115 "Revenue from Contracts with Customers" with effect from April 1, 2018). As at March 31st, 2023, the accumulated losses exceed the share capital and free reserves of the Company, which have resulted in erosion of its net worth, and the current liabilities exceed current assets by Rs. 1,03,166.32lakhs. Also, certain lenders/customers have filed applications with the National Company Law Tribunal (NCLT), Debt Recovery Tribunal (DRT) and other courts for recovery of their dues. The Company has also delayed in repayment of borrowings and dues payable to other lenders including delays with respect to dues payable under one-time settlement agreements. As confirmed by the management, the Company has been in discussions with the lenders regarding restructuring (One time settlement) of these borrowings, the resolution for which is yet to be finalised. The Company continues to face profitability and liquidity issues evidenced by delays in repayments to lenders, and on-going claims/settlements of various counterparties. Such events and conditions and the possible impact of the associated uncertainties on management's assumptions, and other matters as set forth, cast significant doubt on the Company's ability to continue as a going concern. In the absence of sufficient appropriate audit evidence to support the management's assessment with respect to restructuring of borrowings and availability of funds, we are unable to comment on the ability of the Company to continue as a going concern. Our conclusion is not modified in respect of above stated matter.

- 10. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.
- 11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- 12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

- 13. The figures for the last quarter are the balancing figures between the audited figures in respect of the full financial year up to 31 March 2023 and the unaudited published year-to-date figures up to 31 December 2022, being the date of the end of the third quarter of the financial year which were subject to limited review by the statutory auditors.
- 14. These results are based on and should be read with the audited financial statements of the Company for the year ended March 31, 2022 on which we issued a qualified audit opinion vide our report dated May 26, 2022.
- 15. The balances of creditors, debtors, banks/lenders, advances paid/received, and other liabilities appearing in the balance sheet are subject to balance confirmation. The management is in the process of obtaining the respective confirmations in the due course.
- 16. Due to admission of Corporate Insolvency Resolution Process of the Company under Insolvency and Bankruptcy Code, 2016, the powers of the Board of Directors have been suspended and the financial statements have not been approved by the Board of Directors. However, the same has been signed by Promoter of the Company, Mr. Pranav Ansal, for compliance purposes, before its dissemination to the Stock exchanges as the Resolution Professional has not signed these Financial Results due to the NCLAT Order dated 13.01.2023.

#### 6. Material Uncertainty on Going Concern

The accumulated losses of the Company as on March 31st, 2023, is Rs. 1,53,029.65 lakhs (these accumulated losses were partly due to the reversal of earlier profits of Rs. 1,17,518.87 lakhs in retained earnings as at April 1, 2018 by the Company on adoption of Ind AS – 115 "Revenue from Contracts with Customers" with effect from April 1, 2018). As at March 31st, 2023, the accumulated losses exceed the share capital and free reserves of the Company, which have resulted in erosion of its net worth, and the current liabilities exceed current assets by Rs. 1,03,166.32 lakhs. Also, certain lenders/customers have filed applications with the National Company Law Tribunal (NCLT), Debt Recovery Tribunal (DRT) and other courts for recovery of their dues. The Company has also delayed in repayment of borrowings and dues payable to other lenders including delays with respect to dues payable under one-time settlement agreements. As confirmed by the management, the Company has been in discussions with the lenders regarding restructuring (One time settlement) of these borrowings, the resolution for which is yet to be finalised. The Company continues to face profitability and liquidity issues evidenced by delays in repayments to lenders, and on-going claims/settlements of various counterparties. Such events and conditions and the possible impact of the associated uncertainties on management's assumptions, and other matters as set forth, cast significant doubt on the Company's ability to continue as a going concern. In the absence of sufficient appropriate audit evidence to support the management's assessment with respect to restructuring of borrowings and availability of funds, we are unable to comment on the ability of the Company to continue as a going concern. Our conclusion is not modified in respect of above stated matter.

- 10. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

    from error, as fraud may involve collusion, forgery, intentional omissions,
    misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Management/Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group or its jointly controlled entities of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision, and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- 12. We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
