Based on the holding on the record date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the record date and the ratio of the Buyback applicable in the category to which such shareholder belongs. In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the equity shares held by such shareholders with a common Permanent Account Number (PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these equity shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories.

Shareholders' participation in Buyback will be voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate.

Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the shareholder as on the record date.

The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified under the SEBI Circular.

Participation in the Buyback by shareholders may trigger capital gains taxation in India and in their country of residence. The transaction of Buyback would also be chargeable to securities transaction tax in India. The shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.

Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the letter of offer to be sent to the Eligible Shareholder(s).
